0003

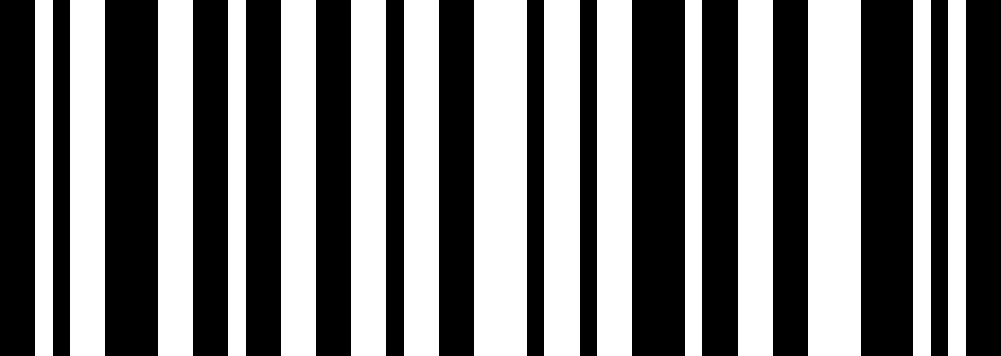

0004

A standard 1D barcode consisting of vertical black bars of varying widths on a white background.

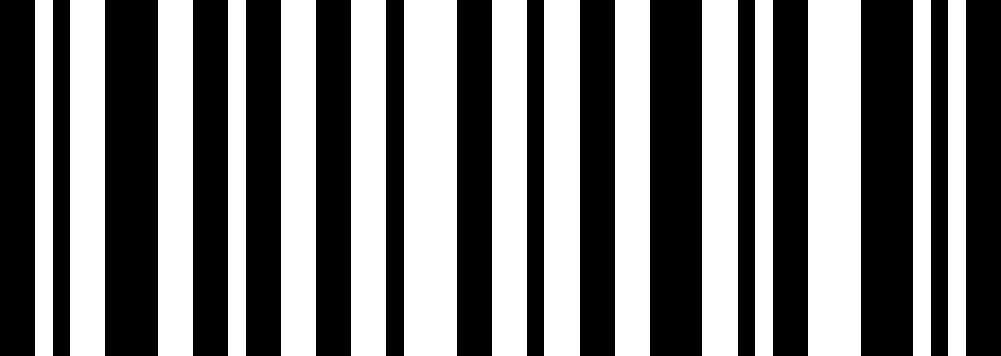

0005

0006

A standard 1D barcode with vertical black bars of varying widths on a white background.

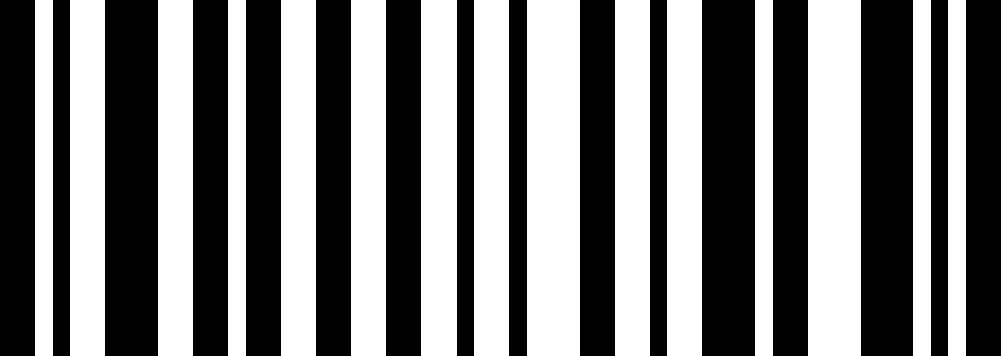

0007

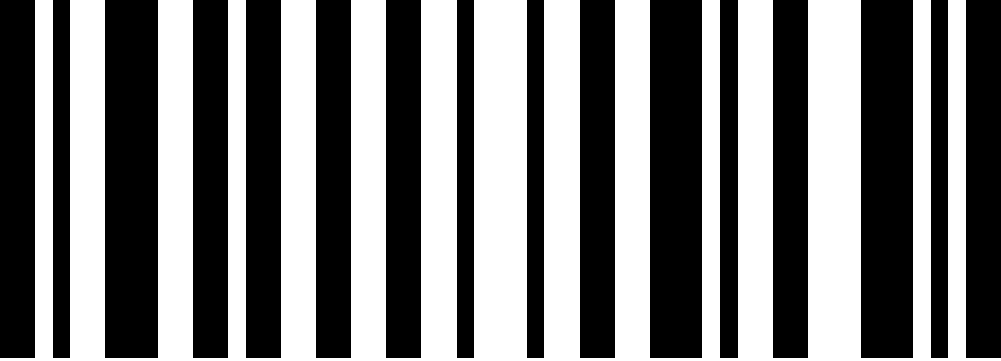

0008

A barcode consisting of vertical black bars of varying widths on a white background. Below the barcode, the number 0008 is printed in a large, black, sans-serif font.

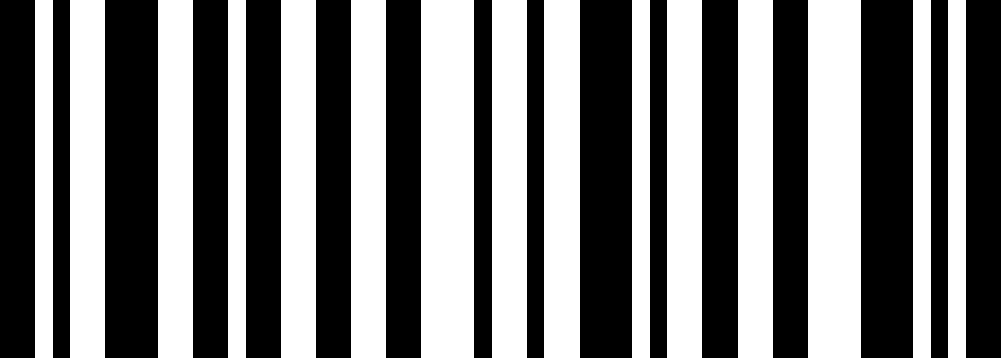

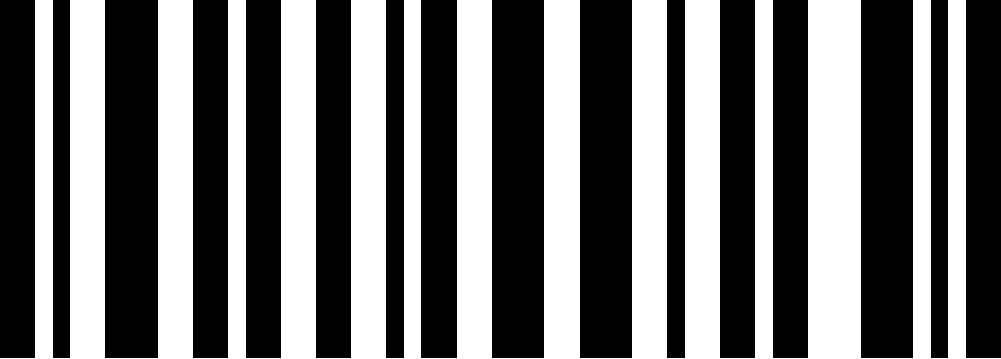

0009

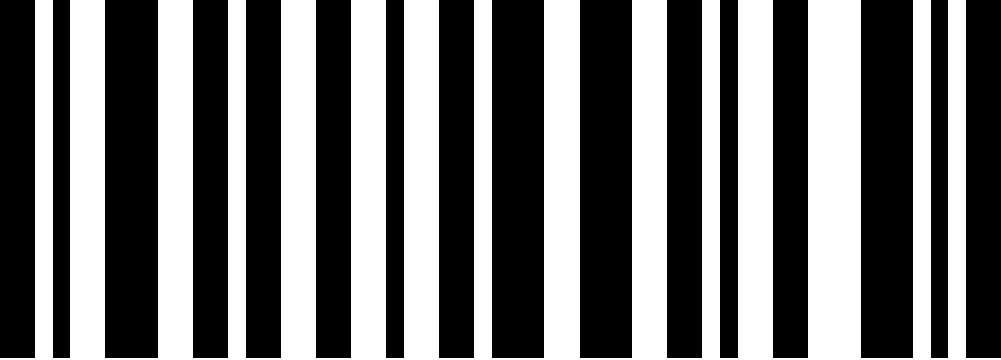

0010

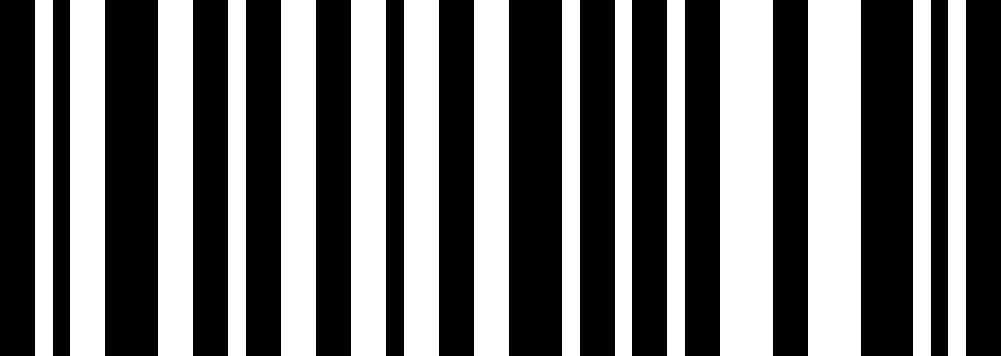

0011

0012

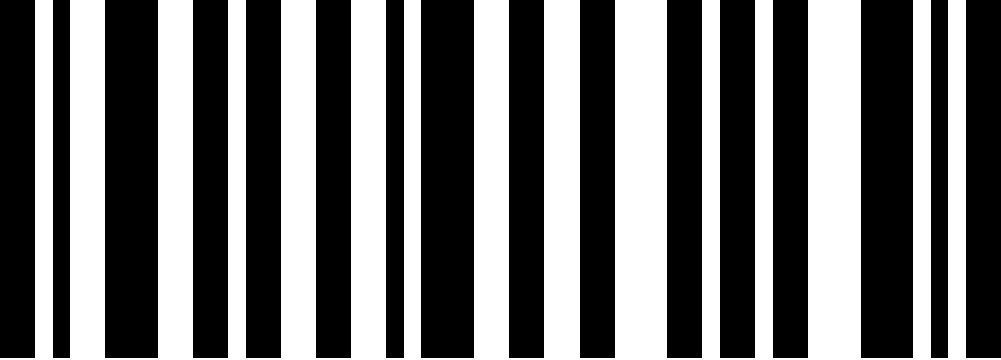

A standard 1D barcode with vertical black bars of varying widths on a white background.

0013

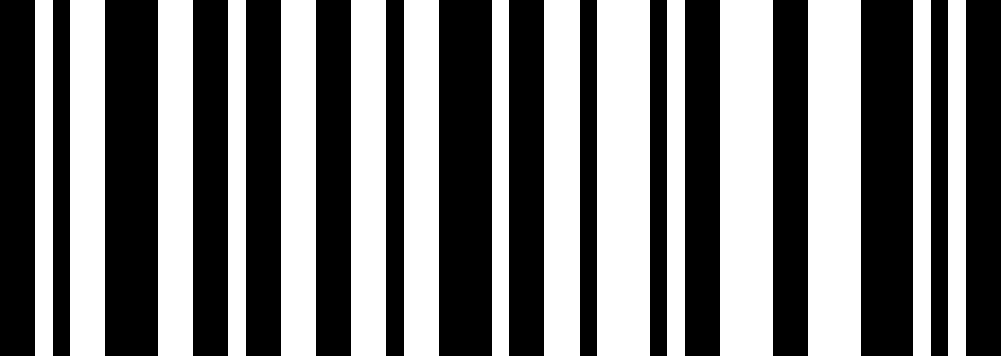

0014

A barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, and the number '0014' is printed below it.

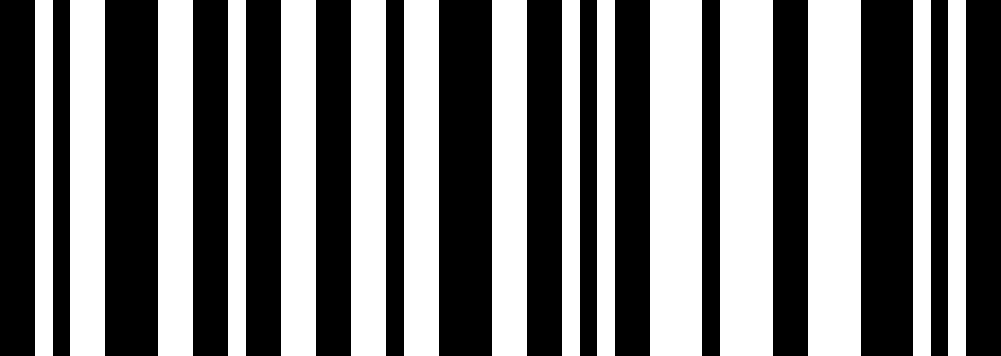

A standard 1D barcode with vertical black bars of varying widths on a white background.

0063

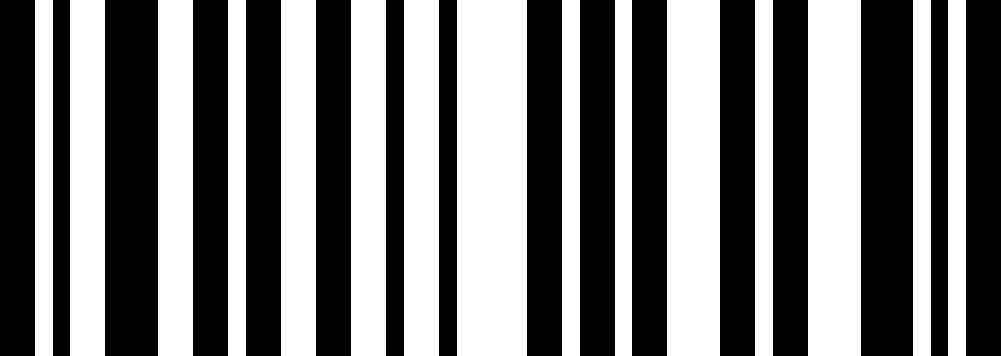

0064

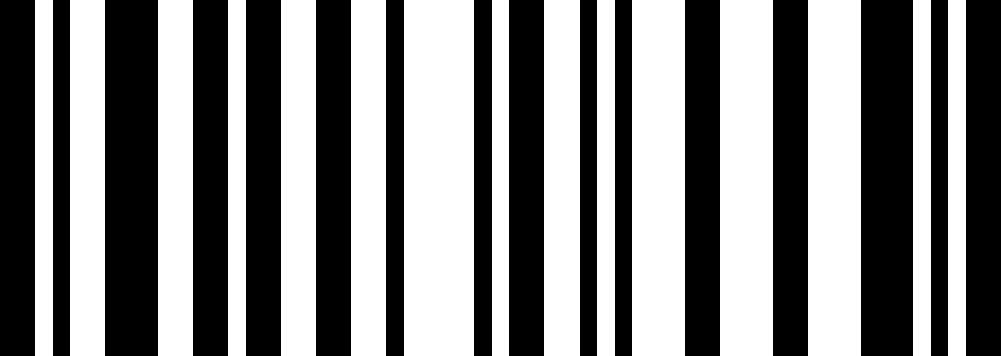

A standard 1D barcode with vertical black bars of varying widths on a white background.

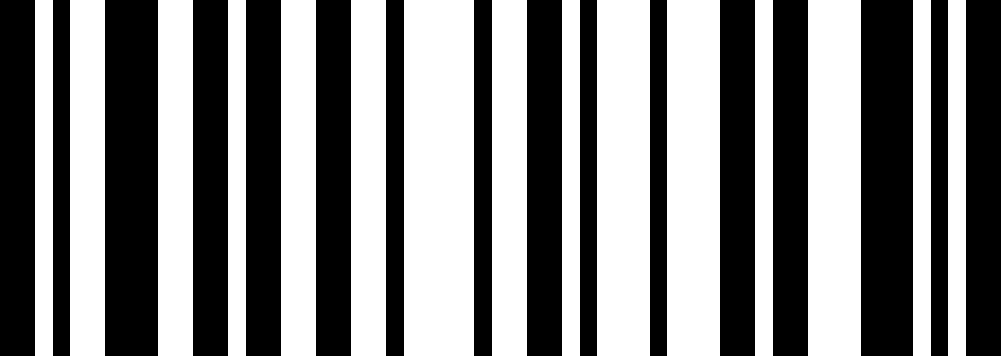

0065

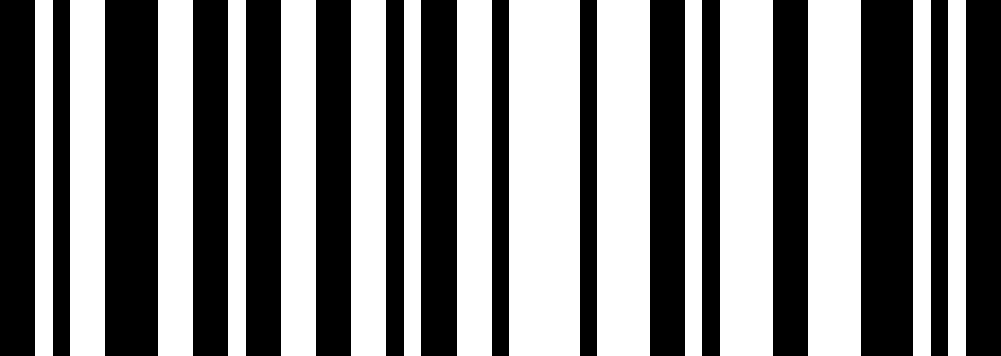

0066

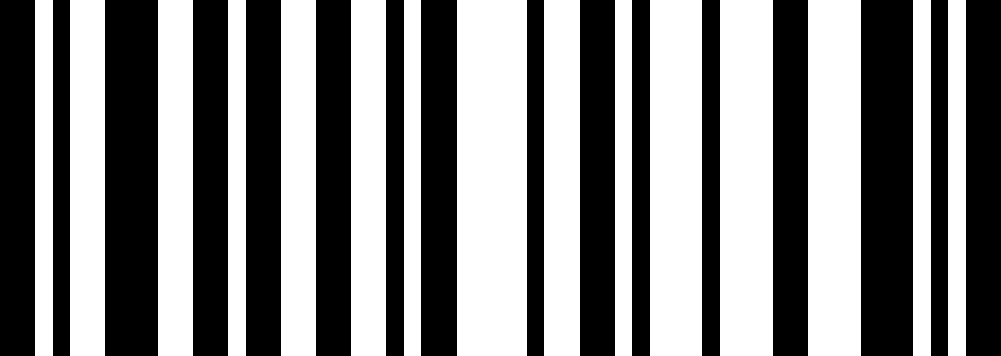

0067

0068

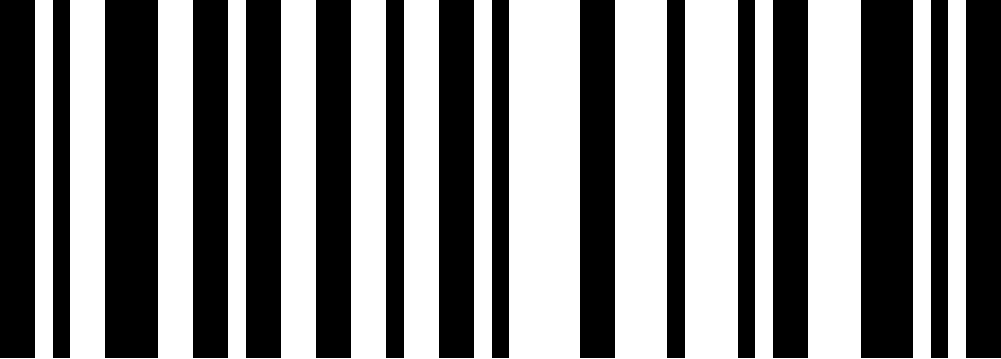

0069

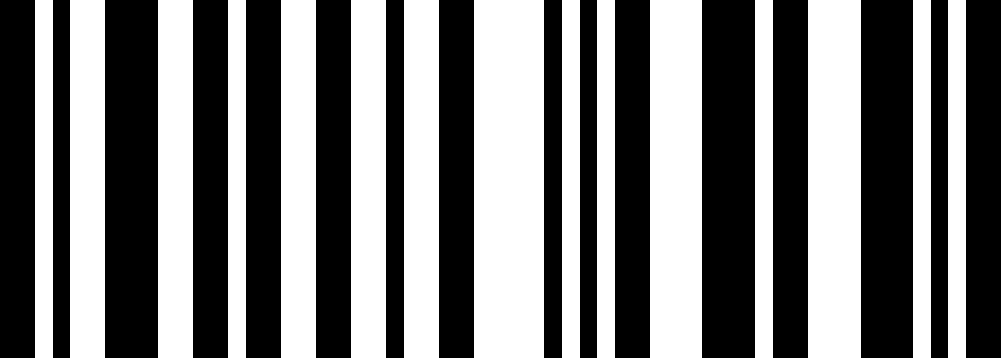

0070

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the number 0070. The first two bars are of equal width, followed by a narrower bar, and then another bar of equal width to the first two. The number 0070 is printed in a stylized, outlined font below the bars.

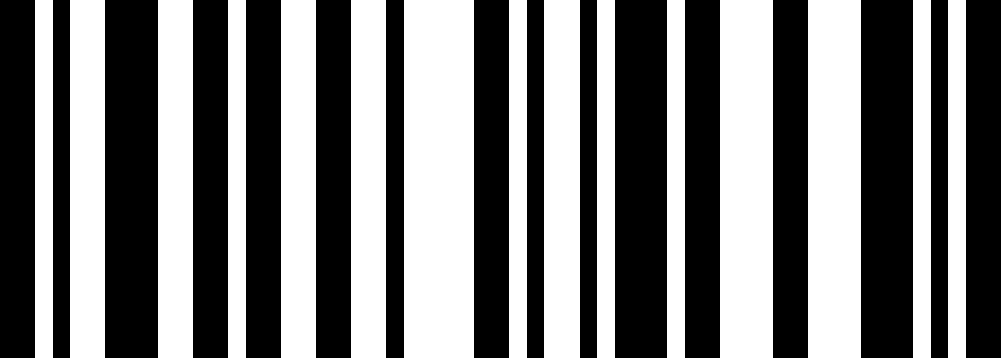

0071

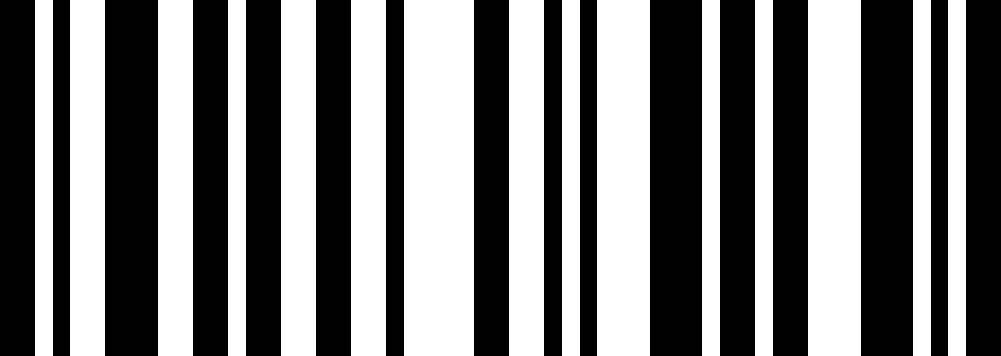

A standard 1D barcode with vertical black bars of varying widths on a white background.

0072

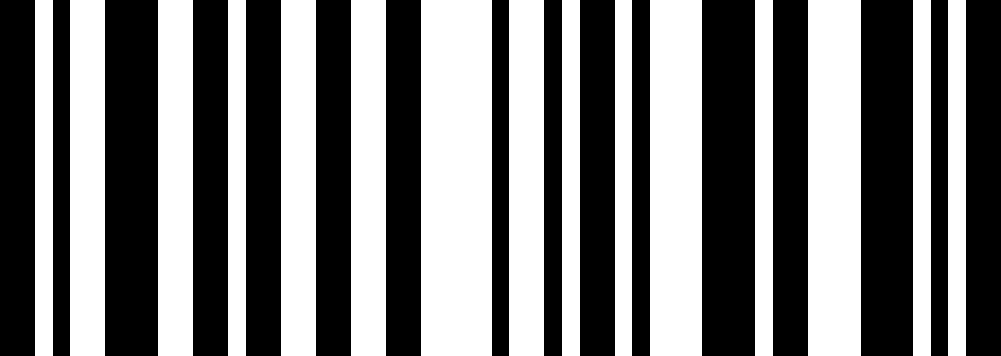

A standard 1D barcode with vertical black bars of varying widths on a white background.

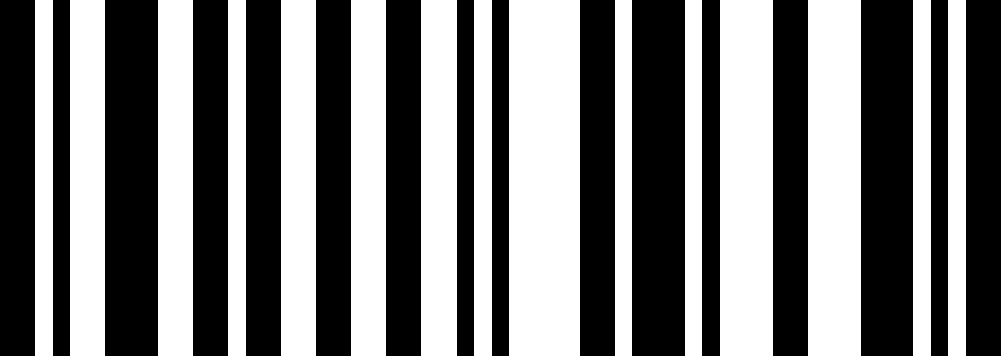

0073

A standard 1D barcode with vertical black bars of varying widths on a white background.

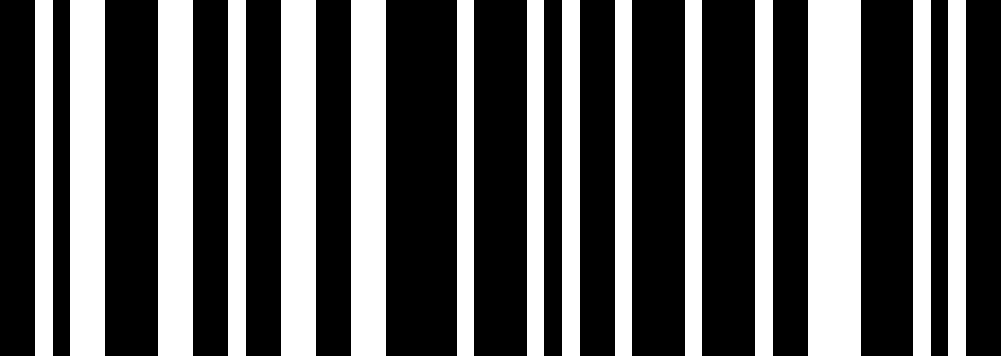

0074

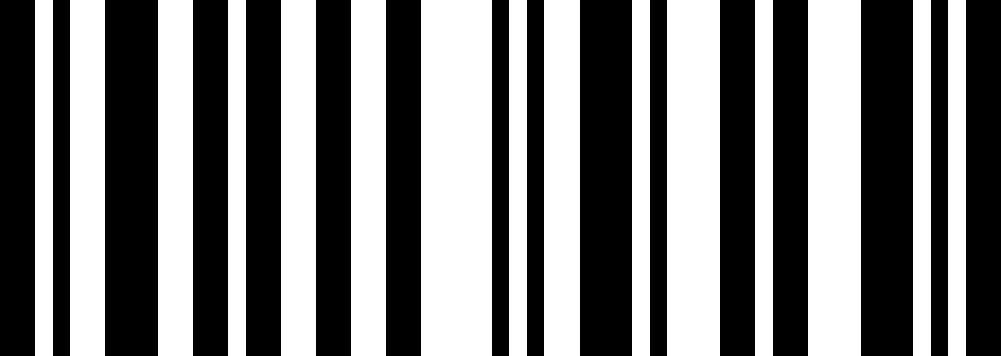

0075

A standard 1D barcode with vertical black bars of varying widths on a white background.

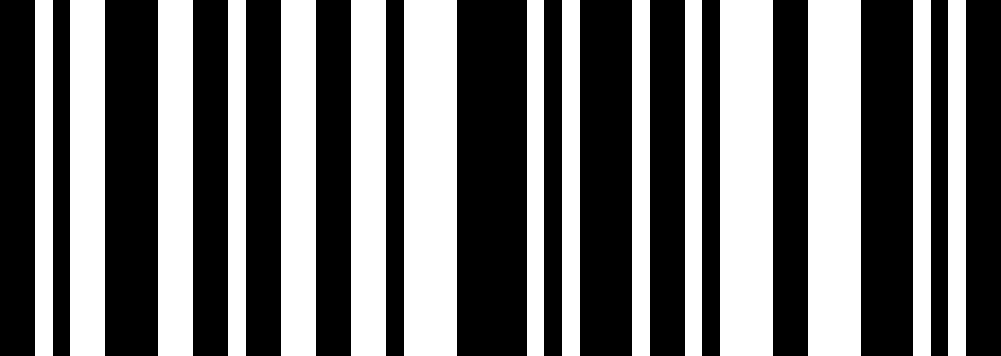

0076

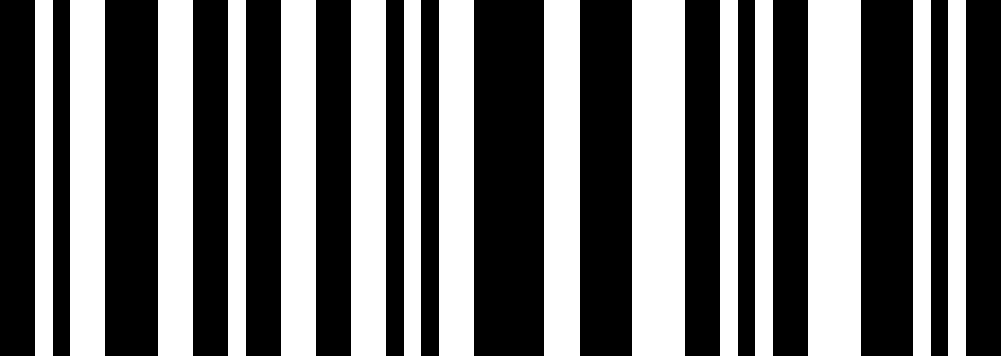

0077

0078

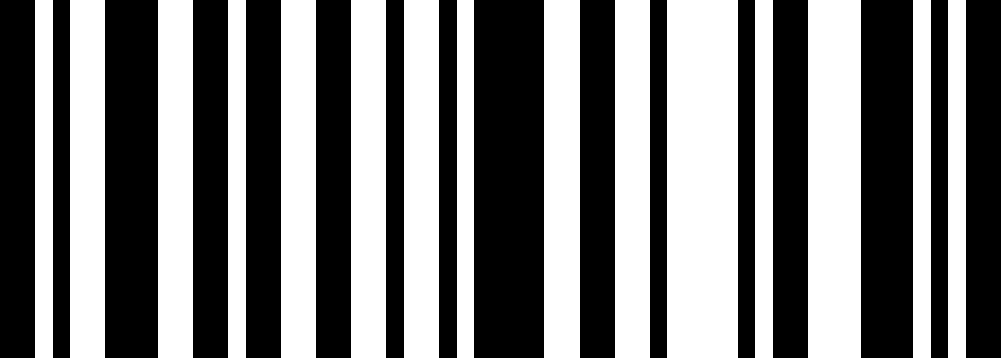

0079

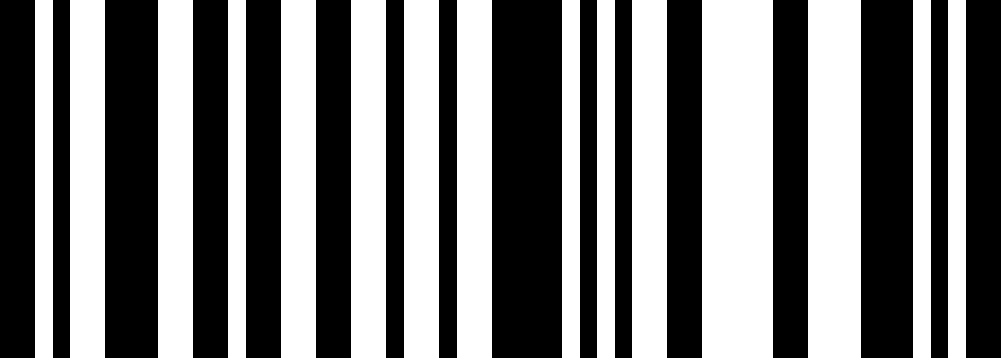

0080

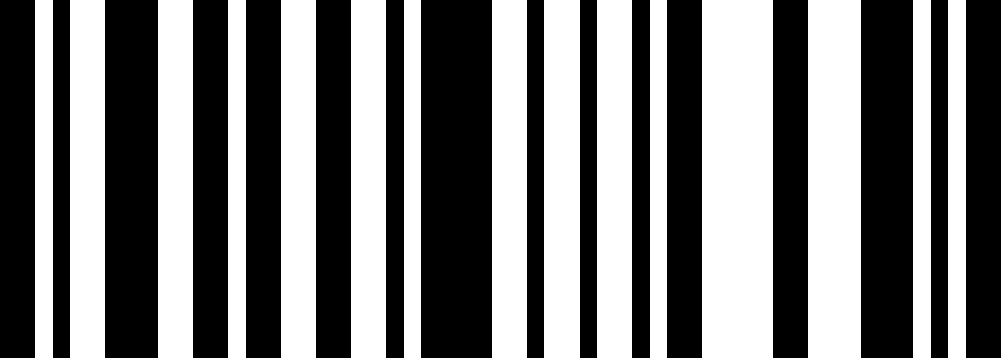

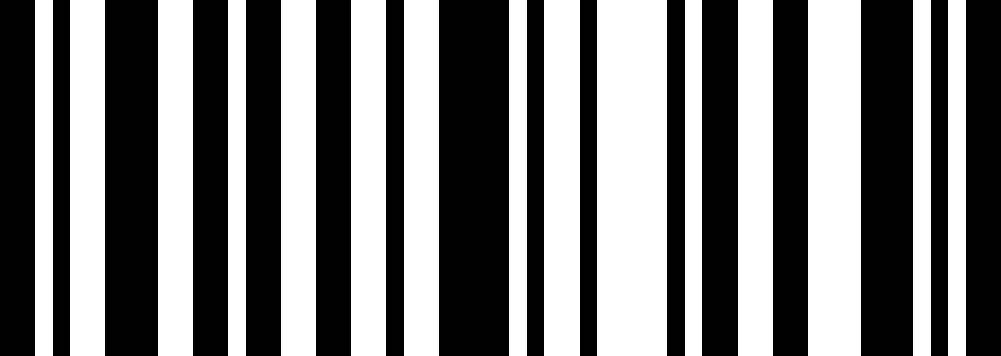

0081

A standard 1D barcode with vertical black bars of varying widths on a white background.

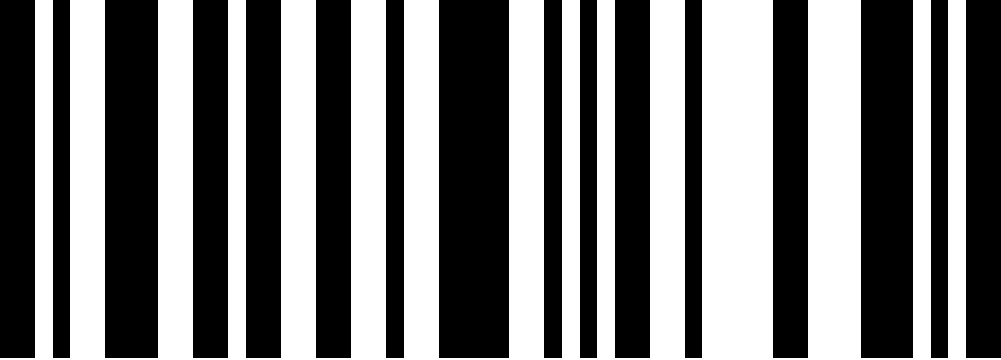

0082

A standard 1D barcode with vertical black bars of varying widths on a white background.

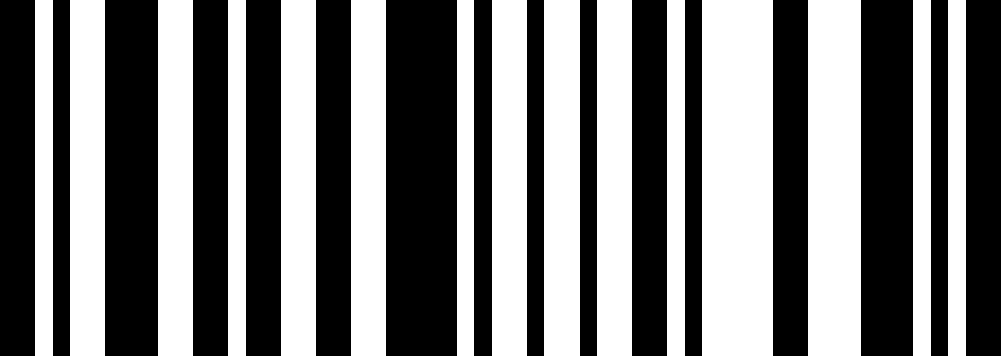

0083

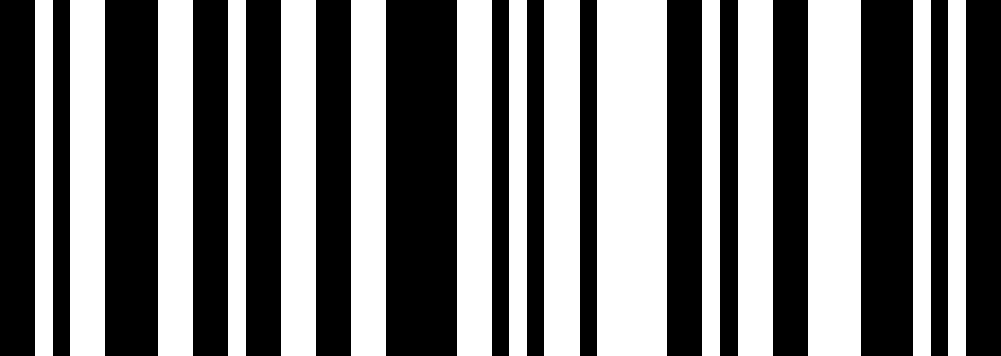

0084

A standard 1D barcode with vertical black bars of varying widths on a white background.

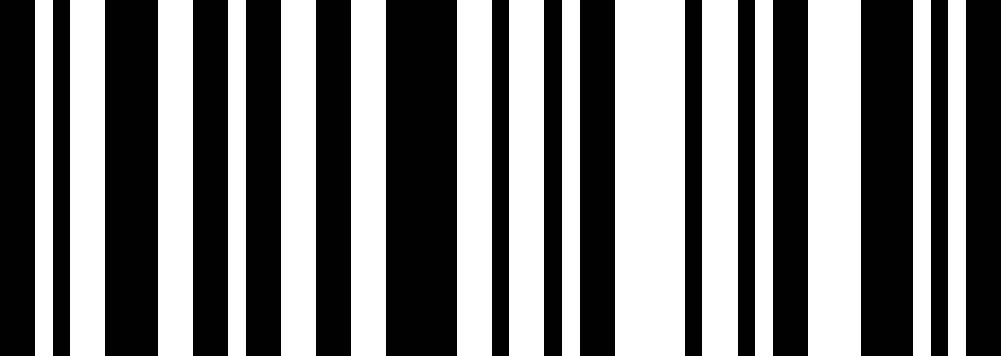

0085

0086

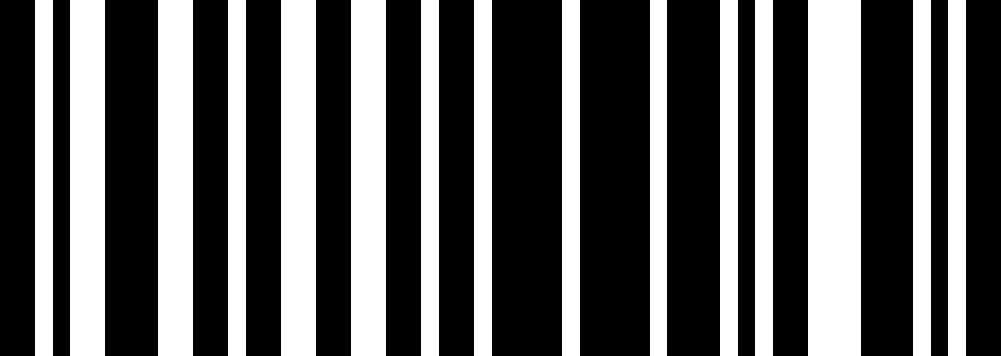

0087

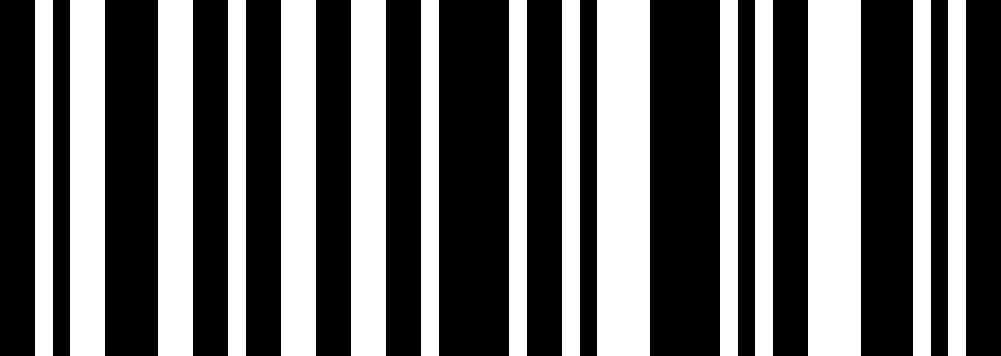

0088

0095

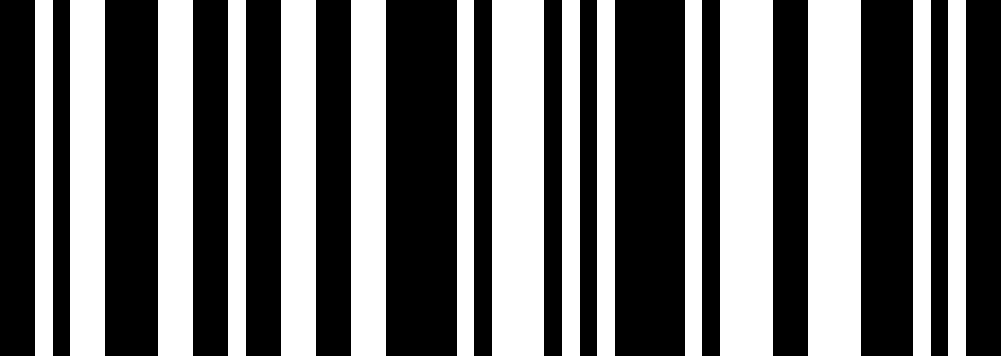

0096

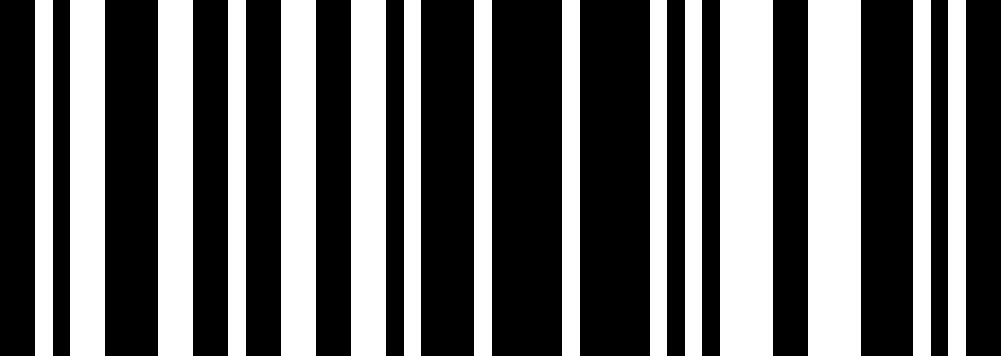

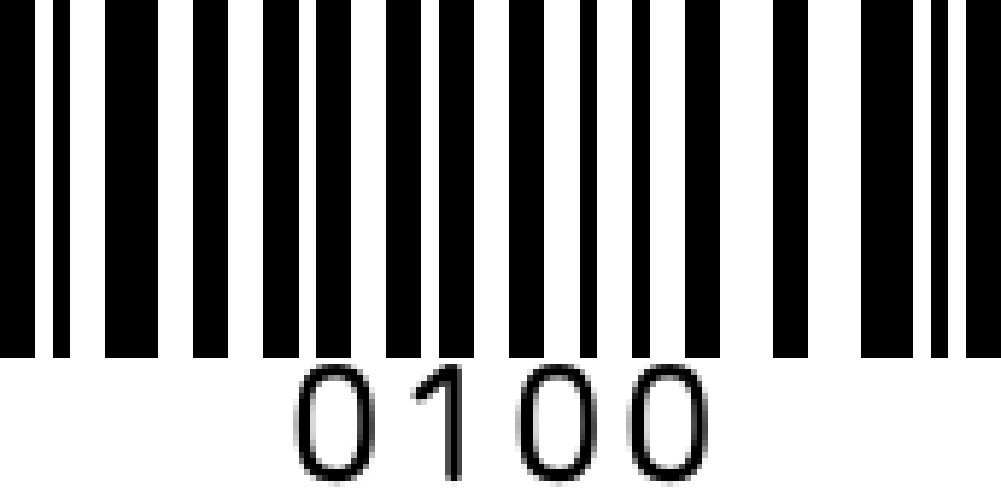

0097

0098

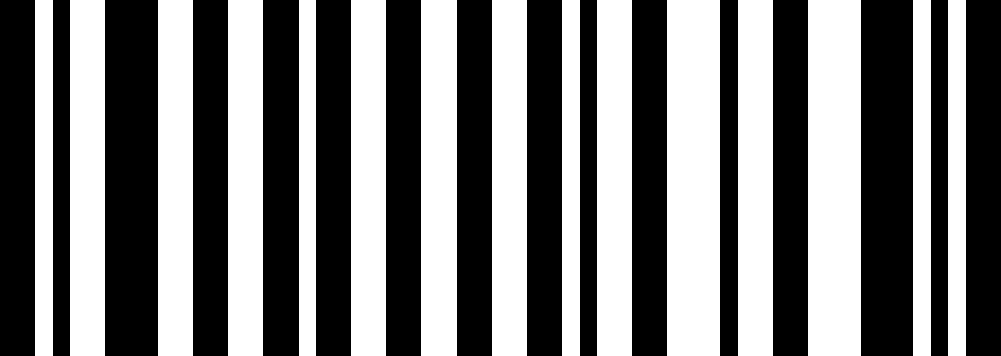

0099

0100

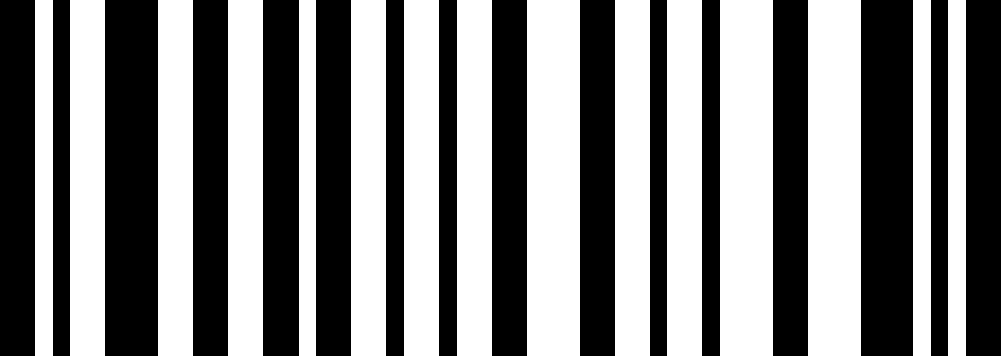

0101

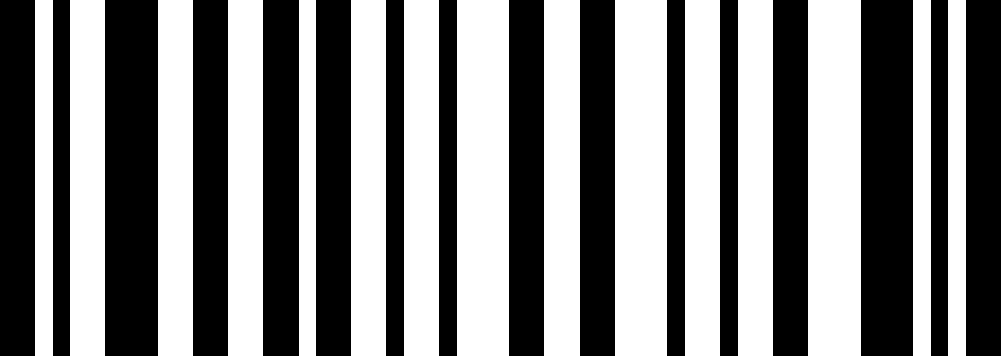

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the binary number 0102.

0102

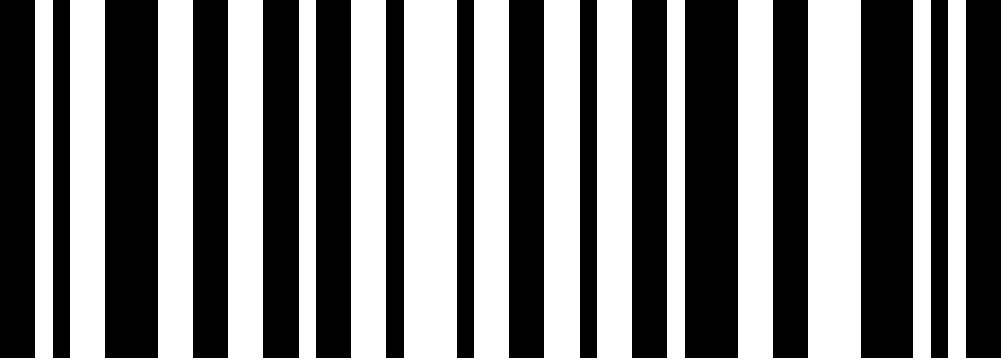

0103

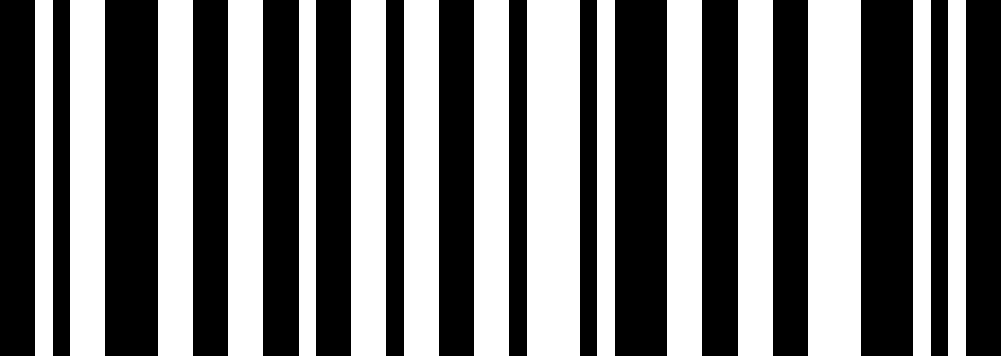

A standard 1D barcode with vertical black bars of varying widths on a white background.

0104

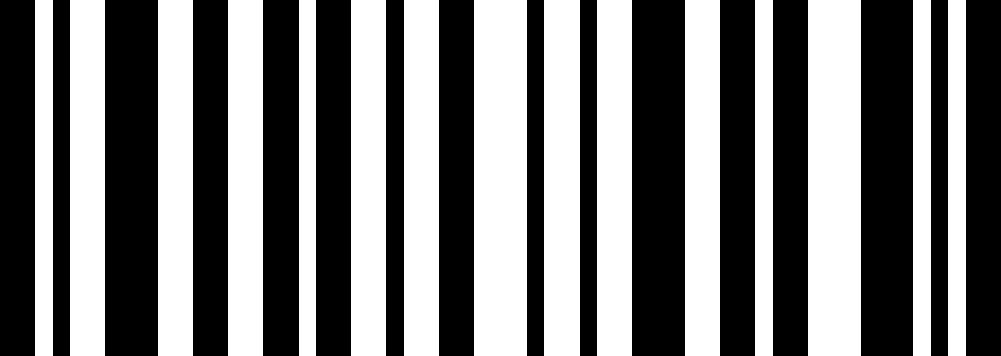

A standard 1D barcode consisting of vertical black bars of varying widths on a white background.

0105

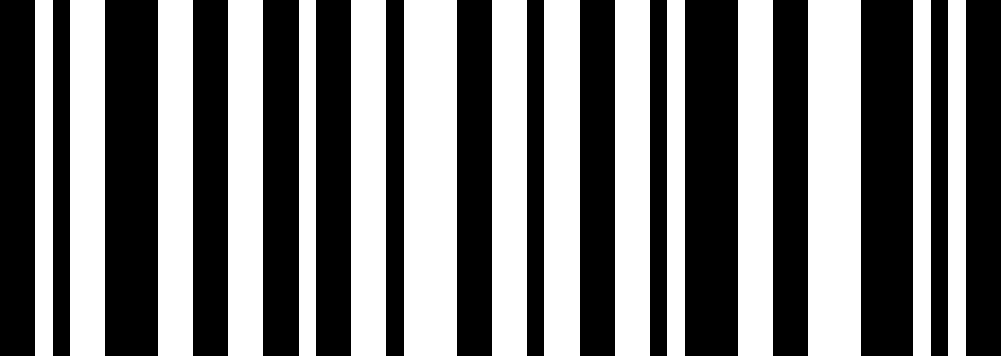

A standard 1D barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image.

0106

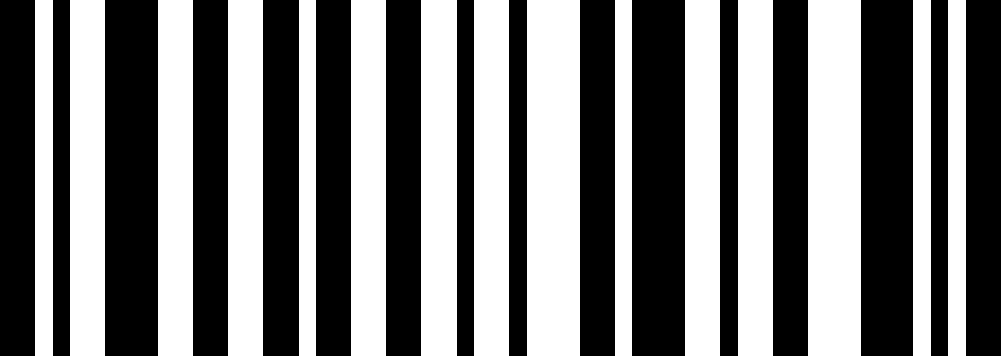

0107

A barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, and the numbers 0107 are printed below it.

0108

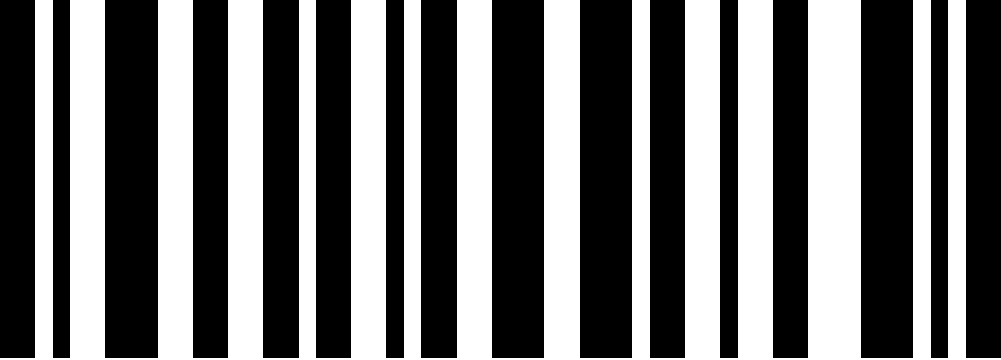

A standard 1D barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image.

0109

0110

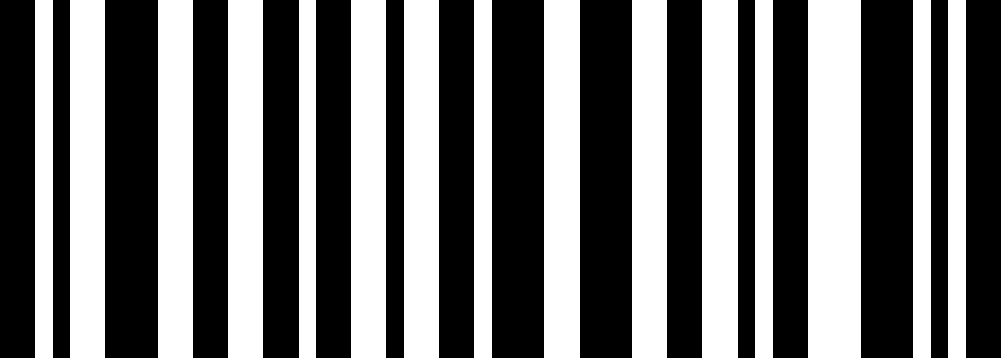

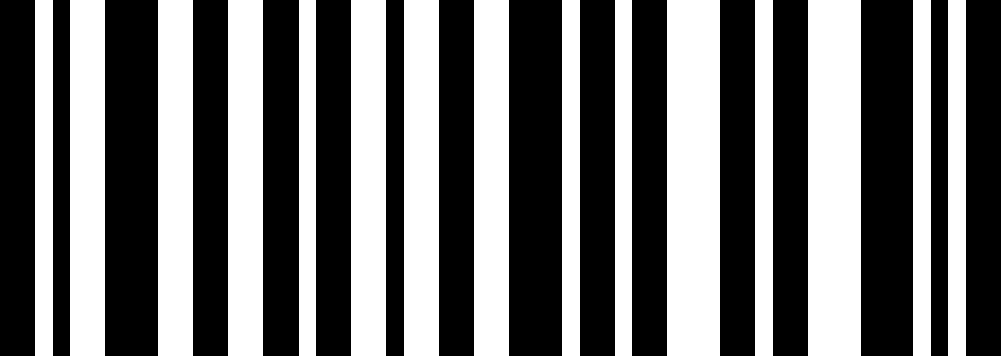

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the numbers 0112.

0112

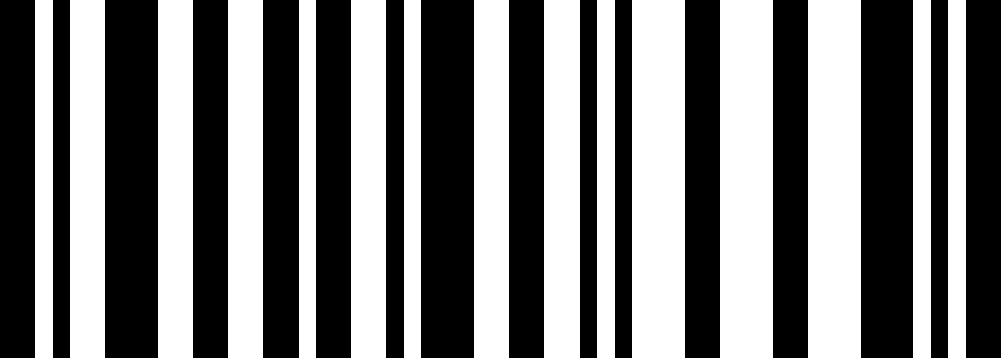

A standard 1D barcode with vertical black bars of varying widths on a white background.

0113

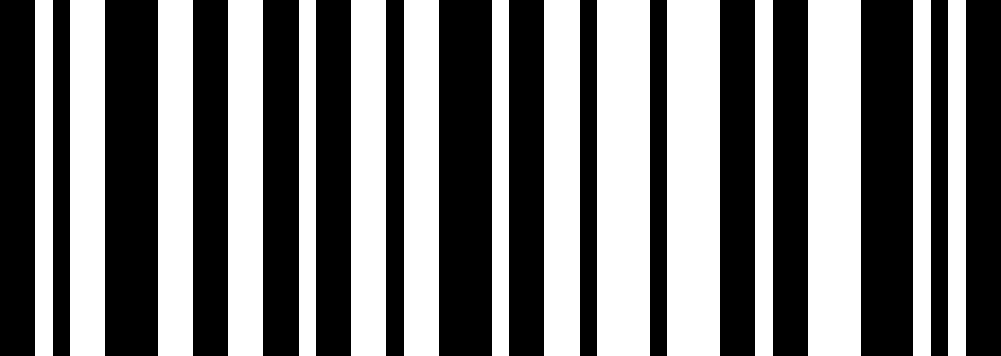

0114

A barcode consisting of vertical black bars of varying widths on a white background. Below the barcode, the numbers 0114 are printed in a stylized, outlined font.

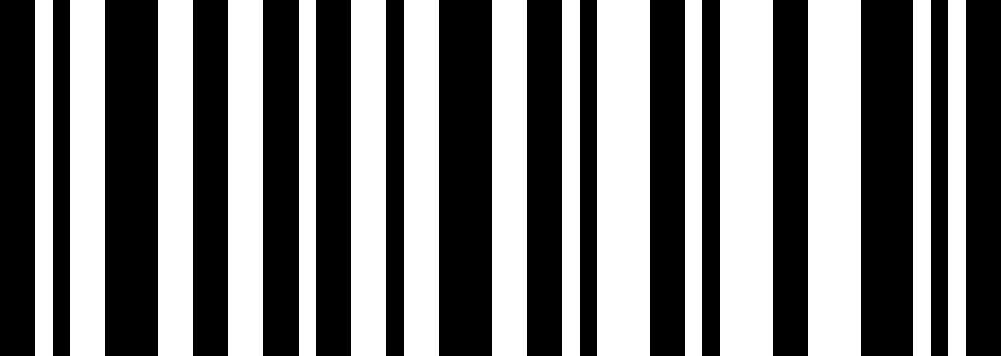

A standard 1D barcode with vertical black bars of varying widths on a white background.

0115

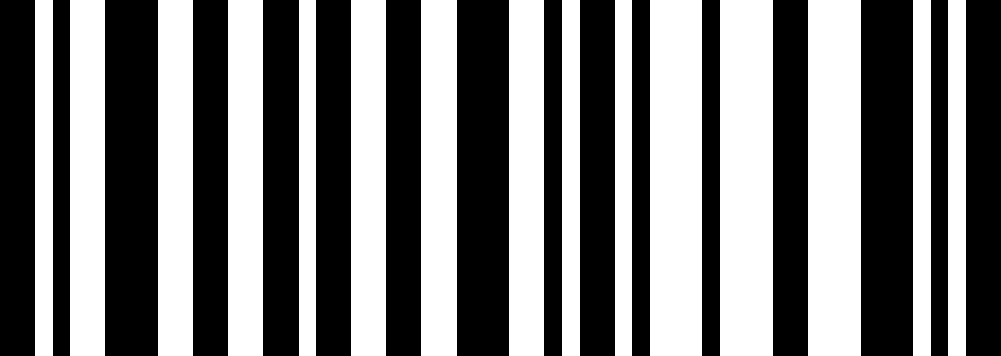

A standard 1D barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image.

0116

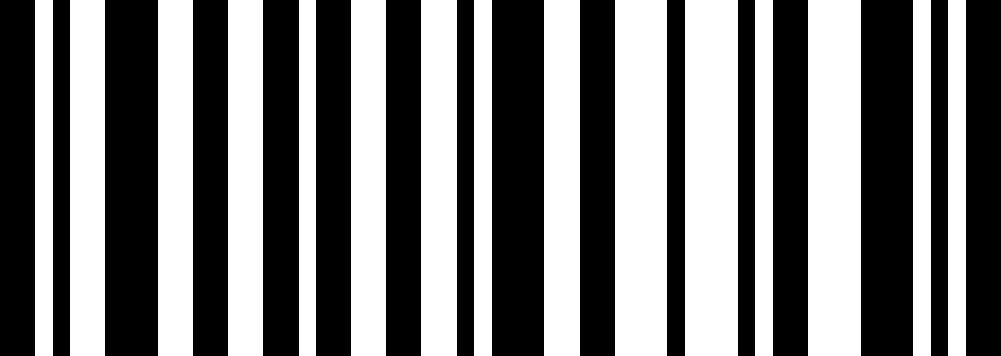

A standard 1D barcode with vertical black bars of varying widths on a white background.

0117

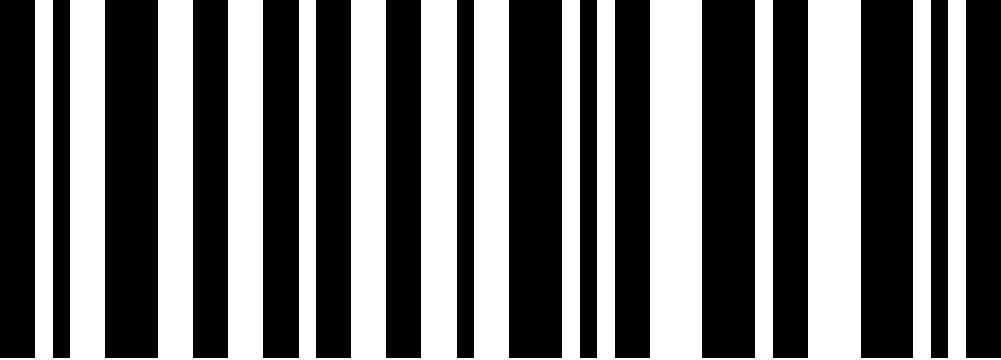

0118

A barcode consisting of vertical black bars of varying widths on a white background. Below the barcode, the numbers 0118 are printed in a black, monospaced font.

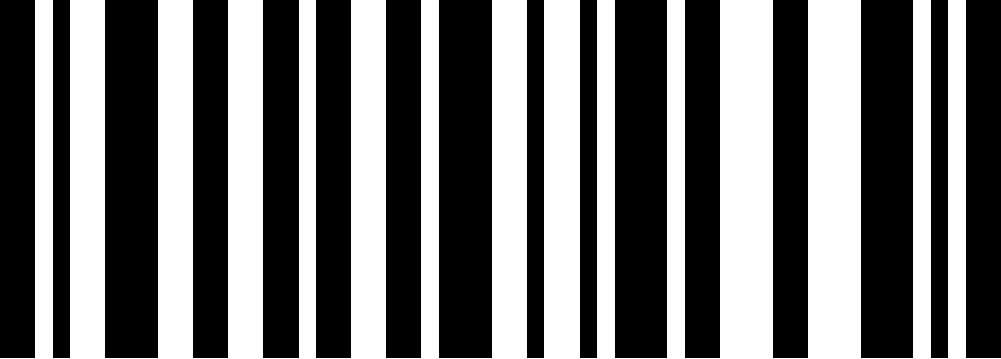

0119

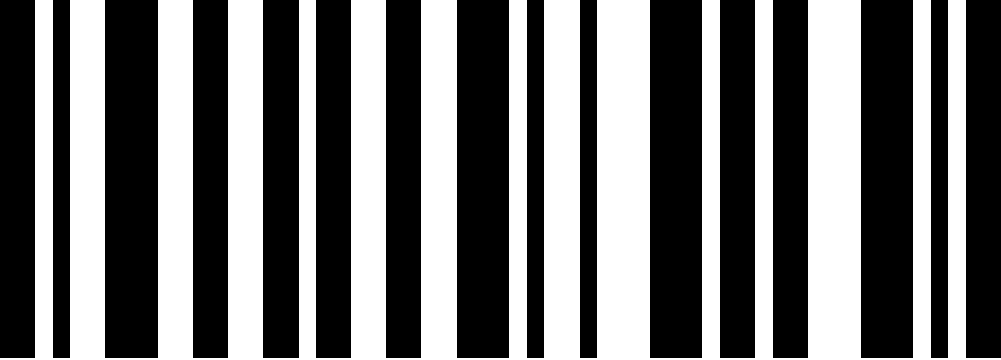

0120

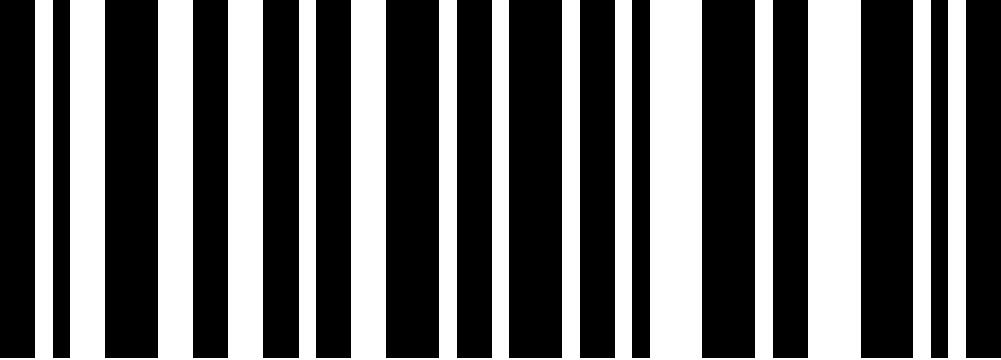

0121

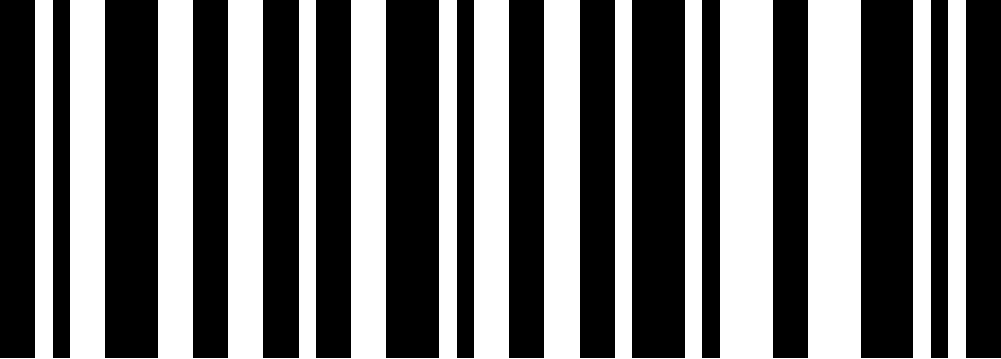

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image.

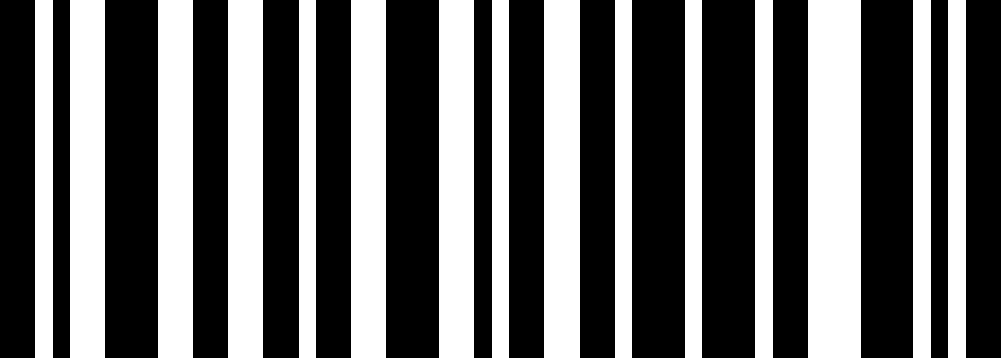

0122

A standard 1D barcode with vertical black bars of varying widths on a white background.

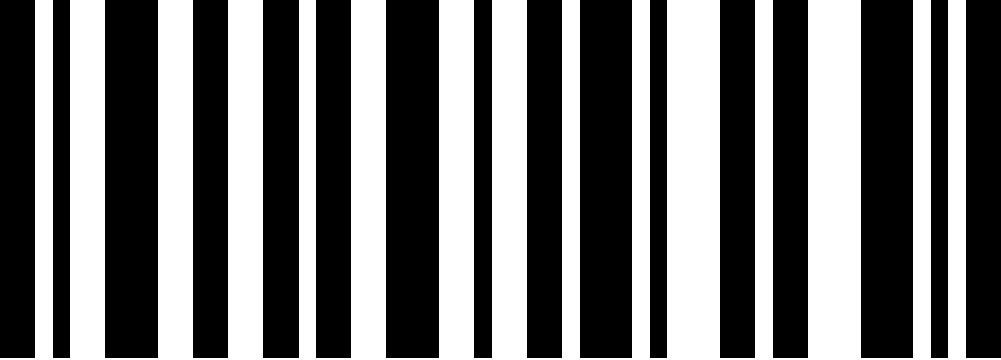

0123

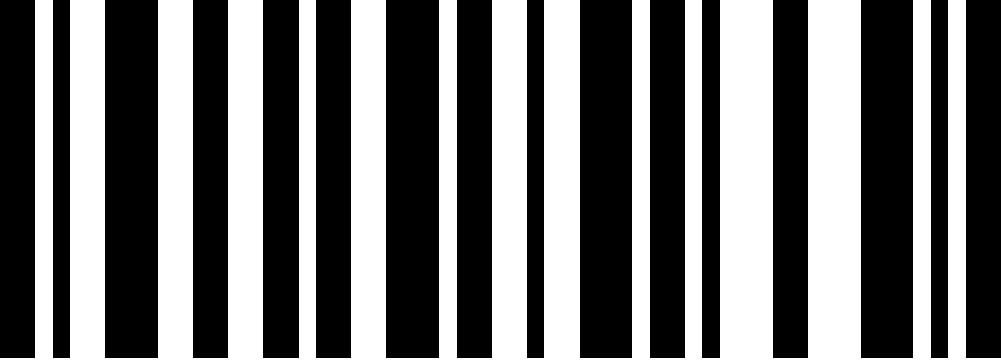

0124

A standard 1D barcode with vertical black bars of varying widths on a white background.

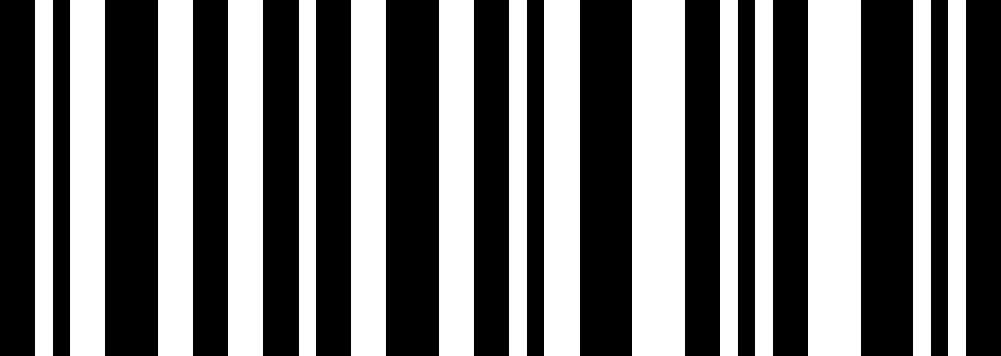

0125

0126

A standard 1D barcode with vertical black bars of varying widths on a white background.

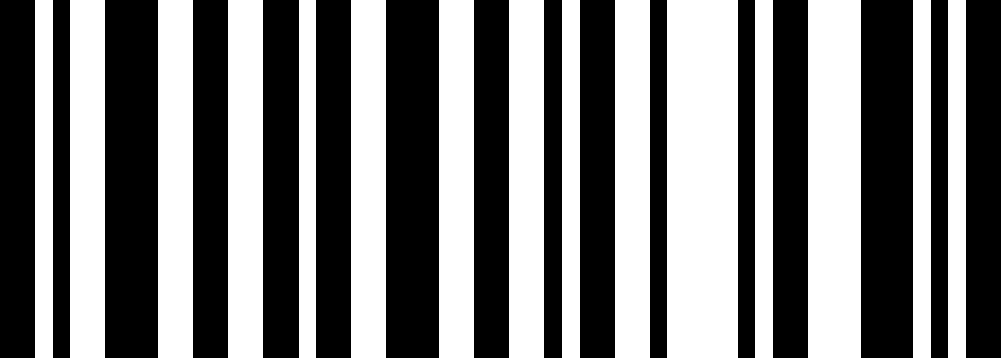

0127

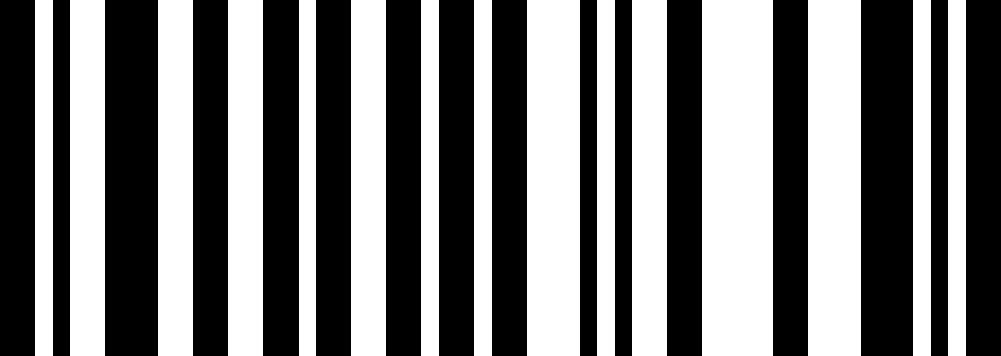

A standard 1D barcode with vertical black bars of varying widths on a white background.

0128

0129

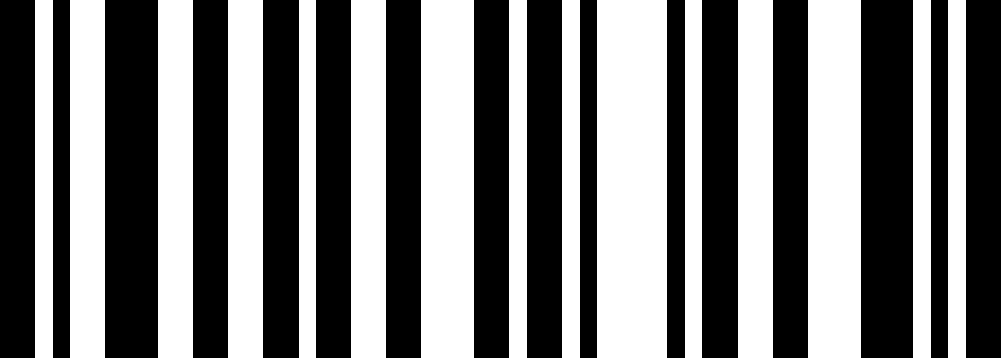

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, above the text.

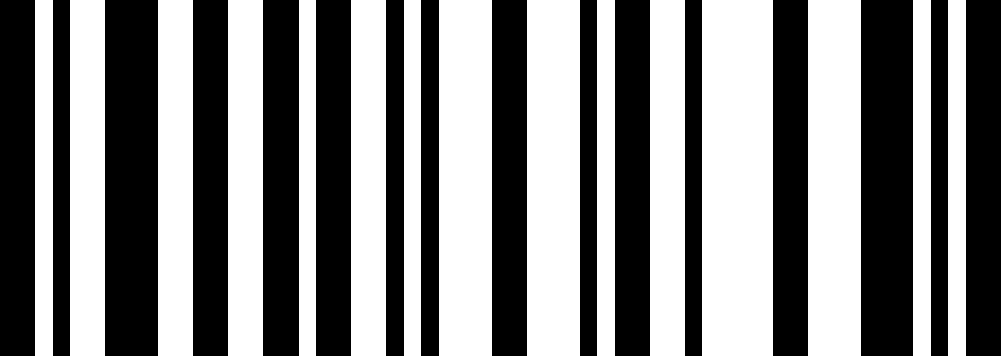

0130

0131

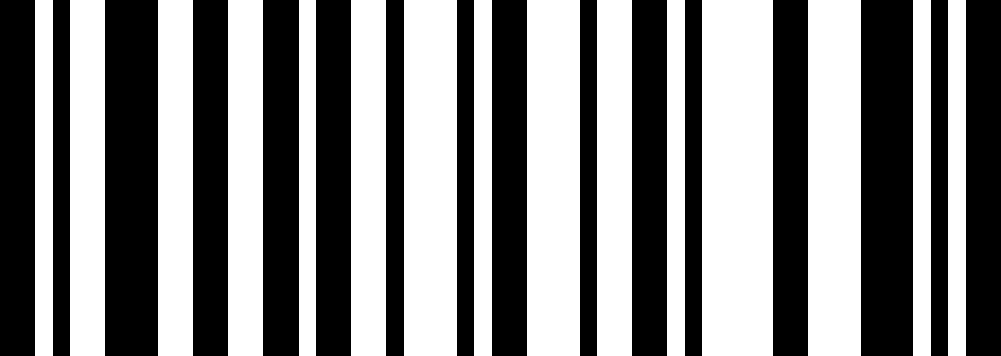

A standard 1D barcode with vertical black bars of varying widths on a white background.

0132

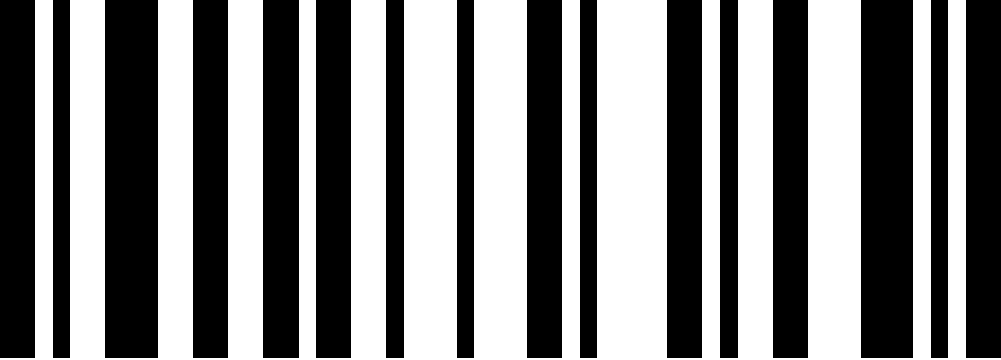

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the digits 0133.

0133

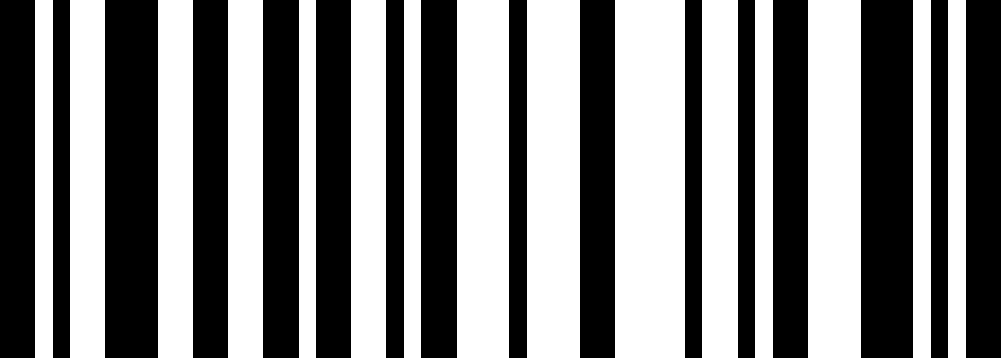

A standard 1D barcode with vertical black bars of varying widths on a white background.

0134

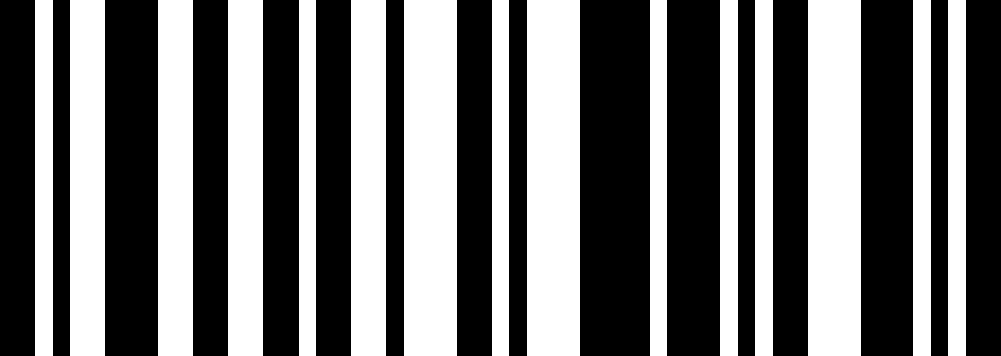

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the numbers 0, 1, 3, and 5.

0135

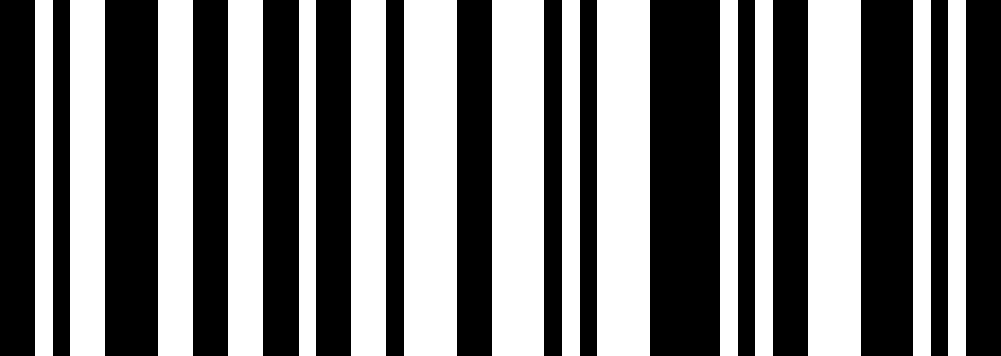

0136

A standard 1D barcode with vertical black bars of varying widths on a white background.

0137

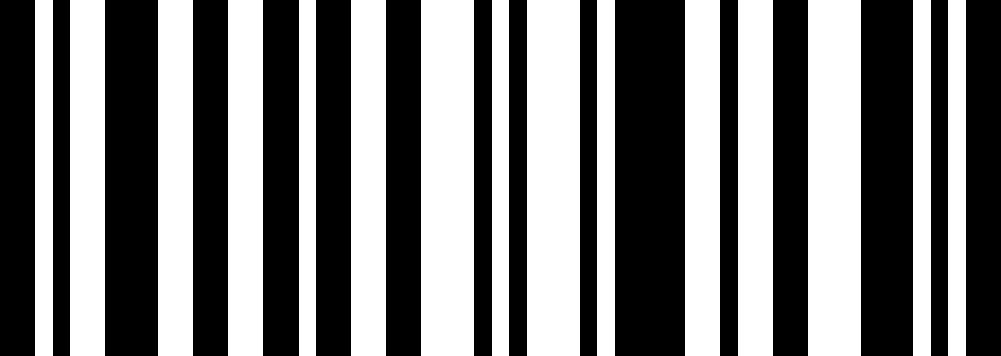

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the numbers 0, 1, 3, and 8.

0138

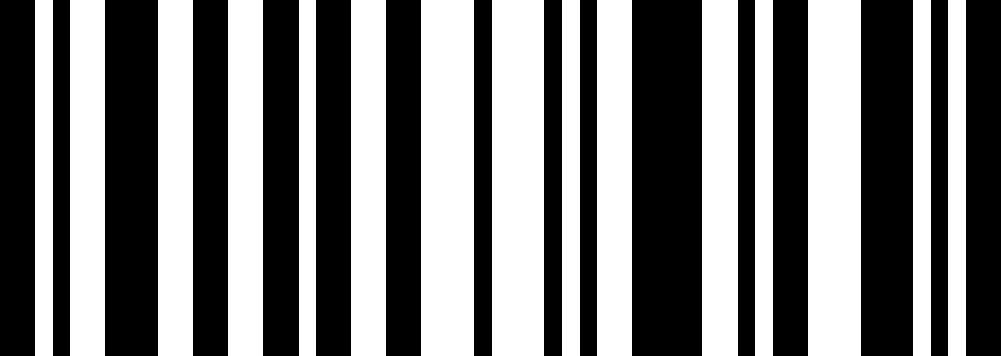

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, above the numbers.

0139

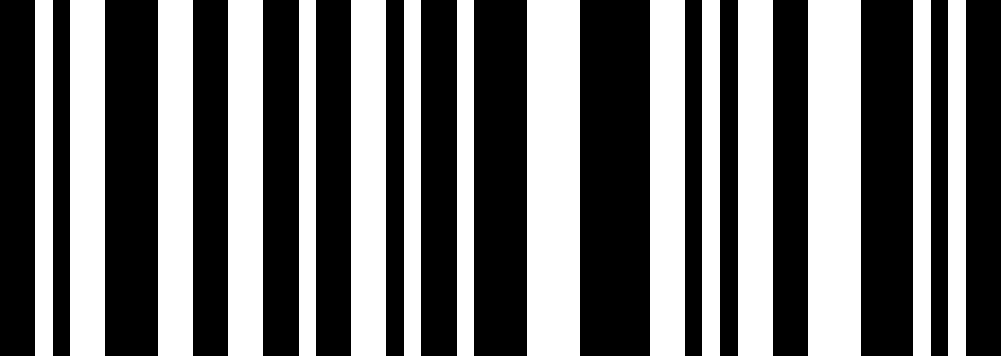

A standard 1D barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image.

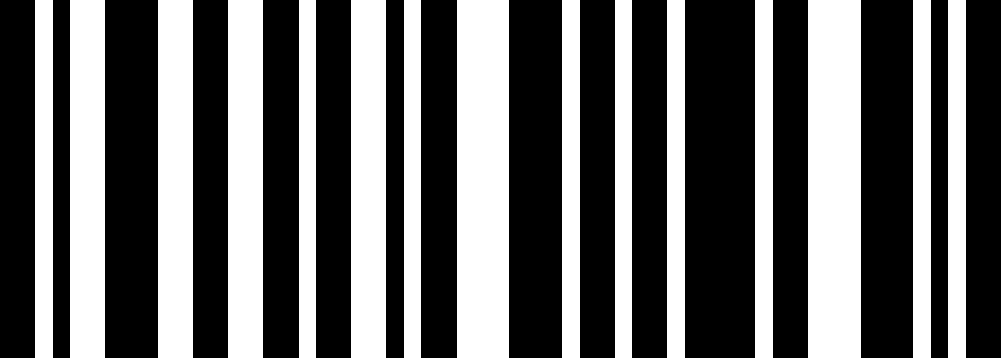

0140

A standard 1D barcode with vertical black bars of varying widths on a white background.

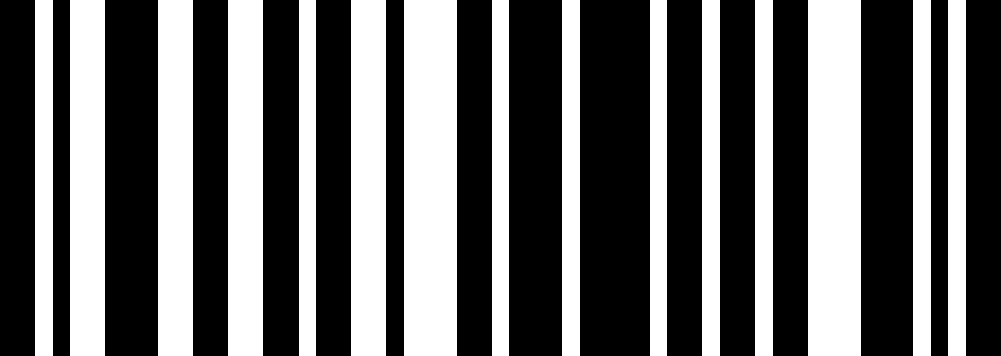

0141

0142

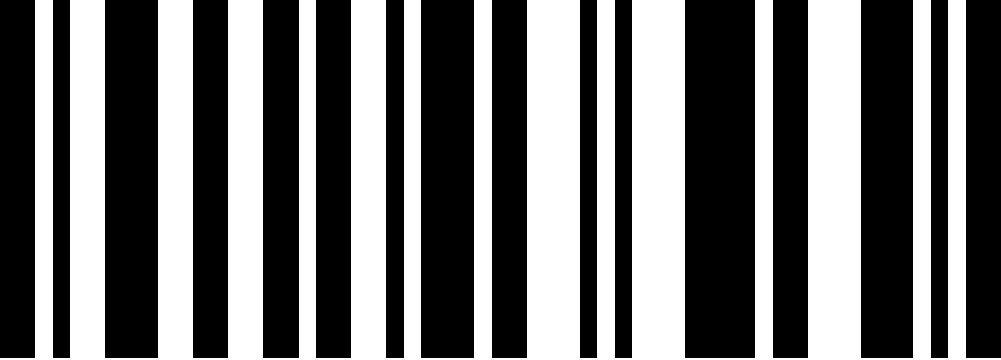

A standard 1D barcode with vertical black bars of varying widths on a white background.

0143

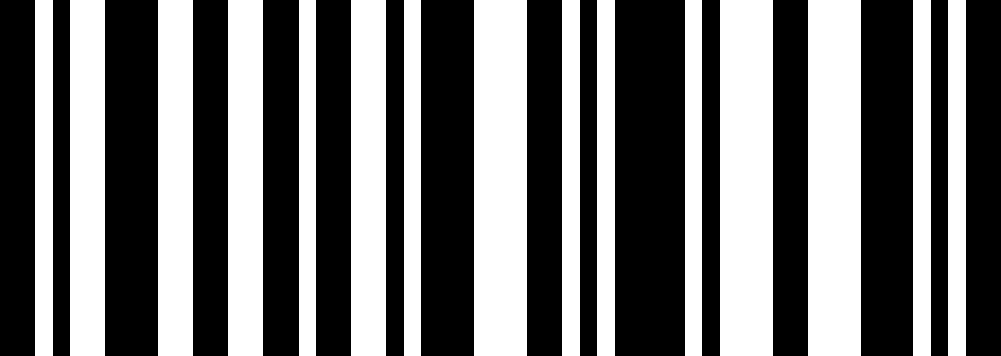

0144

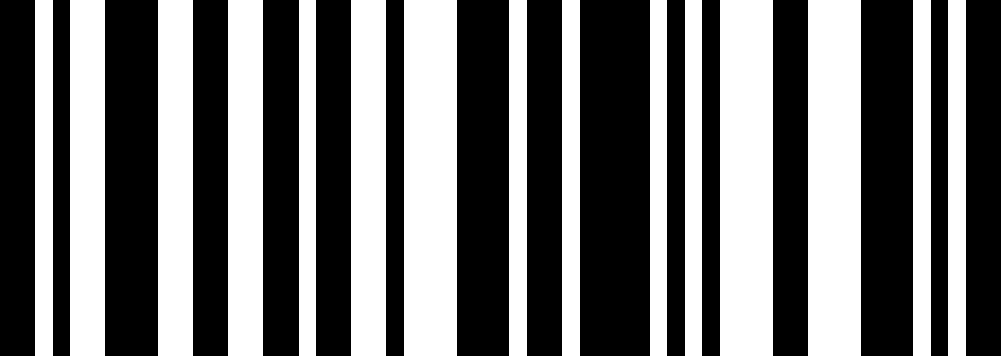

A standard 1D barcode with vertical black bars of varying widths on a white background.

0145

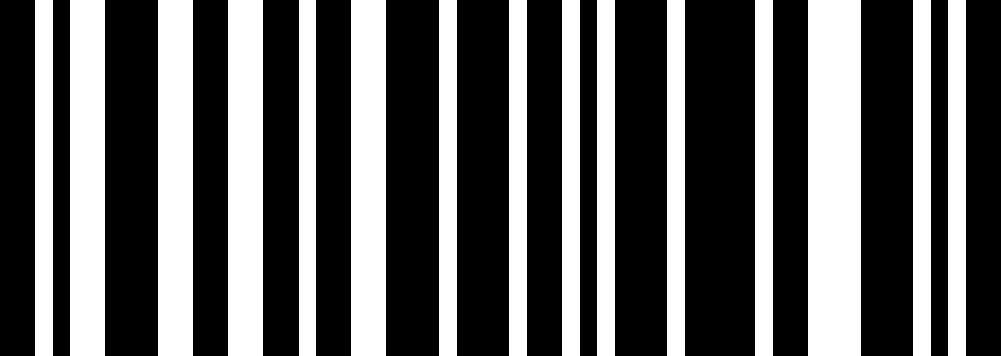

A standard 1D barcode with vertical black bars of varying widths on a white background.

0146

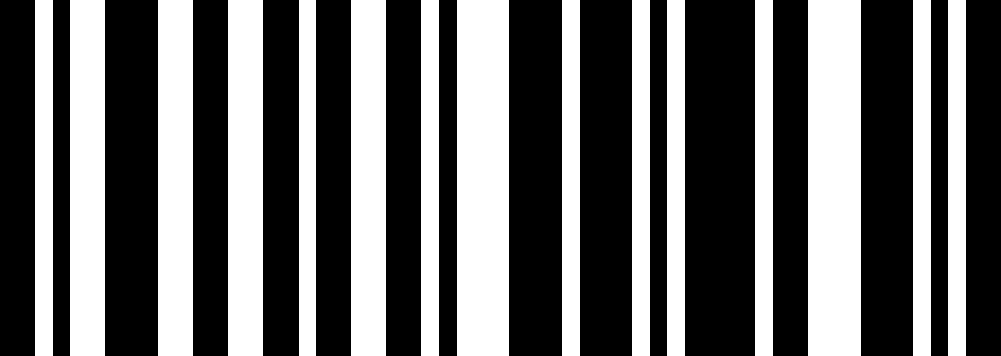

0147

A standard 1D barcode with vertical black bars of varying widths on a white background.

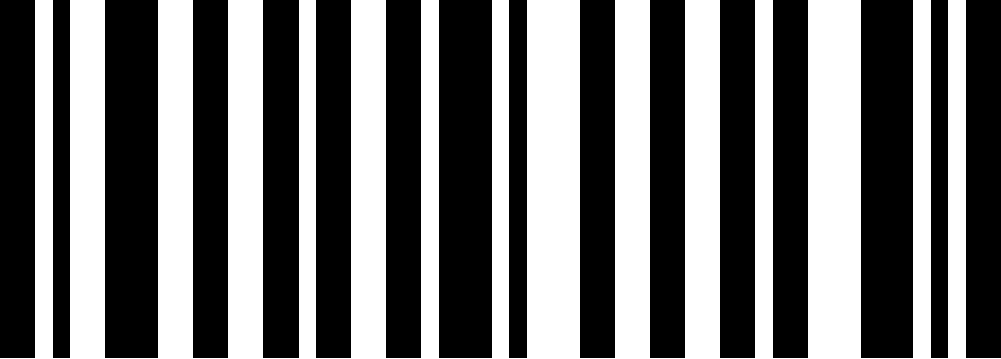

0148

0149

A standard 1D barcode with vertical black bars of varying widths on a white background.

0150

0151

A standard 1D barcode with vertical black bars of varying widths on a white background.

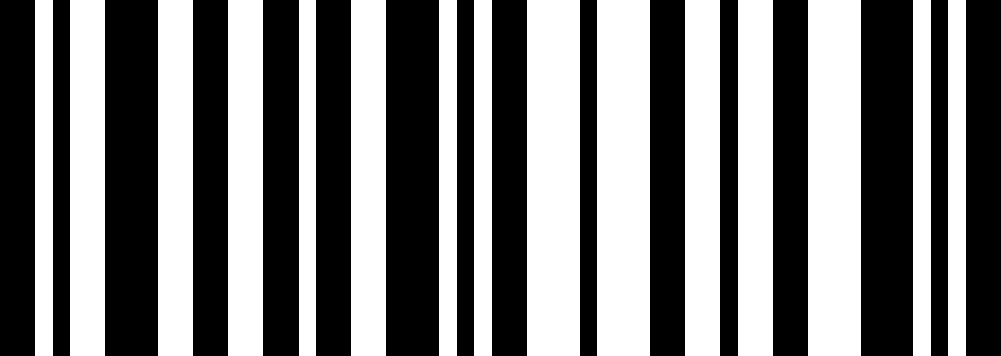

0152

A standard 1D barcode with vertical black bars of varying widths on a white background.

0153

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0154

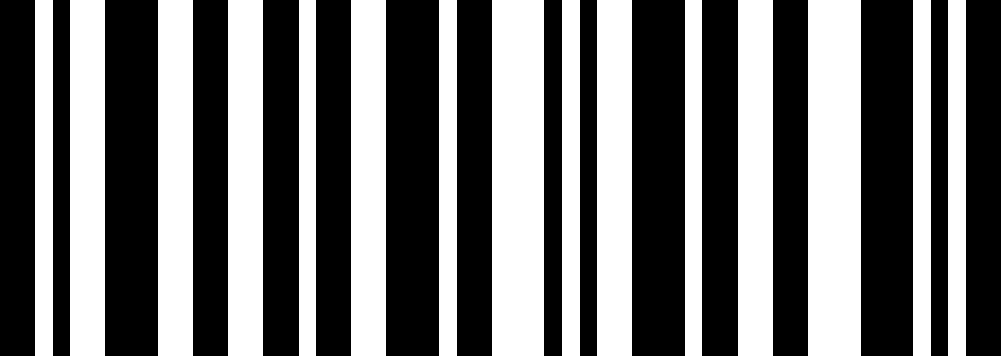

0155

A standard 1D barcode with vertical black bars of varying widths on a white background.

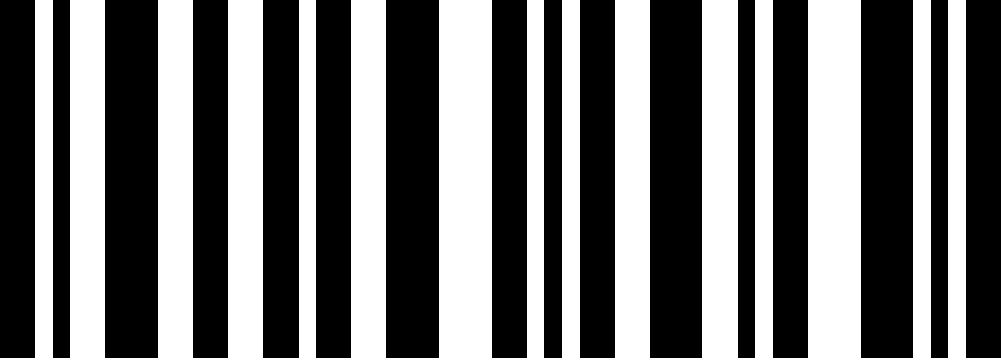

0156

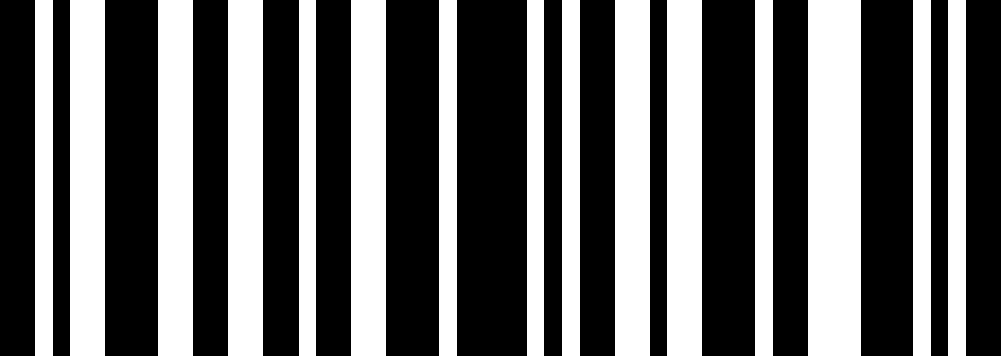

0157

A standard 1D barcode with vertical black bars of varying widths on a white background.

0158

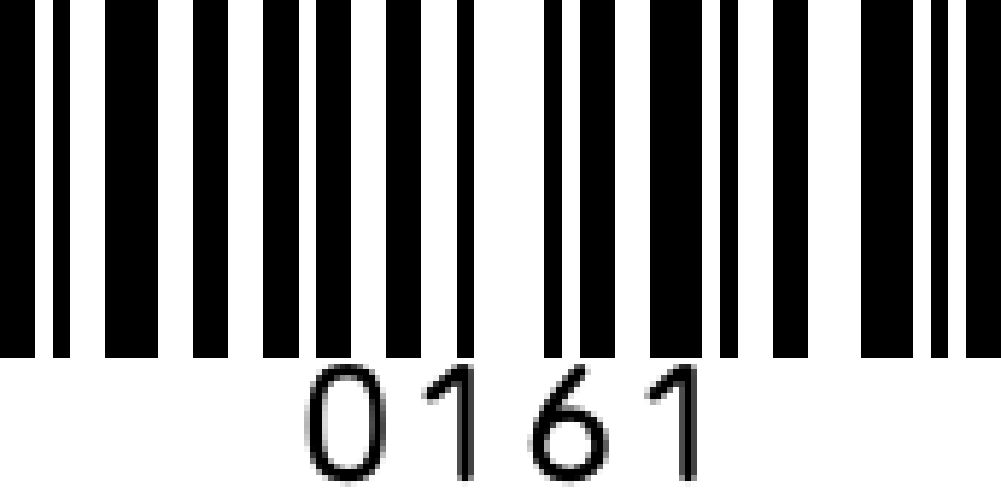

0159

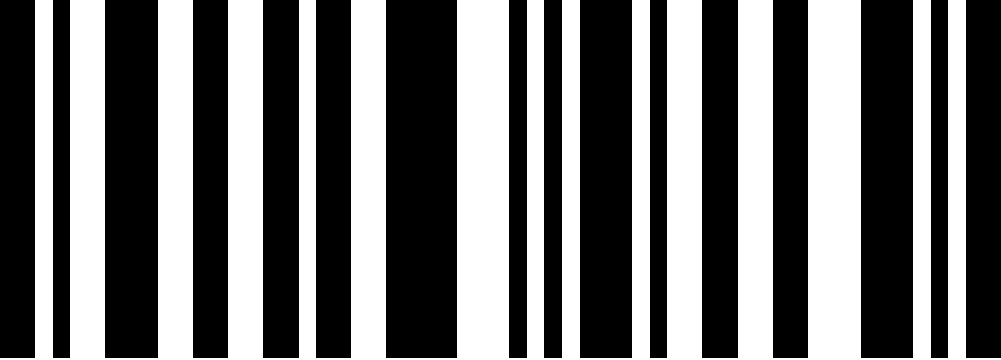

0160

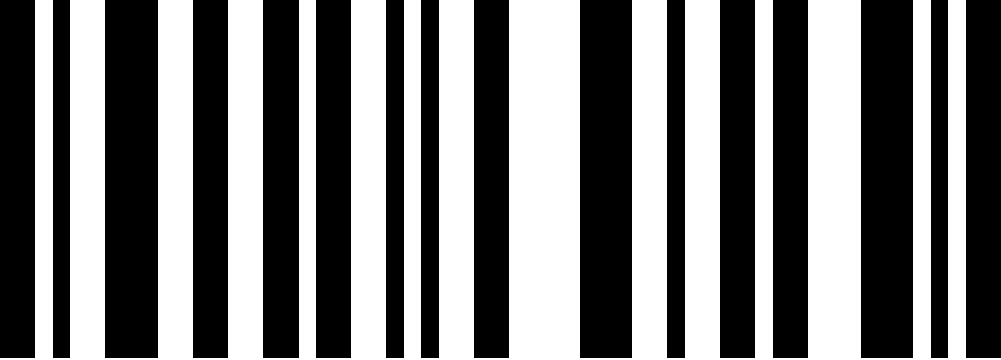

0161

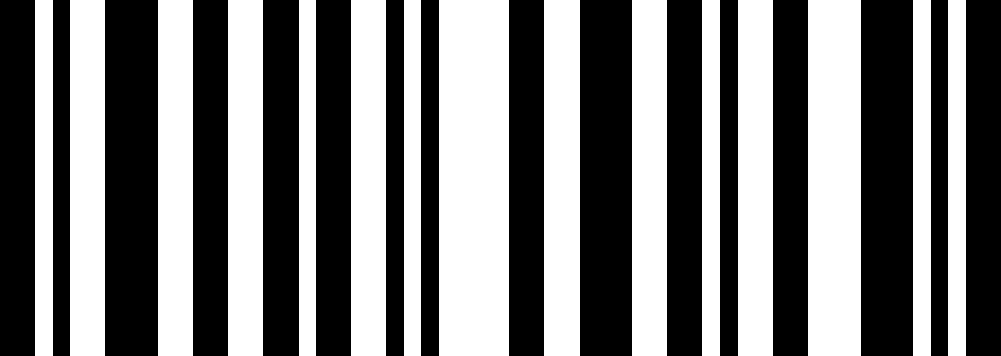

0162

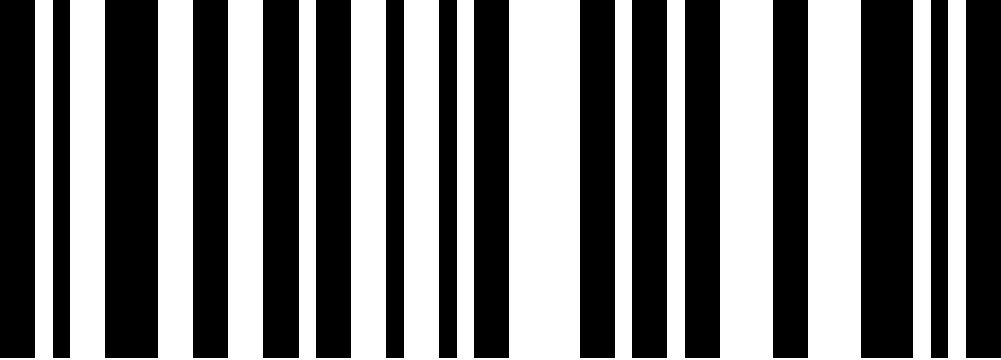

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0163

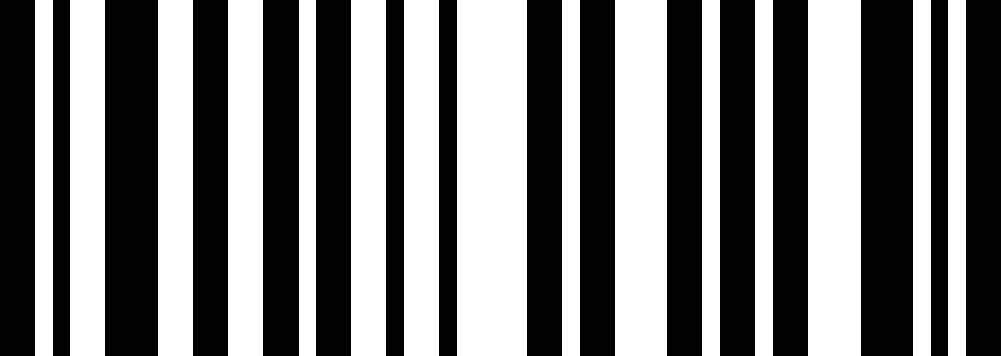

A standard 1D barcode with vertical black bars of varying widths on a white background.

0164

A standard 1D barcode with vertical black bars of varying widths on a white background.

0165

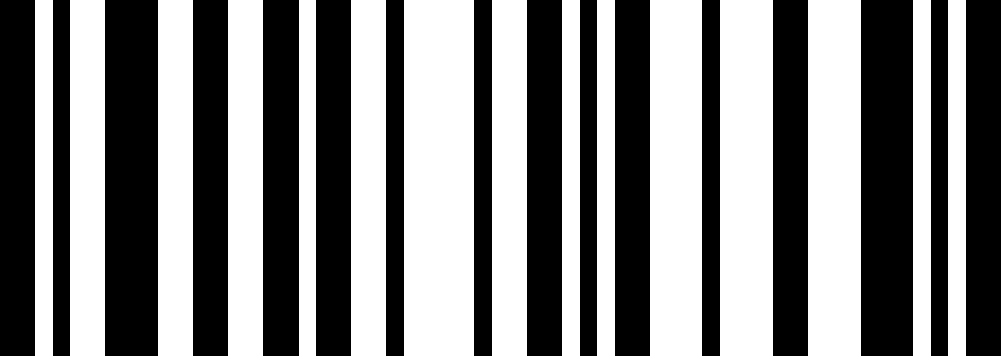

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the text '0166'.

0166

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the numbers 0167.

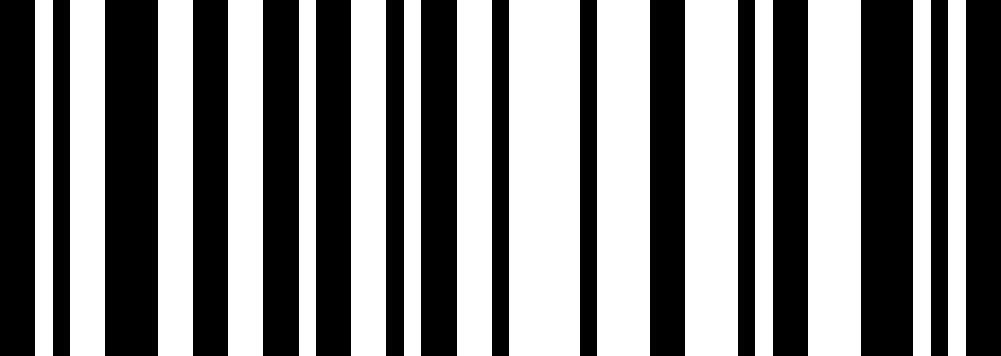

0167

A standard 1D barcode with vertical black bars of varying widths on a white background.

0168

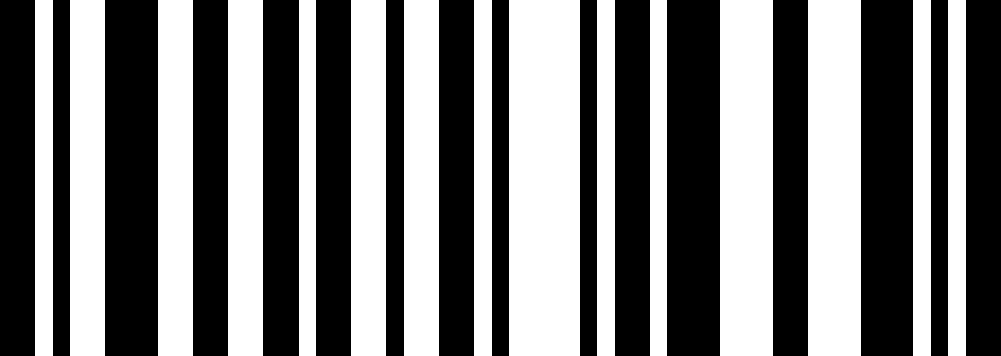

0169

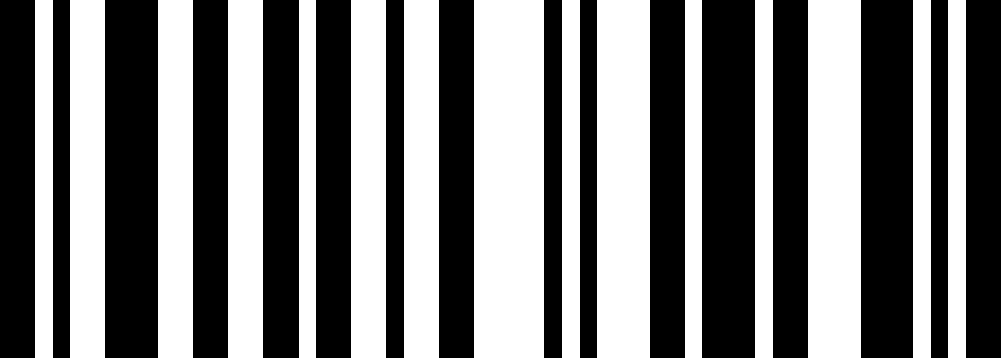

A standard 1D barcode with vertical black bars of varying widths on a white background.

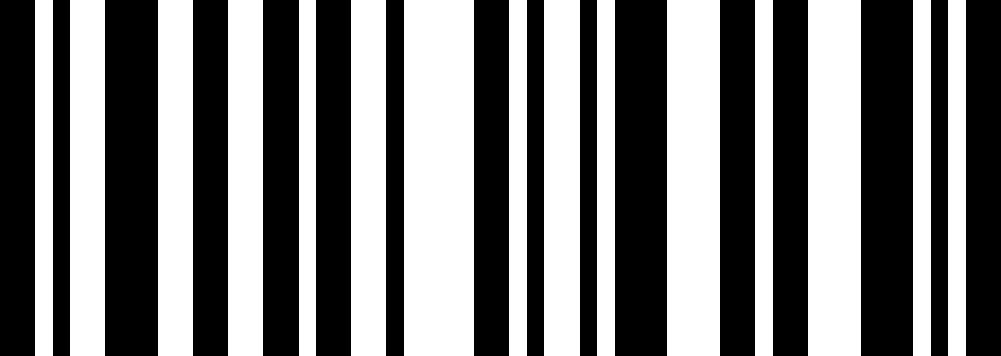

0170

0171

A standard 1D barcode with vertical black bars of varying widths on a white background.

0172

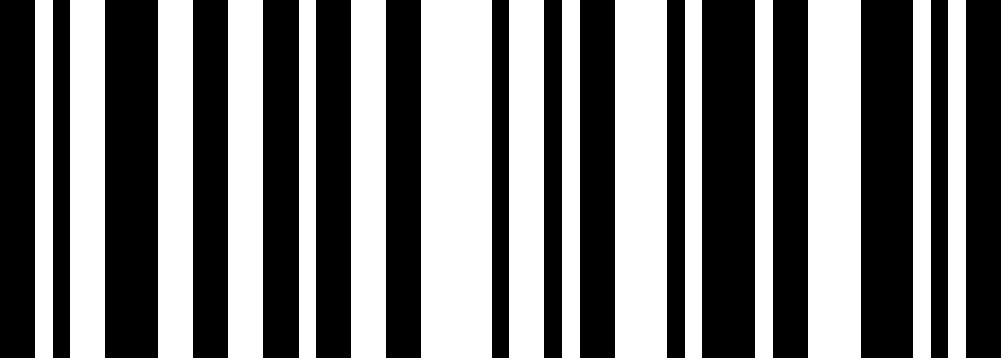

A standard 1D barcode with vertical black bars of varying widths on a white background.

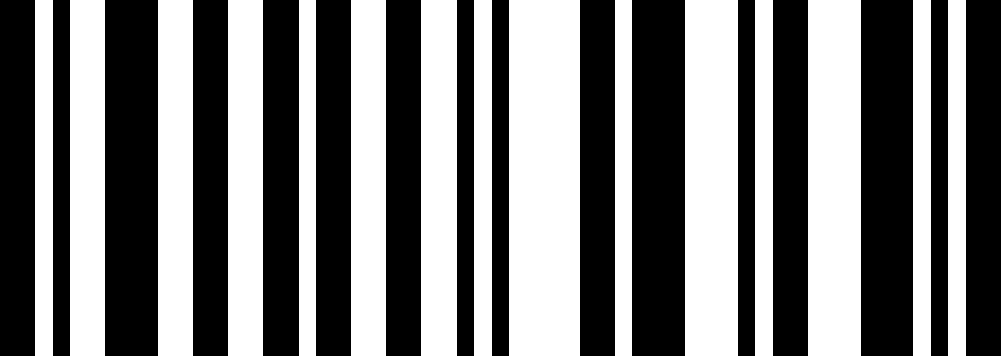

0173

0174

A standard 1D barcode with vertical black bars of varying widths on a white background.

0175

A standard 1D barcode with vertical black bars of varying widths on a white background.

0176

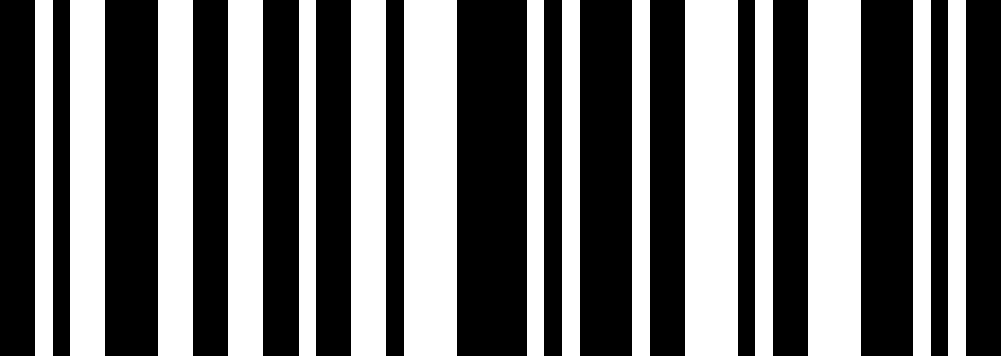

A standard 1D barcode with vertical black bars of varying widths on a white background.

0177

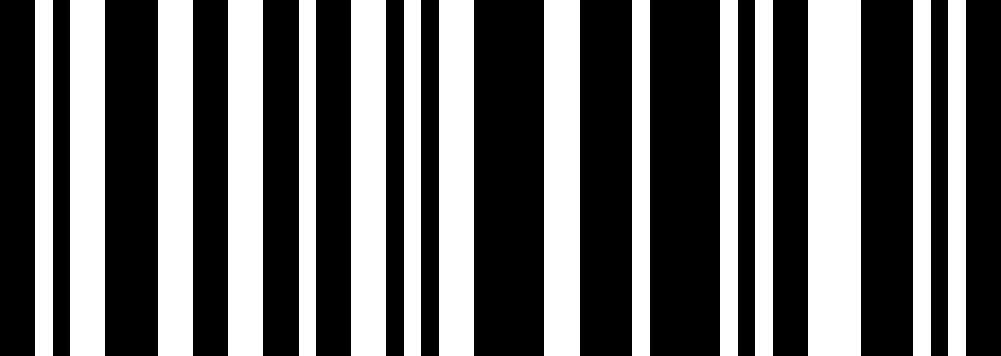

A standard 1D barcode with vertical black bars of varying widths on a white background.

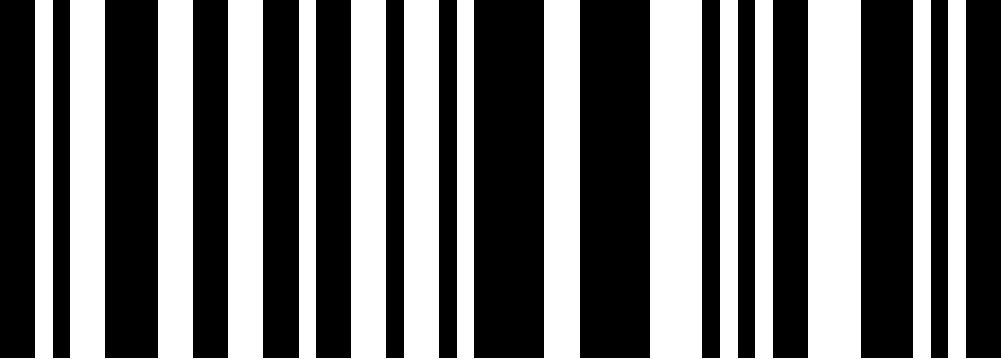

0178

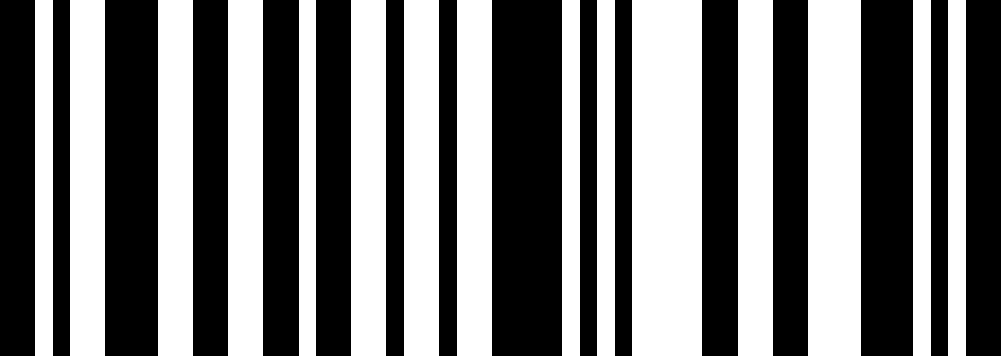

0179

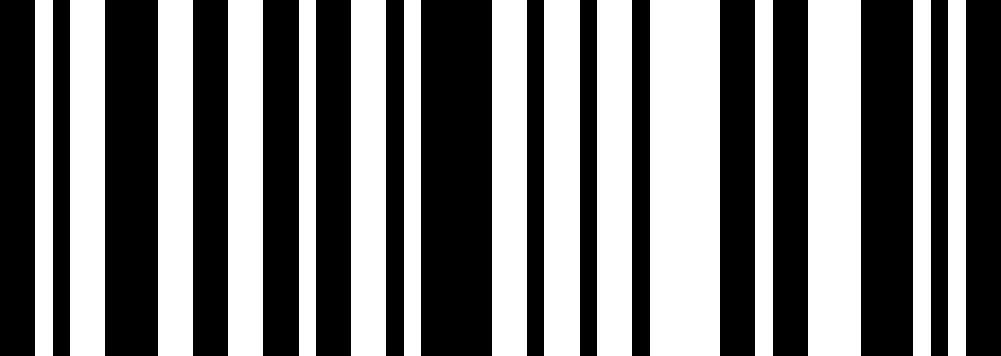

0180

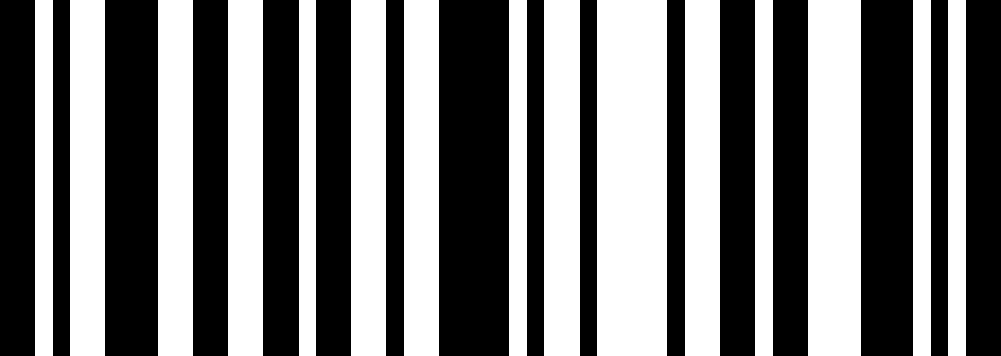

0181

0182

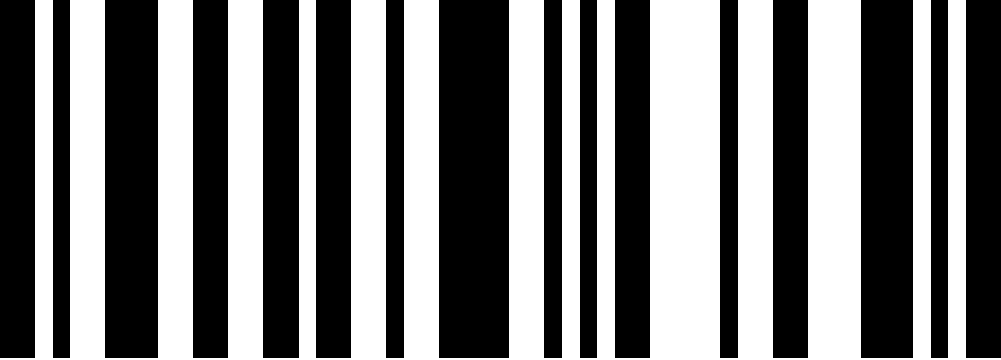

0183

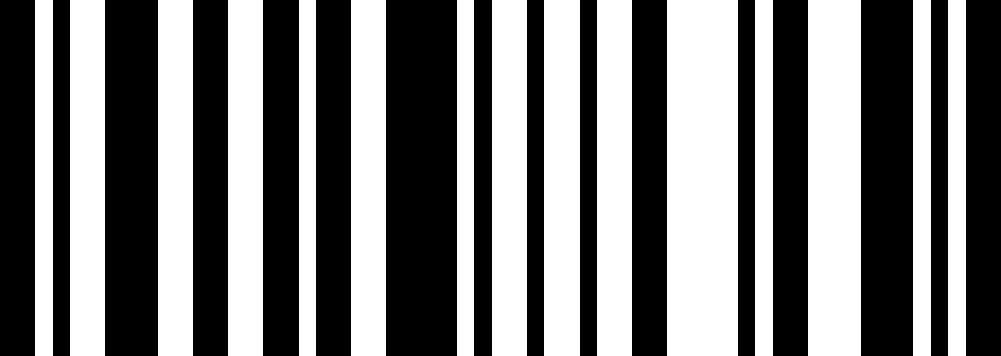

A standard 1D barcode with vertical black bars of varying widths on a white background.

0184

0303

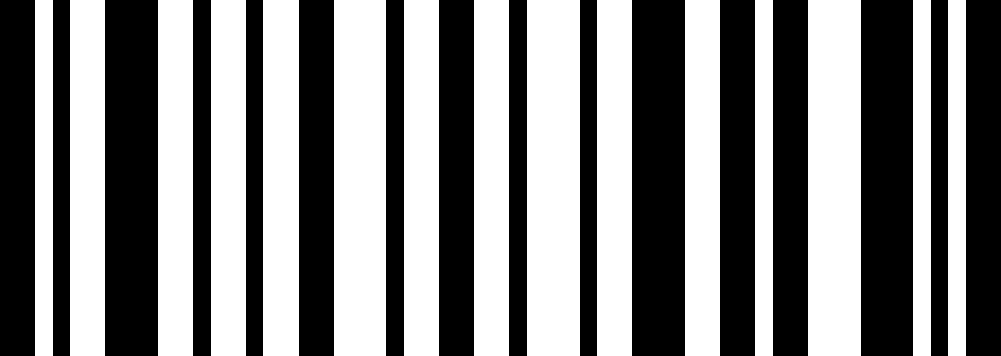

0304

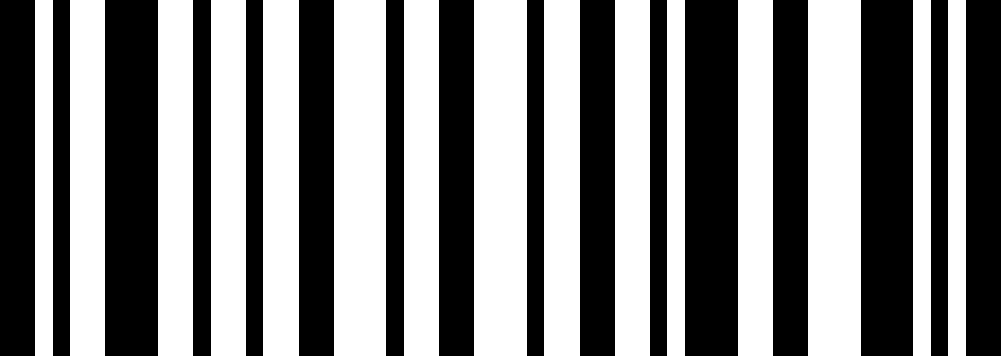

A standard 1D barcode with vertical black bars of varying widths on a white background.

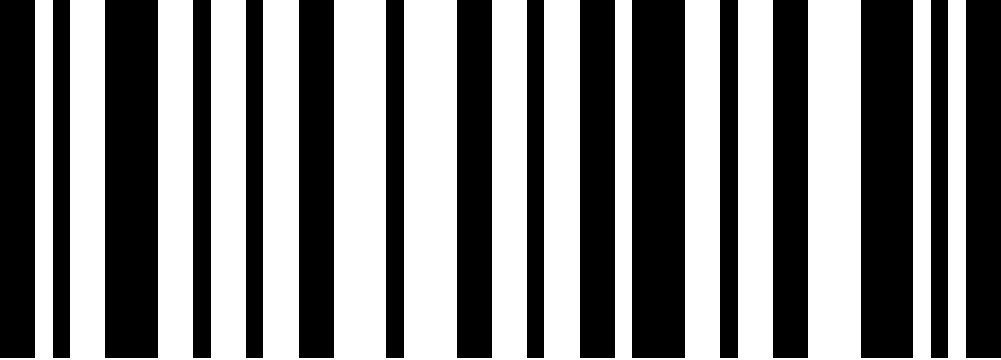

0305

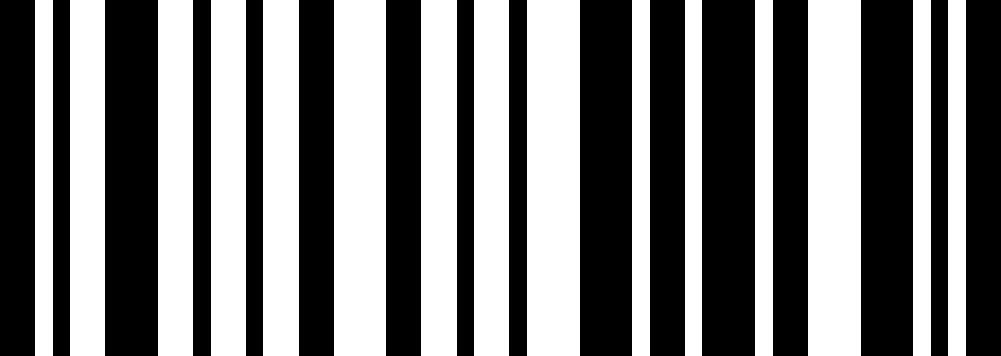

0306

A standard 1D barcode with vertical black bars of varying widths on a white background.

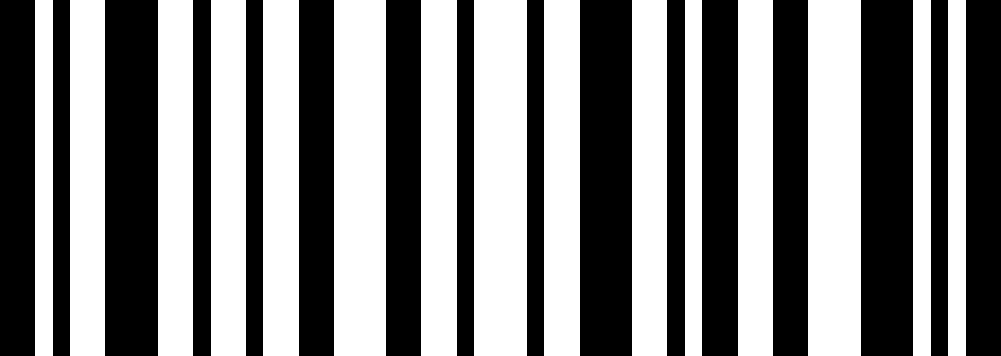

0307

A standard 1D barcode with vertical black bars of varying widths on a white background.

0308

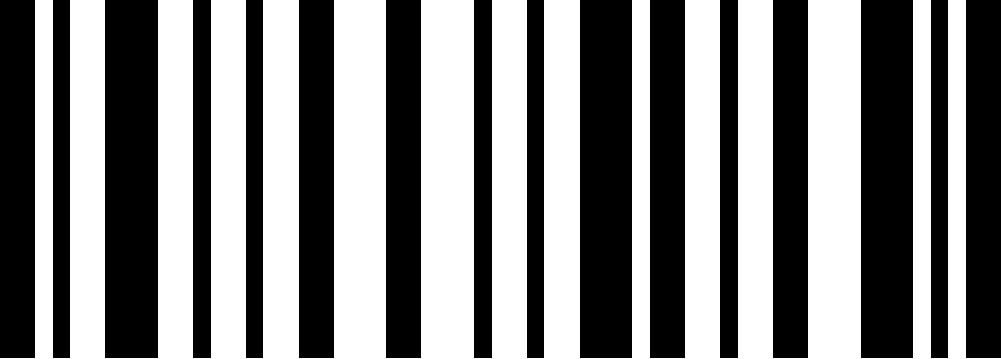

0309

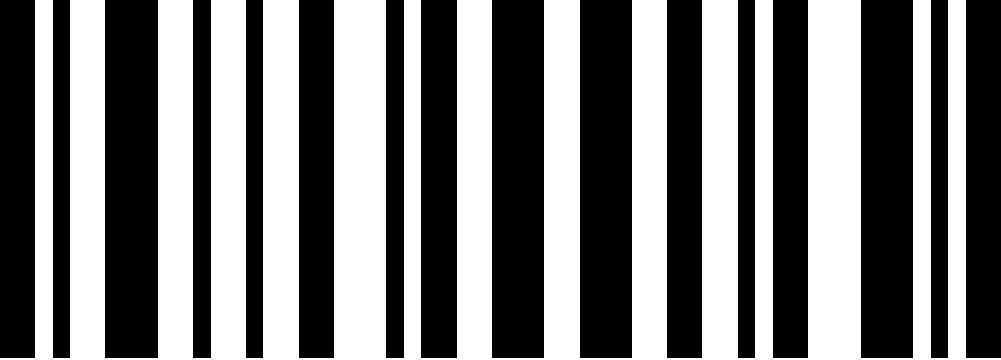

A standard 1D barcode with vertical black bars of varying widths on a white background.

0310

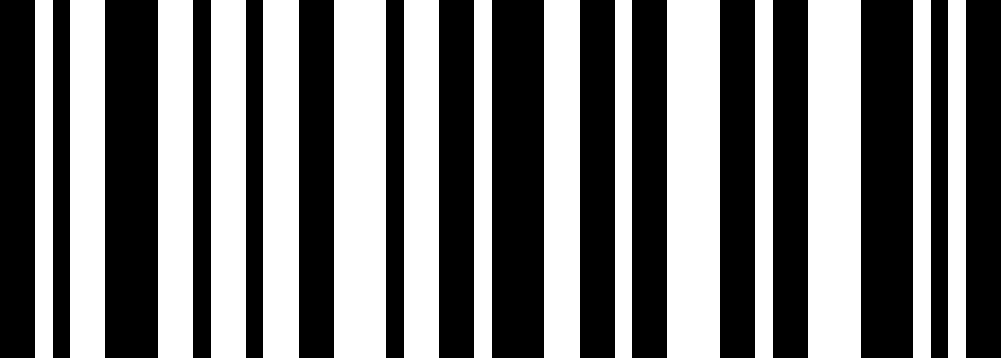

0311

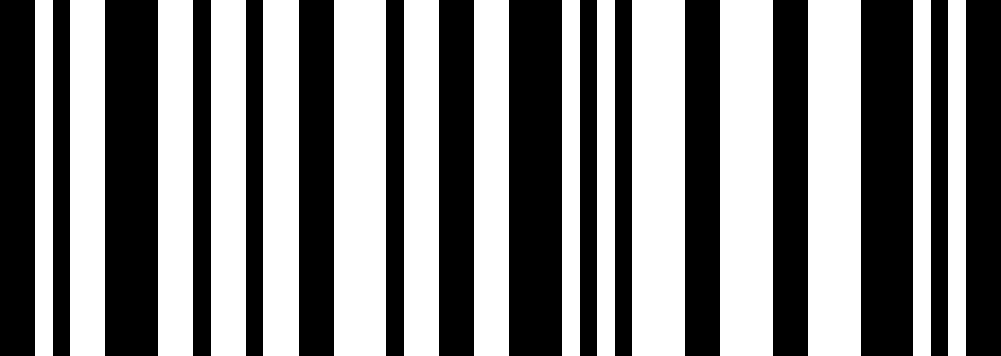

0312

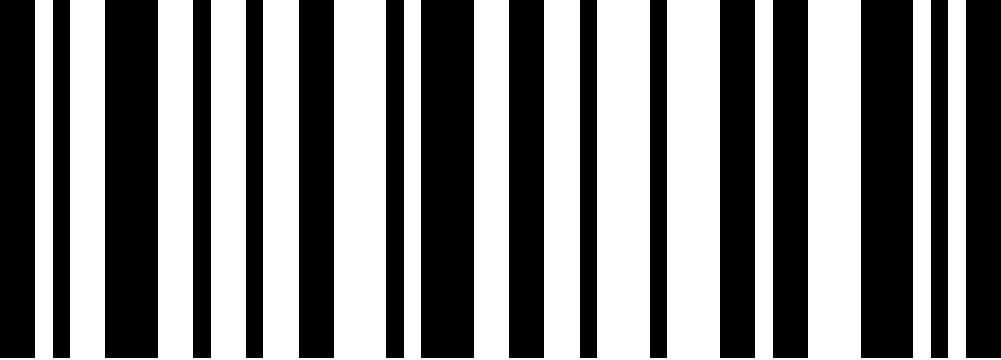

A standard 1D barcode with vertical black bars of varying widths on a white background.

0313

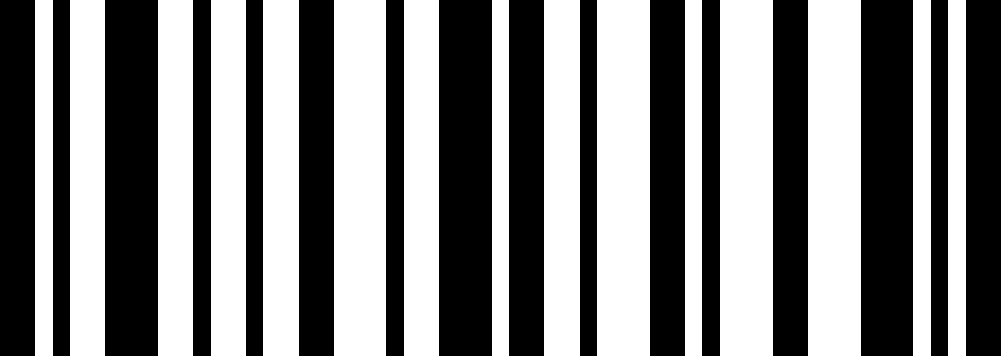

A standard 1D barcode with vertical black bars of varying widths on a white background.

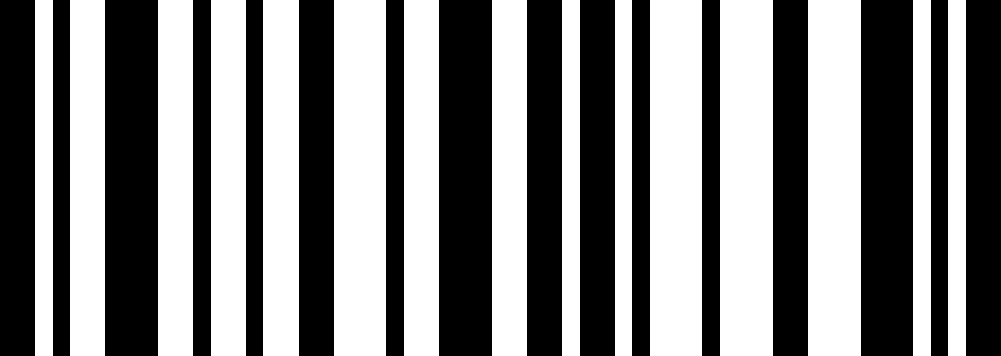

0314

A standard 1D barcode with vertical black bars of varying widths on a white background.

0315

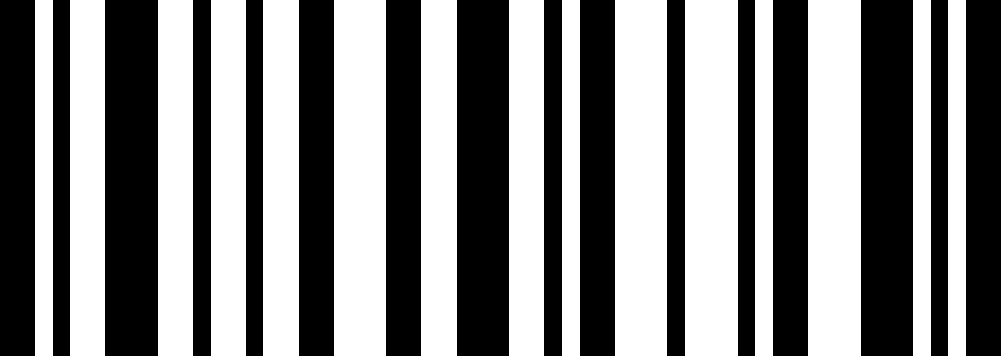

0316

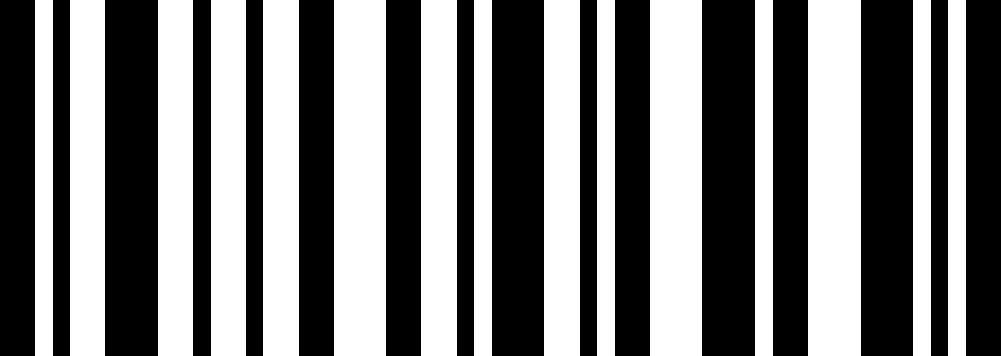

A standard 1D barcode with vertical black bars of varying widths on a white background.

0317

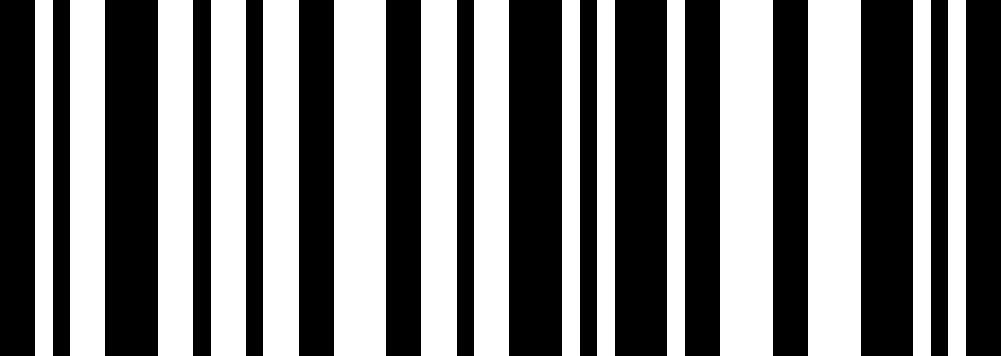

A standard 1D barcode with vertical black bars of varying widths on a white background.

0318

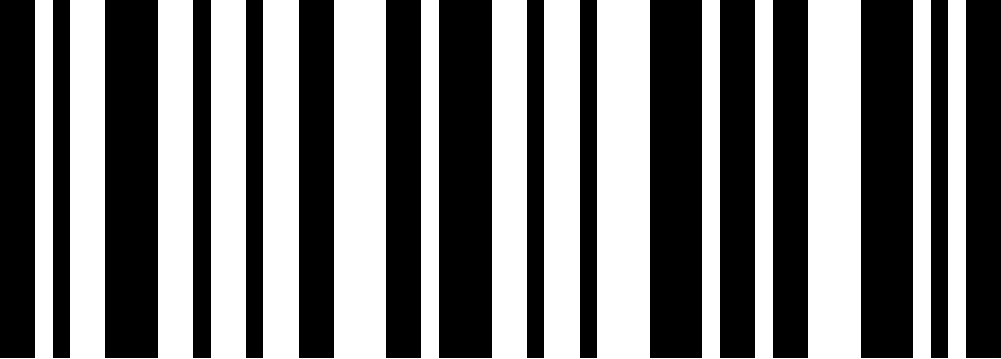

0319

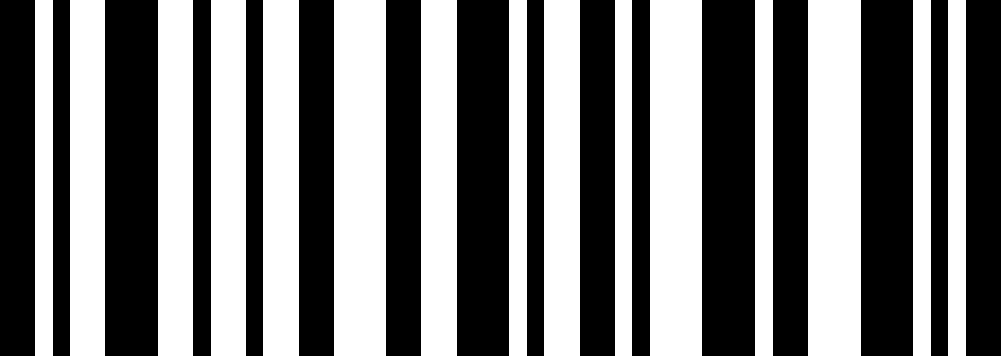

A standard 1D barcode with vertical black bars of varying widths on a white background.

0320

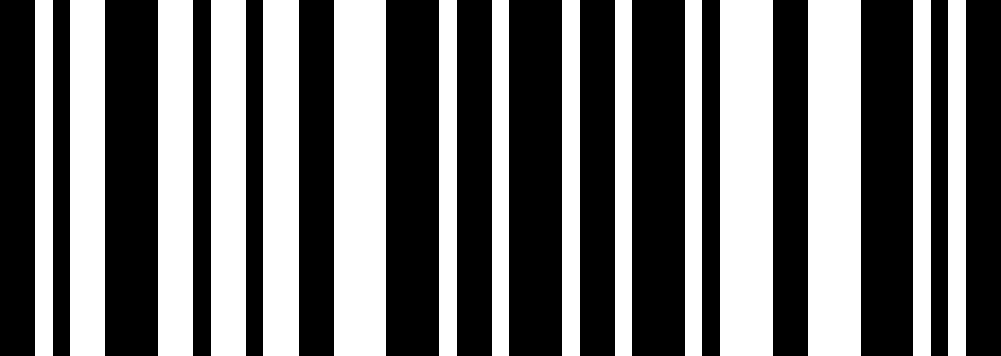

0321

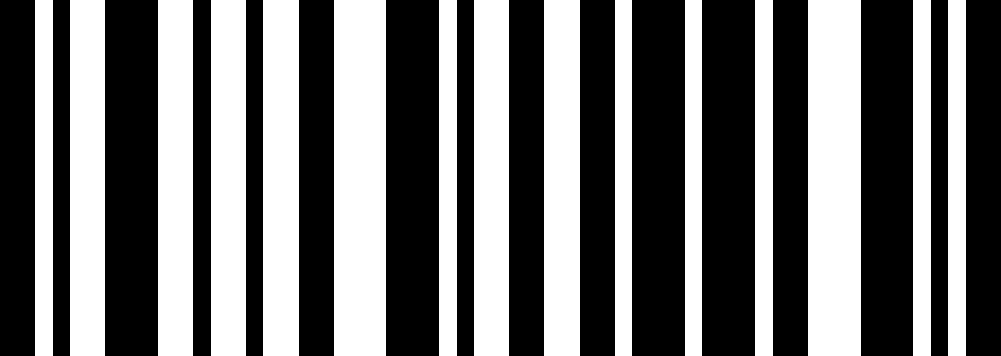

0322

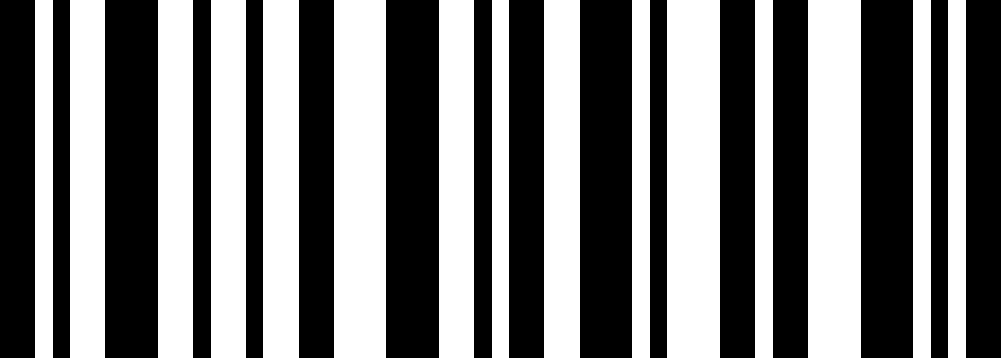

A standard 1D barcode with vertical black bars of varying widths on a white background.

0323

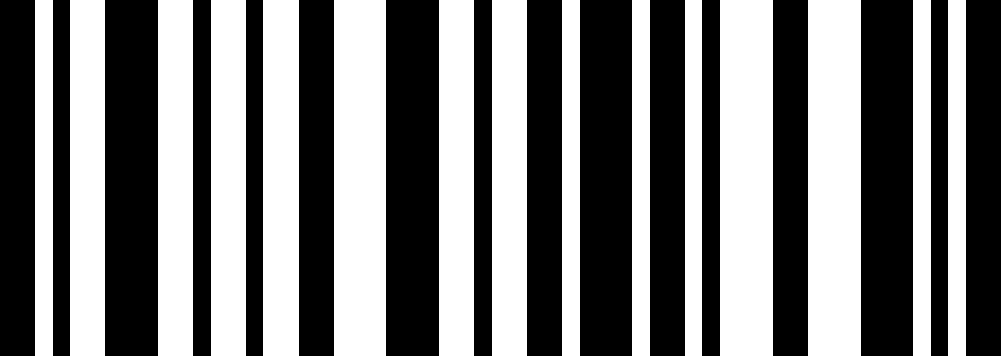

A standard 1D barcode with vertical black bars of varying widths on a white background.

0324

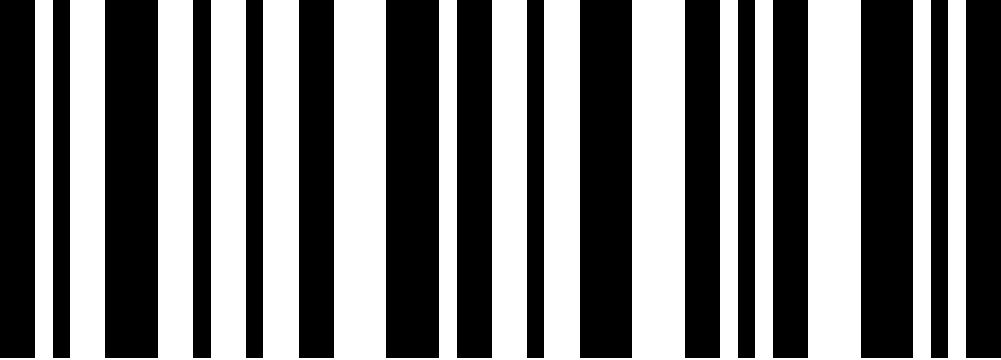

A standard 1D barcode with vertical black bars of varying widths on a white background.

0325

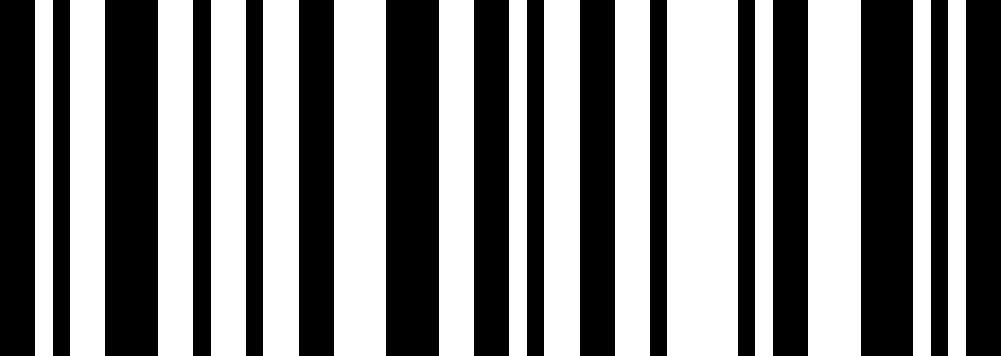

A standard 1D barcode with vertical black bars of varying widths on a white background.

0326

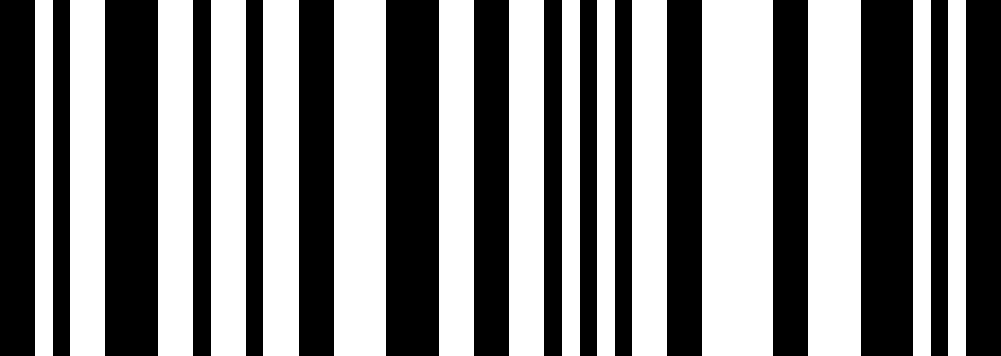

0327

A standard 1D barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, above the numerical text.

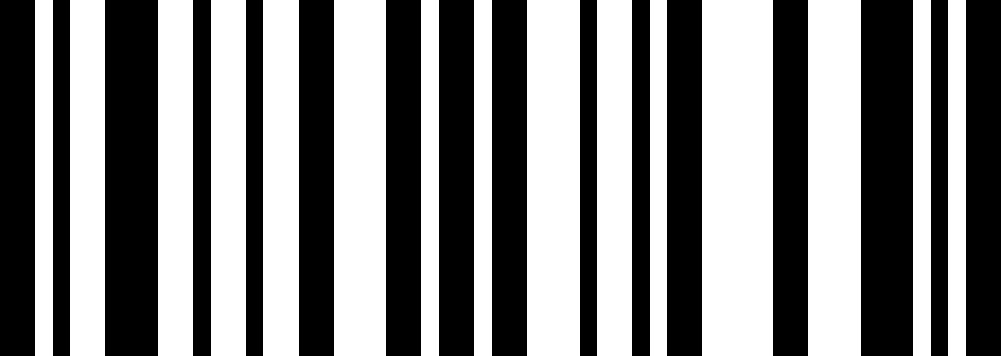

0328

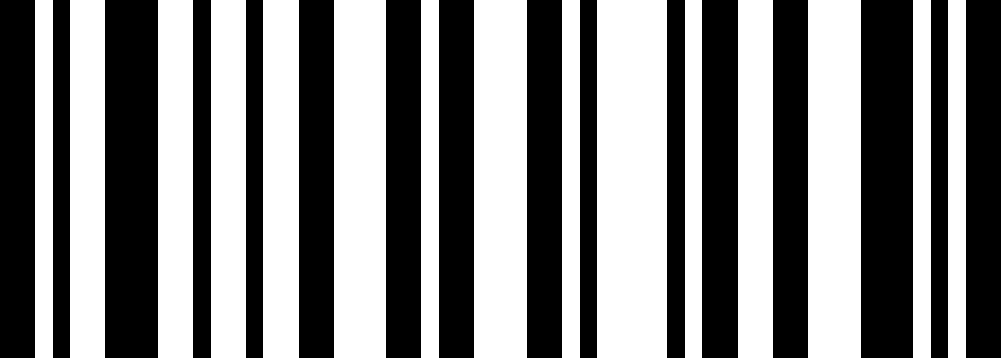

A standard 1D barcode with vertical black bars of varying widths on a white background.

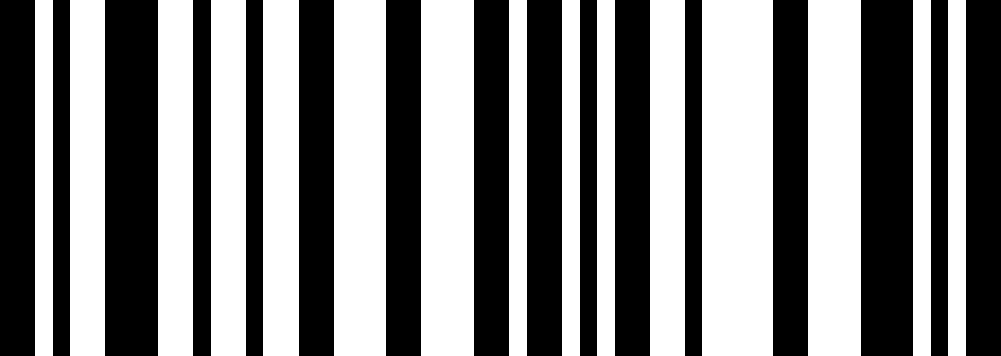

0329

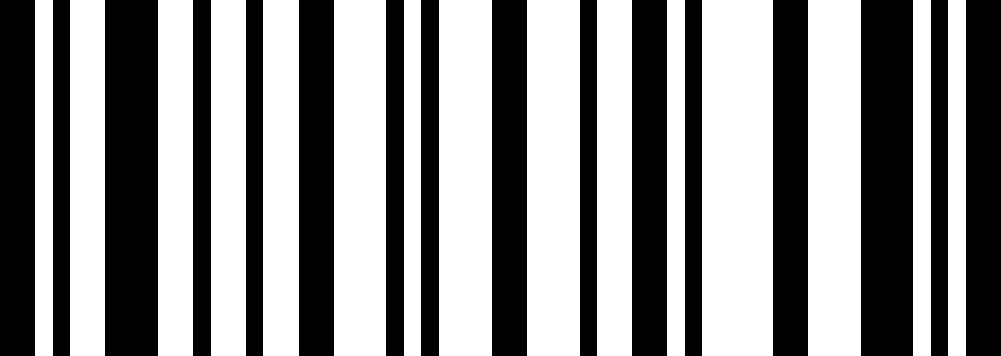

0330

0331

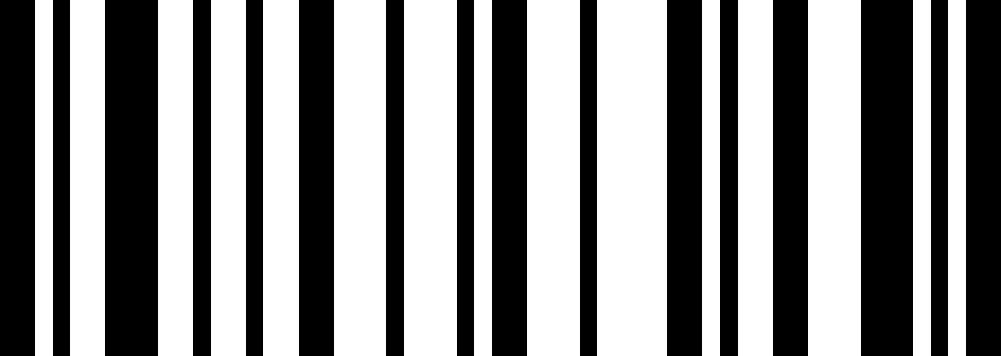

0332

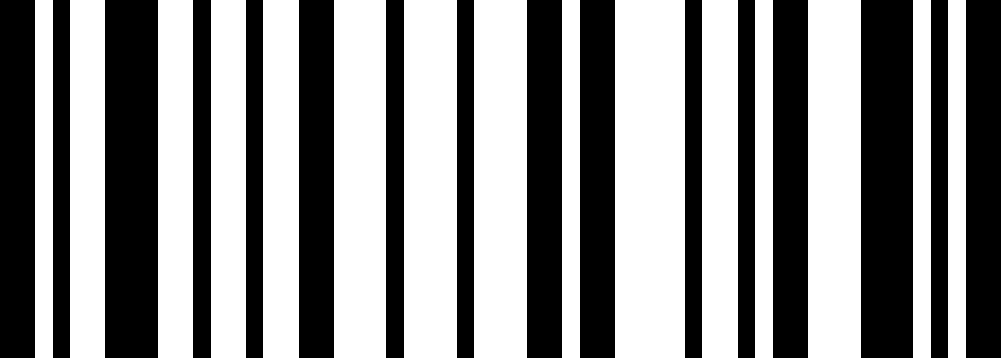

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, with the numbers 0333 printed below it.

0333

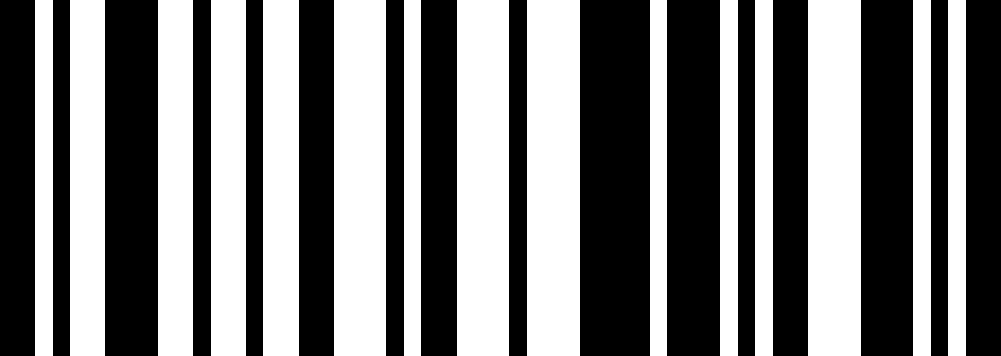

A standard 1D barcode with vertical black bars of varying widths on a white background.

0334

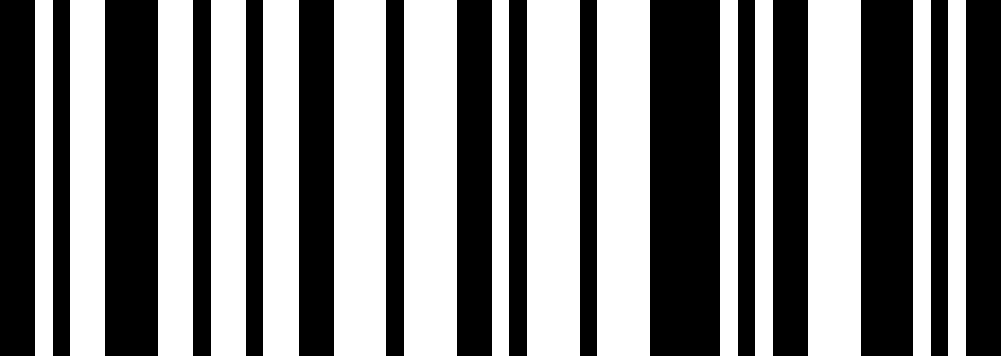

A standard 1D barcode with vertical black bars of varying widths on a white background.

0335

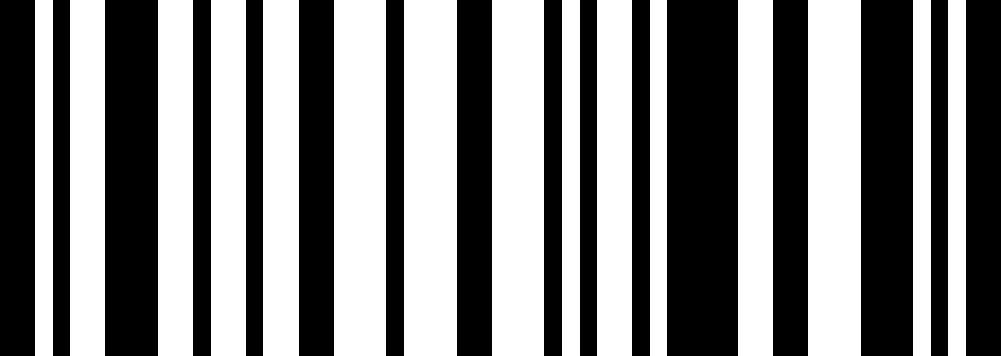

0336

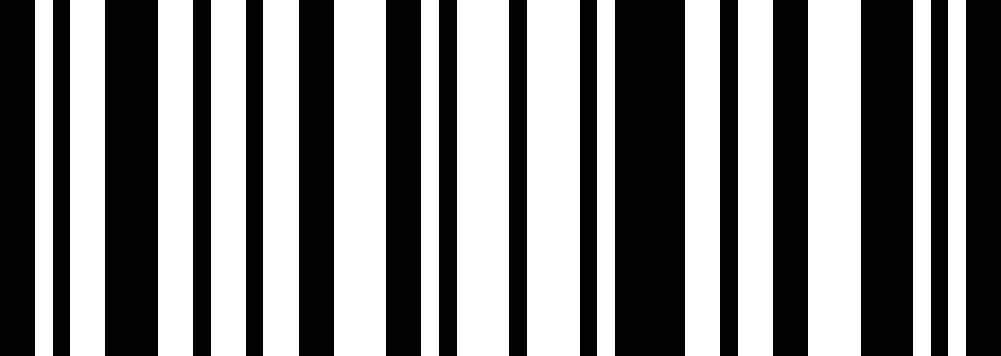

0337

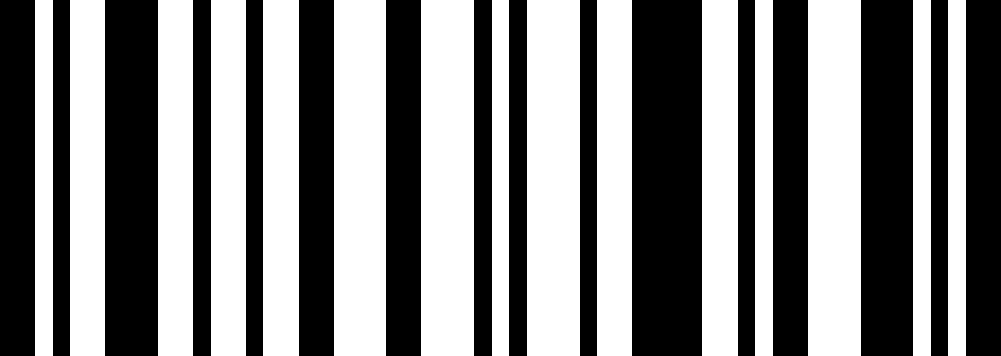

A standard 1D barcode with vertical black bars of varying widths on a white background.

0347

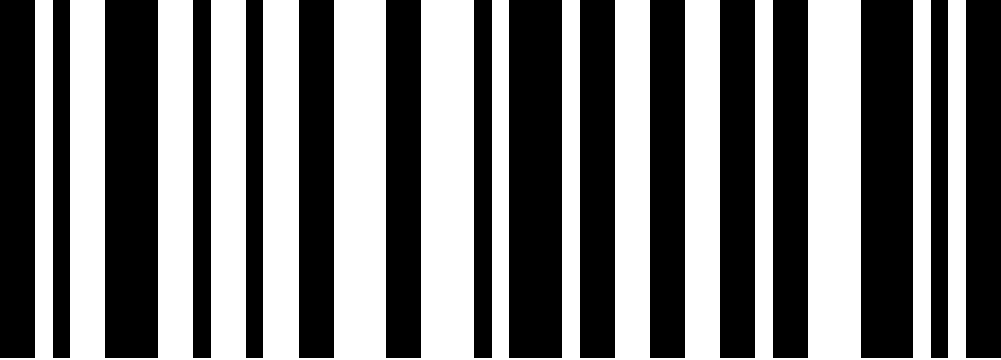

0348

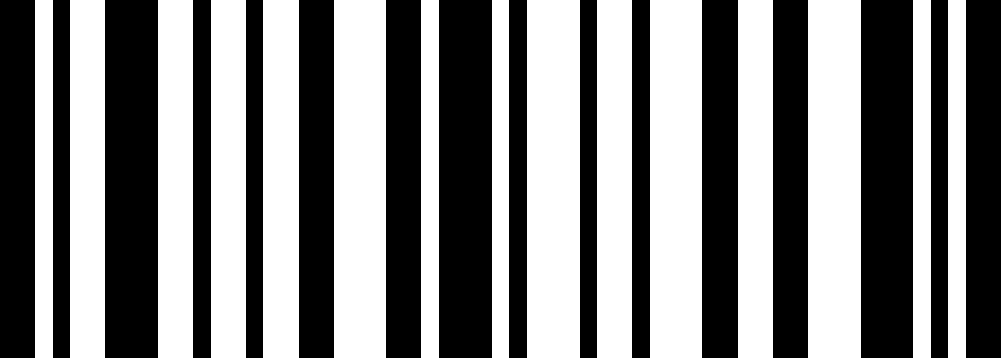

A standard 1D barcode with vertical black bars of varying widths on a white background.

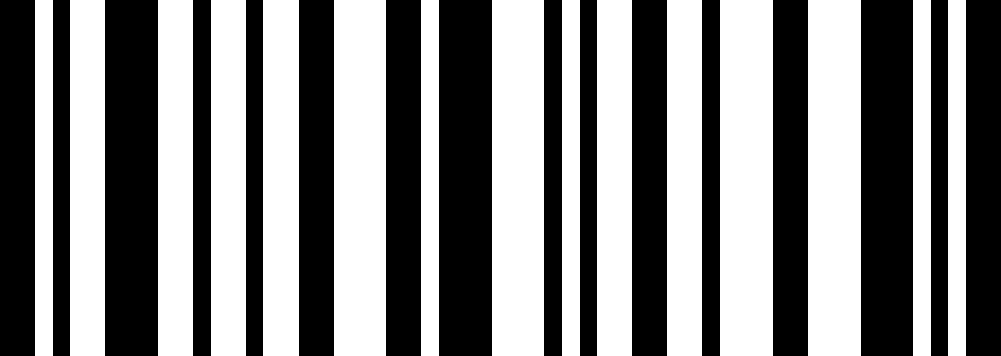

0349

A standard 1D barcode with vertical black bars of varying widths on a white background.

0350

A standard 1D barcode with vertical black bars of varying widths on a white background.

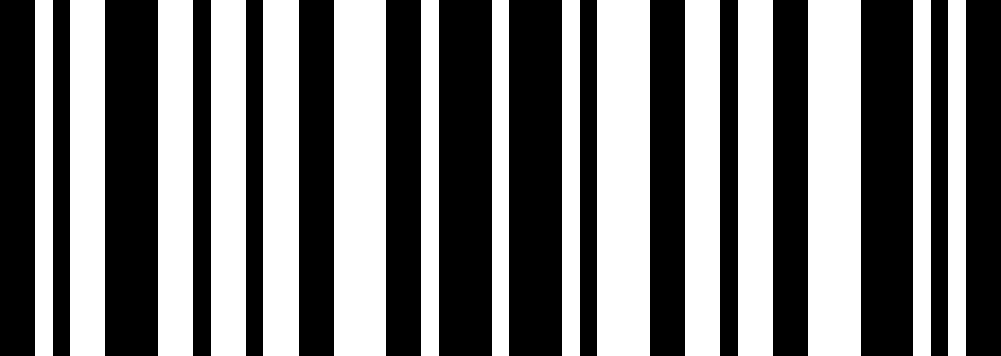

0351

A standard 1D barcode with vertical black bars of varying widths on a white background.

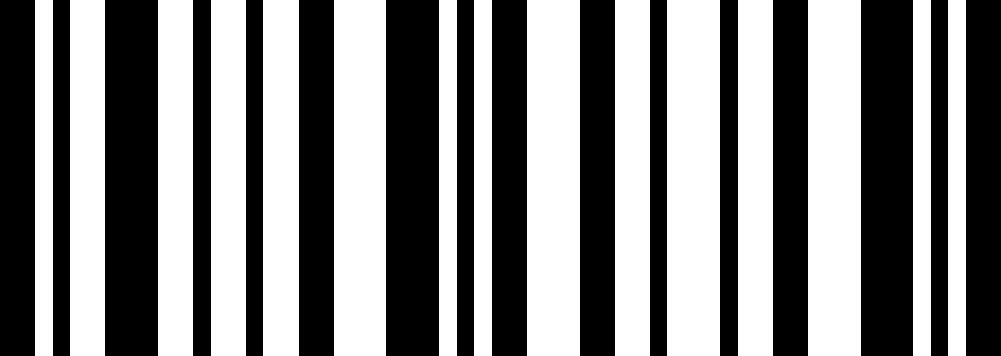

0352

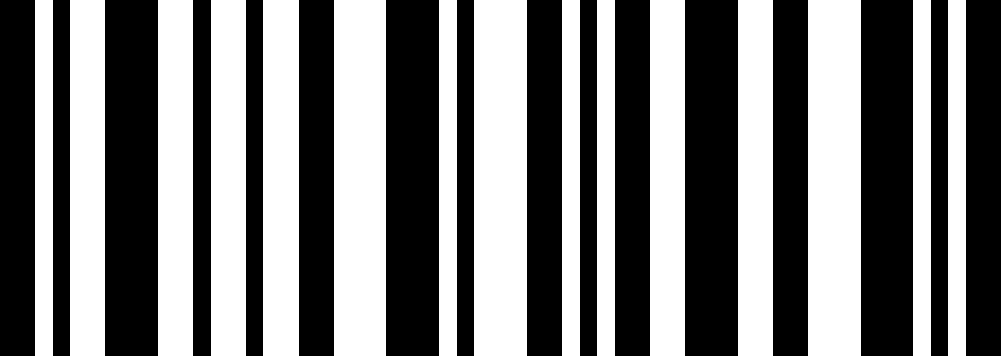

A standard 1D barcode with vertical black bars of varying widths on a white background.

0353

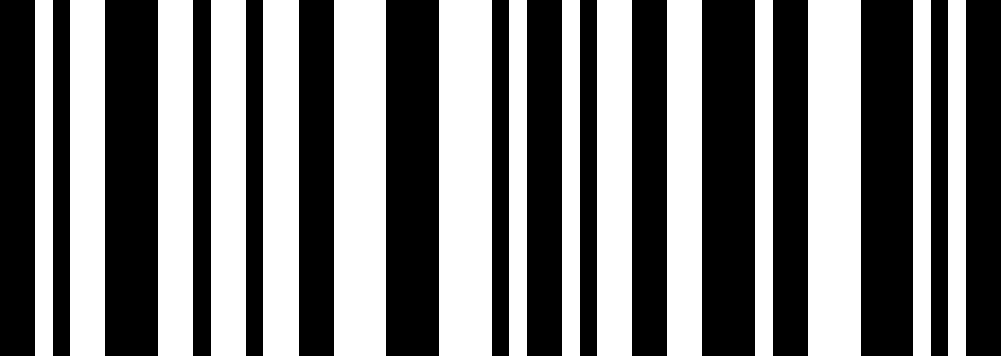

A standard 1D barcode with vertical black bars of varying widths on a white background.

0354

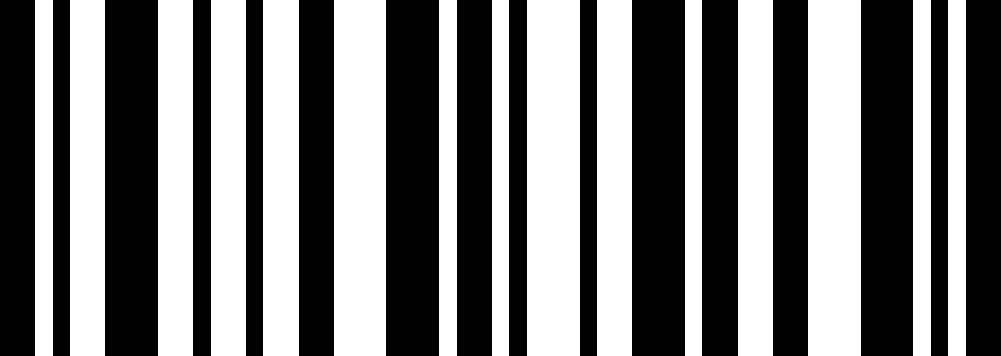

0355

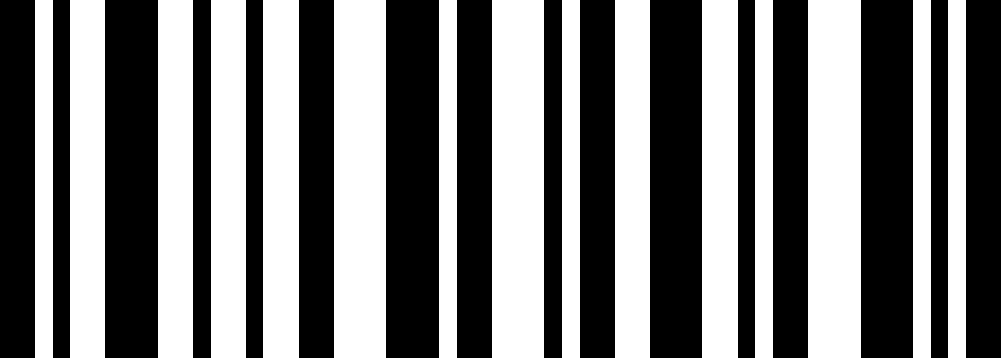

A standard 1D barcode with vertical black bars of varying widths on a white background.

0356

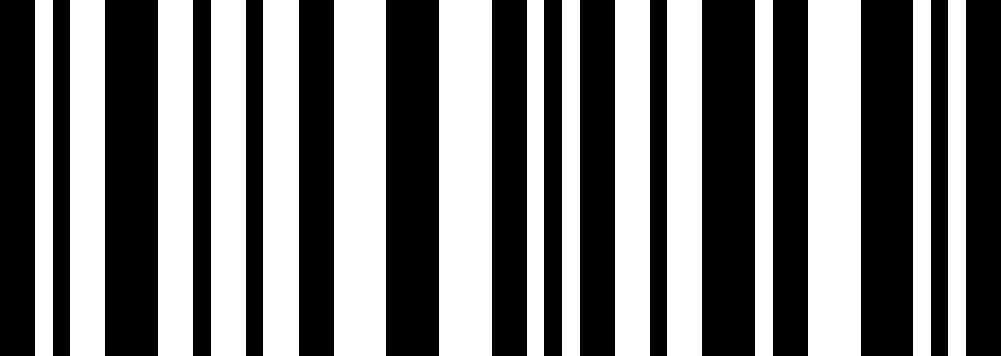

A standard 1D barcode with vertical black bars of varying widths on a white background.

0357

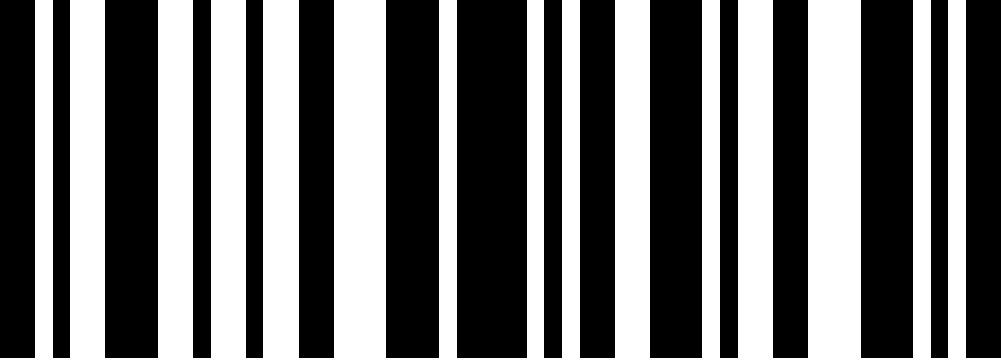

0358

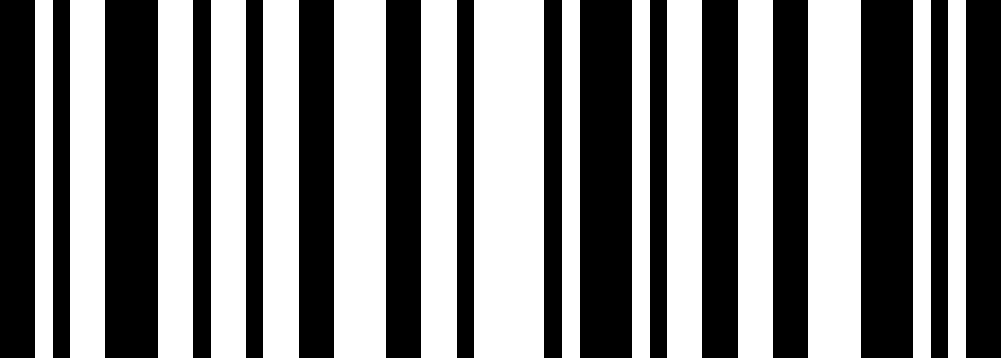

A standard 1D barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, above the text.

0359

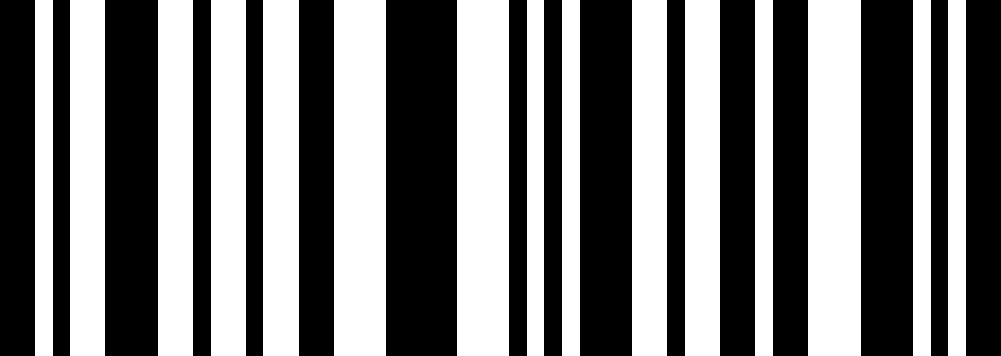

A standard 1D barcode with vertical black bars of varying widths on a white background.

0360

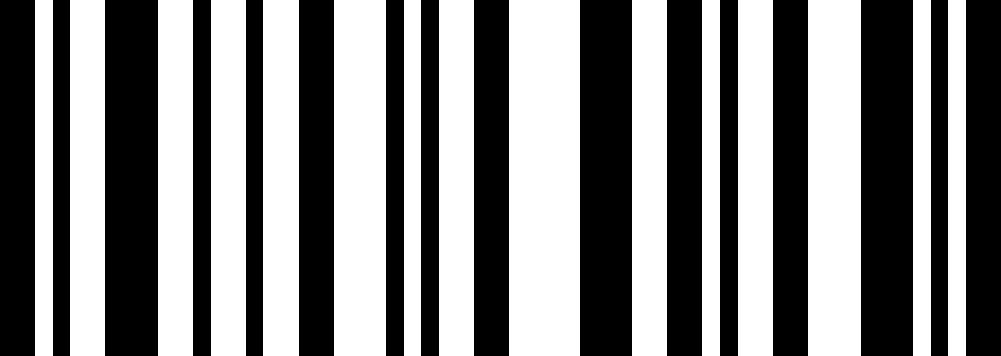

0361

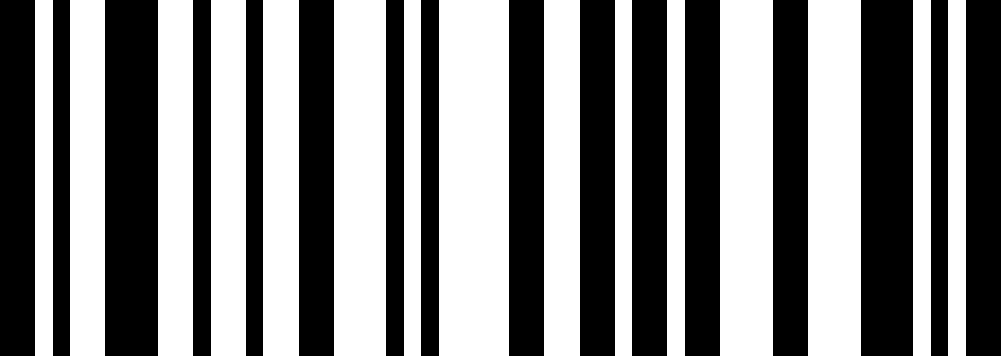

A standard 1D barcode with vertical black bars of varying widths on a white background.

0362

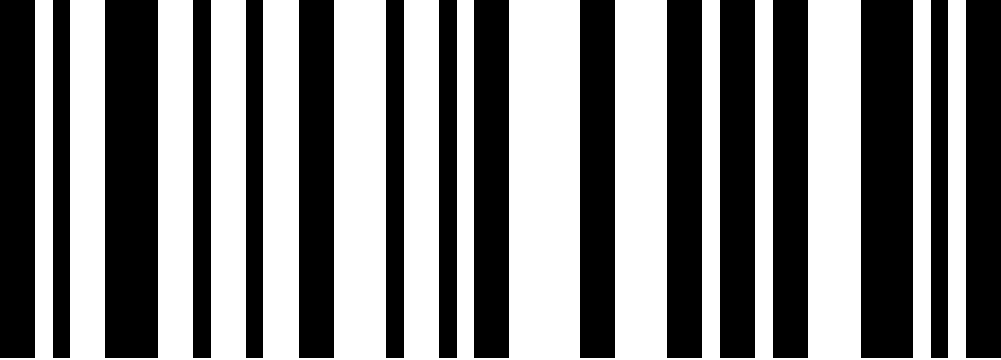

0363

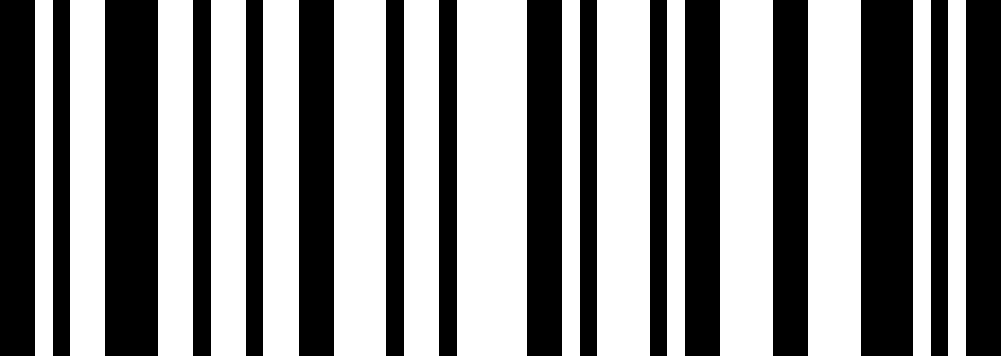

A standard 1D barcode with vertical black bars of varying widths on a white background.

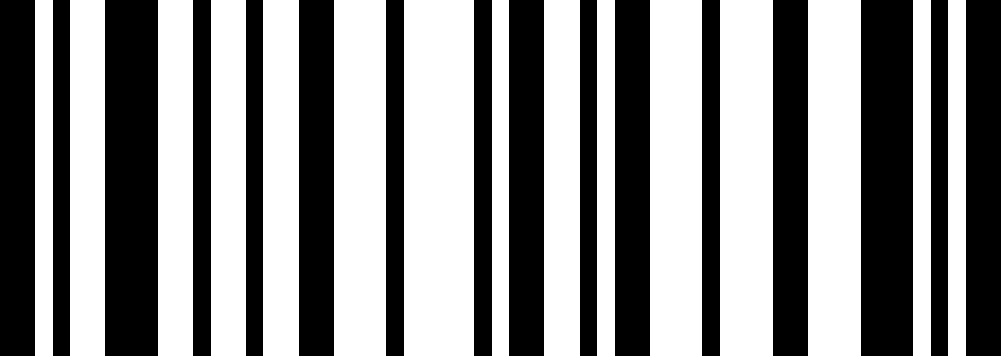

0364

A standard 1D barcode with vertical black bars of varying widths on a white background.

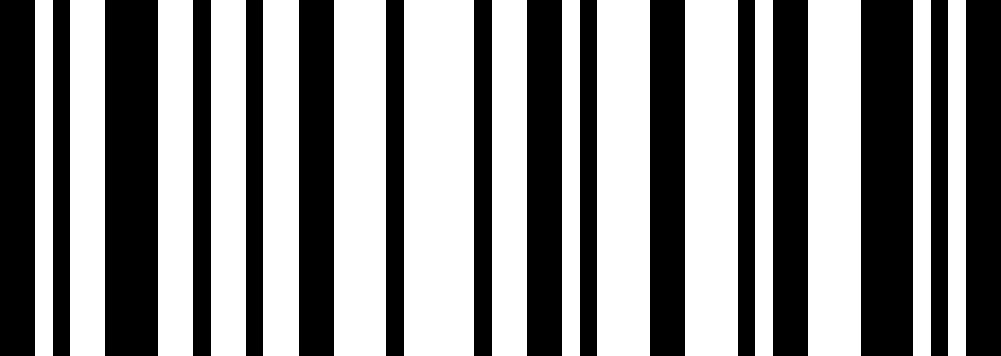

0365

0366

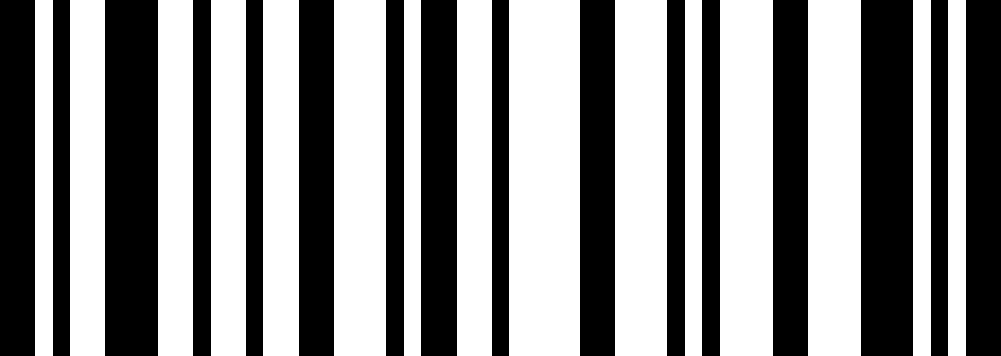

0367

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image.

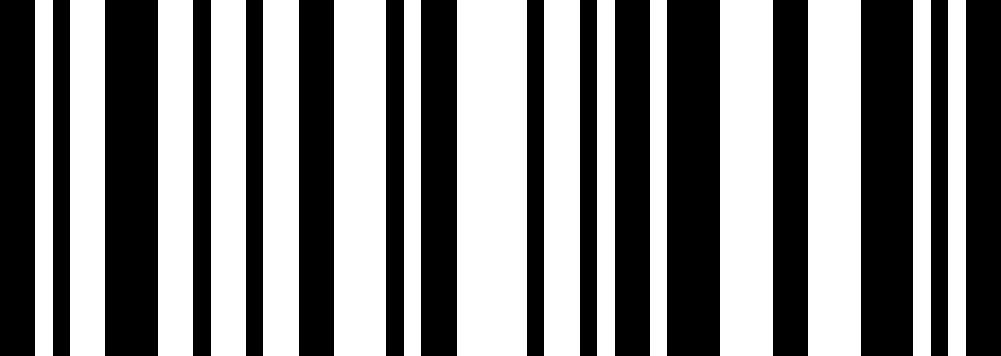

0368

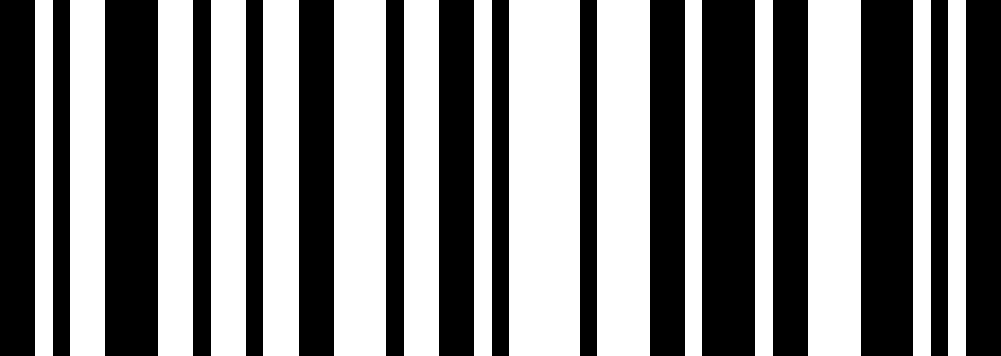

A standard 1D barcode with vertical black bars of varying widths on a white background.

0369

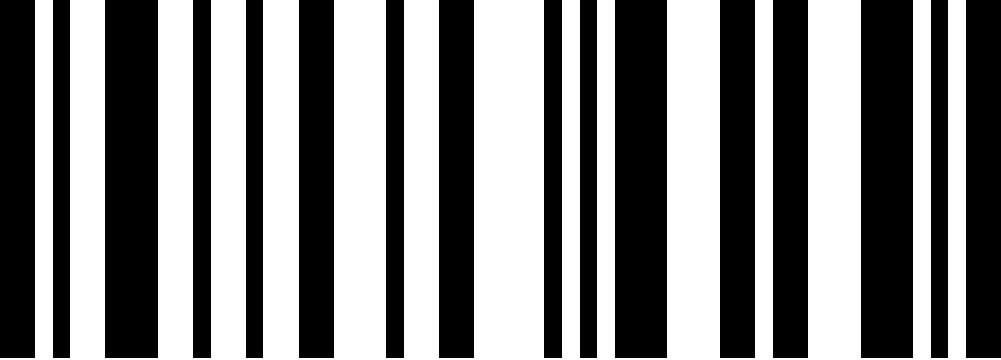

A standard 1D barcode with vertical black bars of varying widths on a white background.

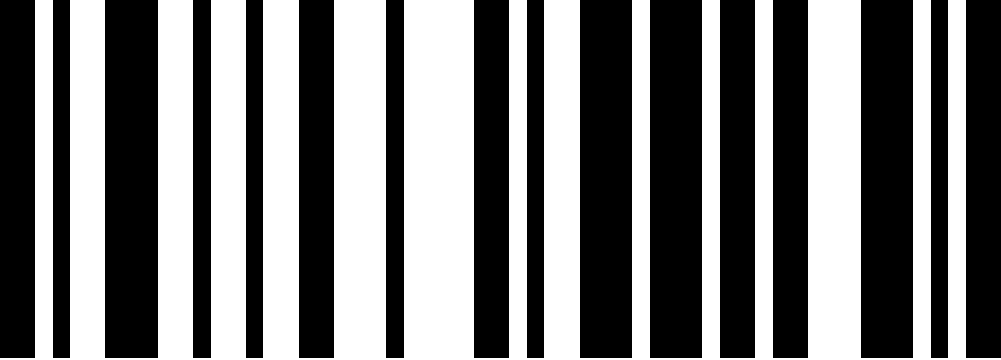

0370

A standard 1D barcode with vertical black bars of varying widths on a white background.

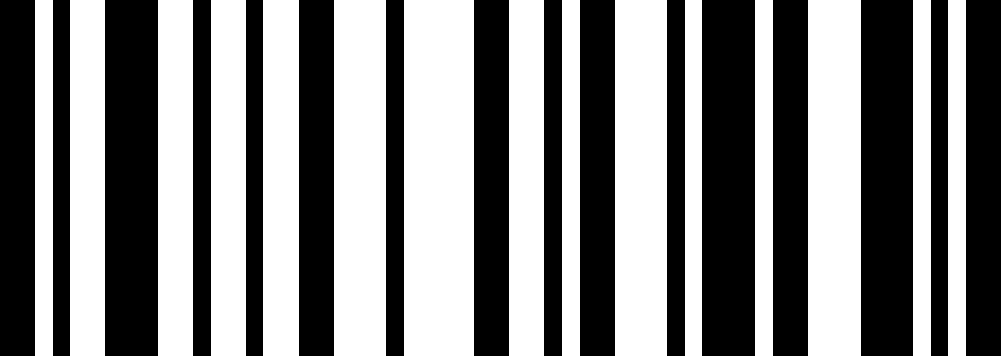

0371

A standard 1D barcode with vertical black bars of varying widths on a white background.

0372

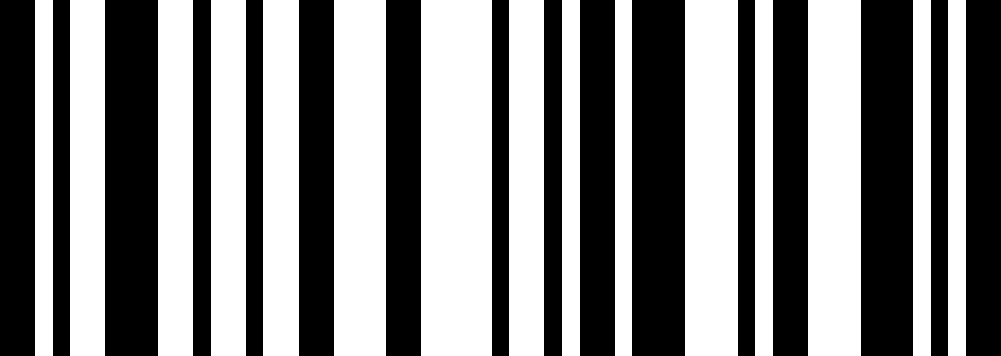

A standard 1D barcode with vertical black bars of varying widths on a white background.

0373

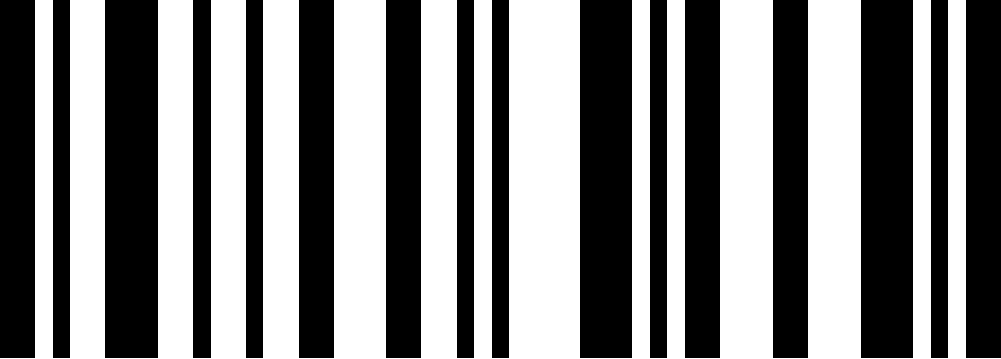

A standard 1D barcode with vertical black bars of varying widths on a white background.

0374

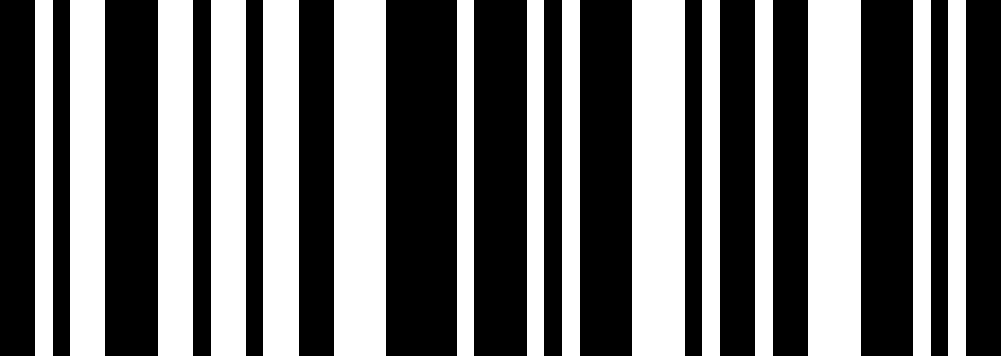

A standard 1D barcode with vertical black bars of varying widths on a white background.

0375

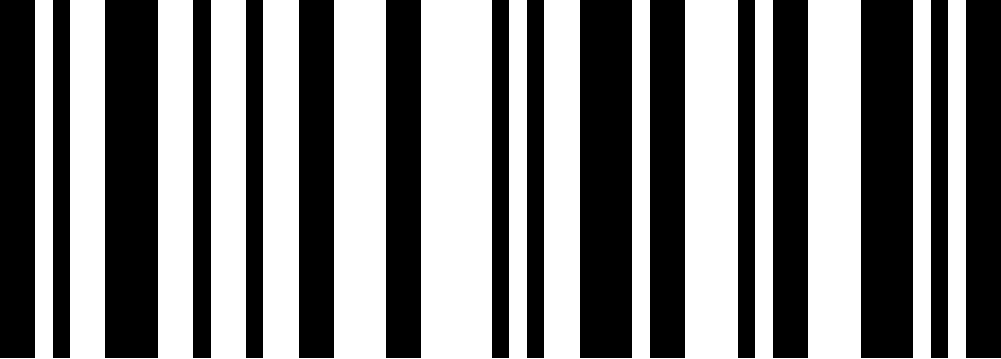

0376

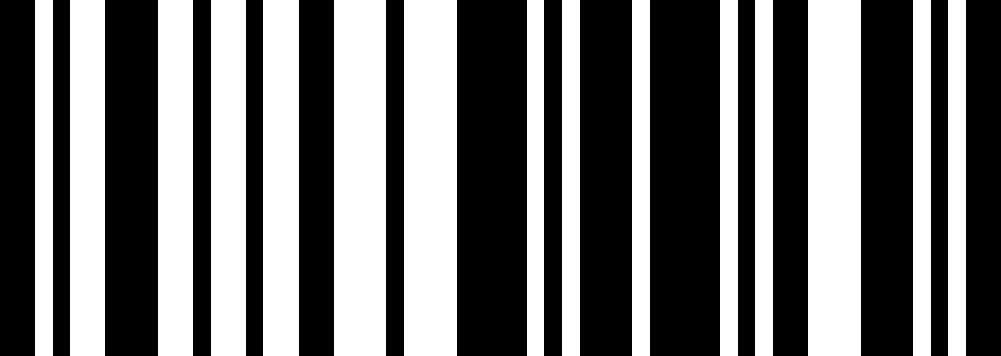

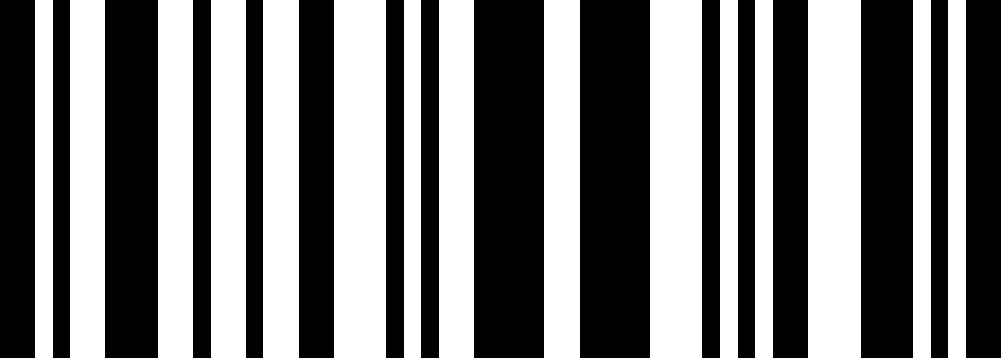

0377

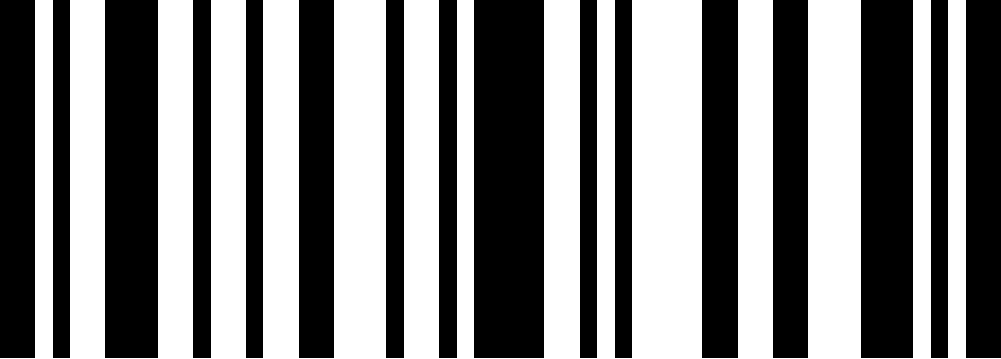

0378

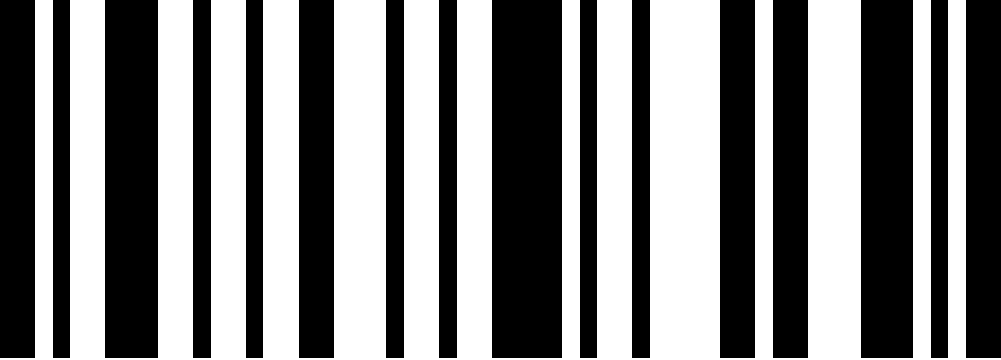

0379

A standard 1D barcode with vertical black bars of varying widths on a white background.

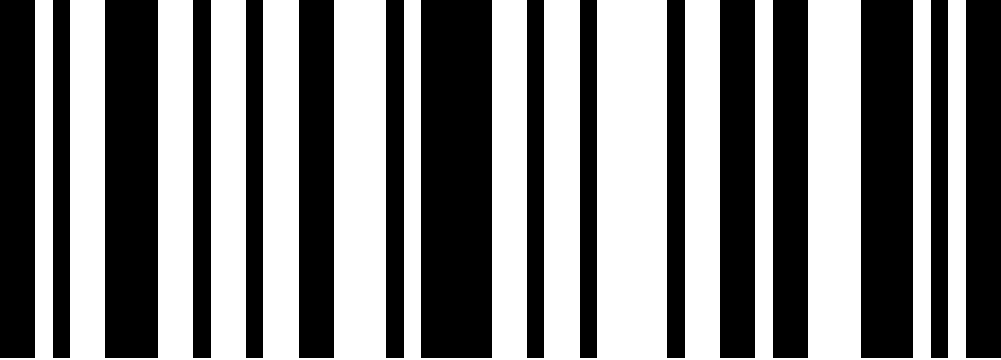

0380

A standard 1D barcode with vertical black bars of varying widths on a white background.

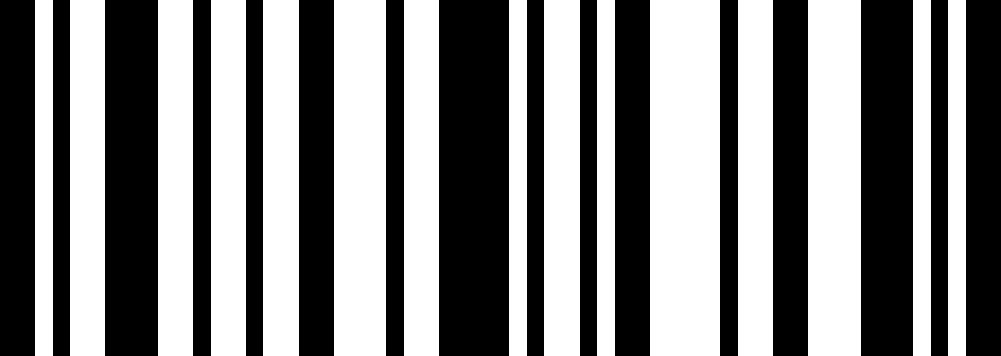

0381

A standard 1D barcode with vertical black bars of varying widths on a white background.

0382

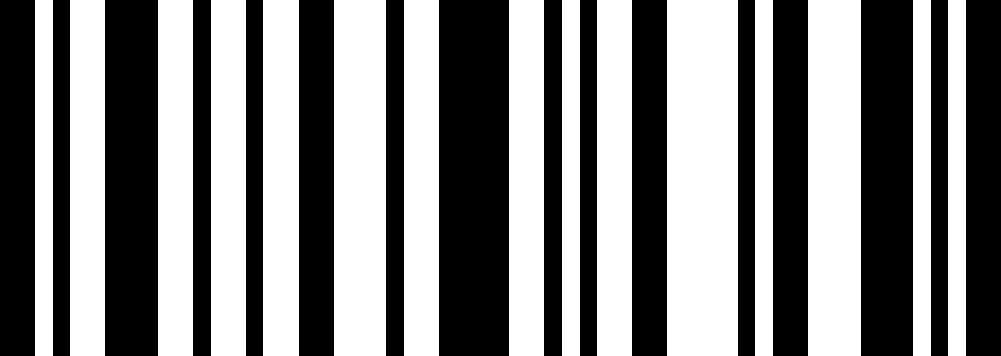

A standard 1D barcode with vertical black bars of varying widths on a white background.

0383

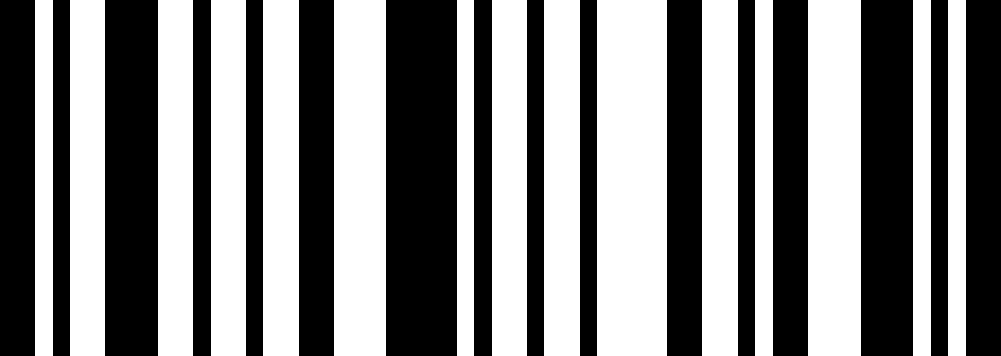

0384

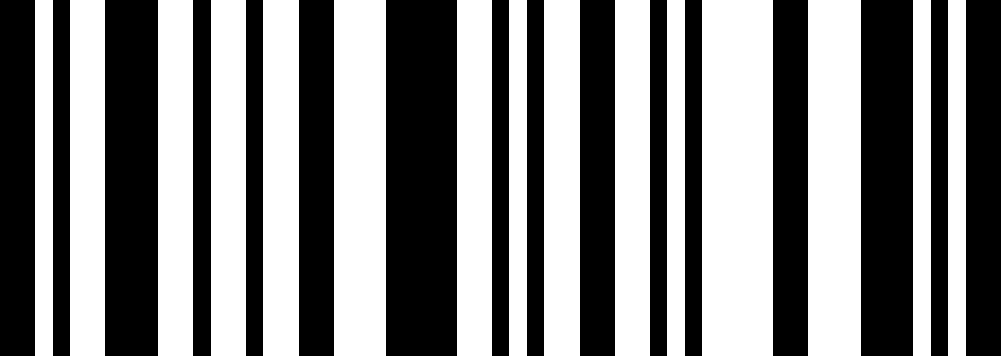

A standard 1D barcode with vertical black bars of varying widths on a white background.

0385

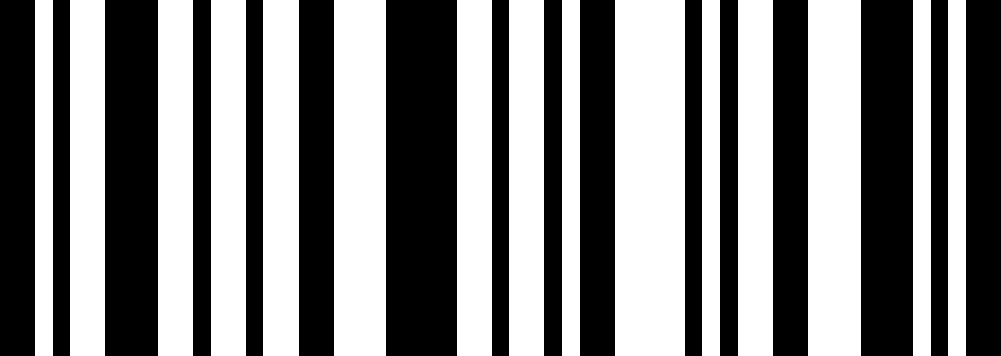

A standard 1D barcode with vertical black bars of varying widths on a white background.

0386

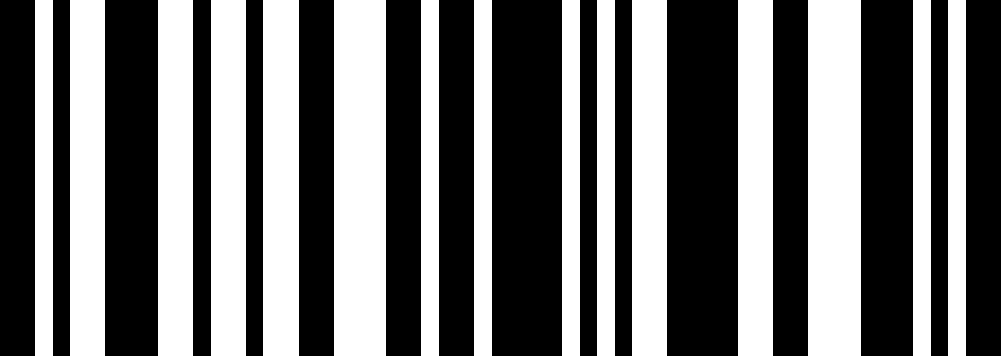

A standard 1D barcode with vertical black bars of varying widths on a white background.

0387

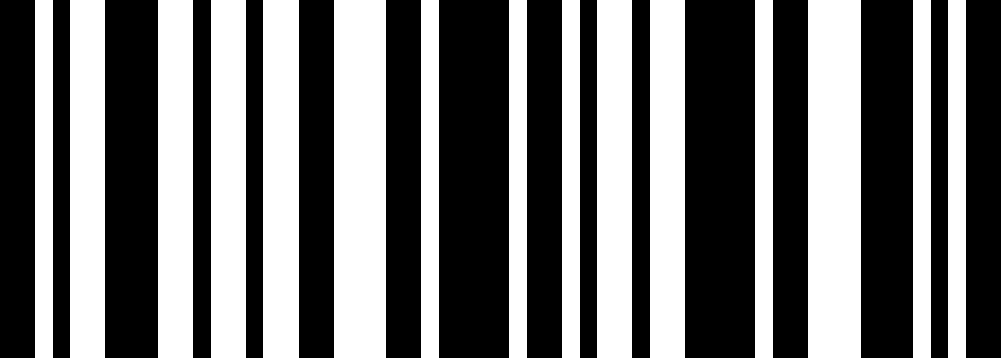

A standard 1D barcode with vertical black bars of varying widths on a white background.

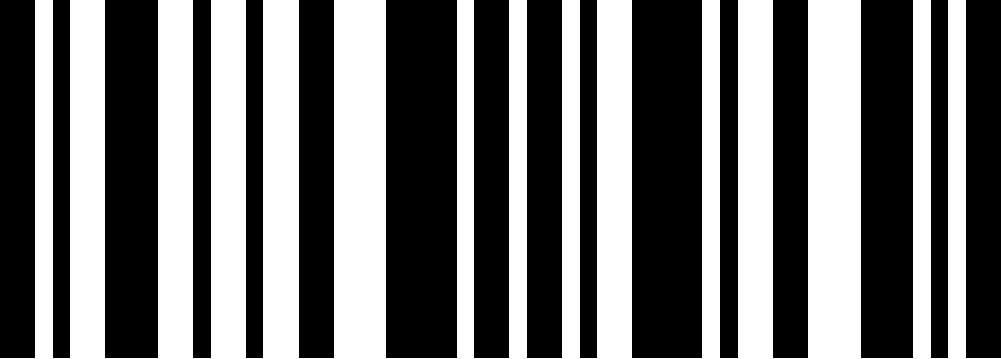

0388

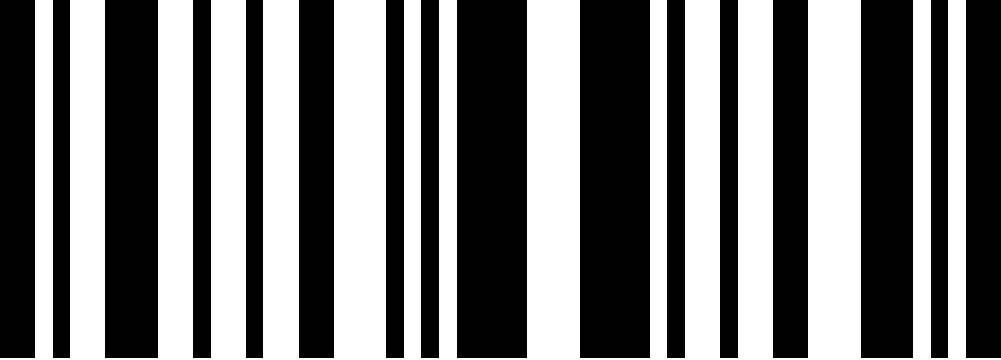

0389

0390

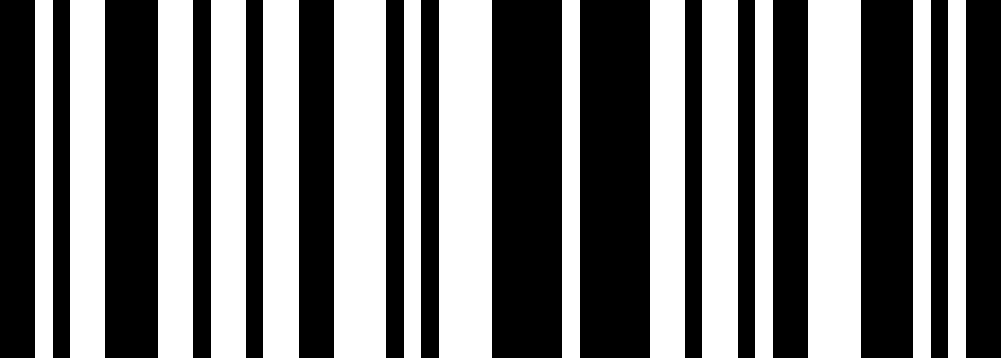

0391

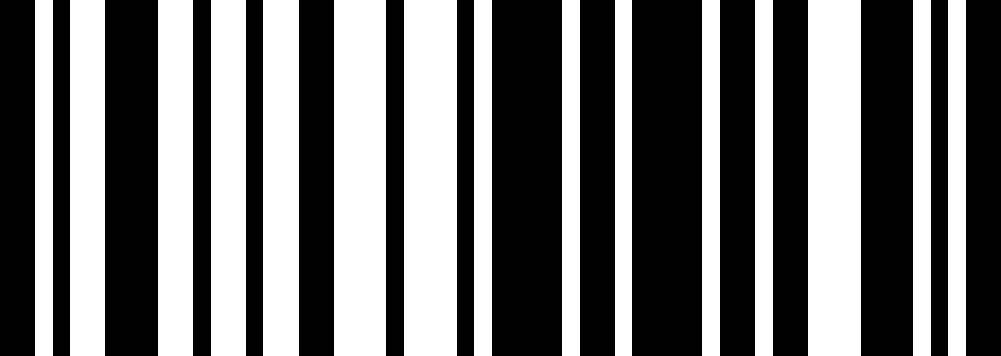

0392

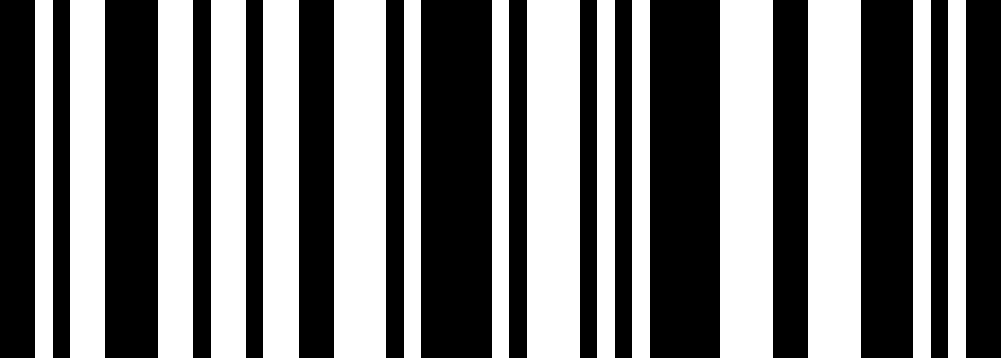

A standard 1D barcode with vertical black bars of varying widths on a white background.

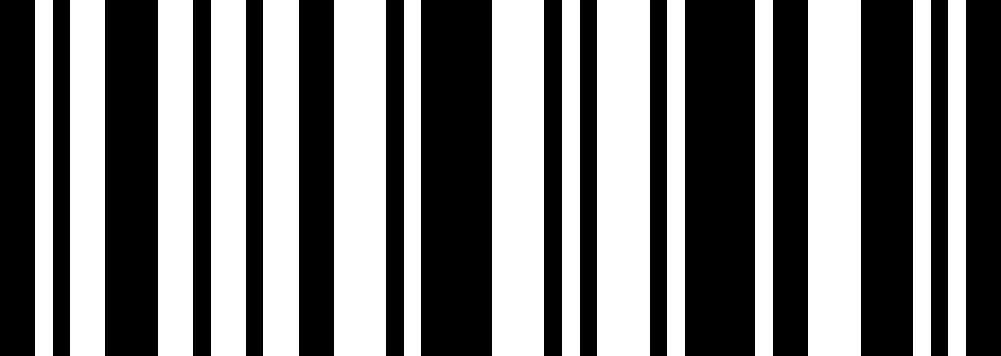

0393

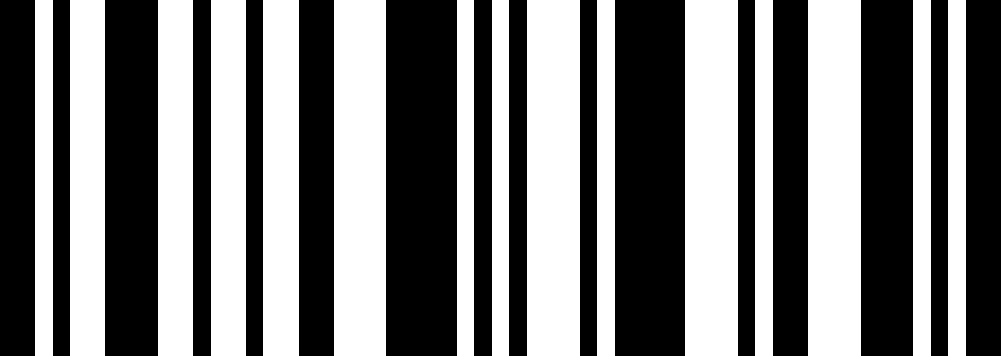

0394

A standard 1D barcode with vertical black bars of varying widths on a white background.

0398

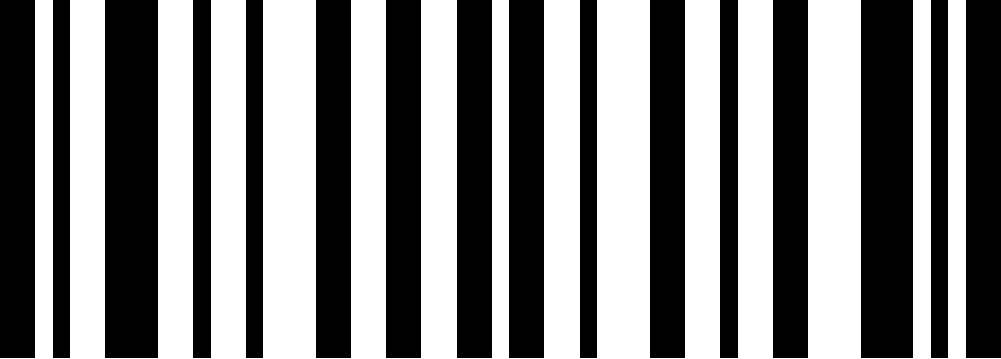

0399

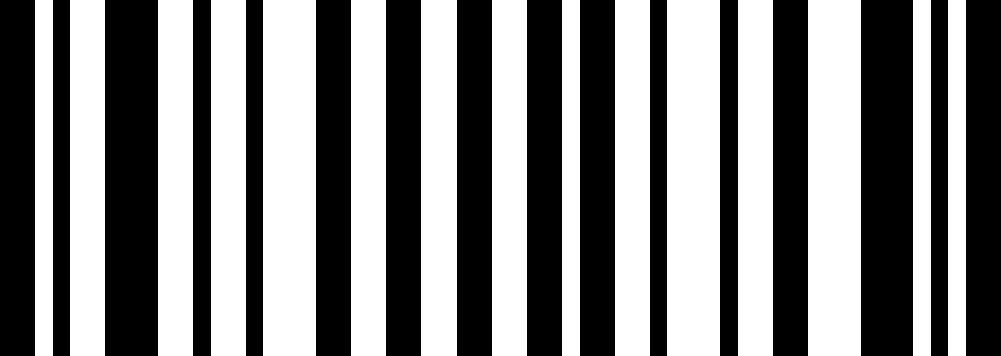

0400

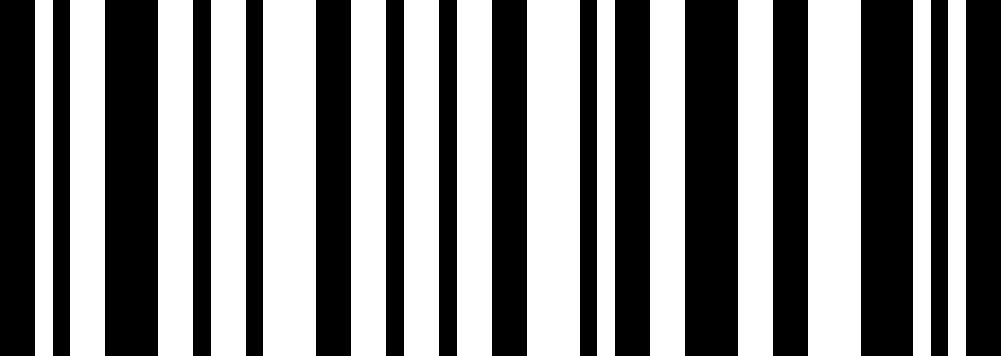

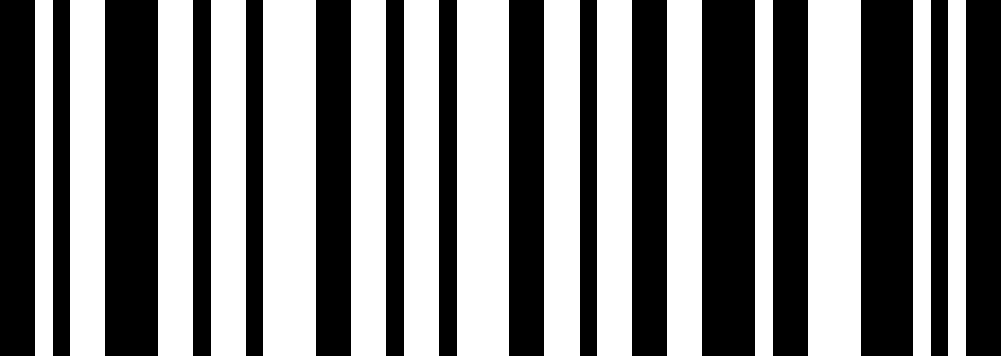

0401

0402

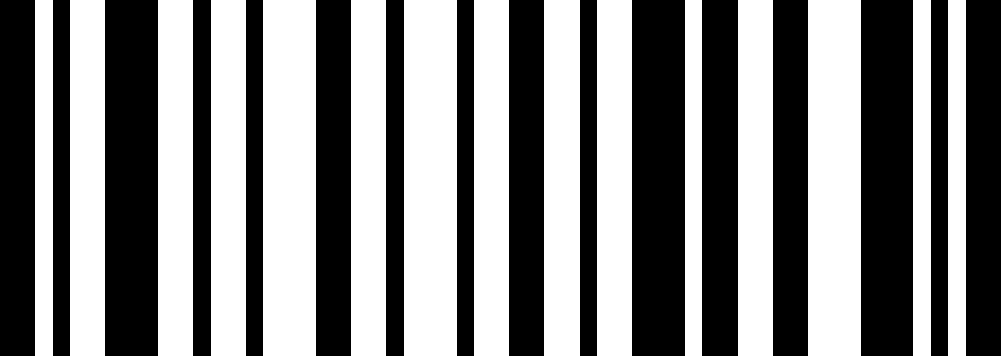

0403

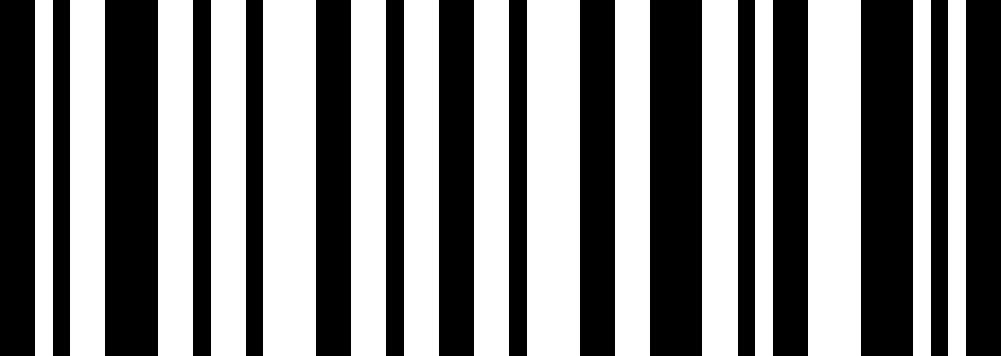

A standard 1D barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image.

0404

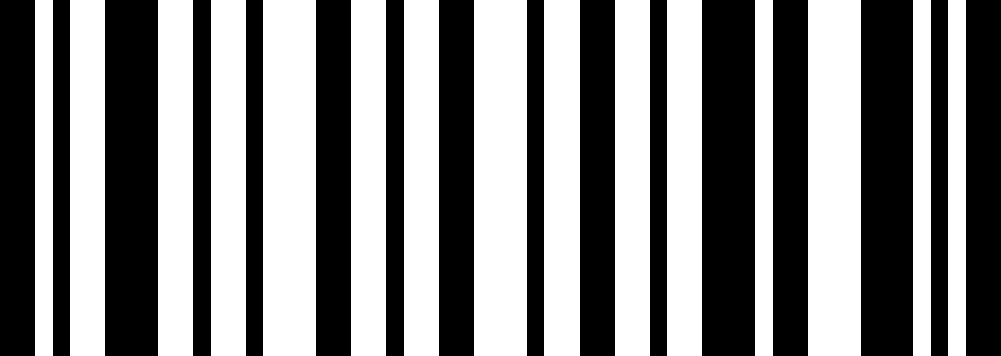

A standard 1D barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0405

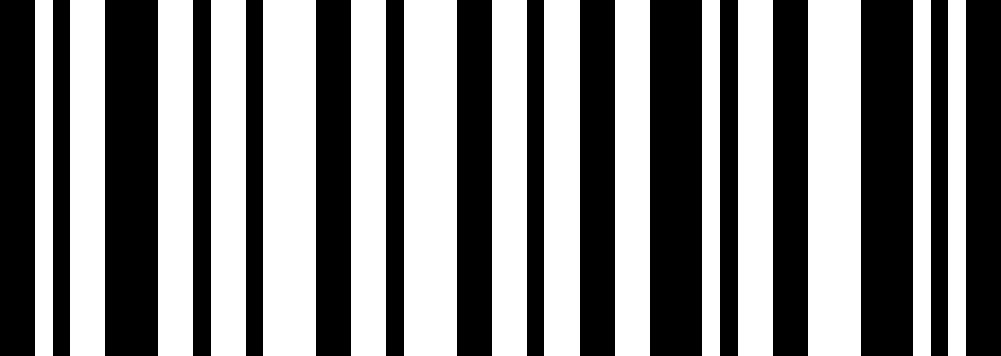

A standard 1D barcode with vertical black bars of varying widths on a white background.

0406

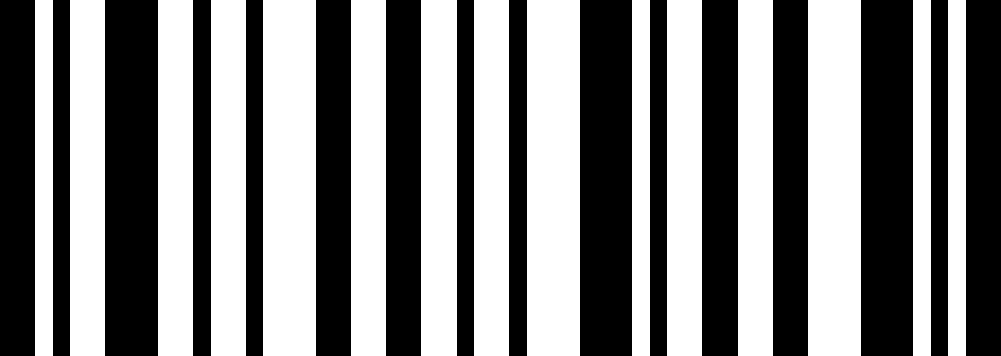

0407

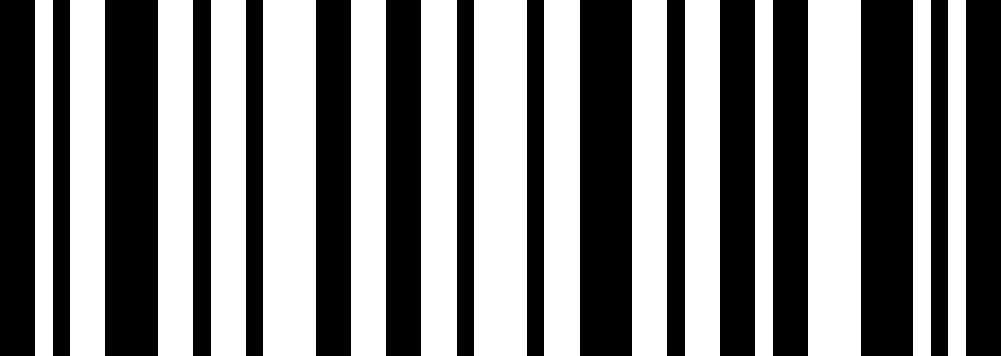

0408

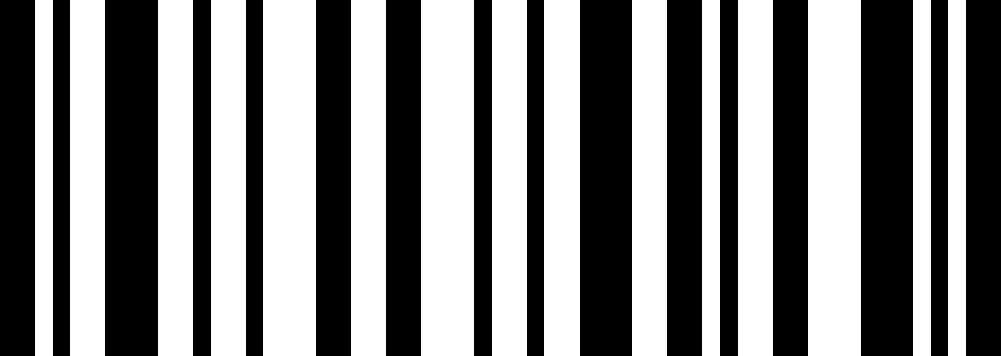

0409

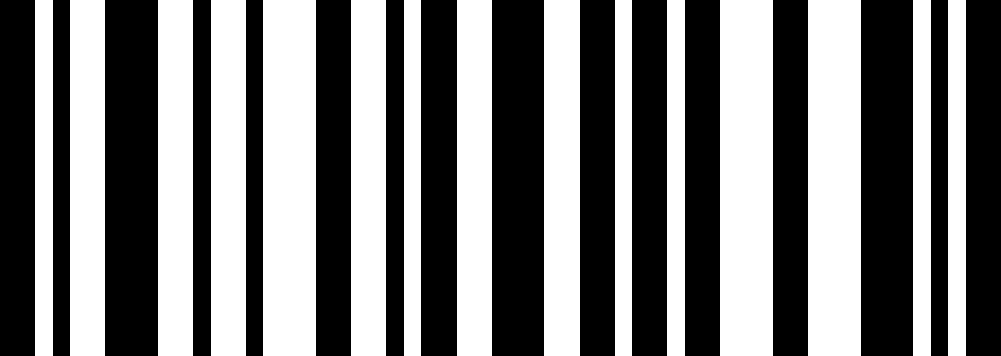

A standard 1D barcode with vertical black bars of varying widths on a white background.

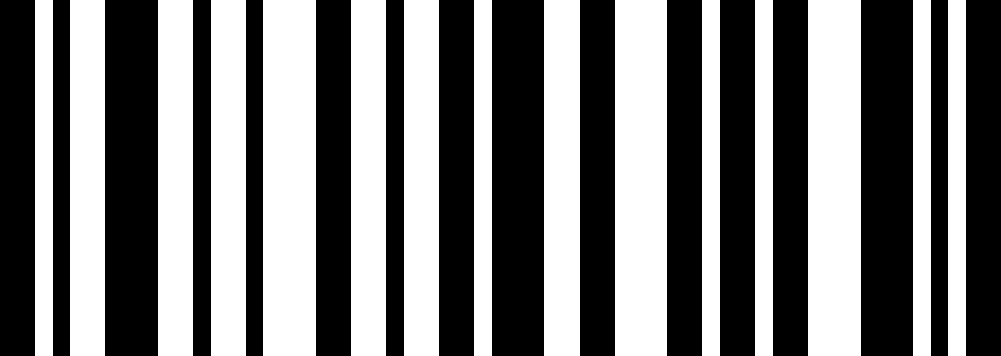

0410

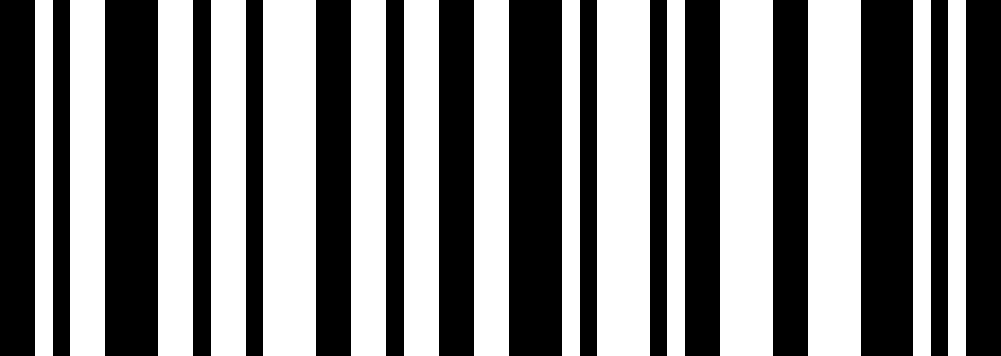

0411

0412

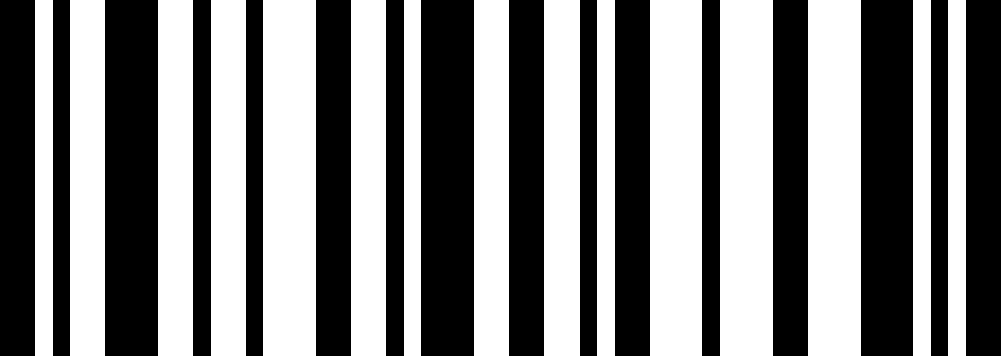

0413

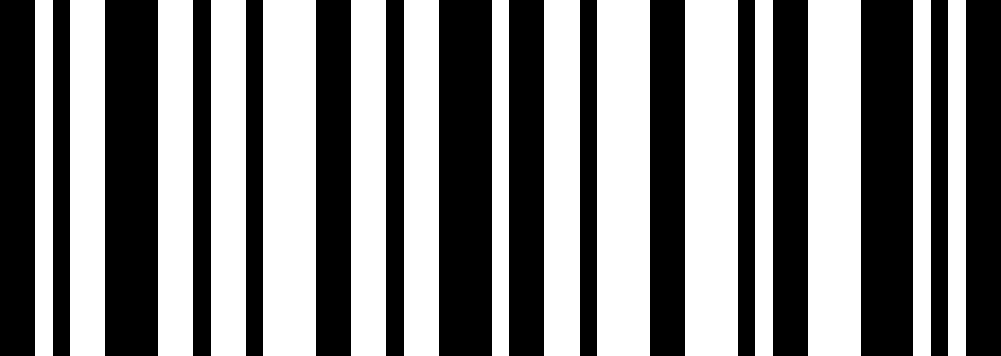

0414

A barcode consisting of vertical black bars of varying widths on a white background. Below the barcode, the numbers 0414 are printed in a black, monospaced font.

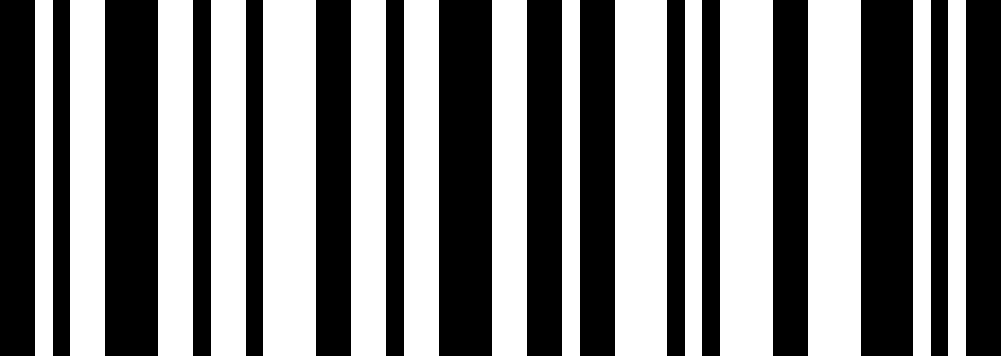

0415

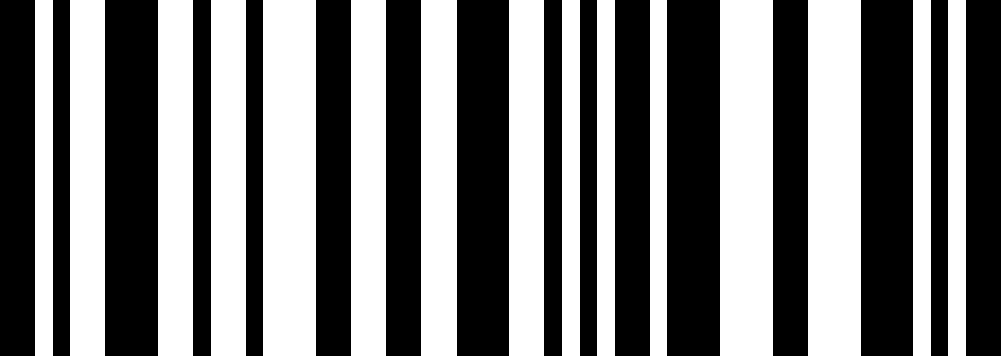

A standard 1D barcode with vertical black bars of varying widths on a white background.

0416

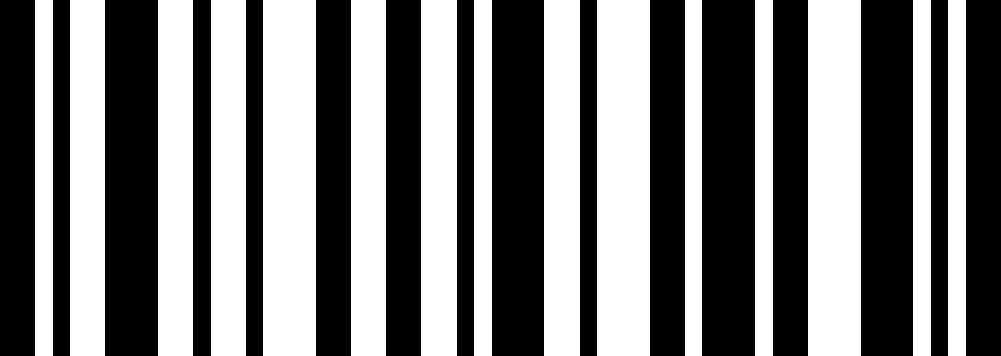

A standard 1D barcode with vertical black bars of varying widths on a white background.

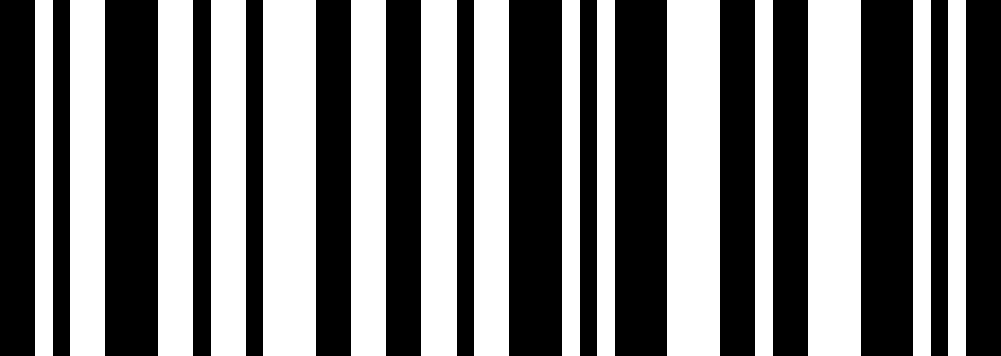

0417

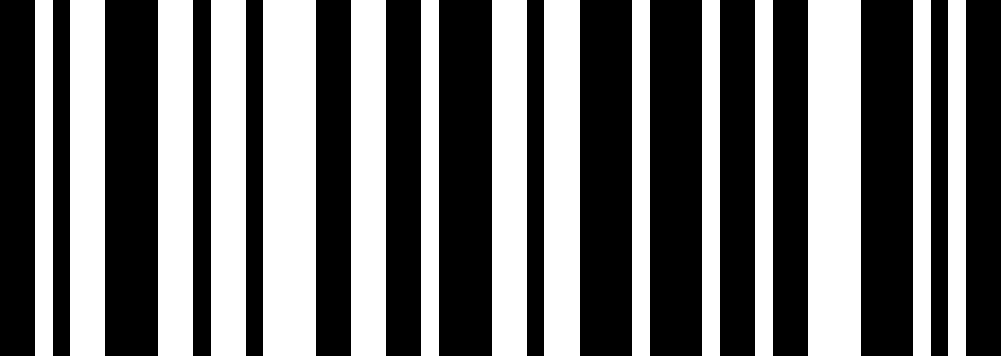

0418

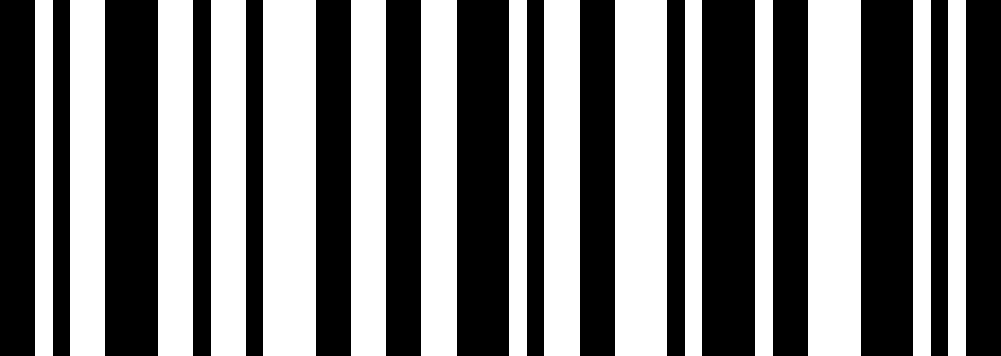

0419

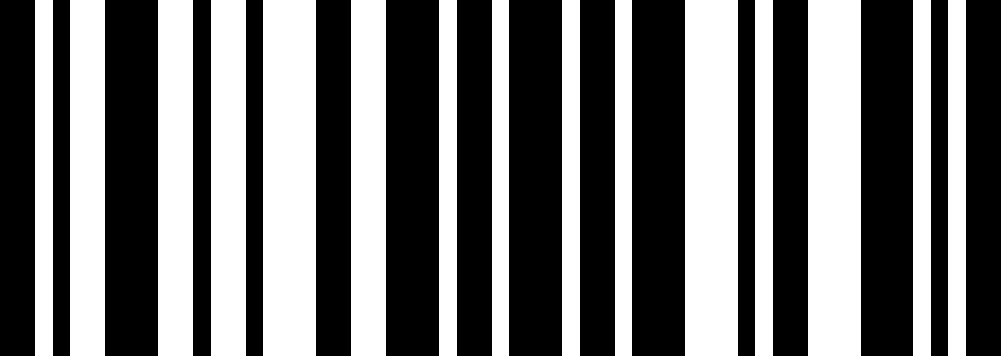

0420

0421

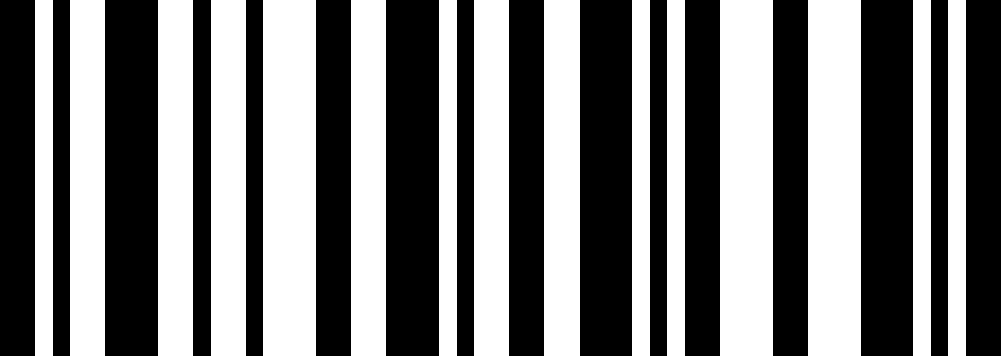

0422

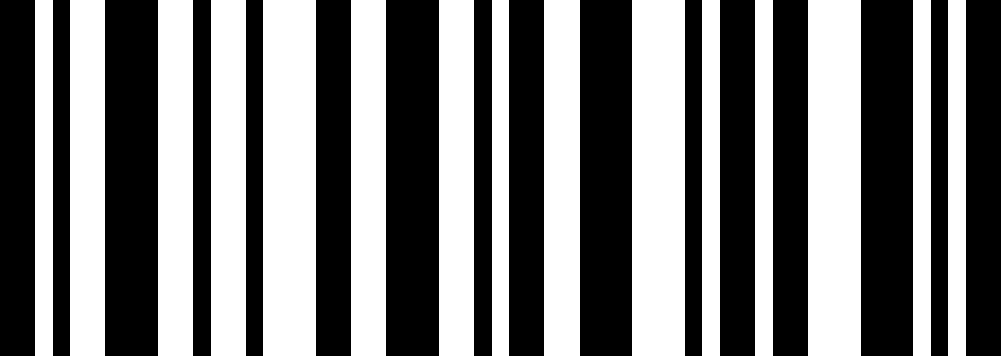

A standard 1D barcode with vertical black bars of varying widths on a white background.

0423

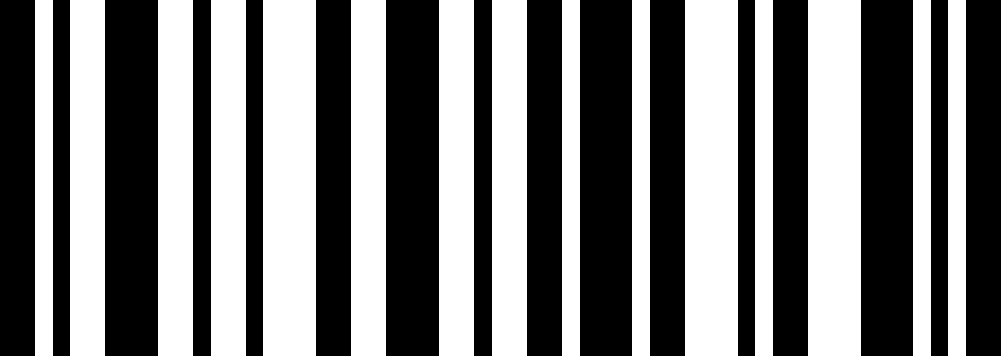

0424

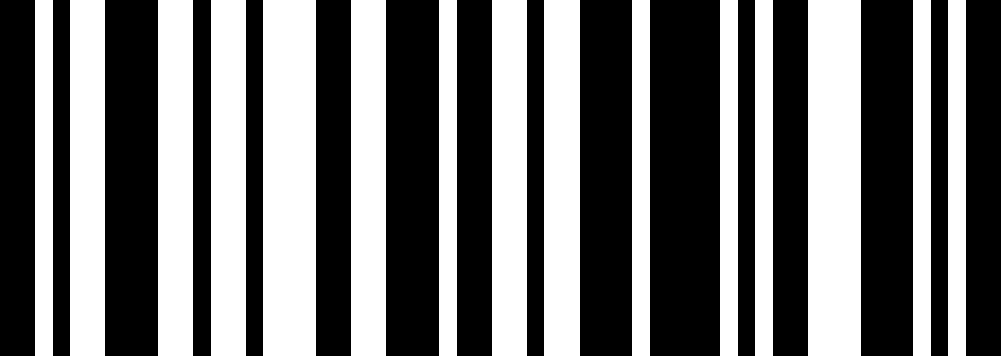

0425

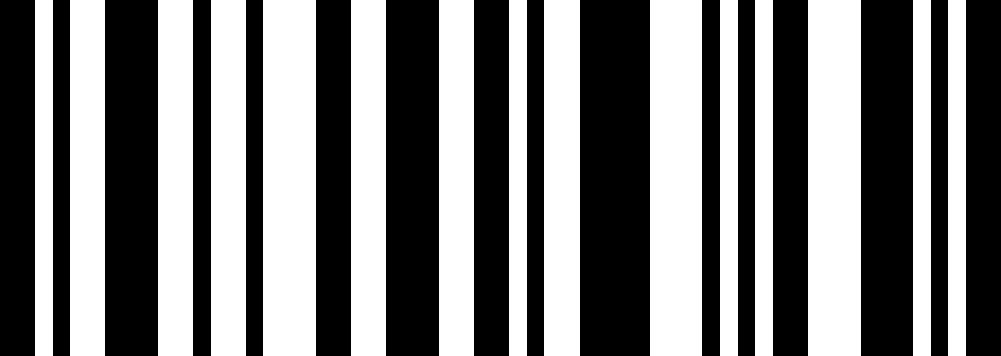

A standard 1D barcode with vertical black bars of varying widths on a white background.

0426

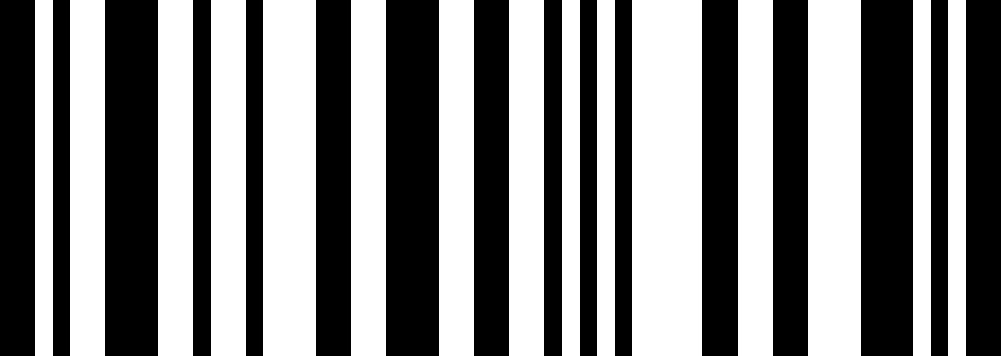

0427

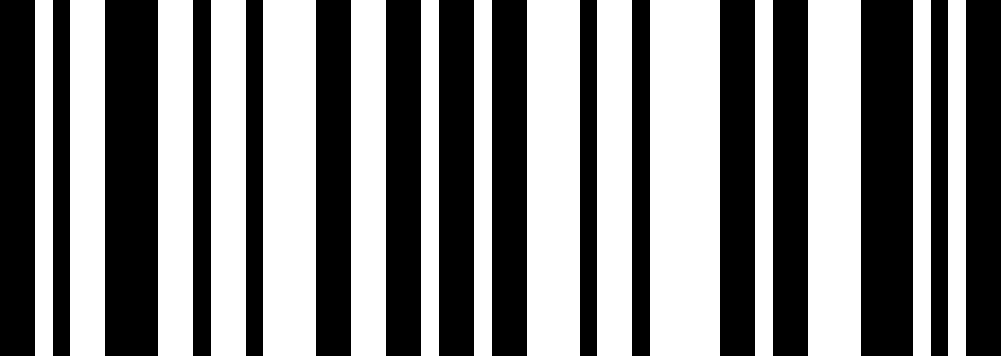

A standard 1D barcode with vertical black bars of varying widths on a white background.

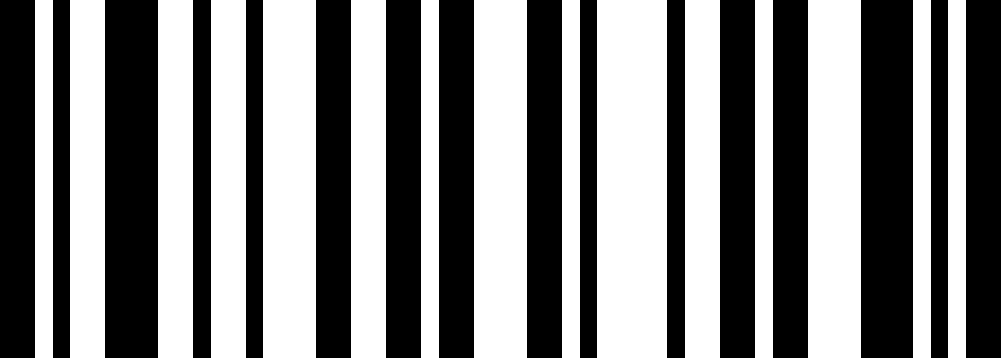

0428

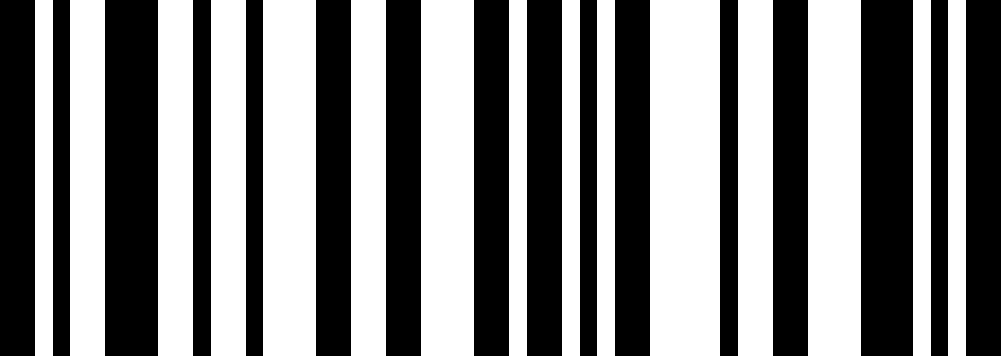

0429

0430

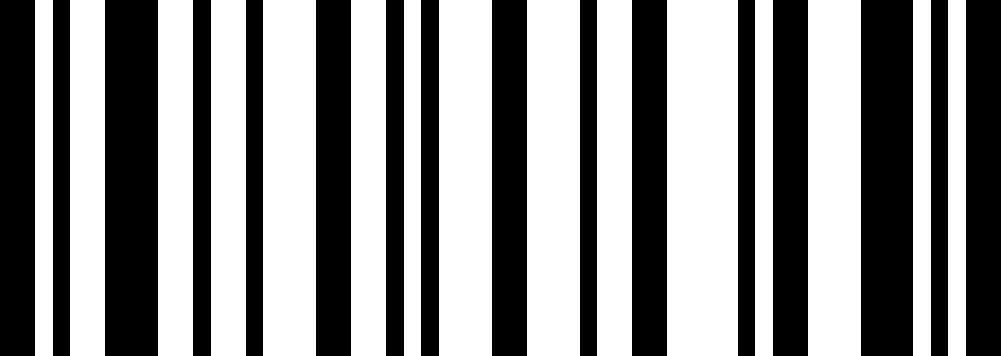

0431

A standard 1D barcode with vertical black bars of varying widths on a white background.

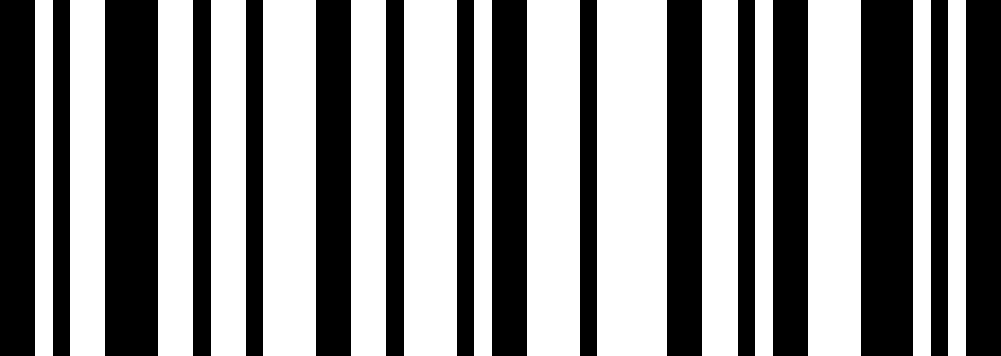

0432

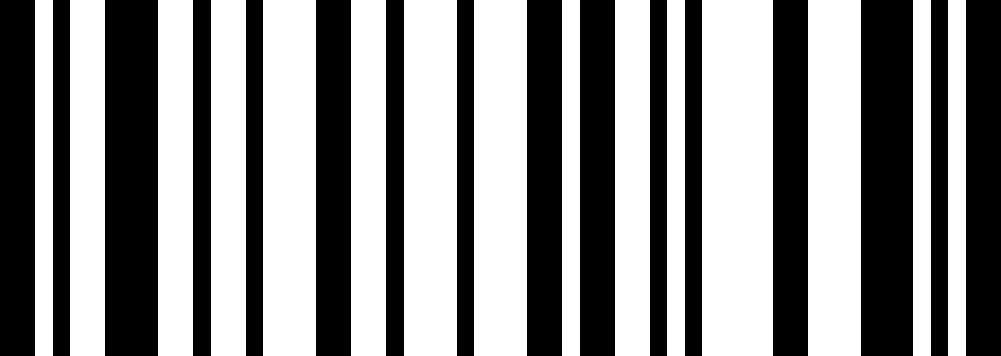

A standard 1D barcode with vertical black bars of varying widths on a white background.

0433

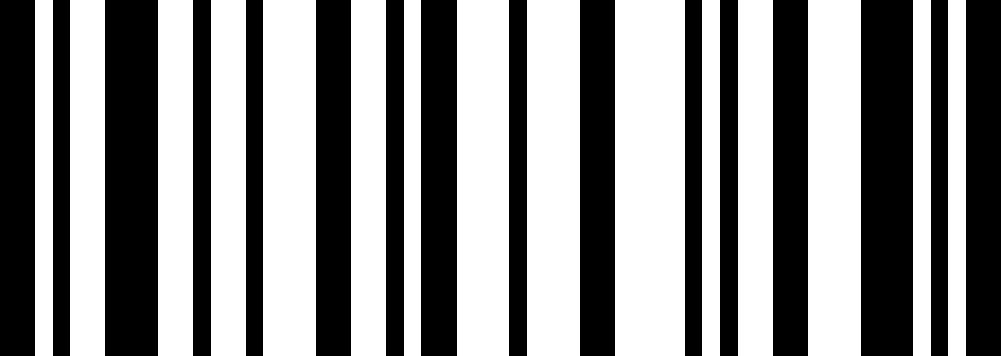

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0434

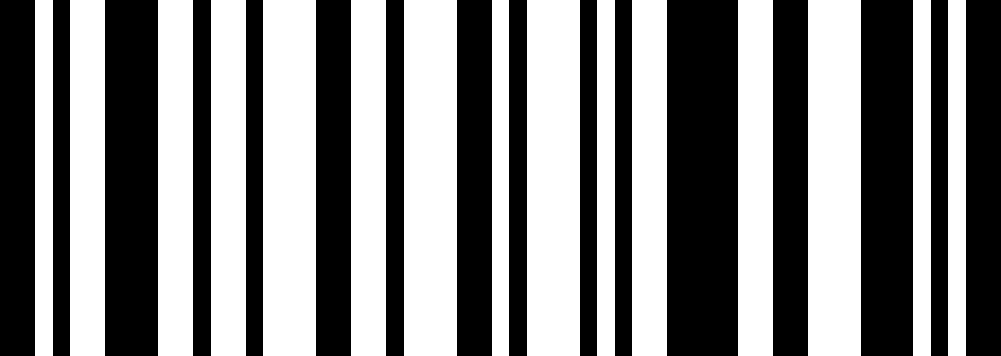

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the numbers 0435.

0435

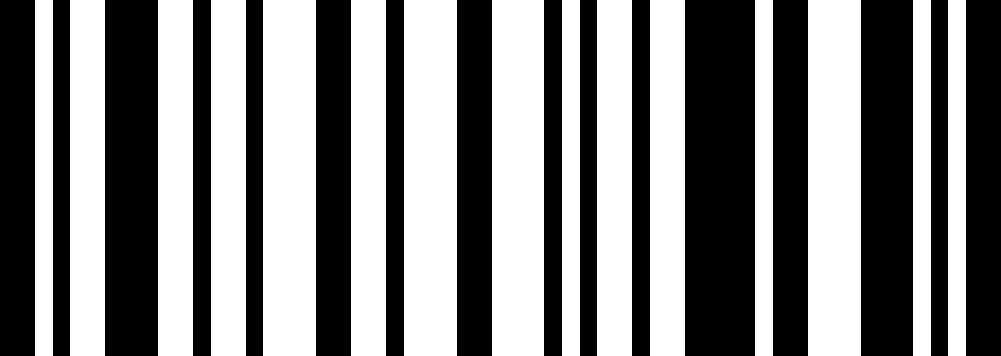

A standard 1D barcode with vertical black bars of varying widths on a white background.

0436

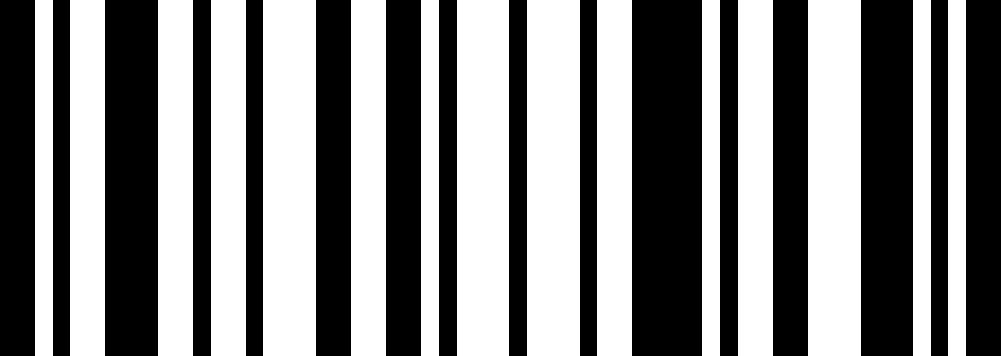

0437

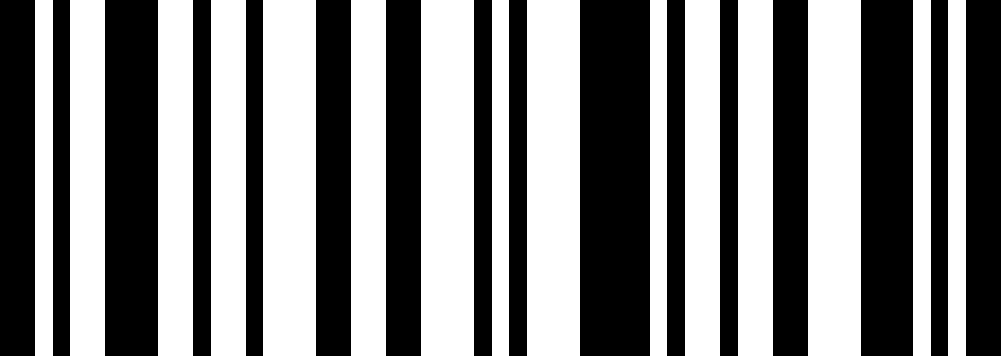

A standard 1D barcode with vertical black bars of varying widths on a white background.

0438

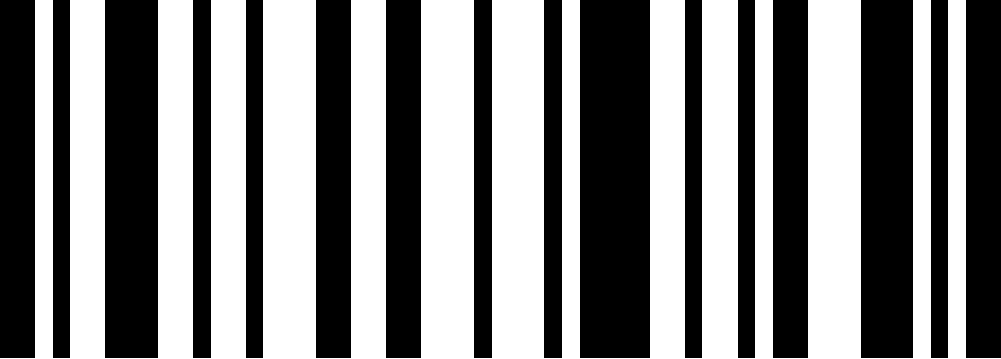

A standard 1D barcode with vertical black bars of varying widths on a white background.

0439

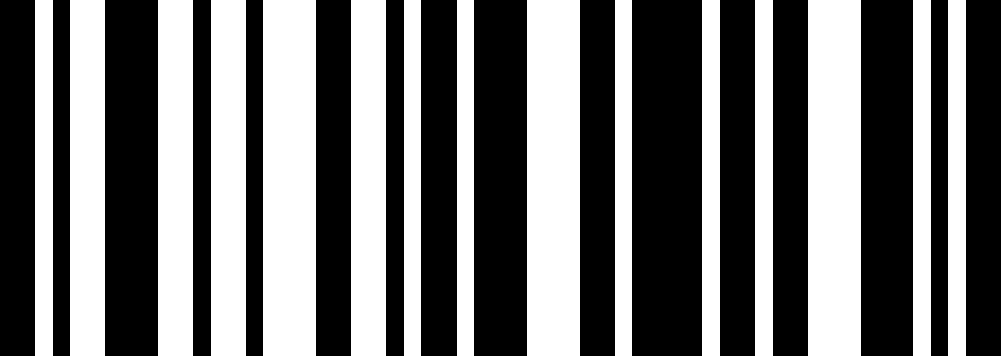

0440

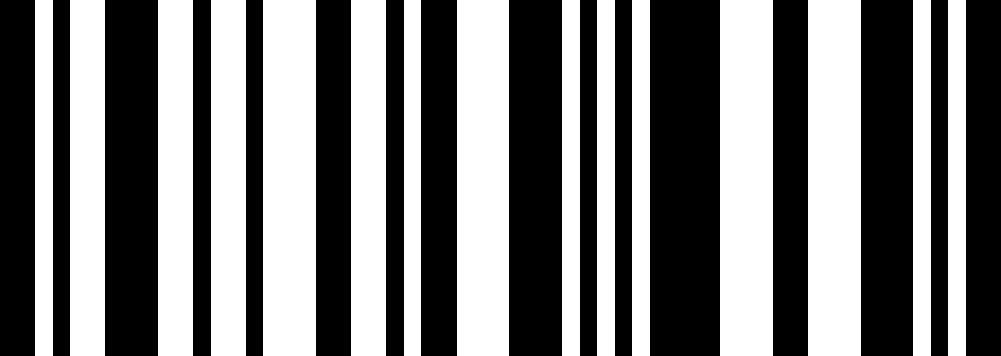

A standard 1D barcode with vertical black bars of varying widths on a white background.

0441

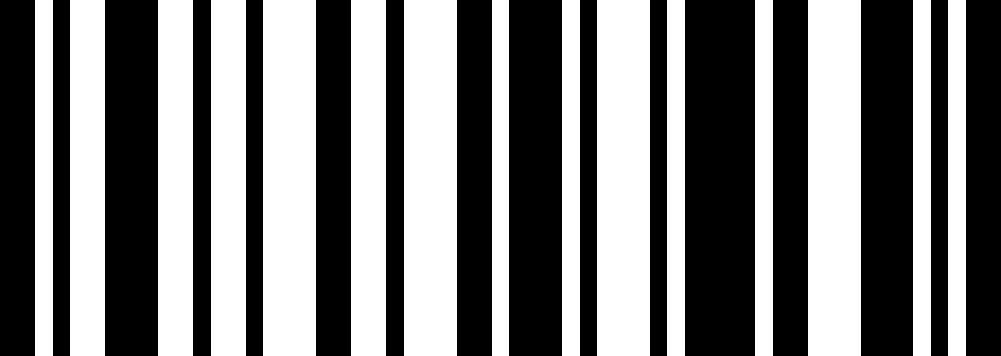

A standard 1D barcode with vertical black bars of varying widths on a white background.

0442

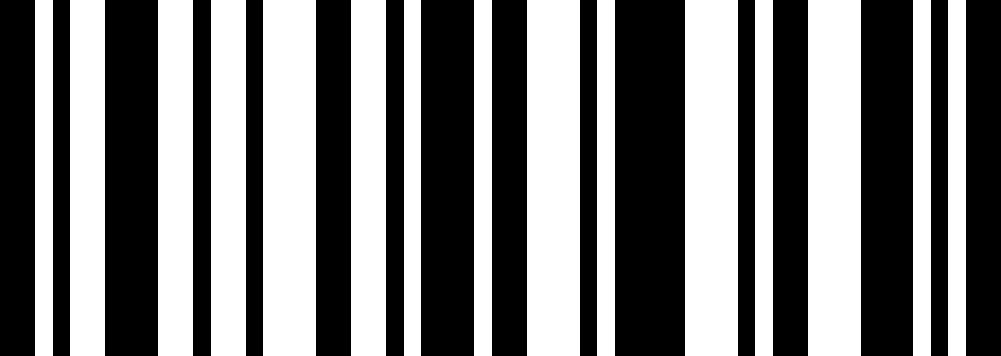

A standard 1D barcode with vertical black bars of varying widths on a white background.

0443

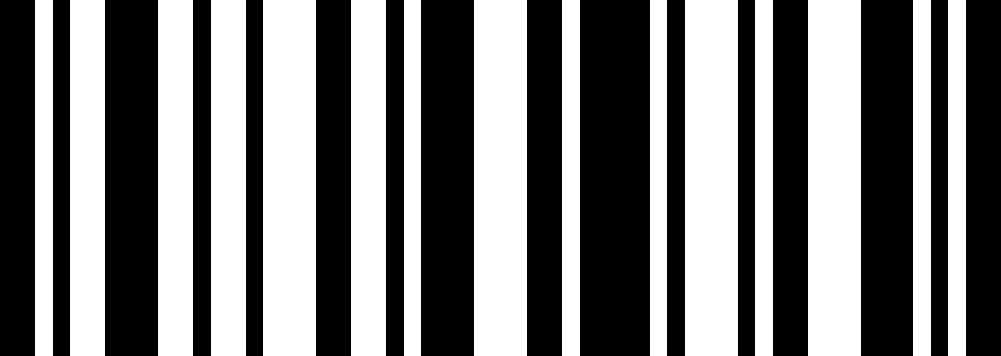

0444

A barcode consisting of vertical black bars of varying widths on a white background. Below the barcode, the numbers 0444 are printed in a black, monospaced font.

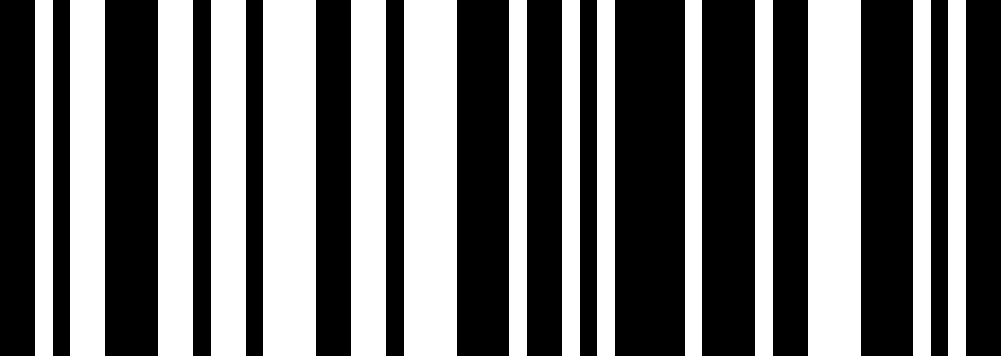

0445

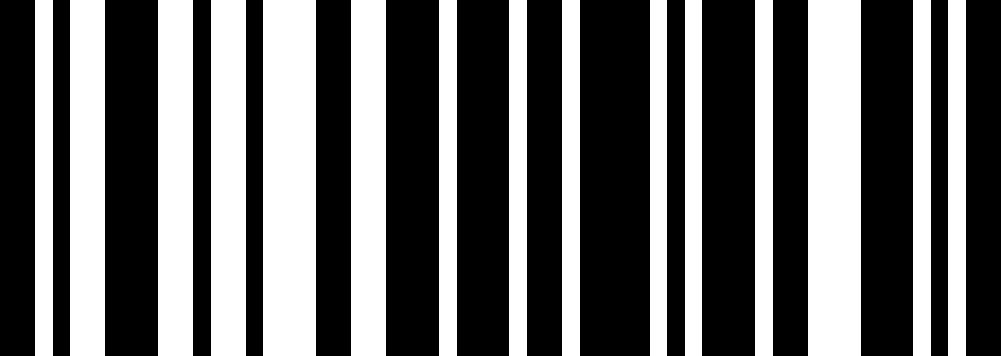

A standard 1D barcode with vertical black bars of varying widths on a white background.

0446

A standard 1D barcode with vertical black bars of varying widths on a white background.

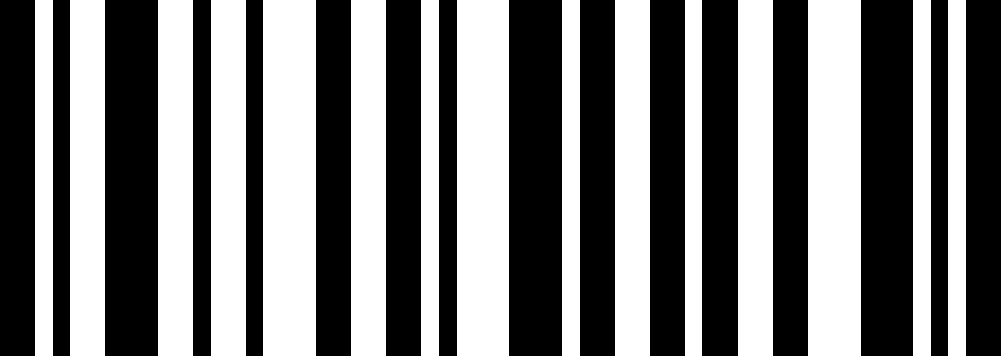

0447

A standard 1D barcode with vertical black bars of varying widths on a white background.

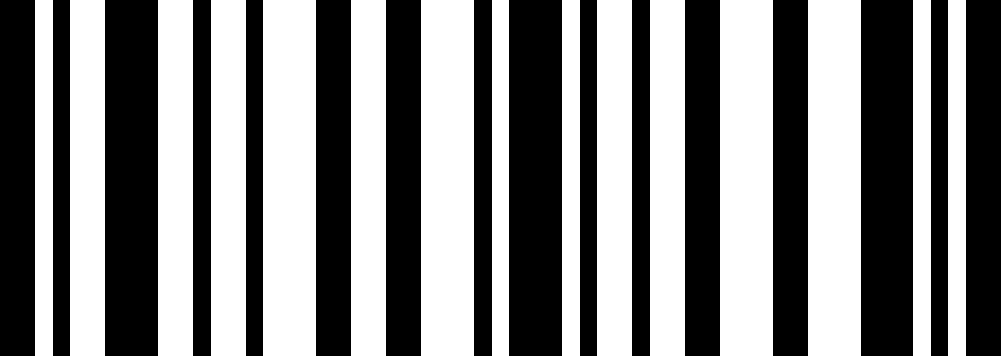

0448

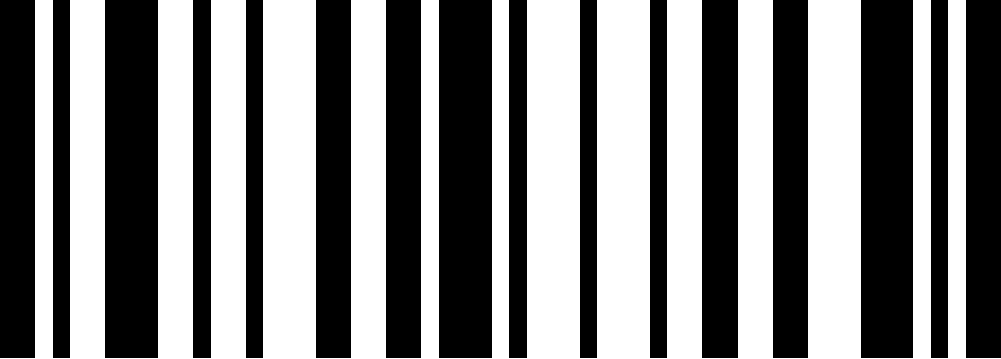

A standard 1D barcode with vertical black bars of varying widths on a white background.

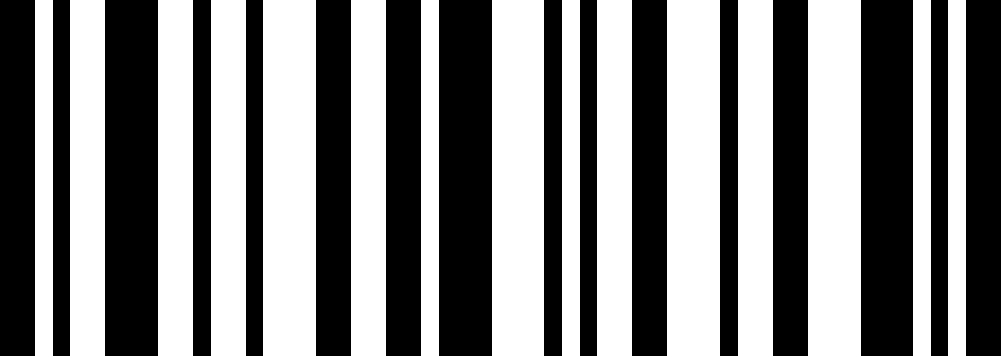

0449

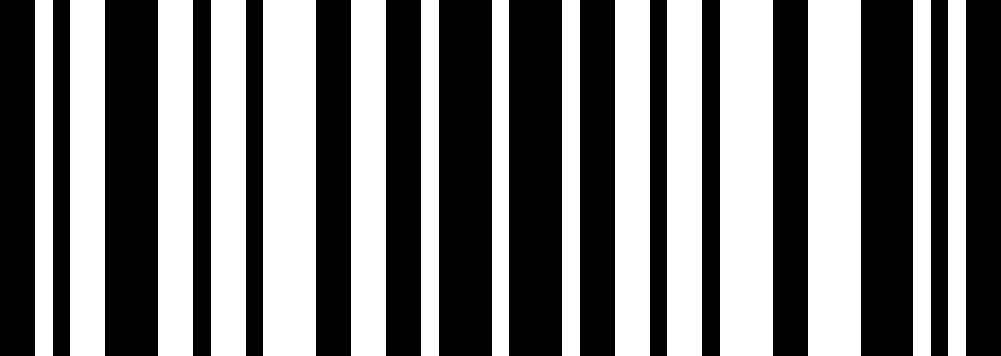

0450

0451

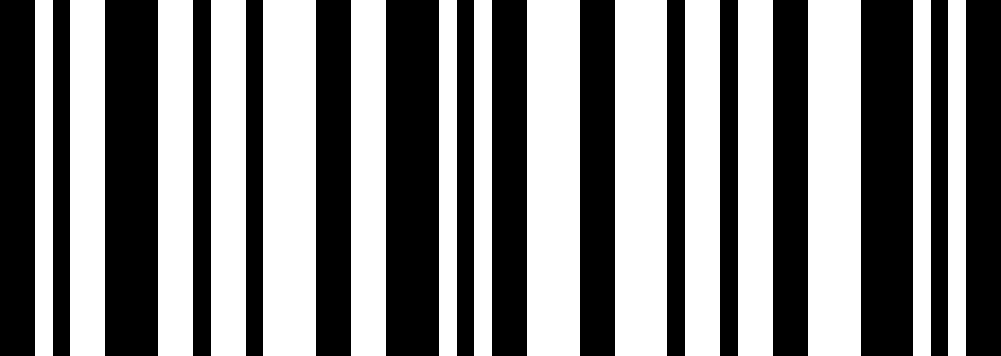

A standard 1D barcode with vertical black bars of varying widths on a white background.

0452

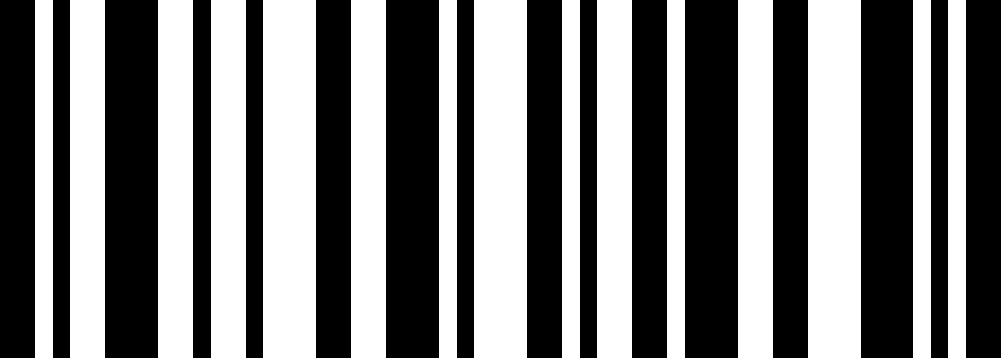

A standard 1D barcode with vertical black bars of varying widths on a white background.

0453

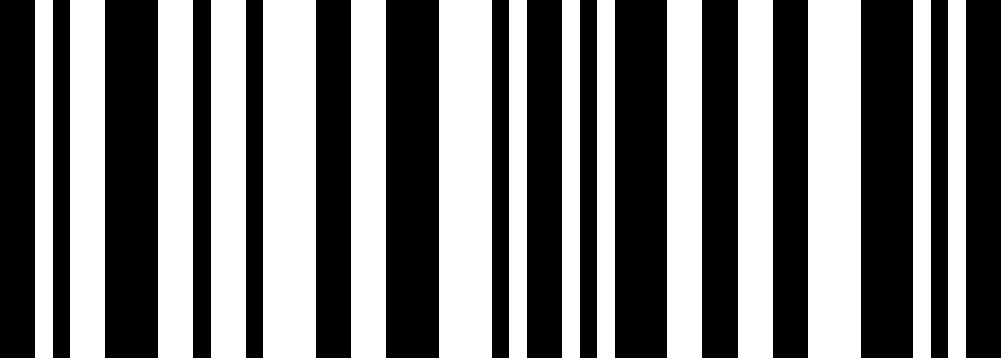

A standard 1D barcode with vertical black bars of varying widths on a white background.

0454

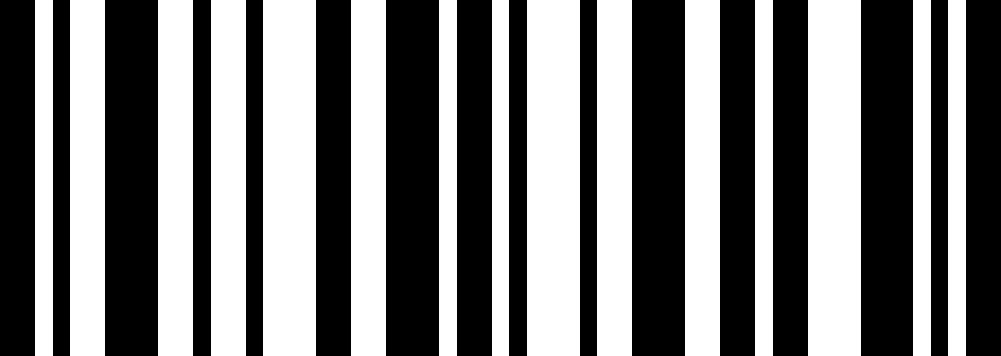

0455

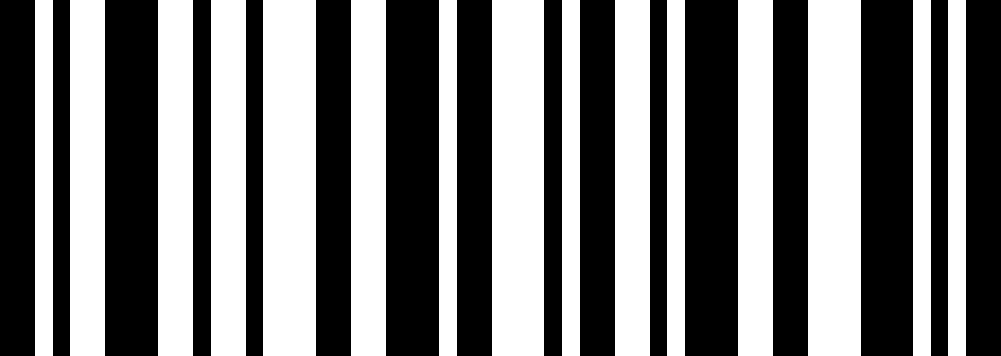

0456

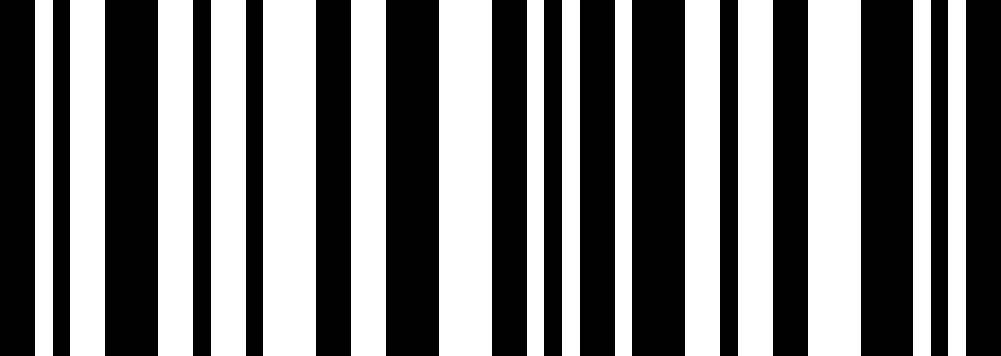

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0457

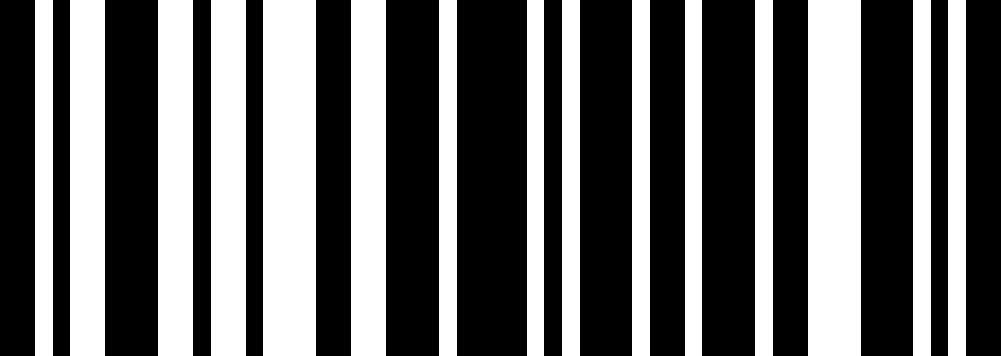

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0458

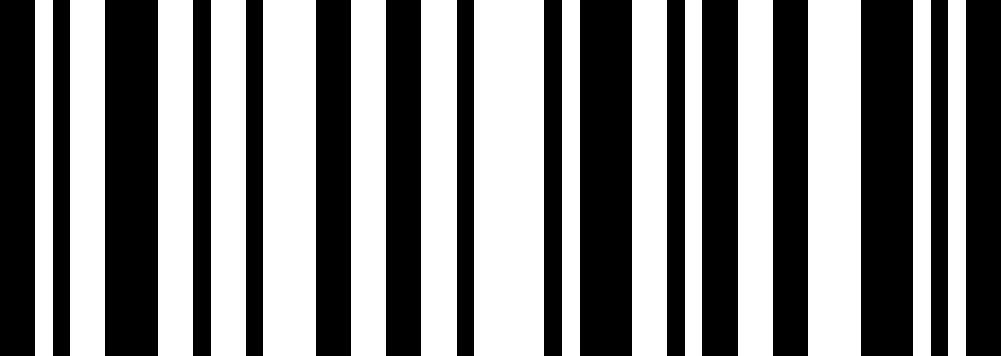

A standard 1D barcode with vertical black bars of varying widths on a white background.

0459

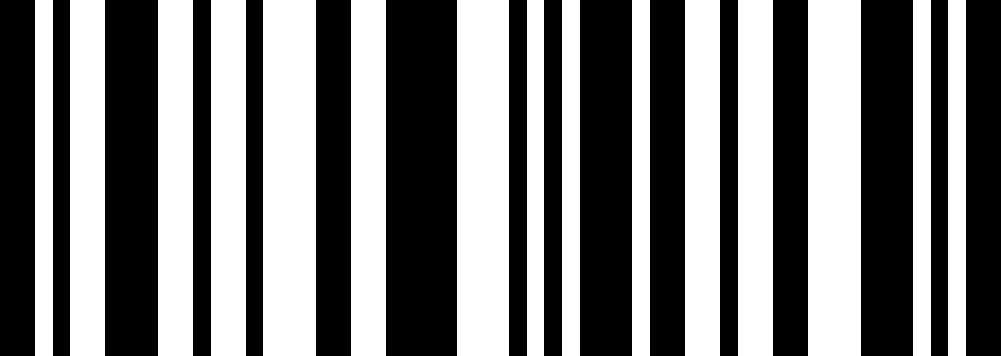

A standard 1D barcode with vertical black bars of varying widths on a white background.

0460

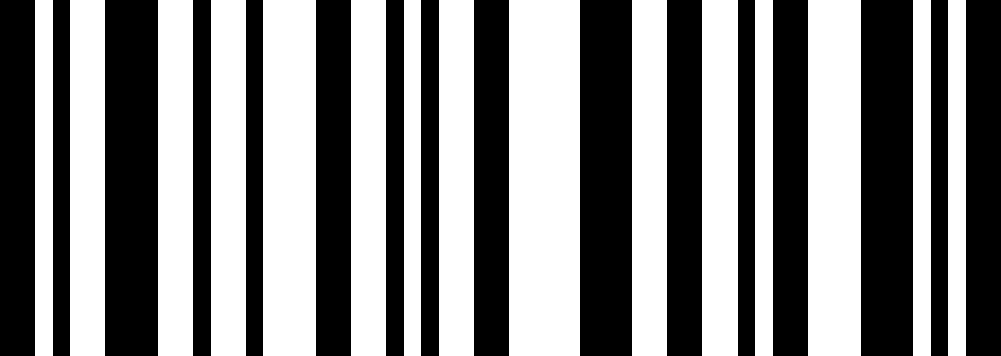

A standard 1D barcode with vertical black bars of varying widths on a white background.

0461

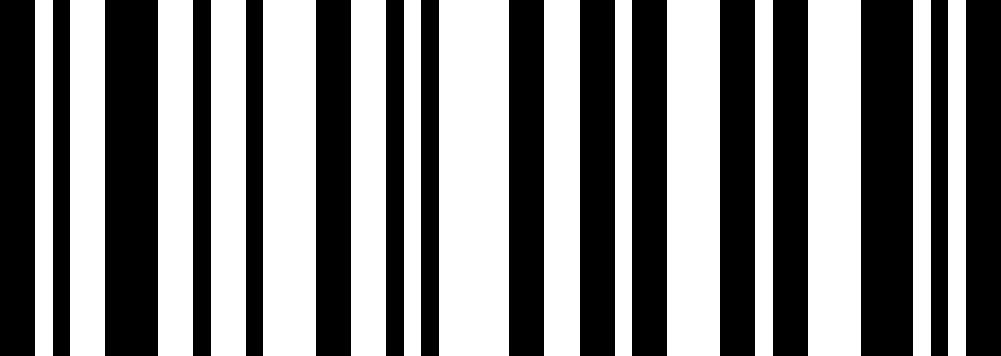

A standard 1D barcode with vertical black bars of varying widths on a white background.

0462

A standard 1D barcode with vertical black bars of varying widths on a white background.

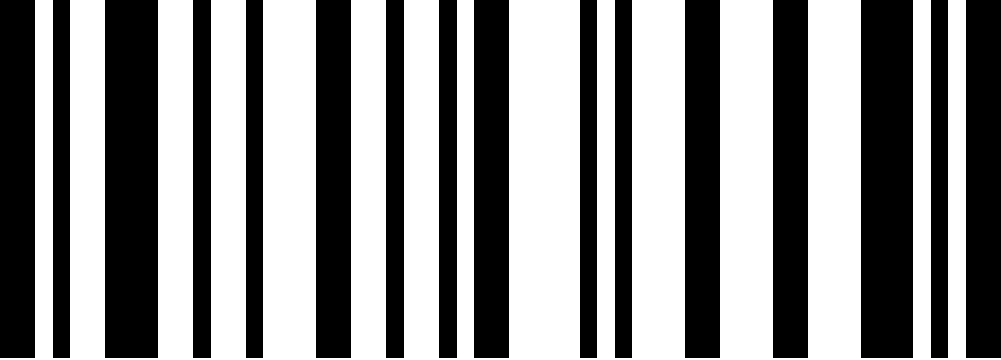

0463

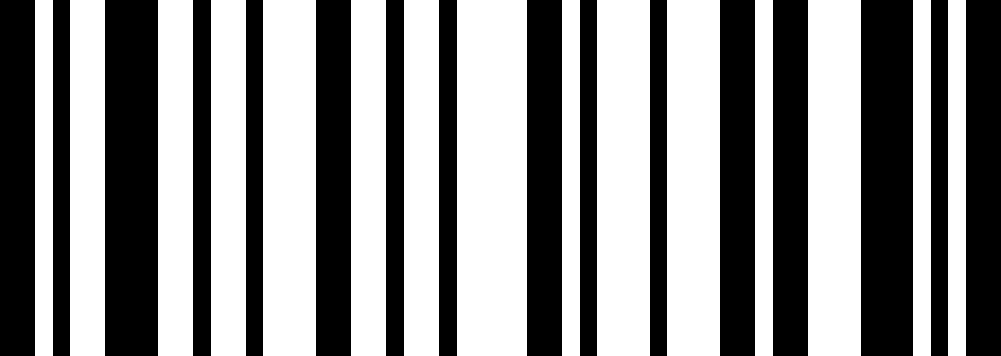

A standard 1D barcode with vertical black bars of varying widths on a white background.

0464

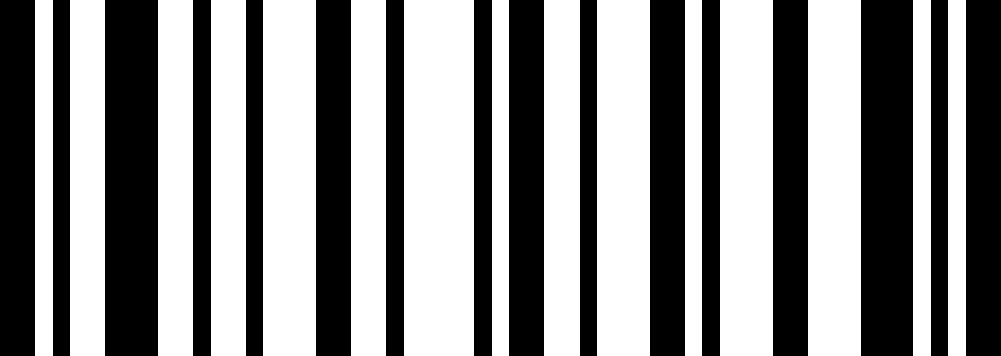

A standard 1D barcode with vertical black bars of varying widths on a white background.

0465

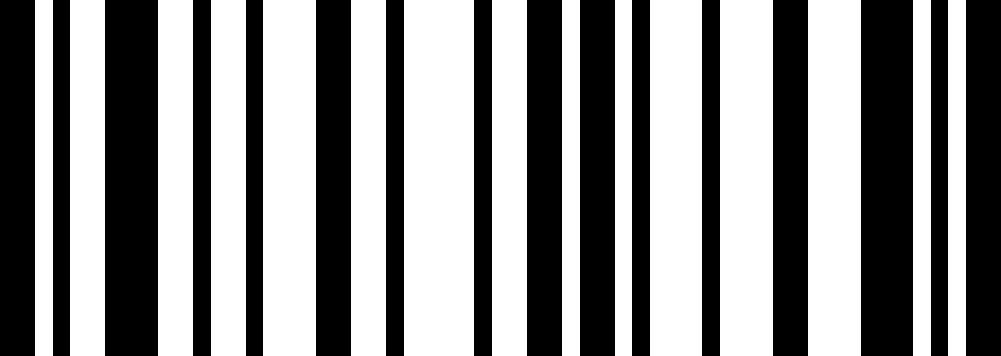

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the number 0466.

0466

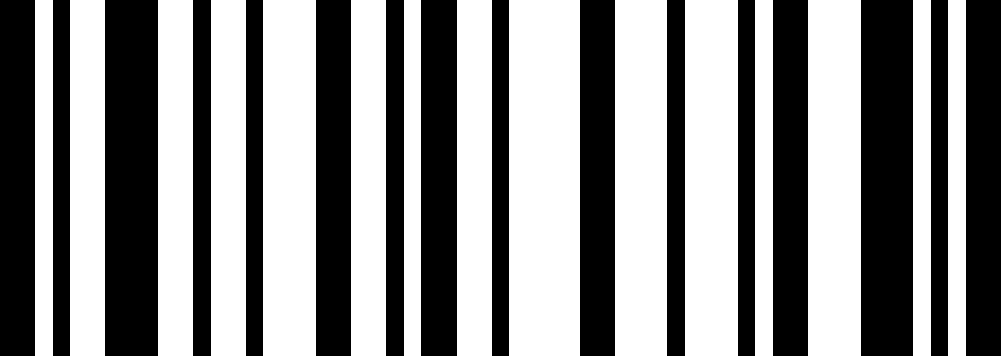

A standard 1D barcode with vertical black bars of varying widths on a white background.

0467

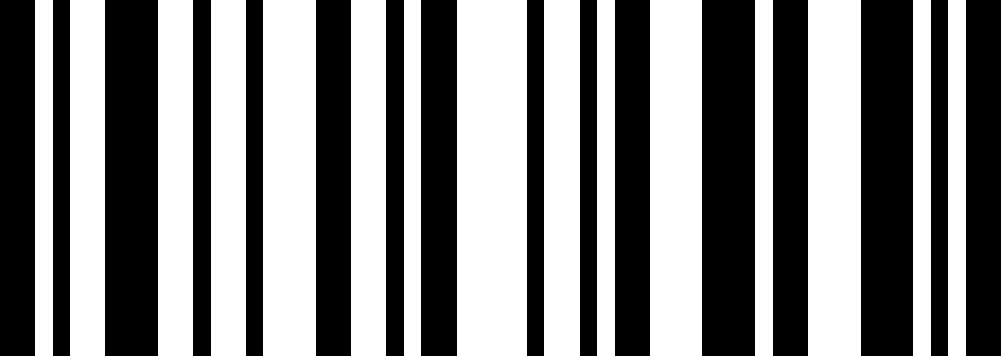

A standard 1D barcode with vertical black bars of varying widths on a white background.

0468

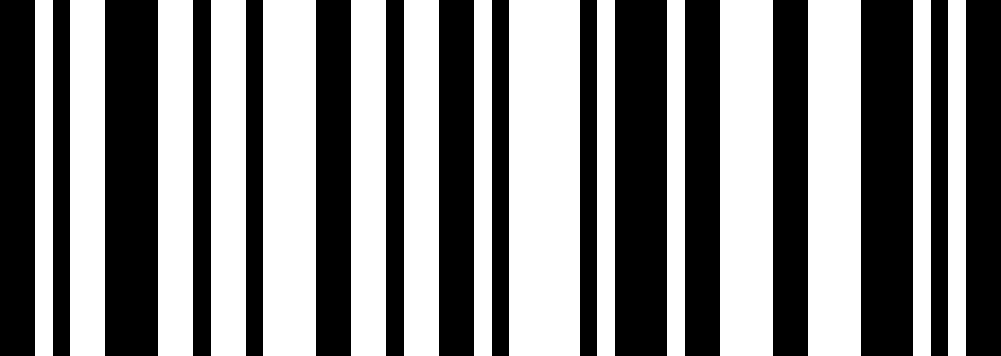

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0469

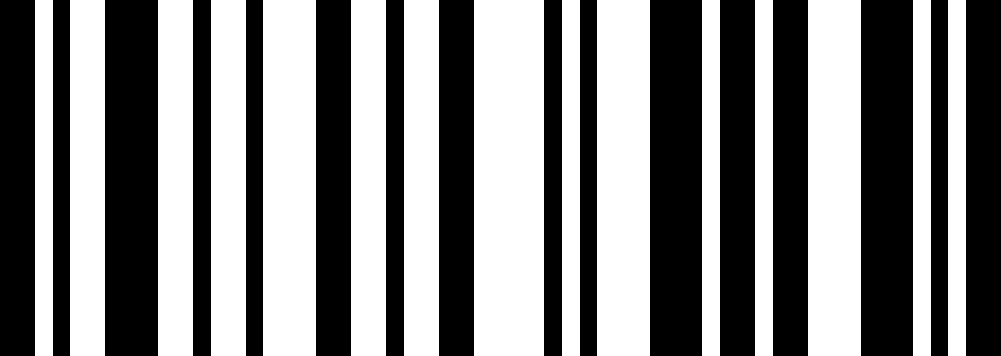

A standard 1D barcode with vertical black bars of varying widths on a white background.

0470

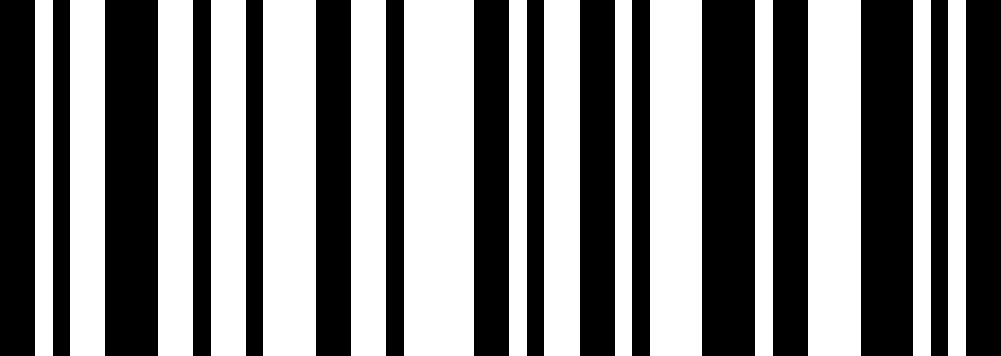

A standard 1D barcode with vertical black bars of varying widths on a white background.

0471

A standard 1D barcode with vertical black bars of varying widths on a white background.

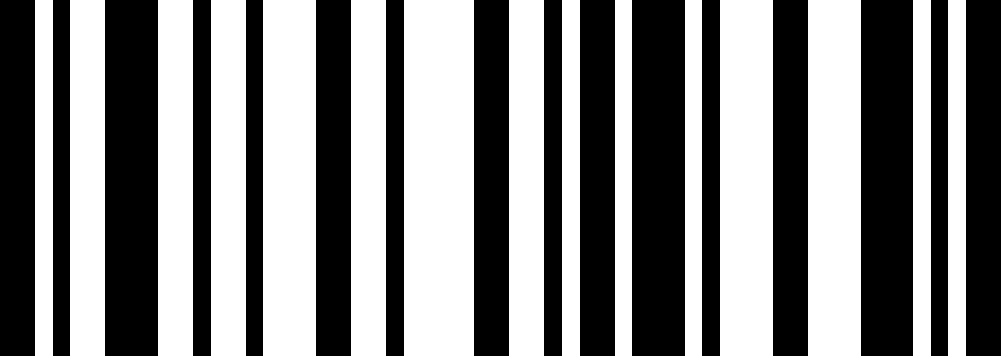

0472

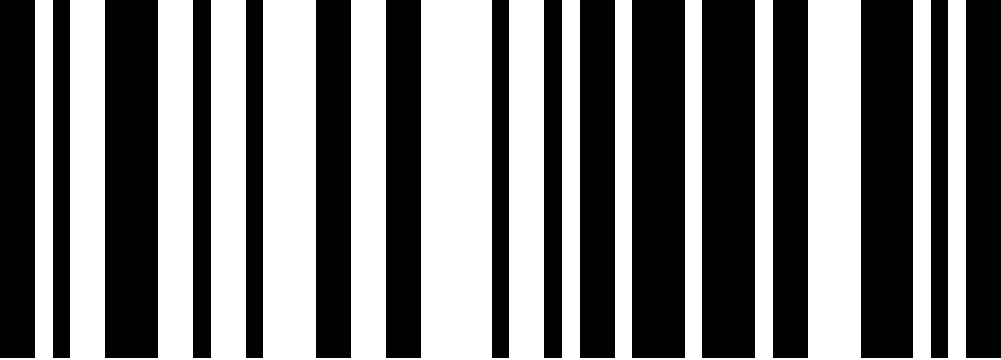

A standard 1D barcode with vertical black bars of varying widths on a white background.

0473

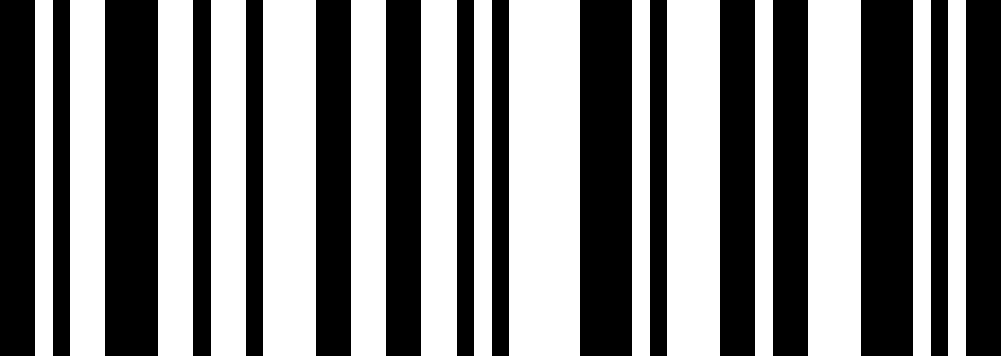

A standard 1D barcode with vertical black bars of varying widths on a white background.

0474

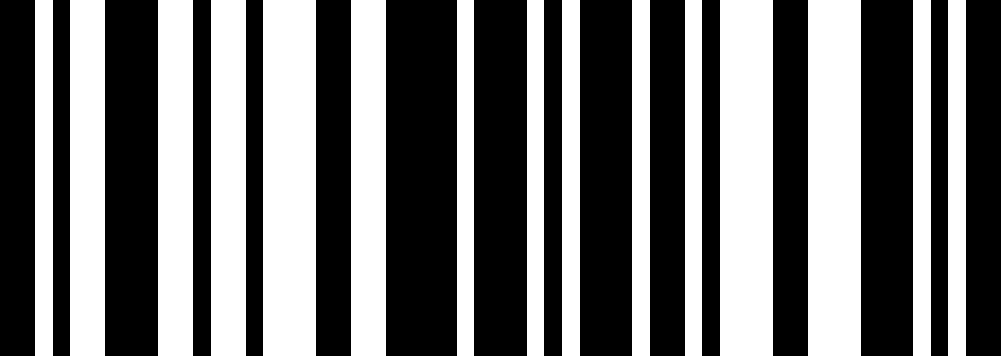

0475

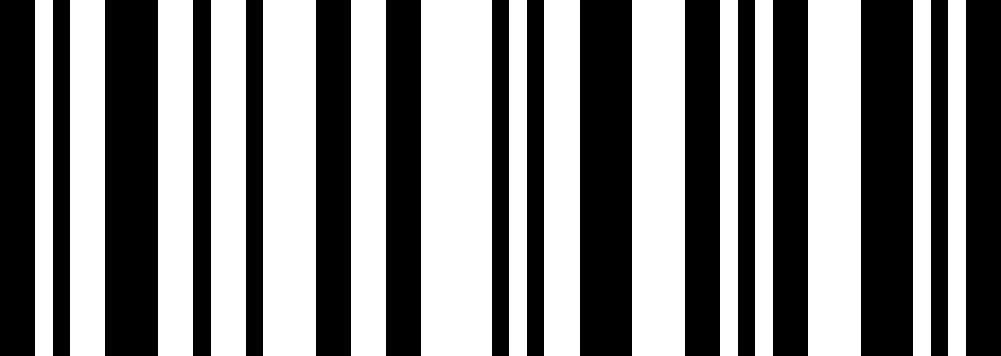

A standard 1D barcode with vertical black bars of varying widths on a white background.

0476

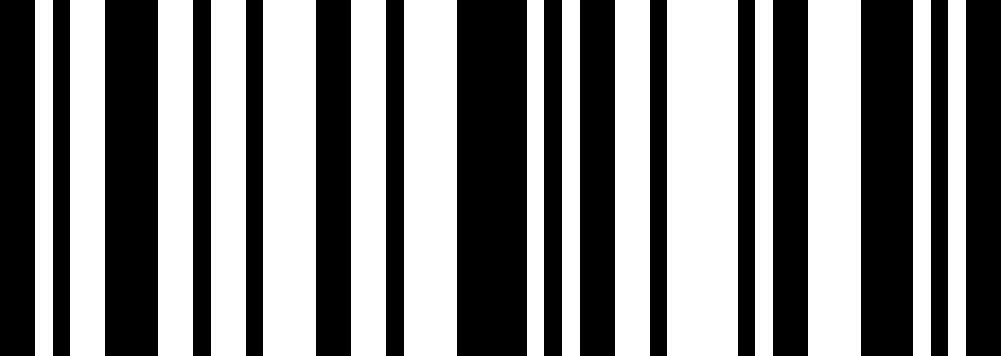

0477

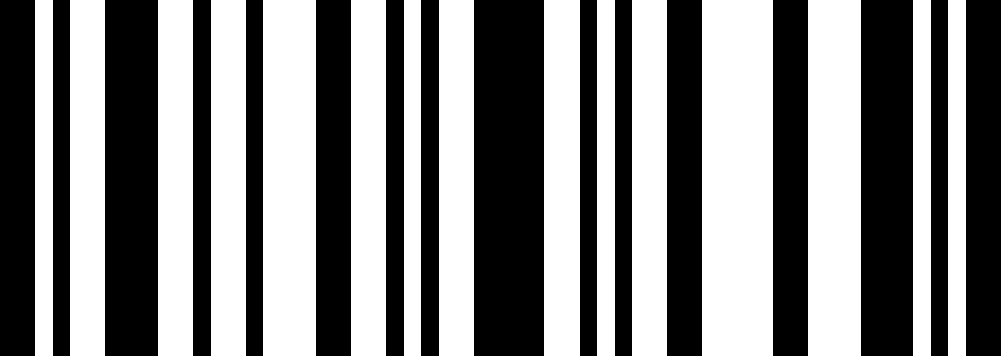

A standard 1D barcode with vertical black bars of varying widths on a white background.

0478

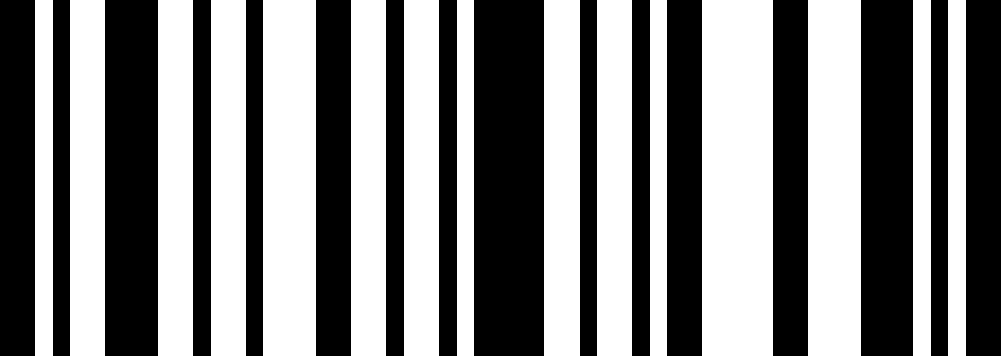

A standard 1D barcode with vertical black bars of varying widths on a white background.

0479

A standard 1D barcode with vertical black bars of varying widths on a white background.

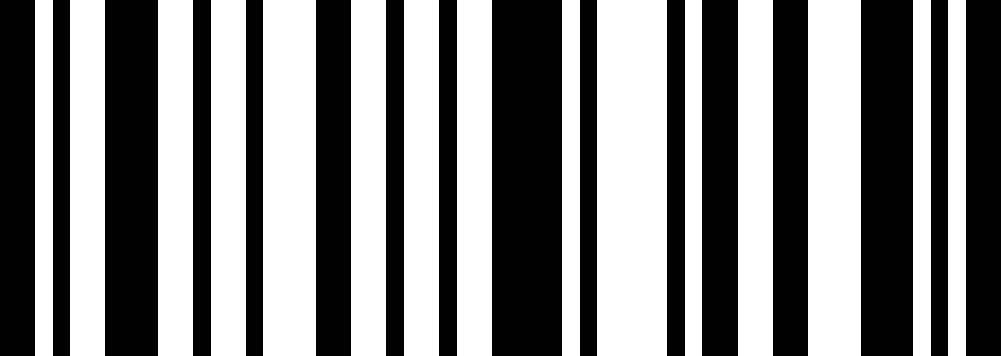

0480

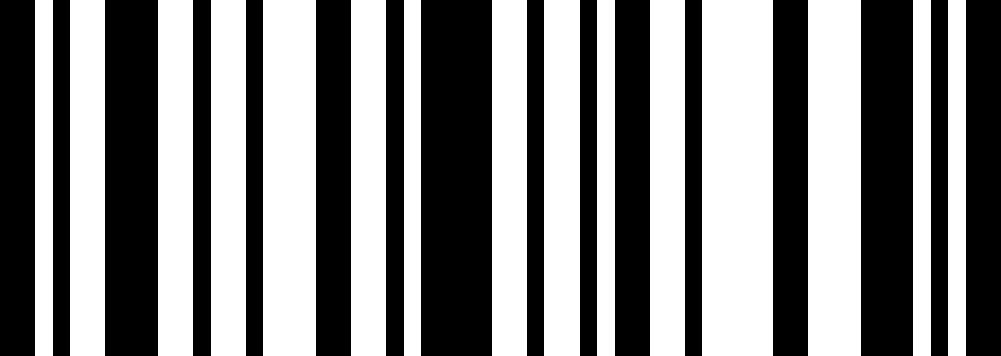

A standard 1D barcode with vertical black bars of varying widths on a white background.

0481

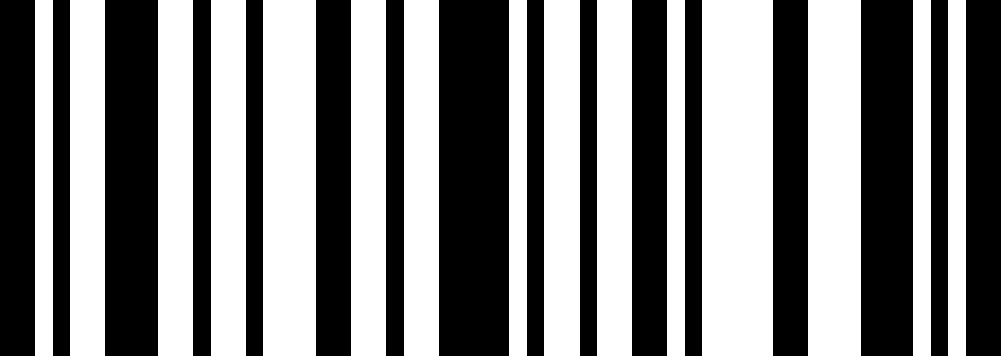

A standard 1D barcode with vertical black bars of varying widths on a white background.

0482

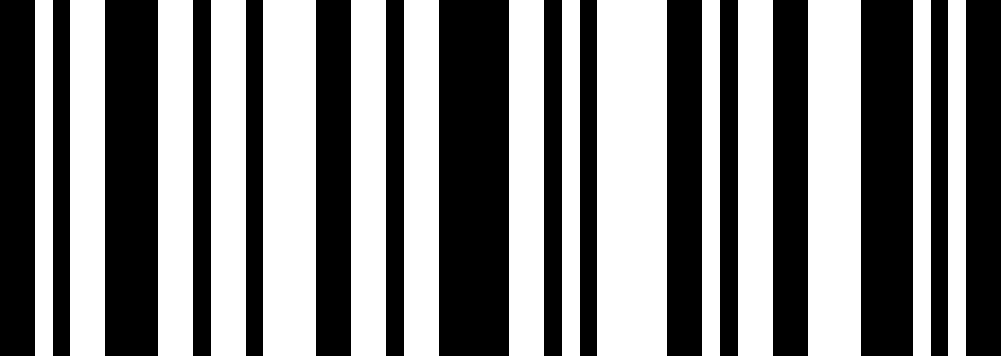

A standard 1D barcode with vertical black bars of varying widths on a white background.

0483

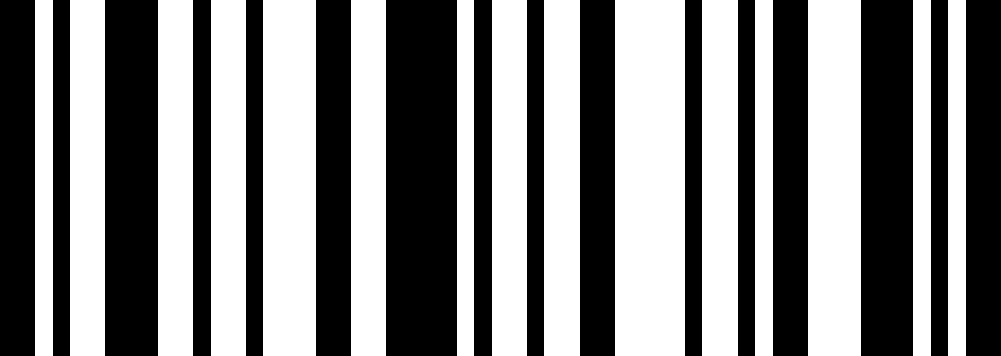

A standard 1D barcode with vertical black bars of varying widths on a white background.

0484

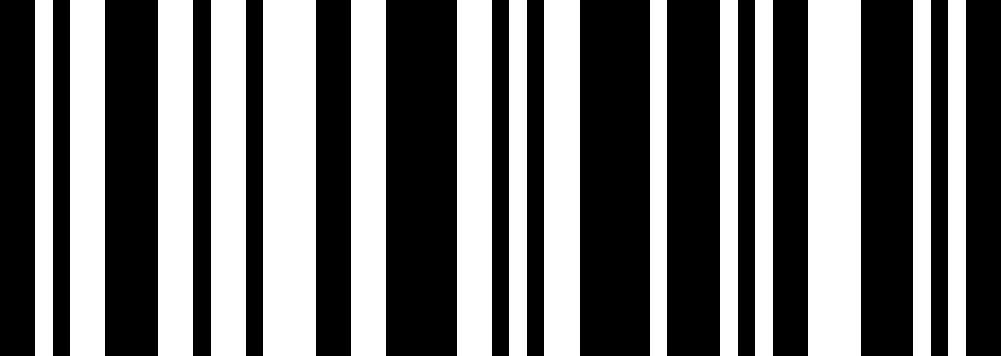

A standard 1D barcode with vertical black bars of varying widths on a white background.

0485

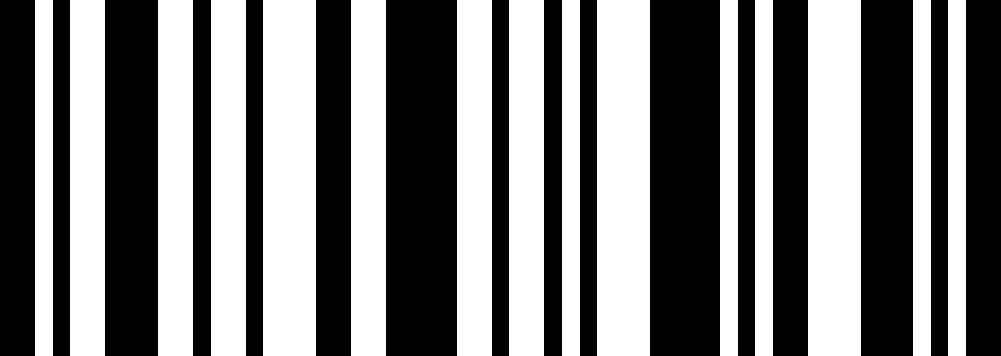

A standard 1D barcode with vertical black bars of varying widths on a white background.

0486

A standard 1D barcode with vertical black bars of varying widths on a white background.

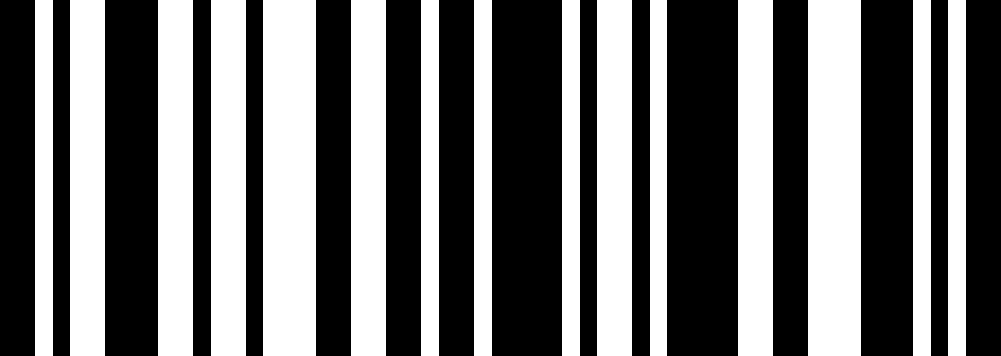

0487

A standard 1D barcode with vertical black bars of varying widths on a white background.

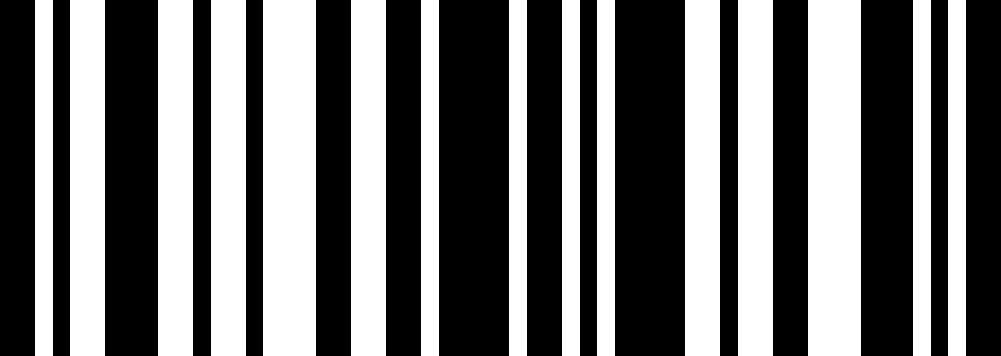

0488

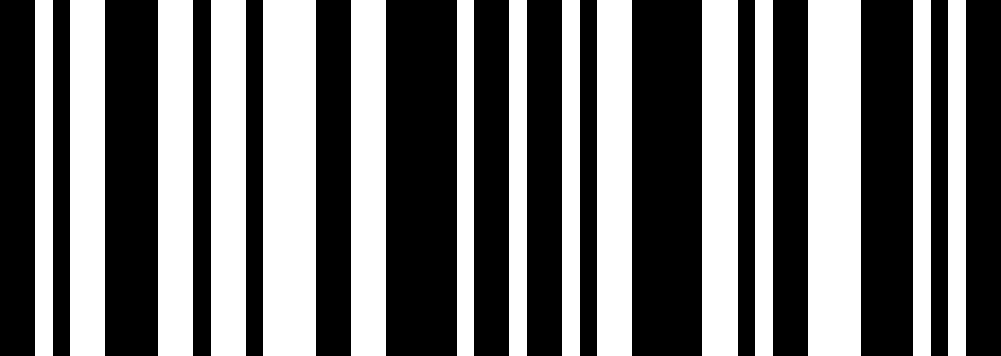

A standard 1D barcode with vertical black bars of varying widths on a white background.

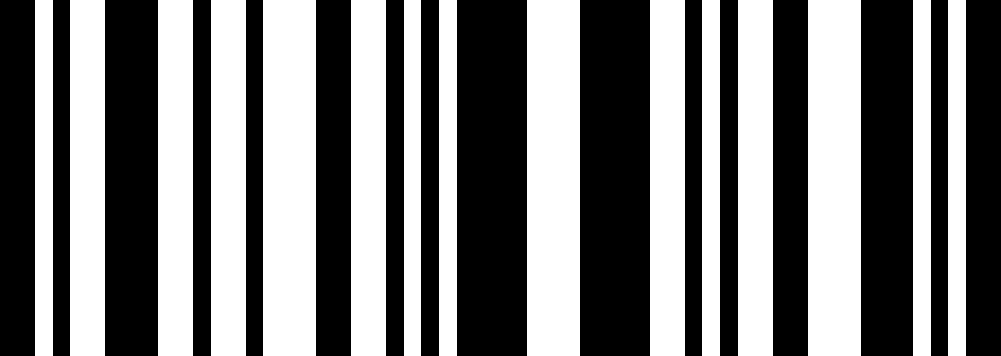

0489

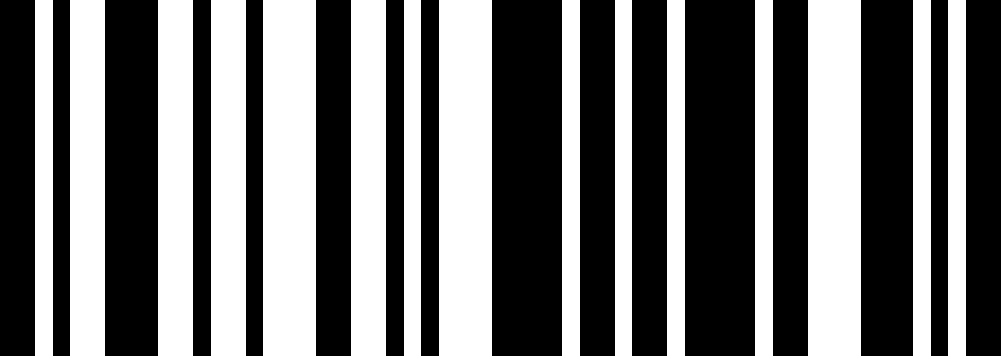

0490

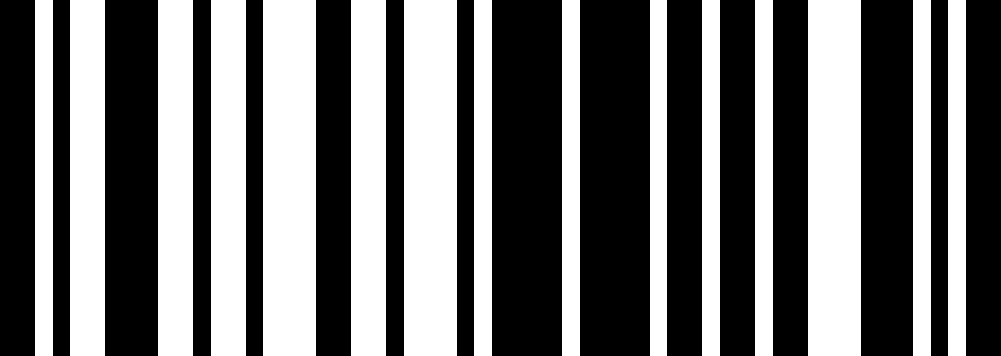

0491

0492

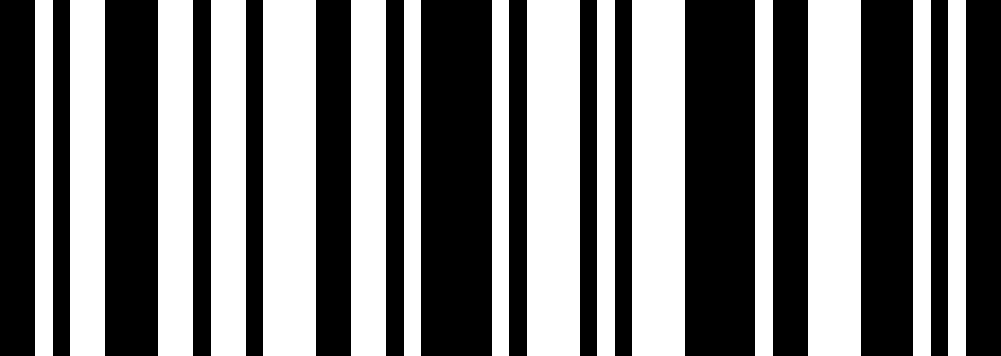

0493

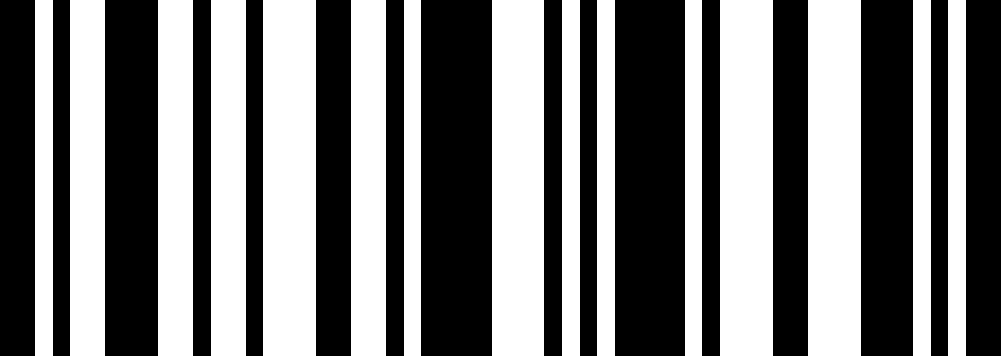

A standard 1D barcode with vertical black bars of varying widths on a white background.

0494

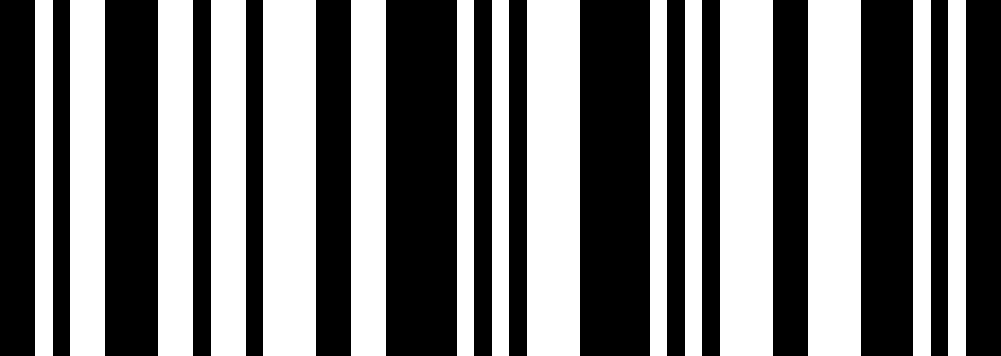

0495

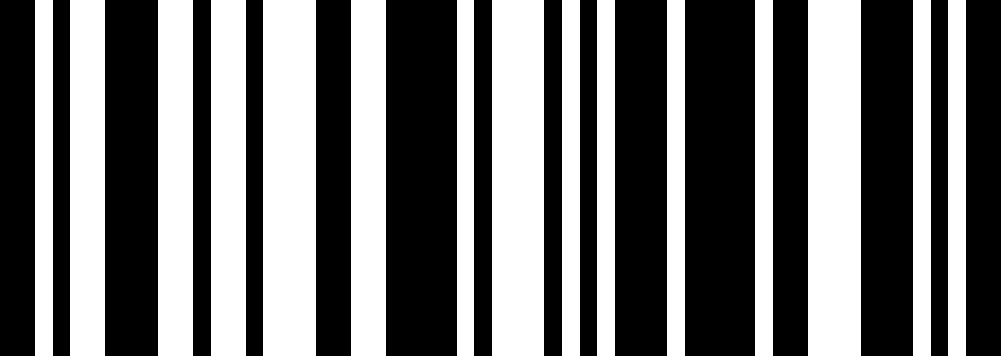

A standard 1D barcode with vertical black bars of varying widths on a white background.

0496

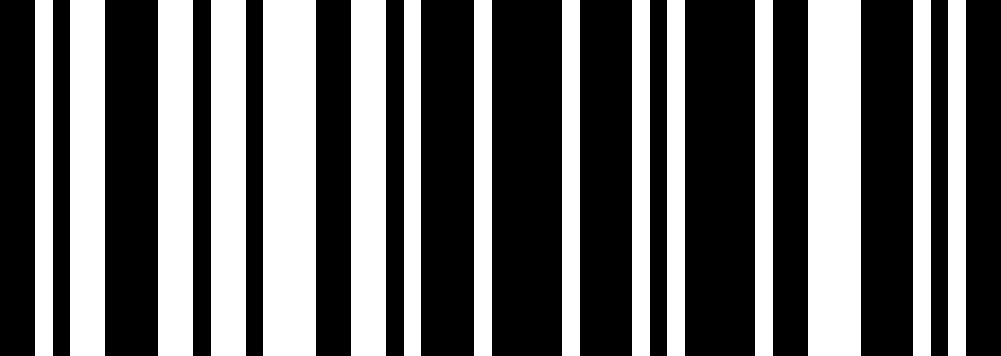

A standard 1D barcode with vertical black bars of varying widths on a white background.

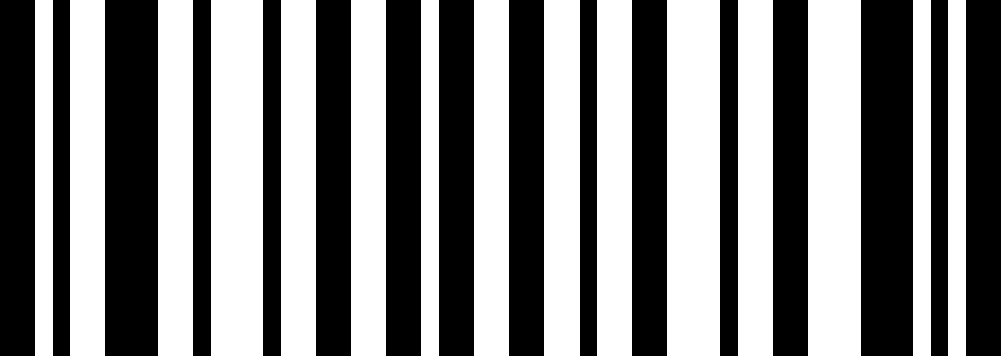

0497

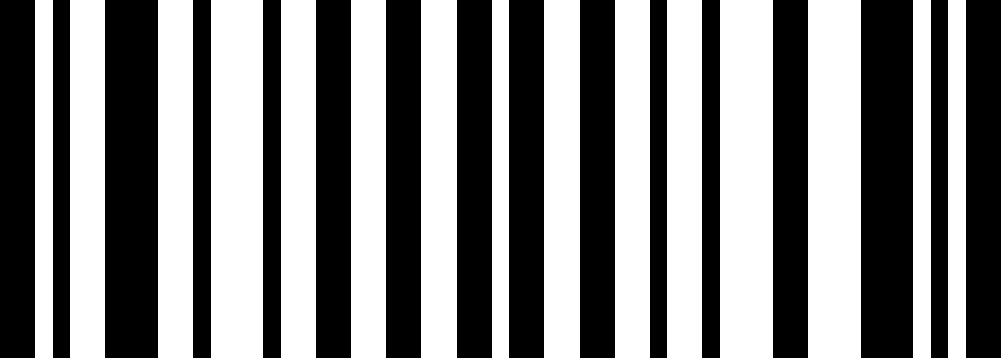

0498

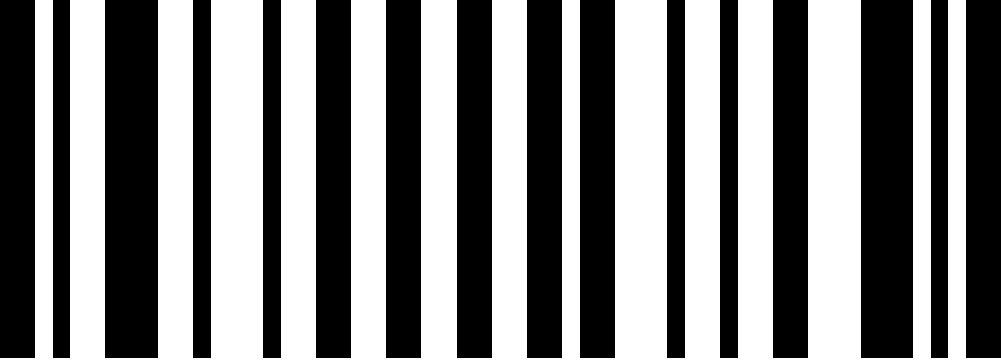

0499

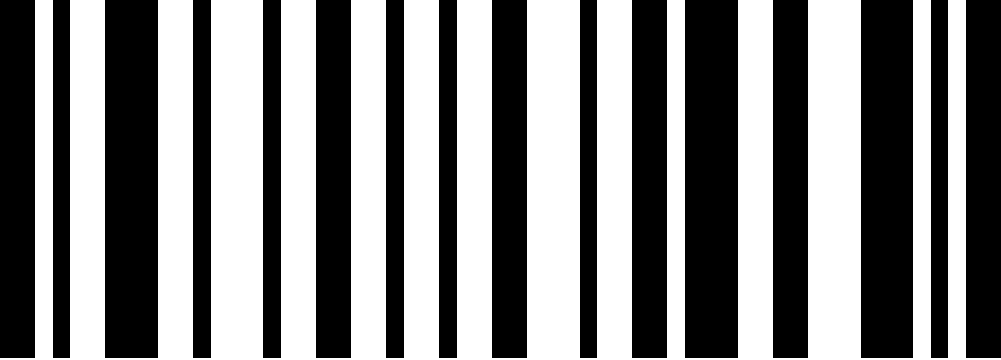

0500

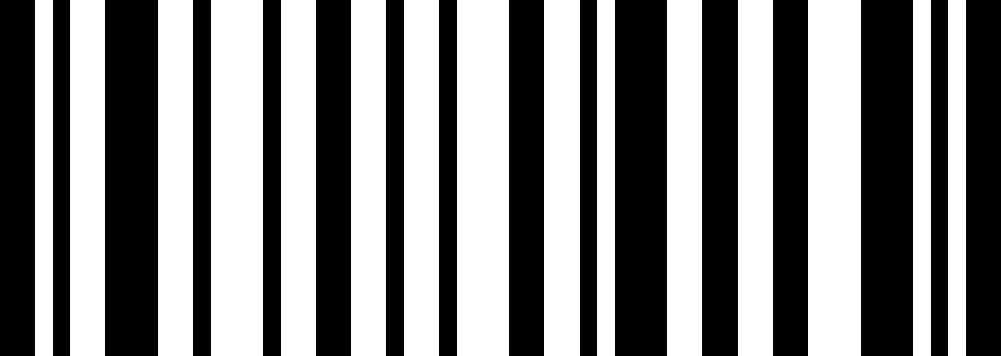

0501

A standard 1D barcode with vertical black bars of varying widths on a white background.

0502

A standard 1D barcode with vertical black bars of varying widths on a white background.

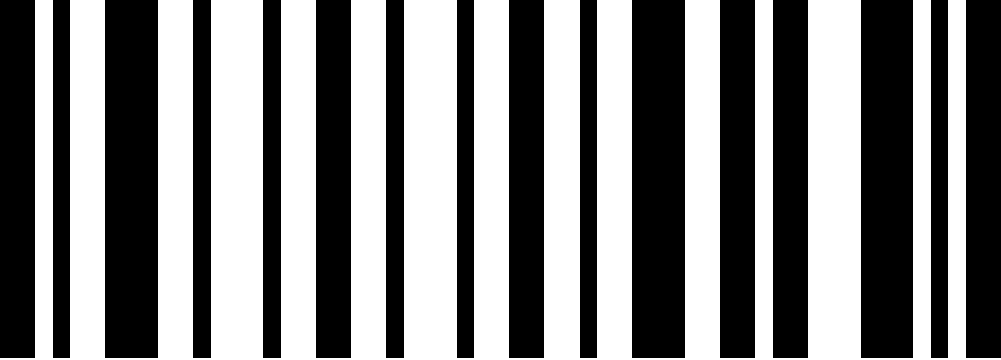

0503

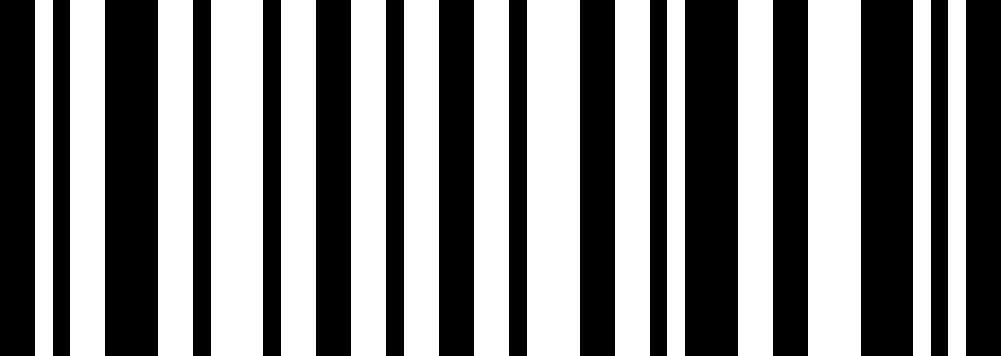

A standard 1D barcode with vertical black bars of varying widths on a white background.

0504

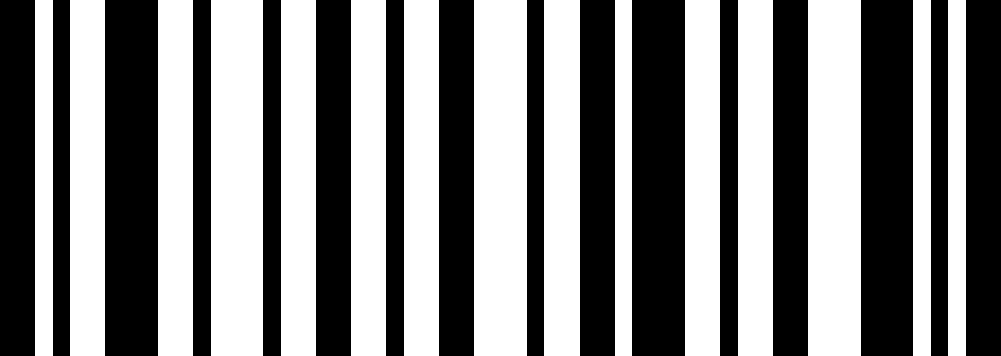

A standard 1D barcode with vertical black bars of varying widths on a white background.

0505

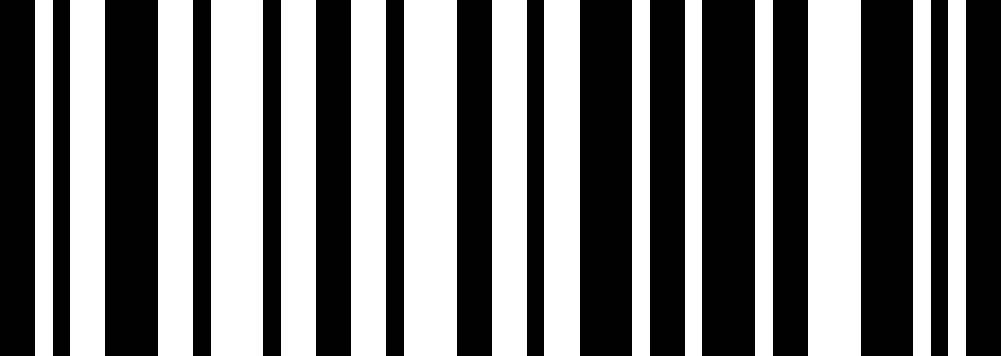

A standard 1D barcode with vertical black bars of varying widths on a white background.

0506

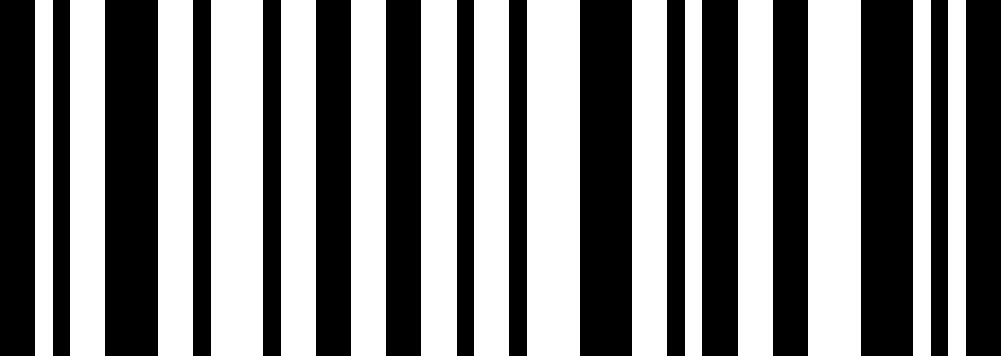

0507

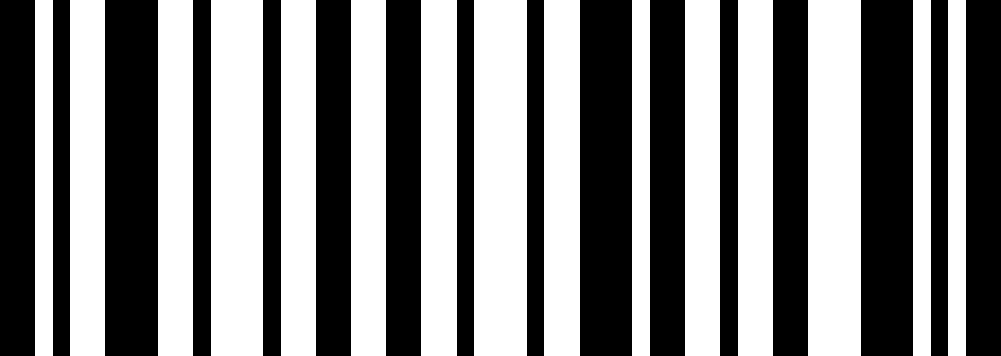

A standard 1D barcode with vertical black bars of varying widths on a white background.

0508

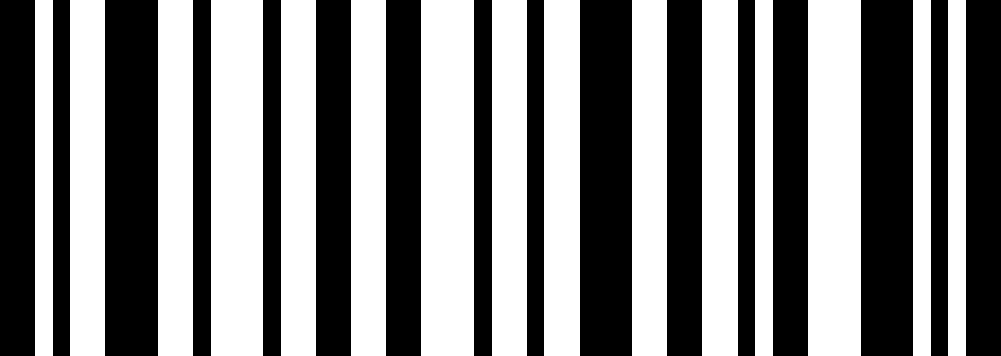

0509

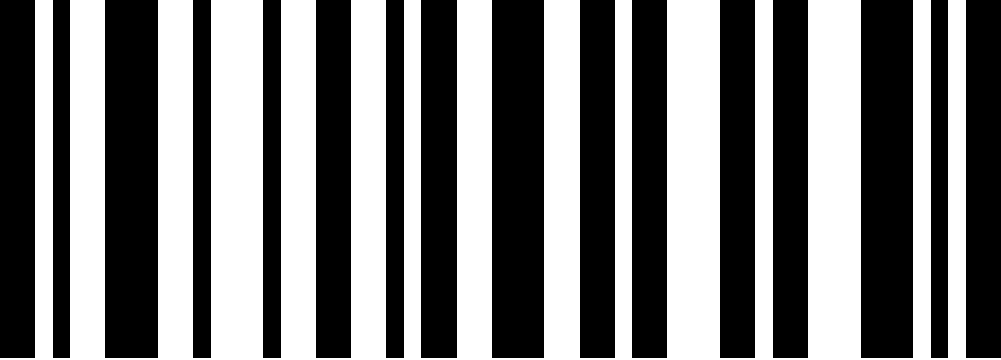

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0510

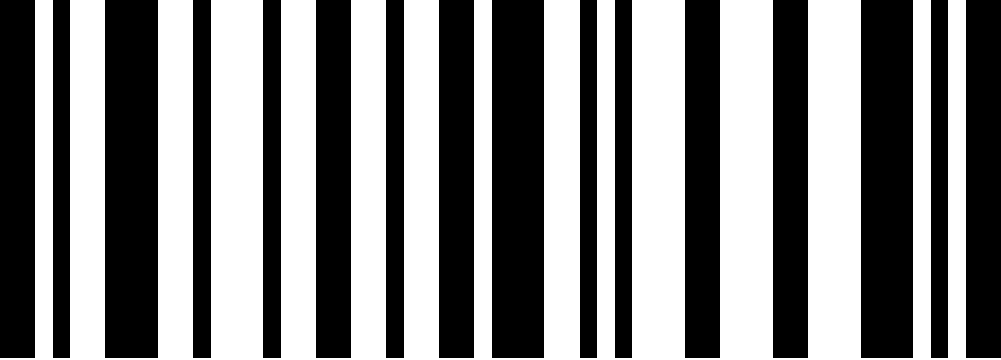

0511

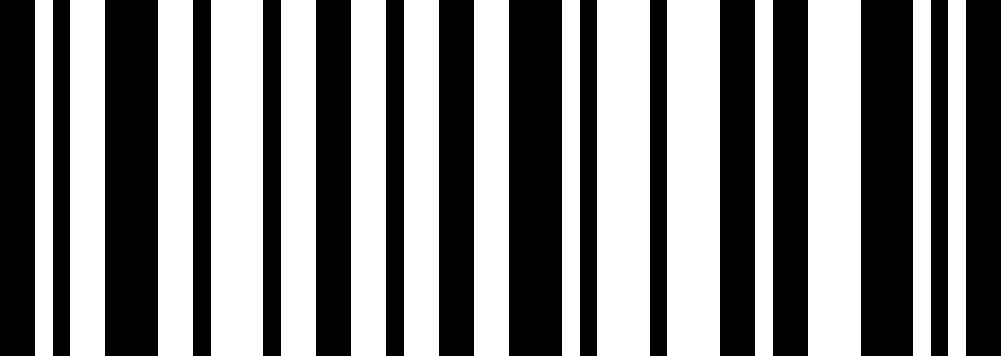

A standard 1D barcode with vertical black bars of varying widths on a white background.

0512

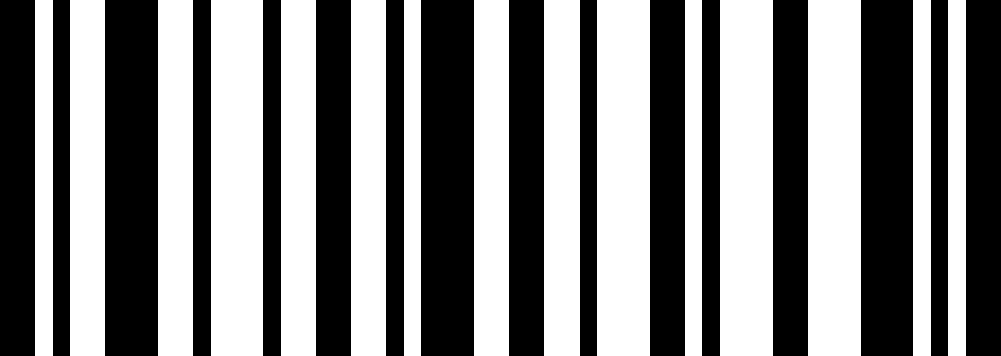

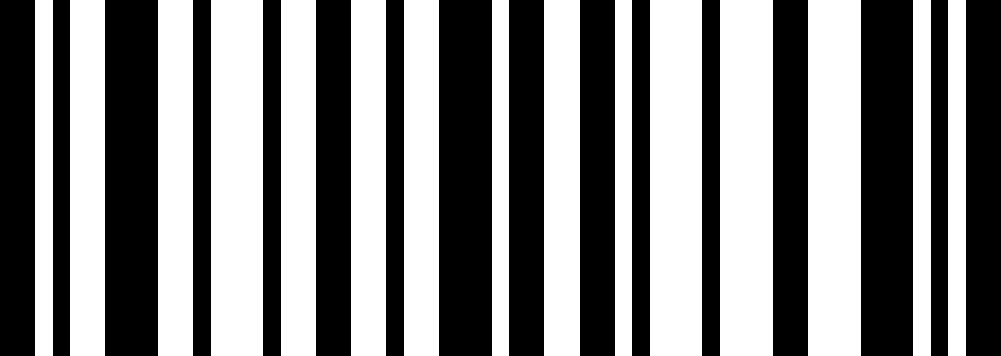

0513

0514

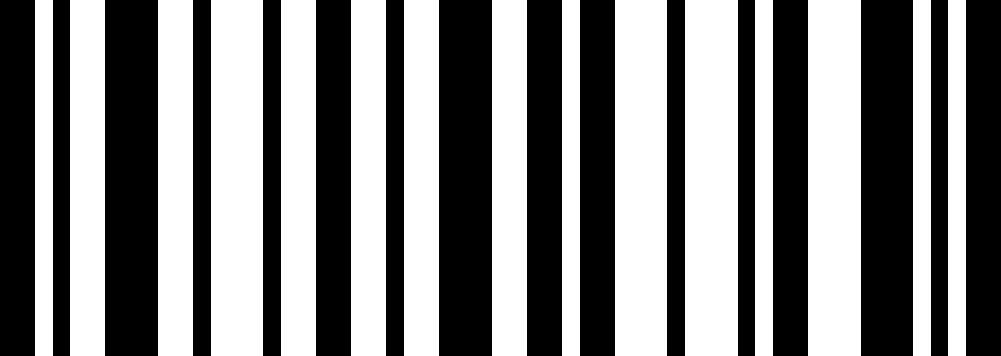

0515

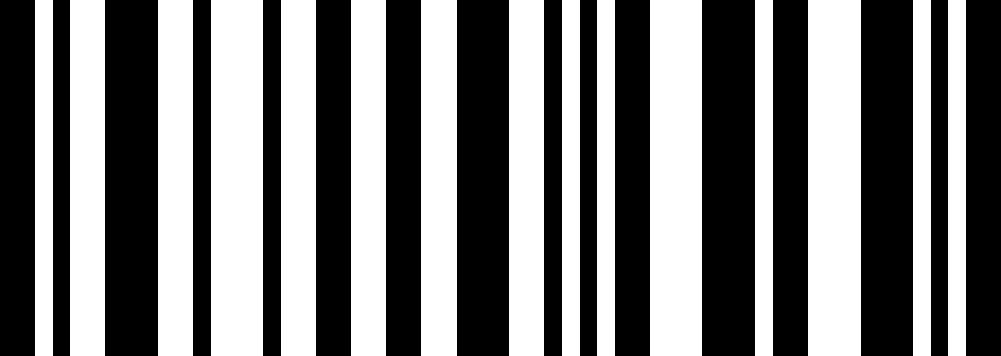

A standard 1D barcode with vertical black bars of varying widths on a white background.

0516

A standard 1D barcode with vertical black bars of varying widths on a white background.

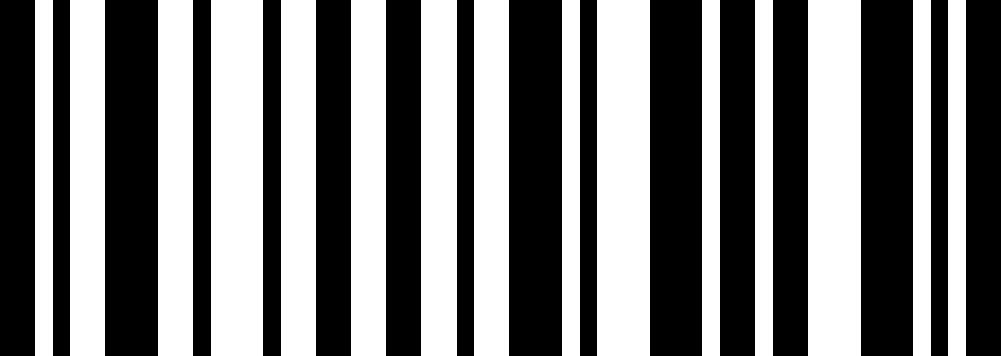

0517

0518

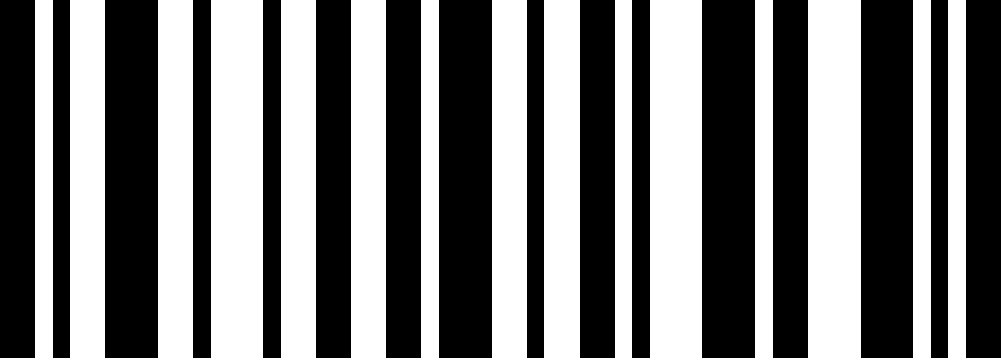

0519

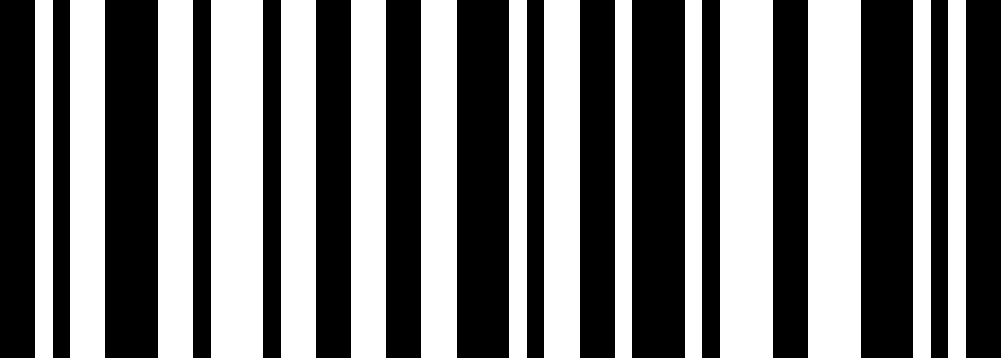

0520

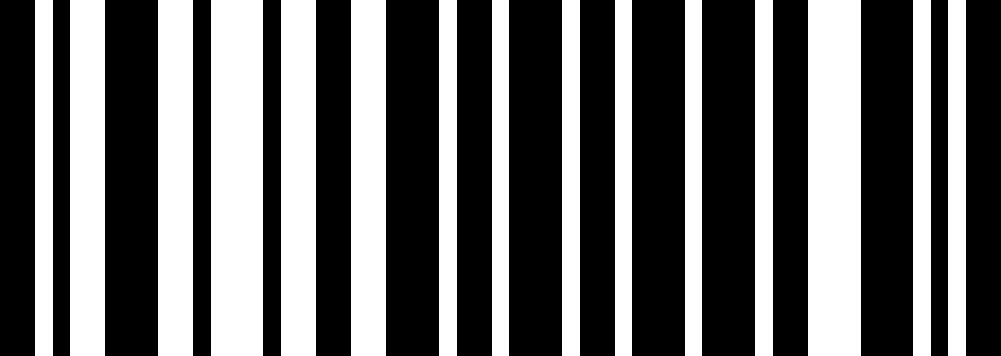

0521

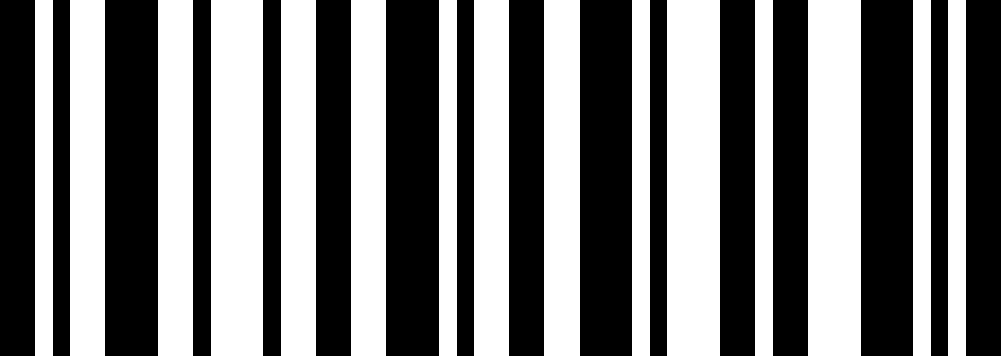

0522

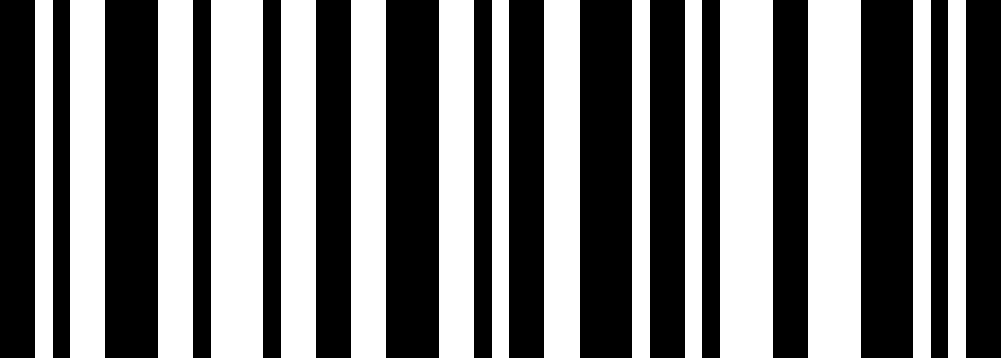

A standard 1D barcode with vertical black bars of varying widths on a white background.

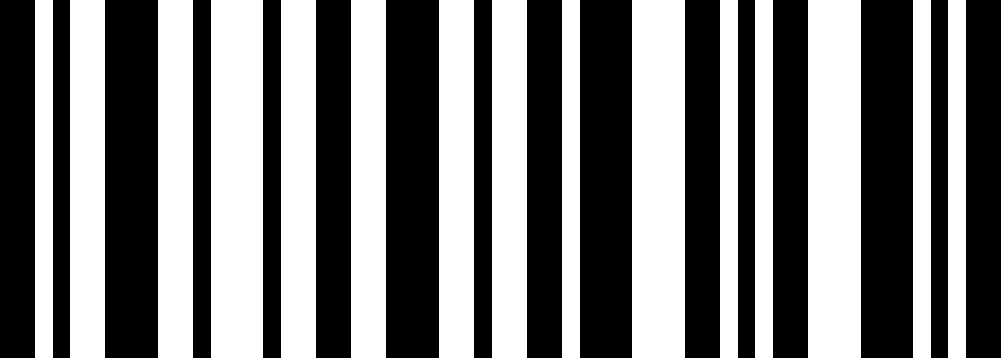

0523

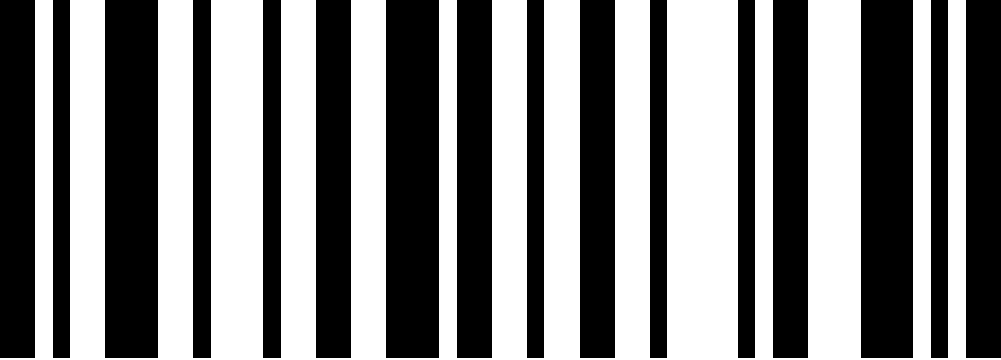

0524

A standard 1D barcode with vertical black bars of varying widths on a white background.

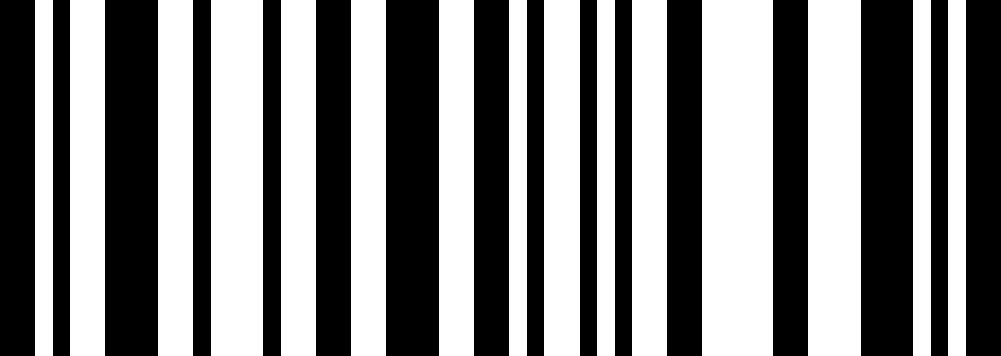

0525

0526

A standard 1D barcode with vertical black bars of varying widths on a white background.

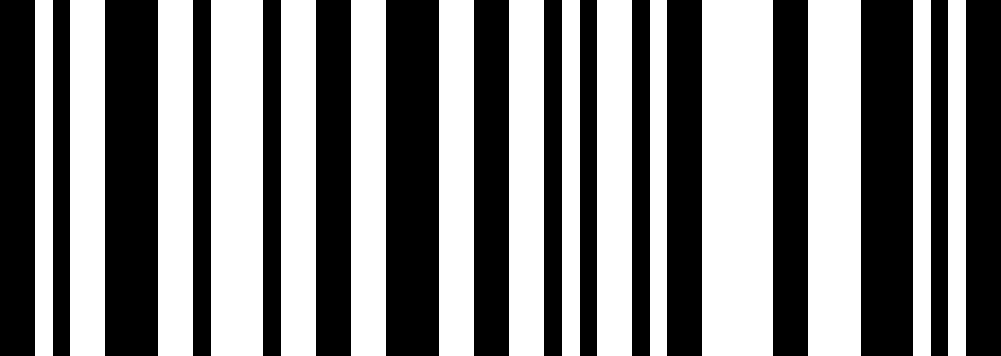

0527

A standard 1D barcode with vertical black bars of varying widths on a white background.

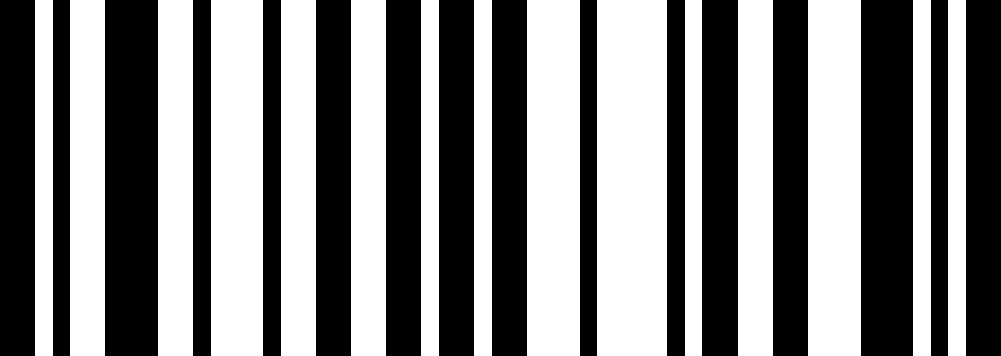

0528

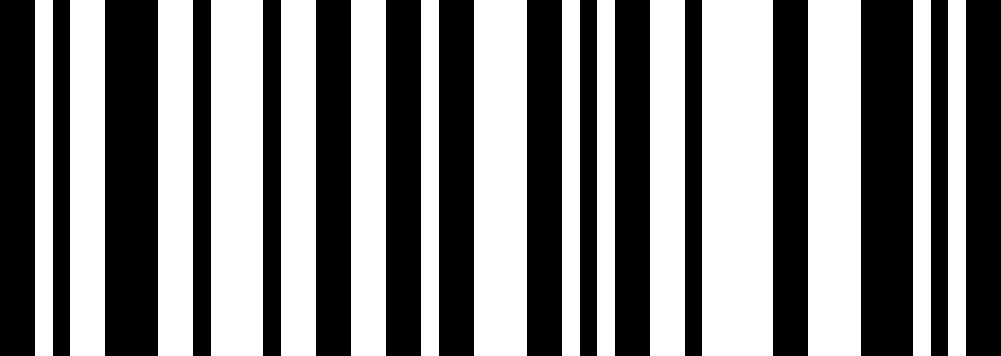

A standard 1D barcode with vertical black bars of varying widths on a white background.

0529

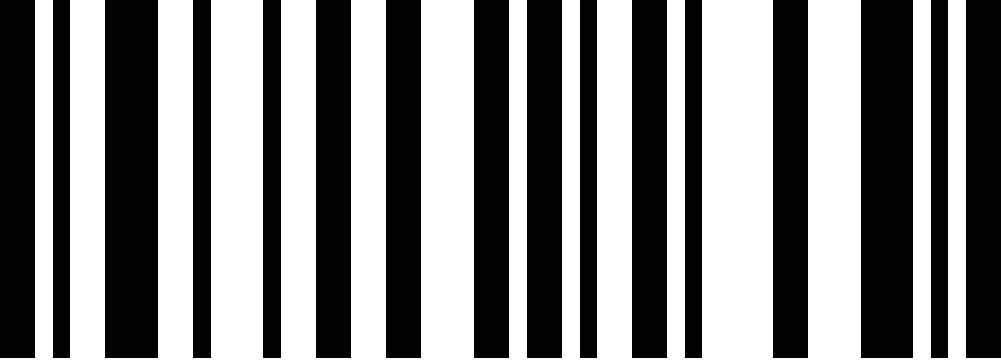

0530

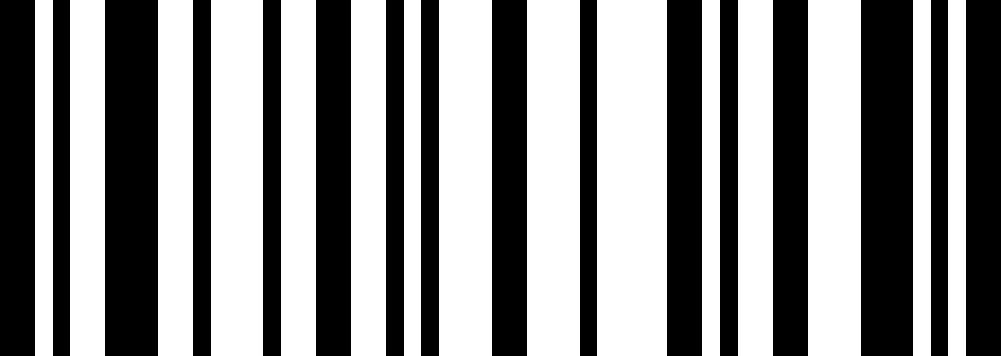

A standard 1D barcode with vertical black bars of varying widths on a white background.

0531

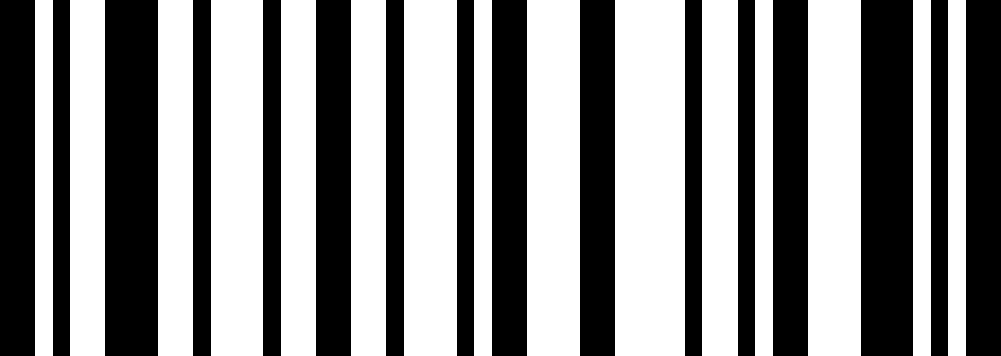

A standard 1D barcode with vertical black bars of varying widths on a white background.

0532

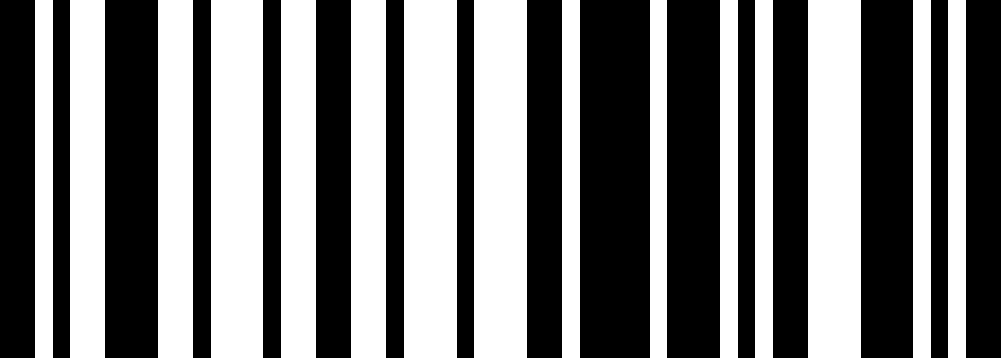

A standard 1D barcode with vertical black bars of varying widths on a white background.

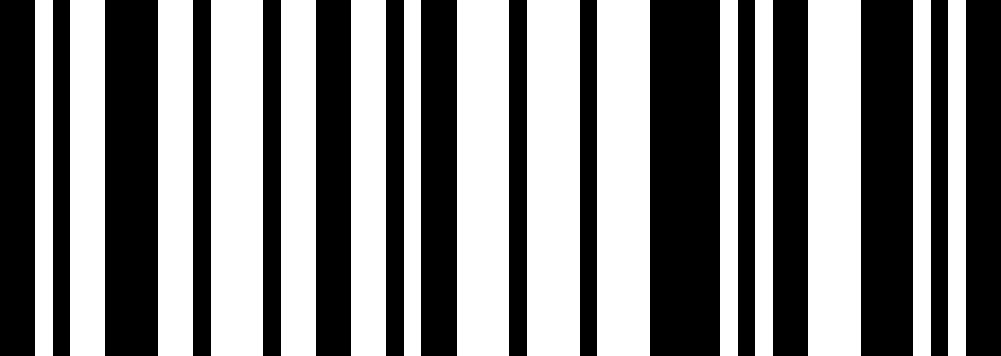

0533

0534

0535

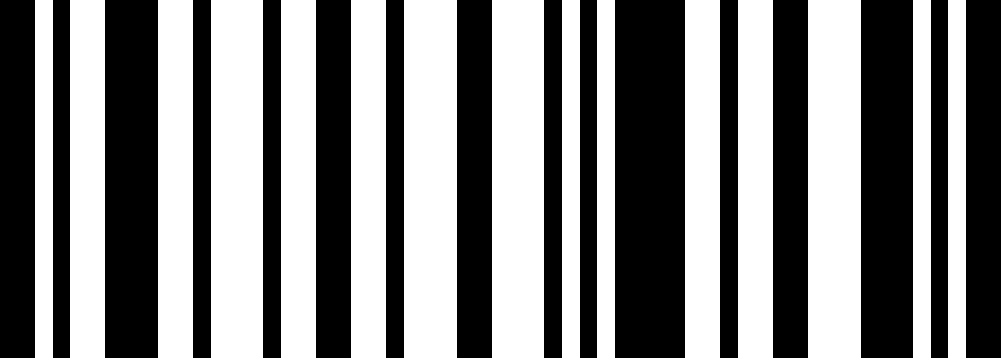

A standard 1D barcode with vertical black bars of varying widths on a white background.

0536

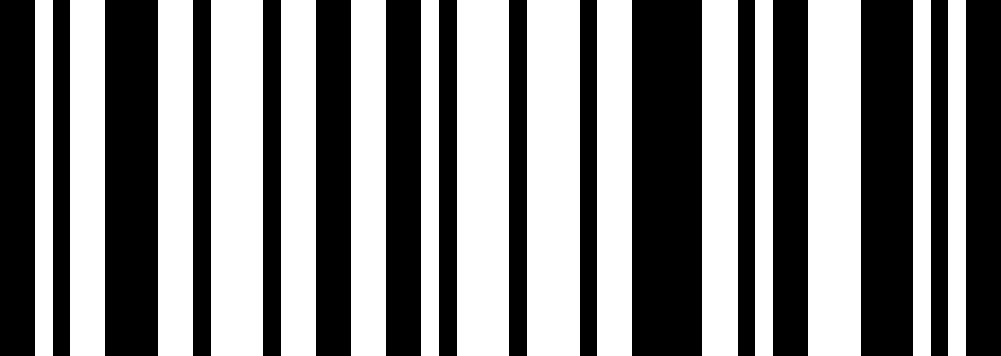

0537

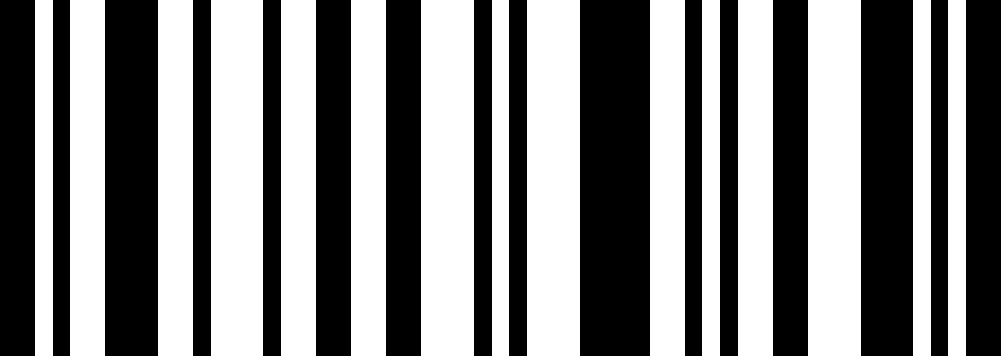

A standard 1D barcode with vertical black bars of varying widths on a white background.

0538

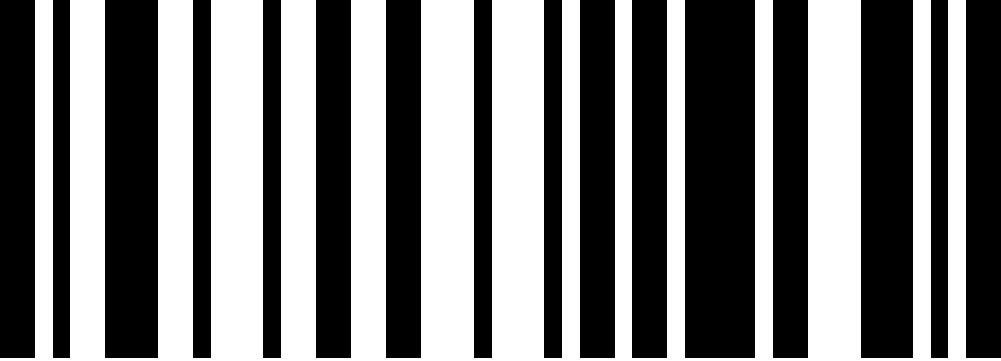

A standard 1D barcode with vertical black bars of varying widths on a white background.

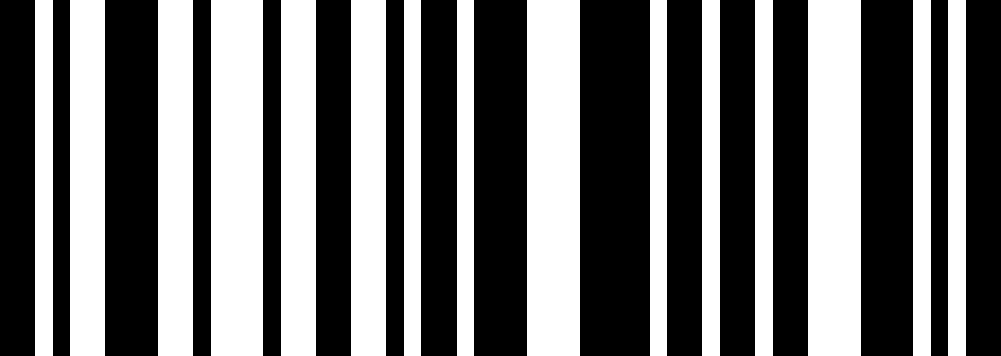

0539

A standard 1D barcode with vertical black bars of varying widths on a white background.

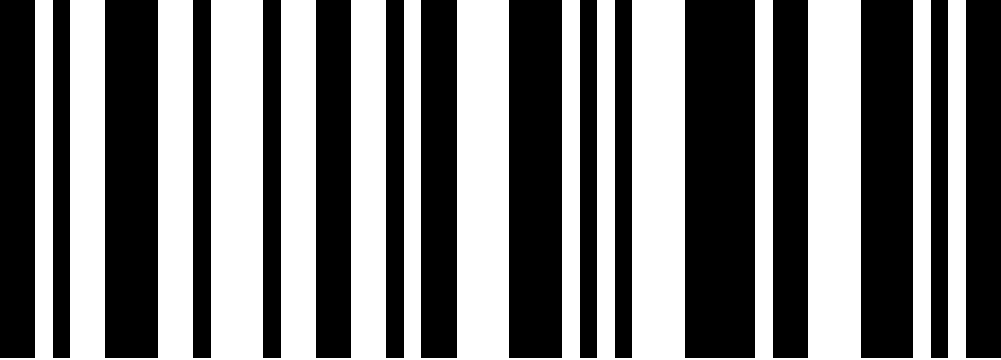

0540

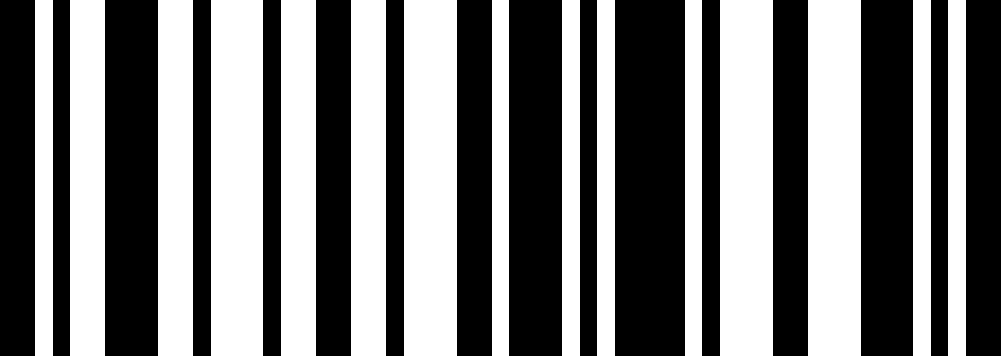

0541

0542

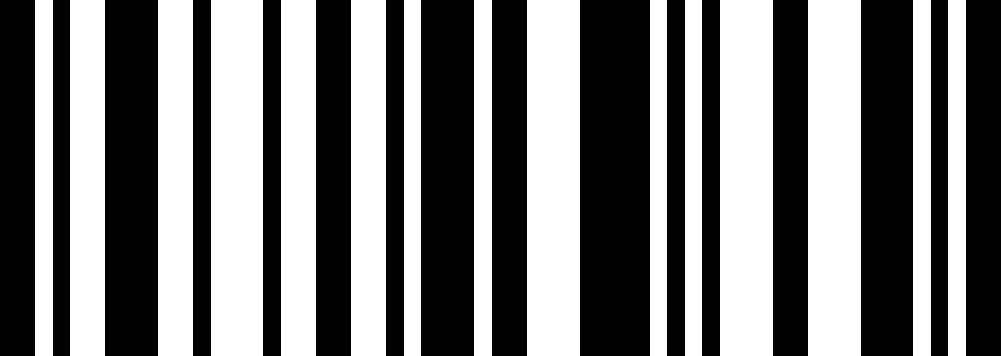

A standard 1D barcode with vertical black bars of varying widths on a white background.

0543

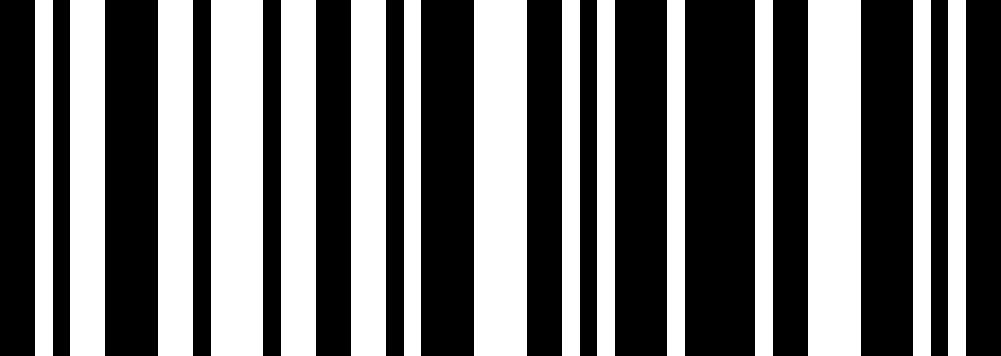

0544

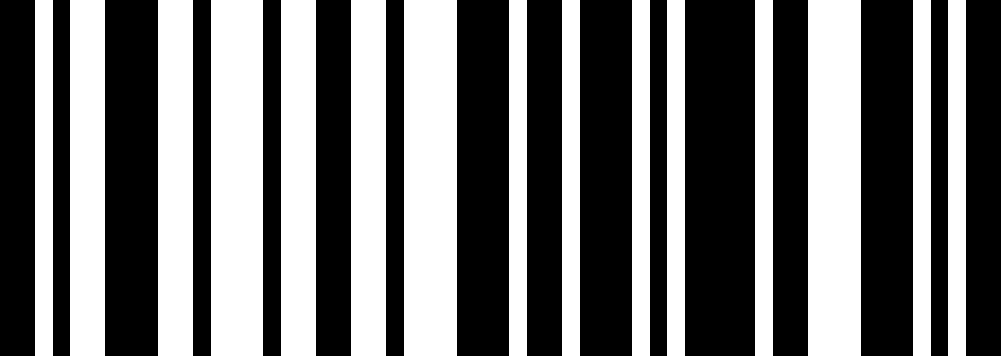

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0545

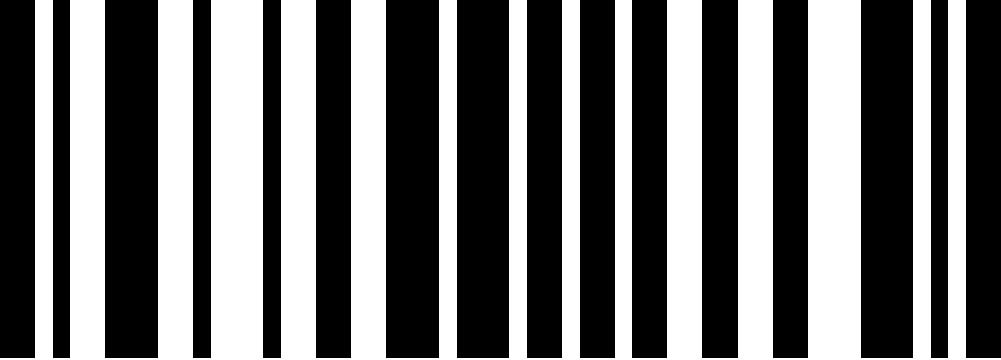

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

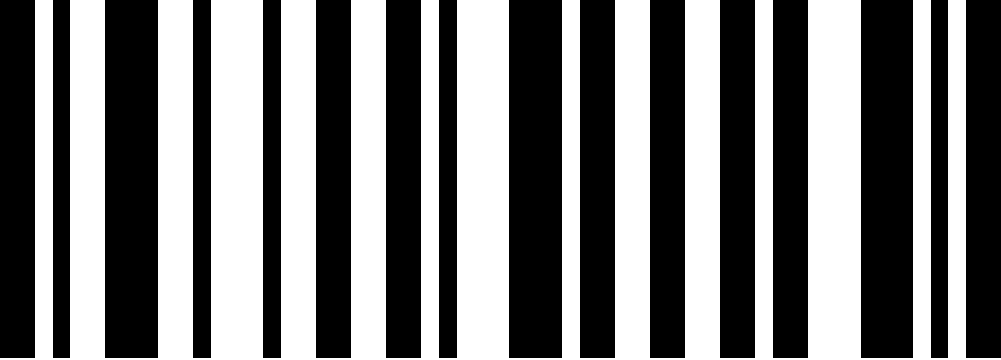

0546

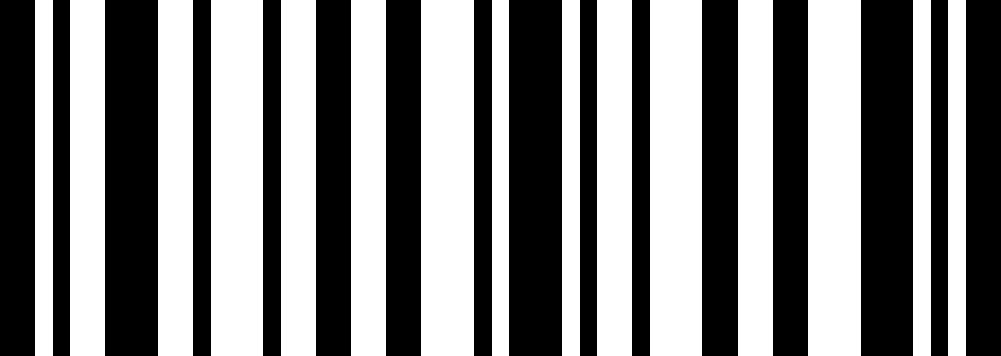

0547

A standard 1D barcode with vertical black bars of varying widths on a white background.

0548

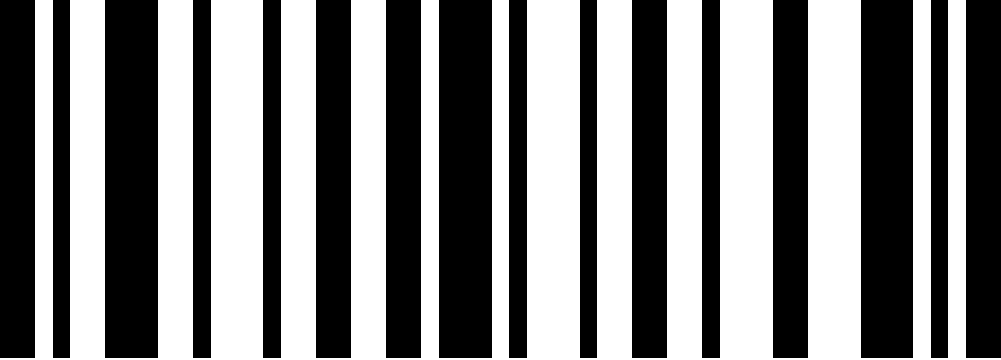

A standard 1D barcode with vertical black bars of varying widths on a white background.

0549

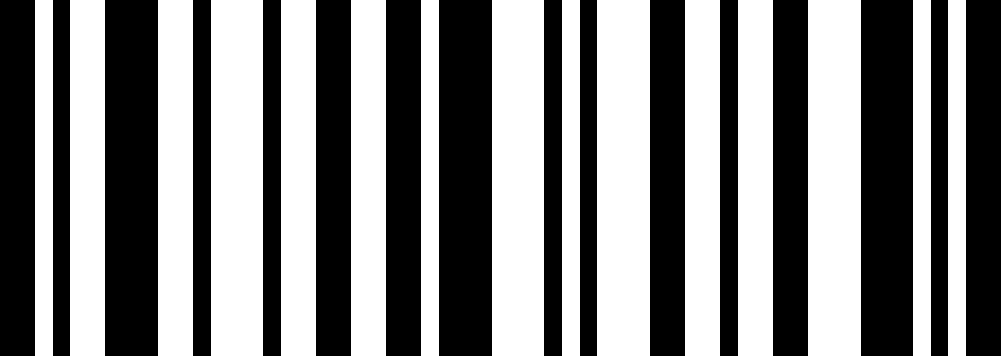

A standard 1D barcode with vertical black bars of varying widths on a white background.

0550

A standard 1D barcode with vertical black bars of varying widths on a white background.

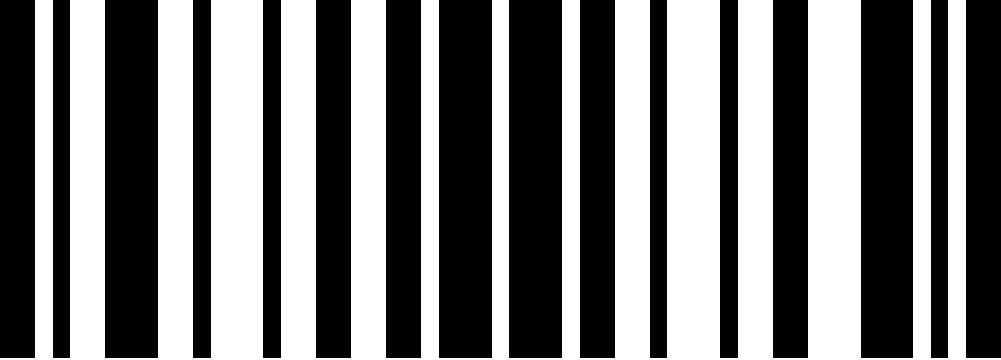

0551

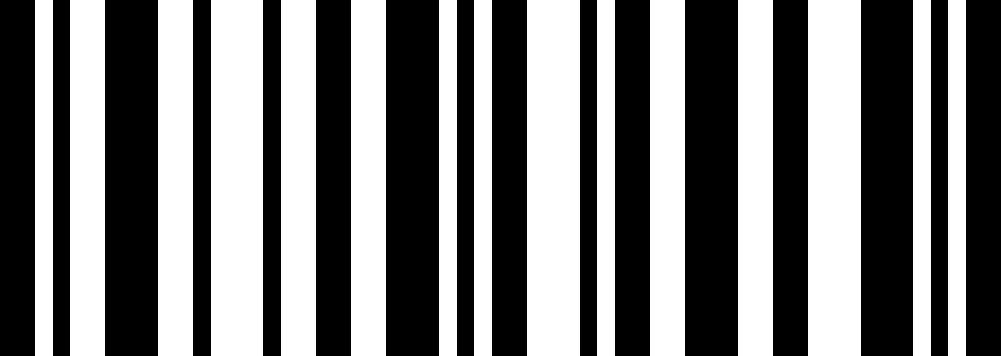

A standard 1D barcode with vertical black bars of varying widths on a white background.

0552

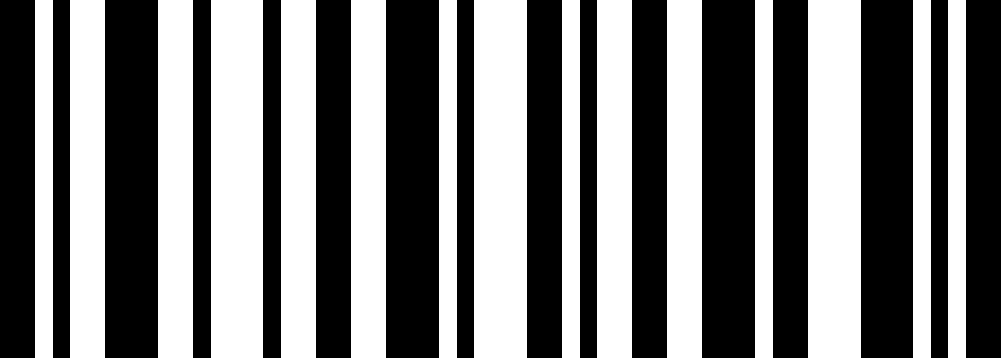

A standard 1D barcode with vertical black bars of varying widths on a white background.

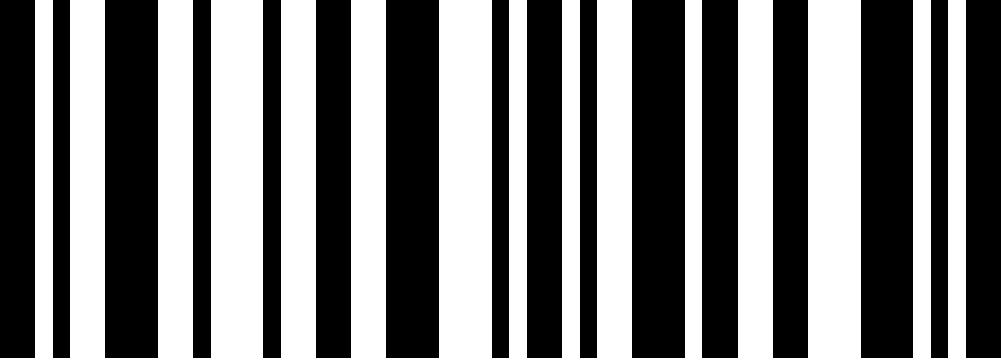

0553

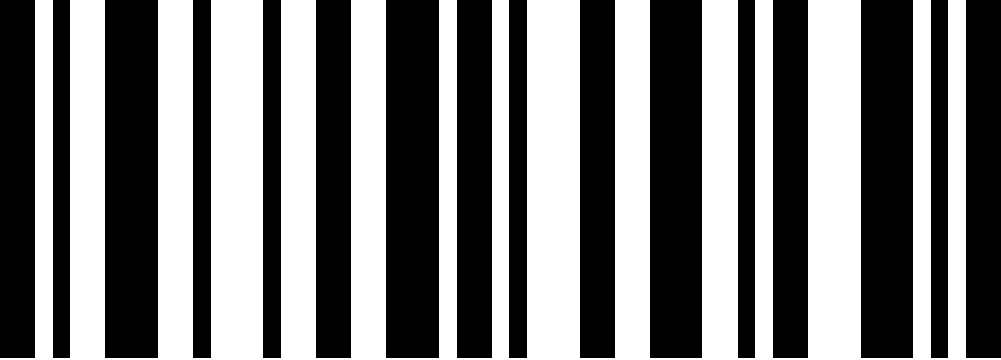

0554

A standard 1D barcode with vertical black bars of varying widths on a white background.

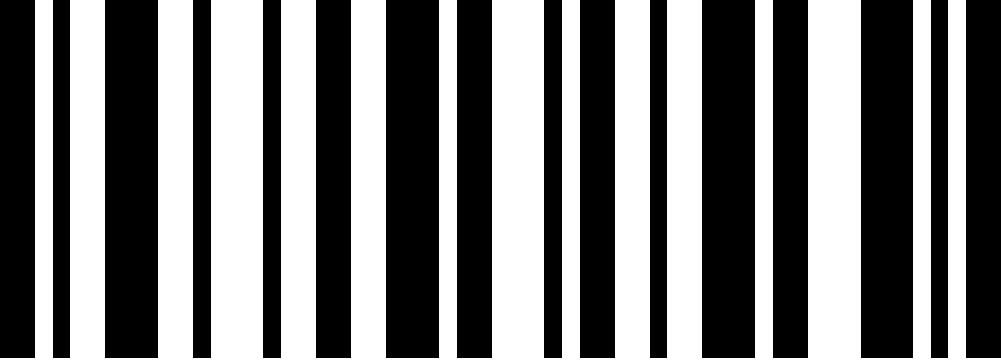

0555

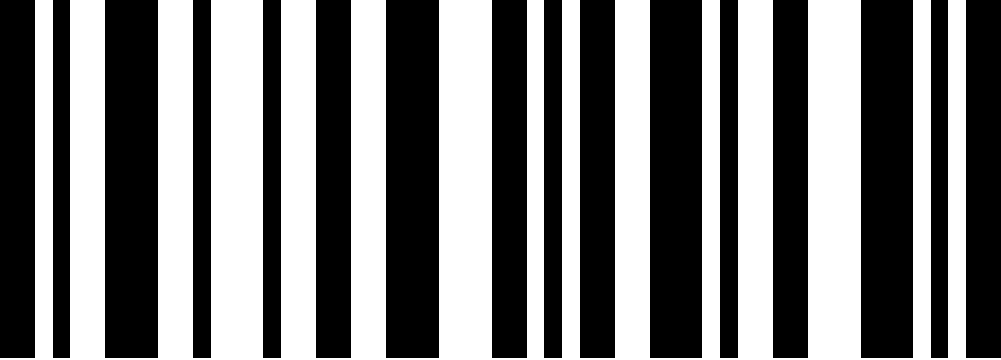

0556

A standard 1D barcode with vertical black bars of varying widths on a white background.

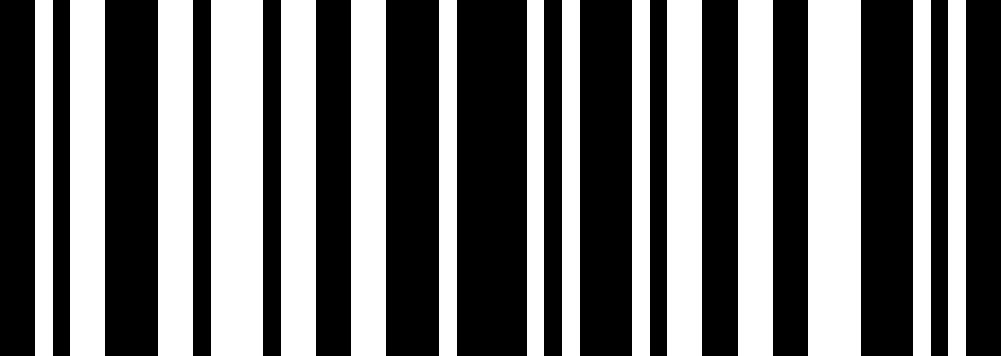

0557

A standard 1D barcode with vertical black bars of varying widths on a white background.

0558

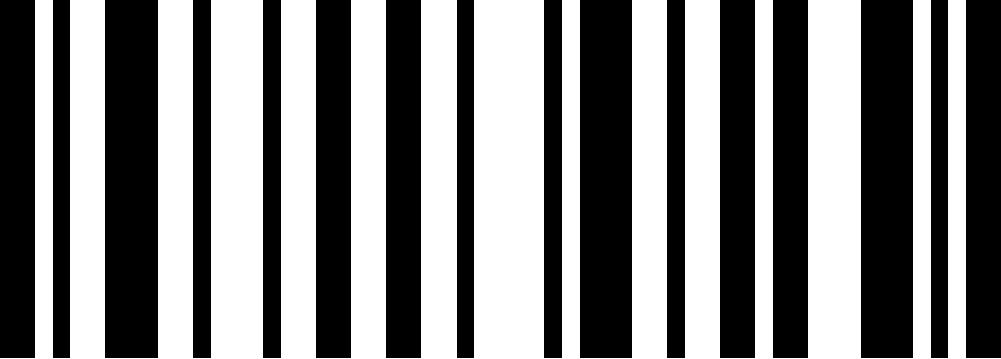

0559

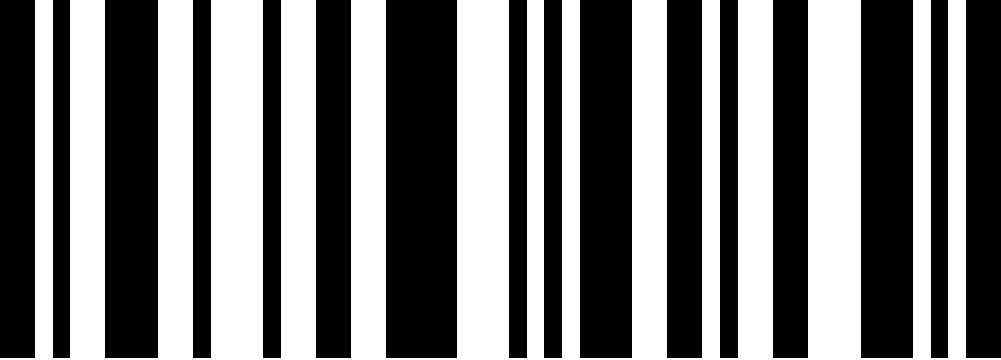

A standard 1D barcode with vertical black bars of varying widths on a white background.

0560

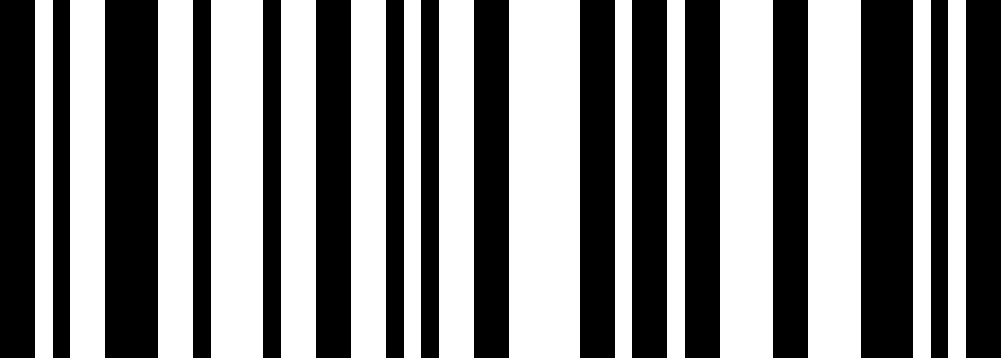

0561

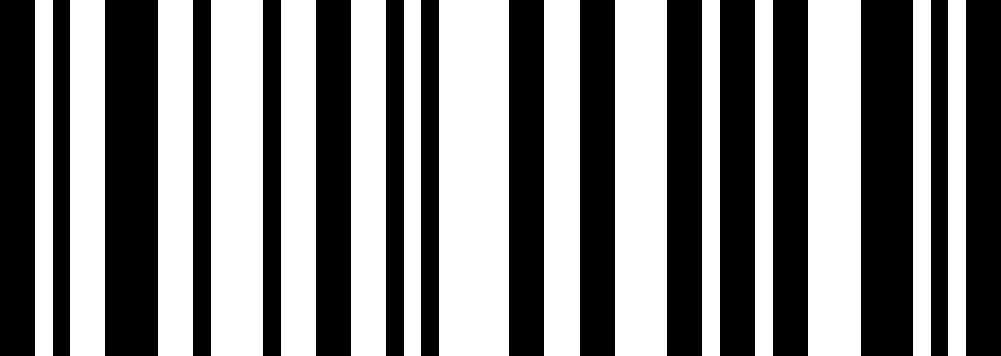

A standard 1D barcode with vertical black bars of varying widths on a white background.

0562

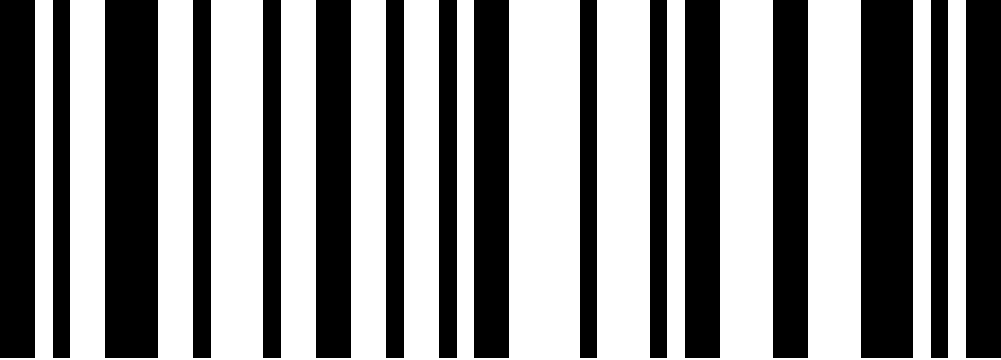

A standard 1D barcode with vertical black bars of varying widths on a white background.

0563

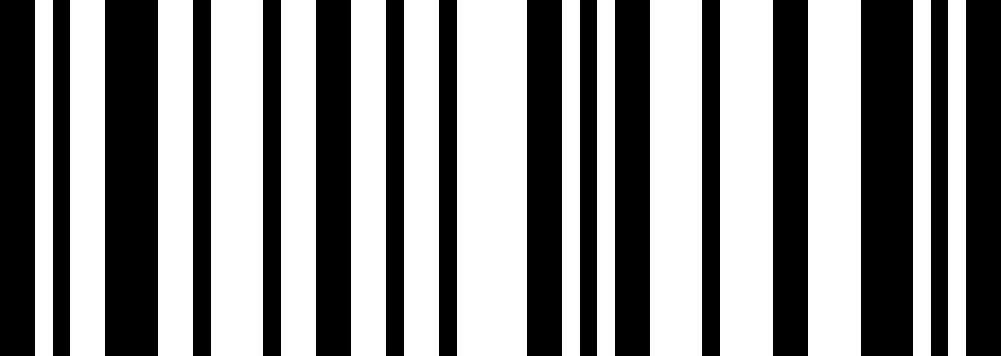

A standard 1D barcode with vertical black bars of varying widths on a white background.

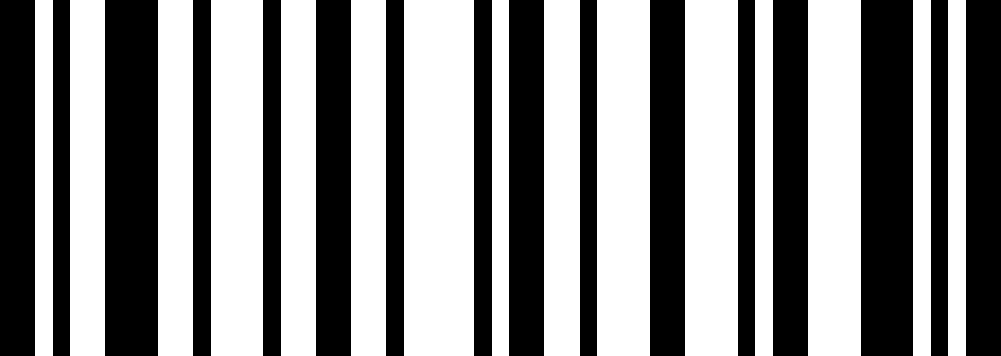

0564

A standard 1D barcode with vertical black bars of varying widths on a white background.

0565

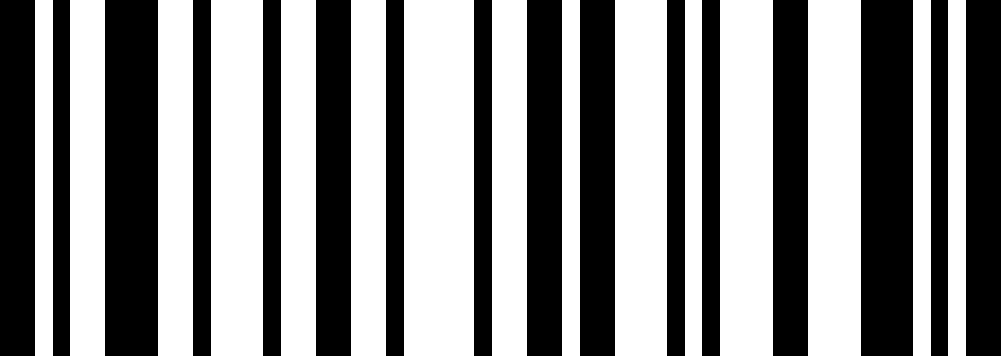

0566

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the numbers 0, 5, 6, and 7.

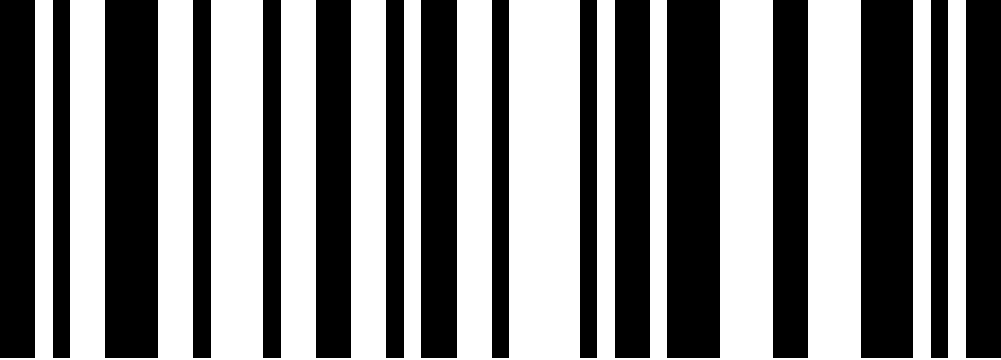

0567

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0568

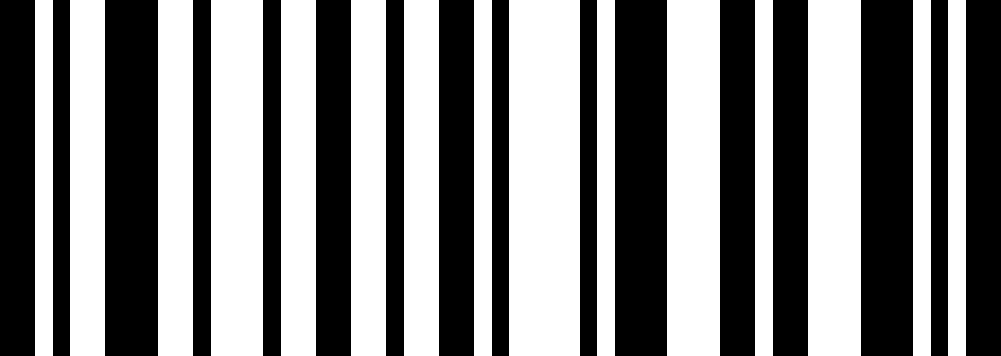

A standard 1D barcode with vertical black bars of varying widths on a white background.

0569

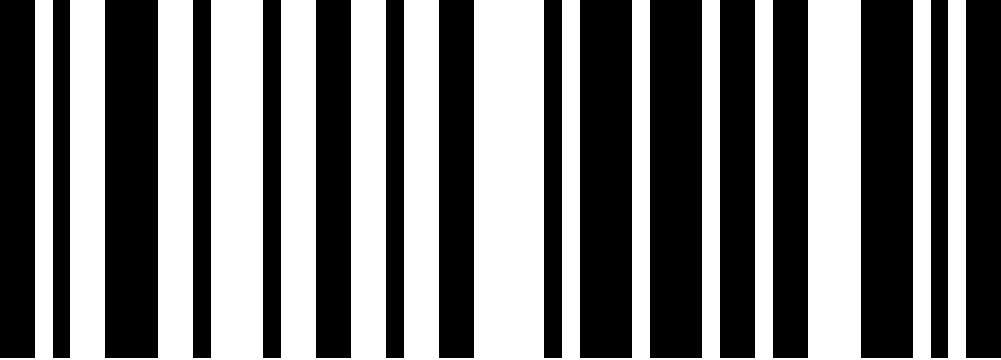

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, with the numbers 0570 printed below it.

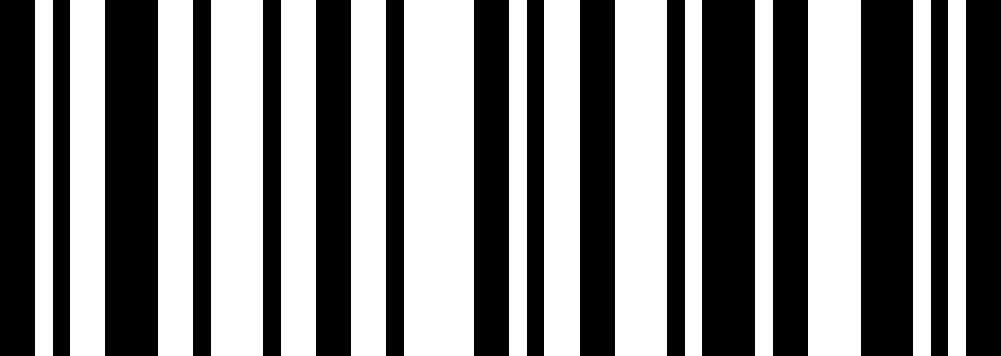

0570

0571

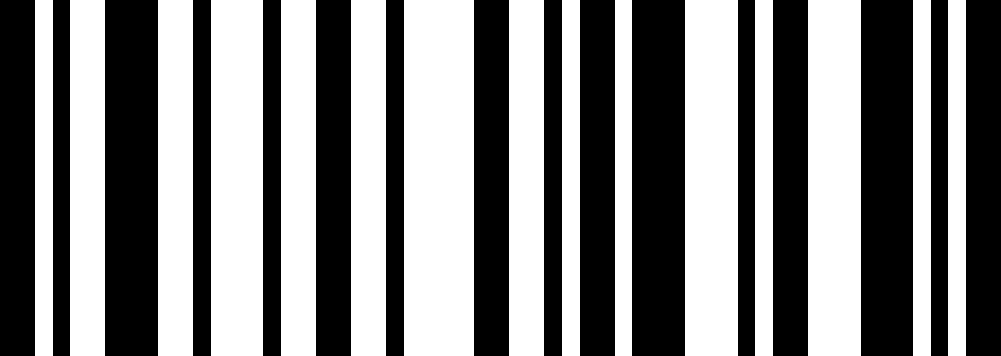

A standard 1D barcode with vertical black bars of varying widths on a white background.

0572

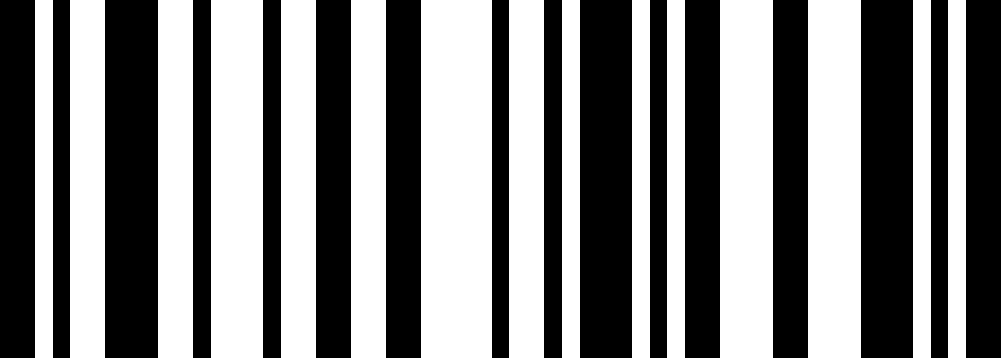

A standard 1D barcode with vertical black bars of varying widths on a white background.

0573

A standard 1D barcode with vertical black bars of varying widths on a white background.

0574

A standard 1D barcode with vertical black bars of varying widths on a white background.

0575

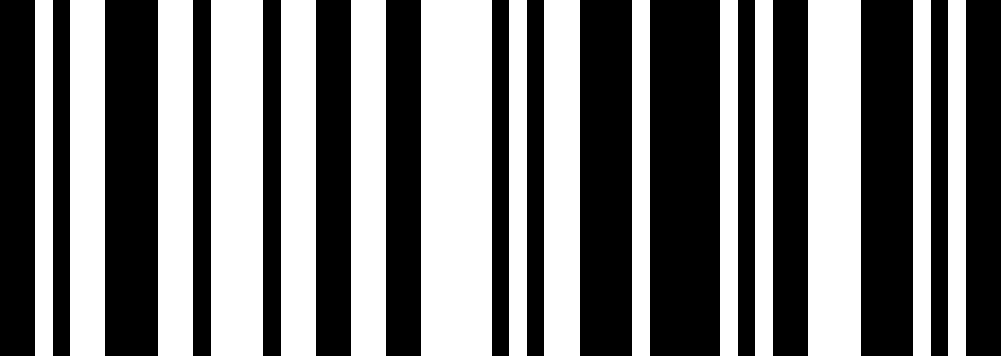

0576

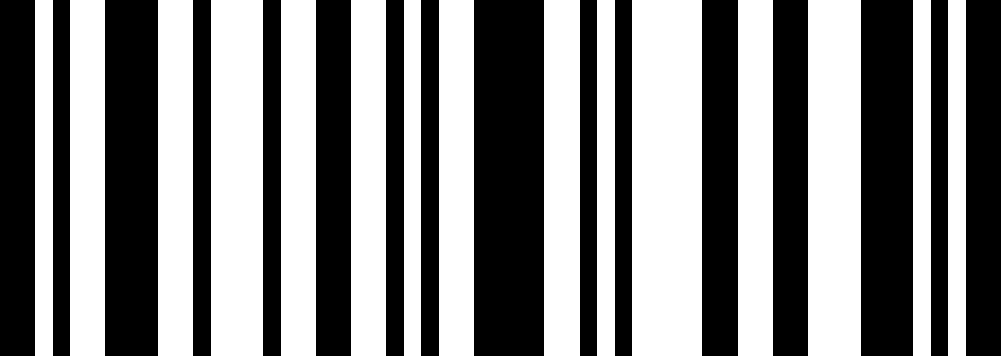

0577

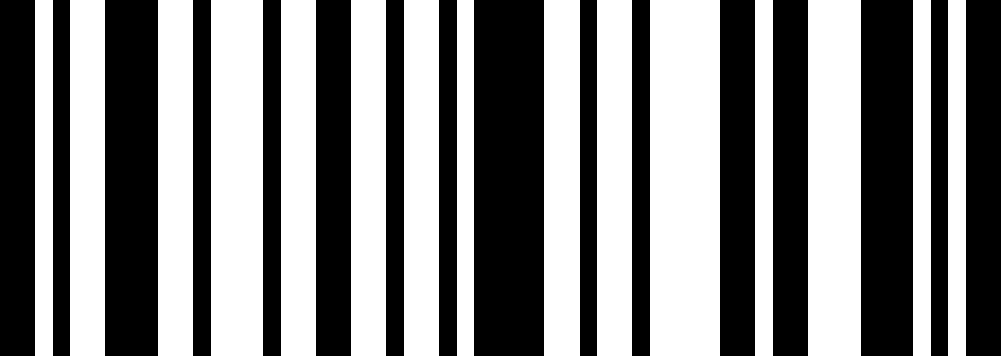

0578

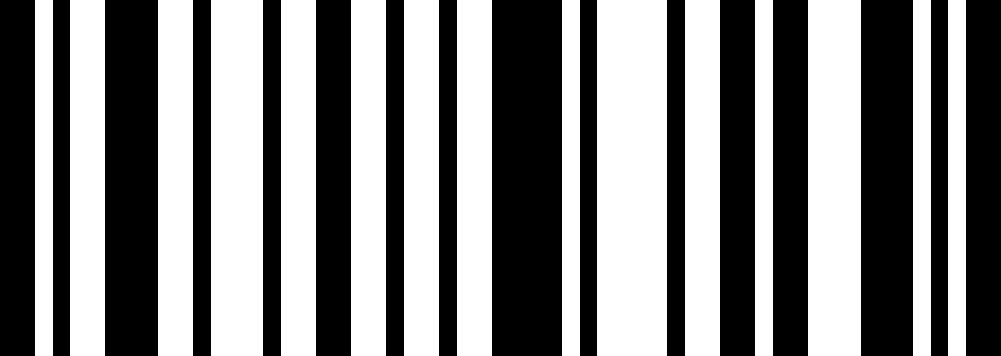

0579

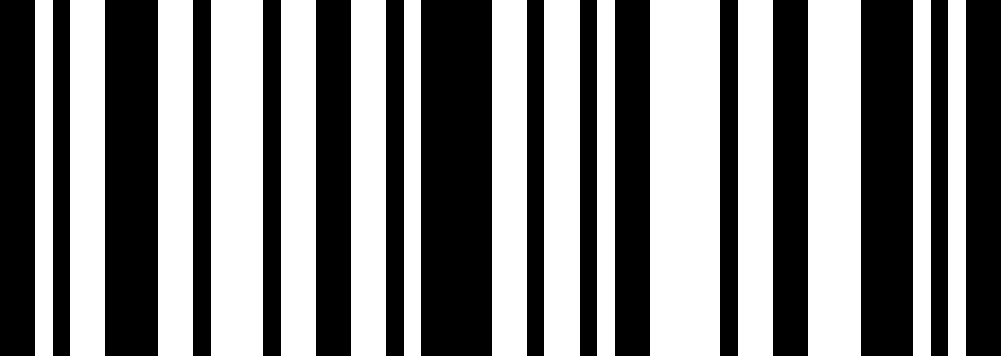

0580

0581

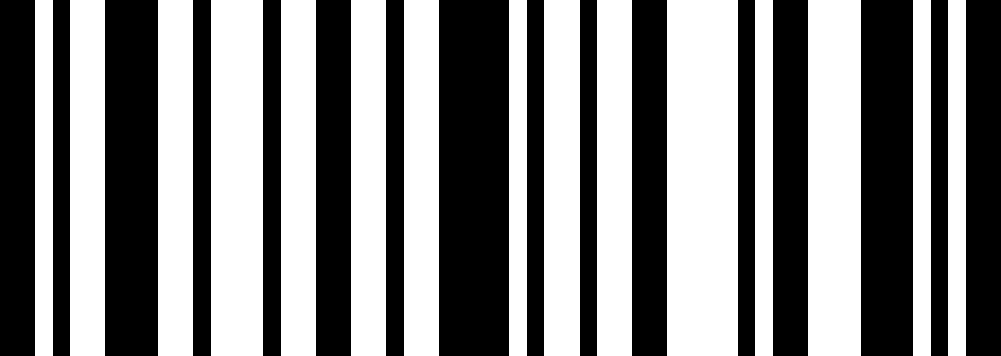

A standard 1D barcode with vertical black bars of varying widths on a white background.

0582

A standard 1D barcode with vertical black bars of varying widths on a white background.

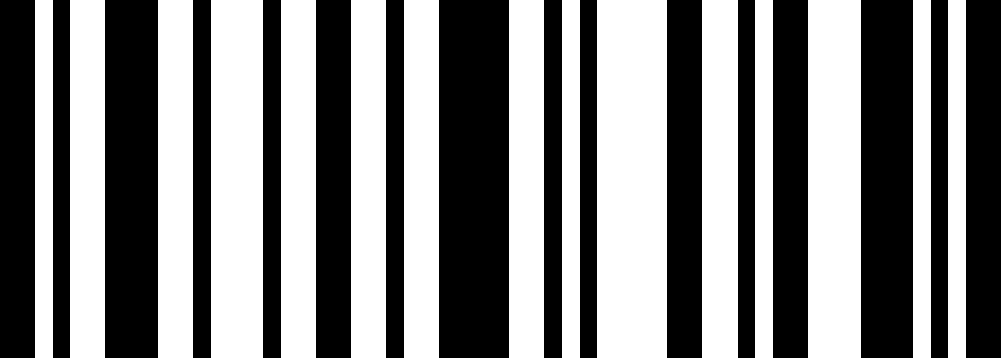

0583

A standard 1D barcode with vertical black bars of varying widths on a white background.

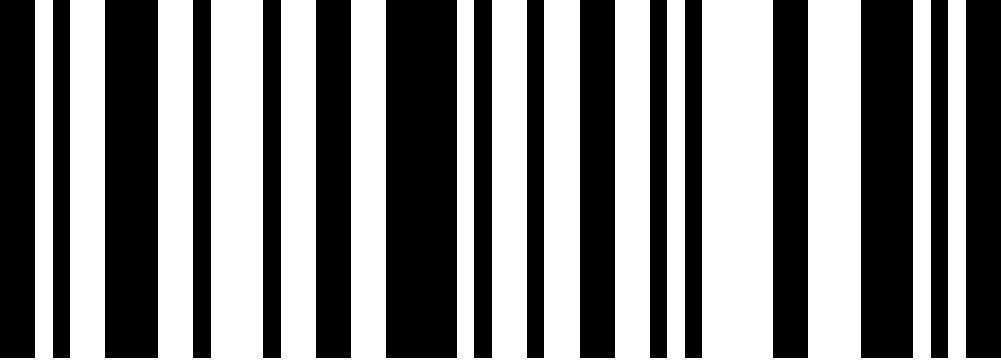

0584

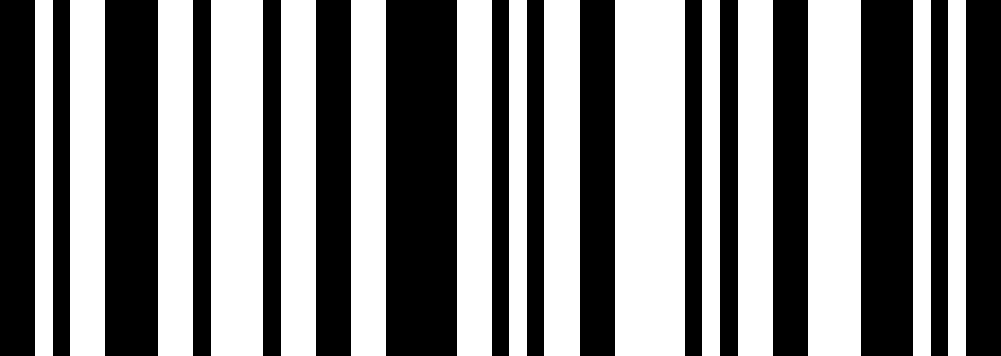

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, with the numbers 0585 printed below it.

0585

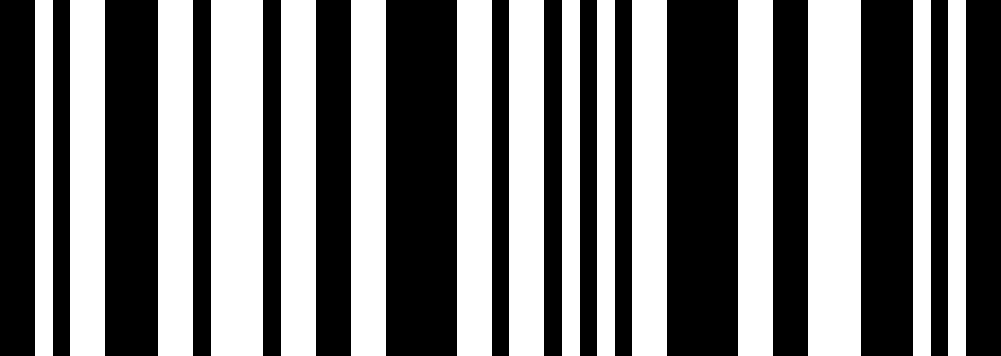

A standard 1D barcode with vertical black bars of varying widths on a white background.

0586

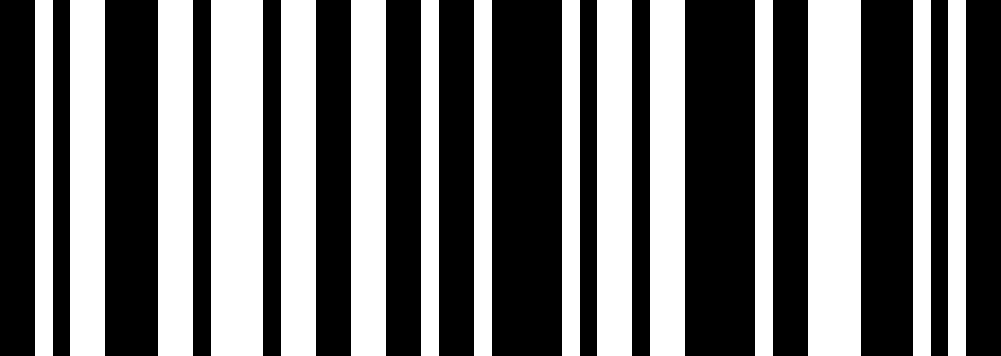

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the number 0587.

0587

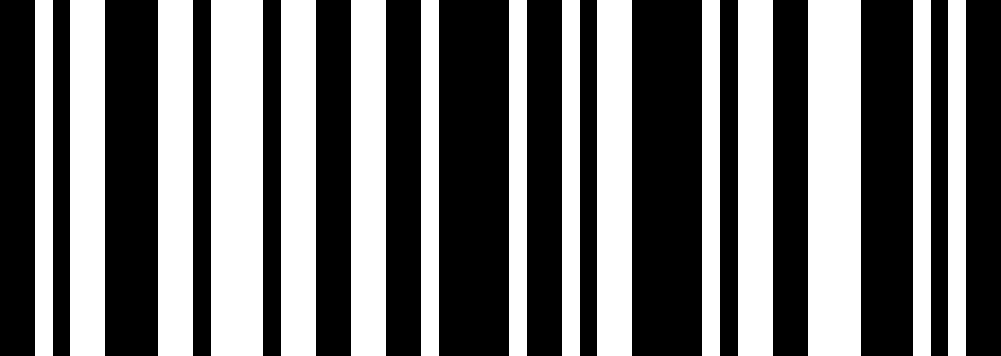

A standard 1D barcode with vertical black bars of varying widths on a white background.

0588

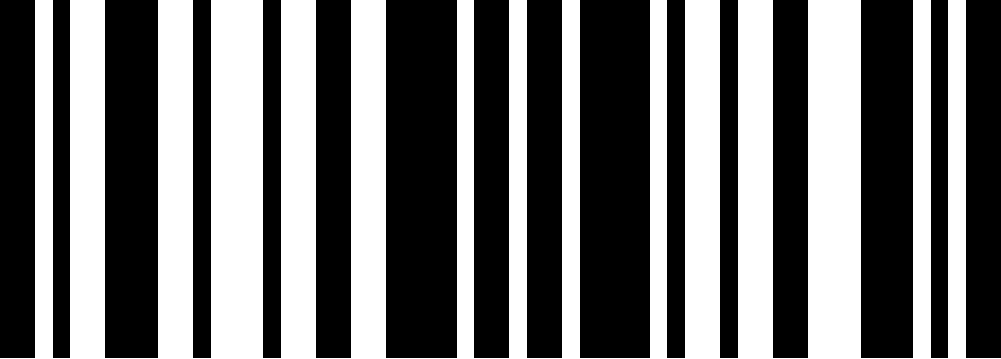

A standard 1D barcode with vertical black bars of varying widths on a white background.

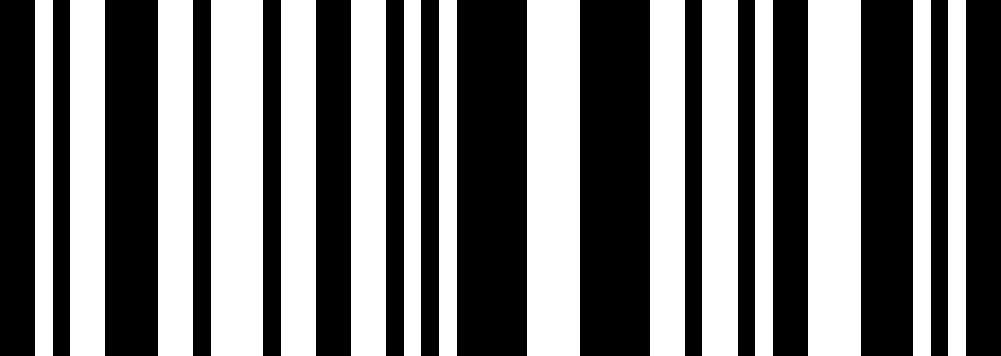

0589

0590

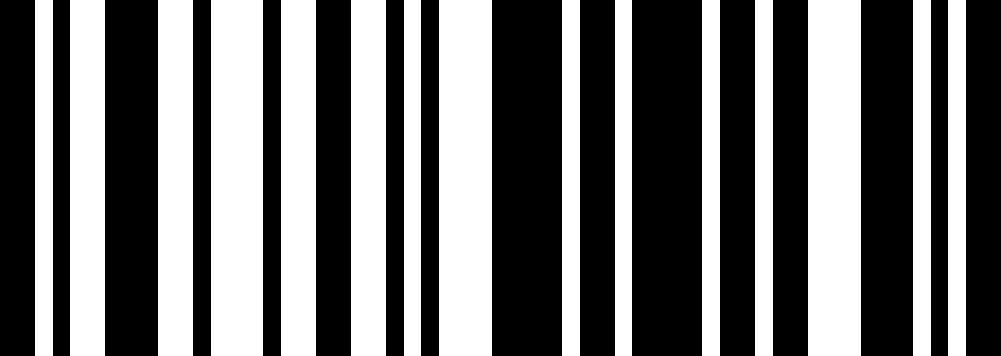

0591

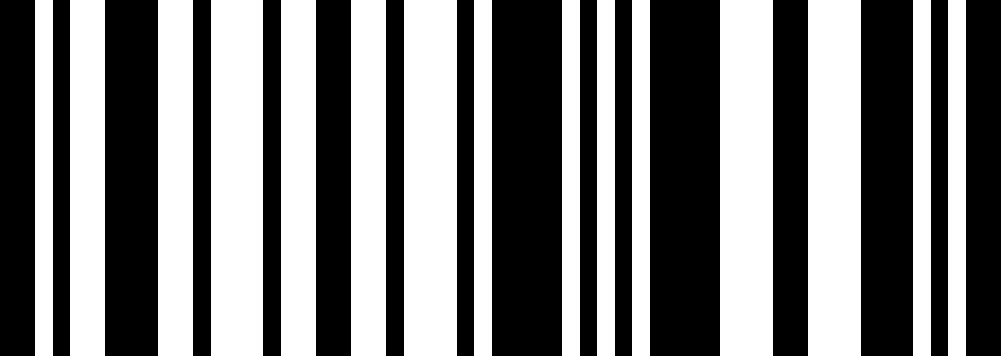

0592

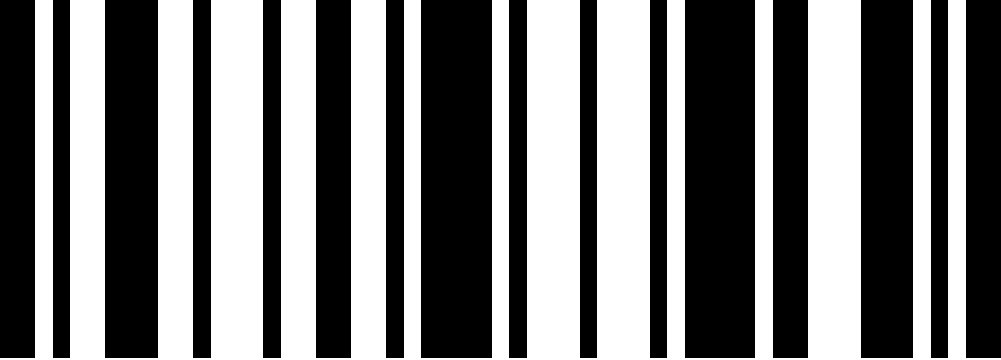

A standard 1D barcode with vertical black bars of varying widths on a white background.

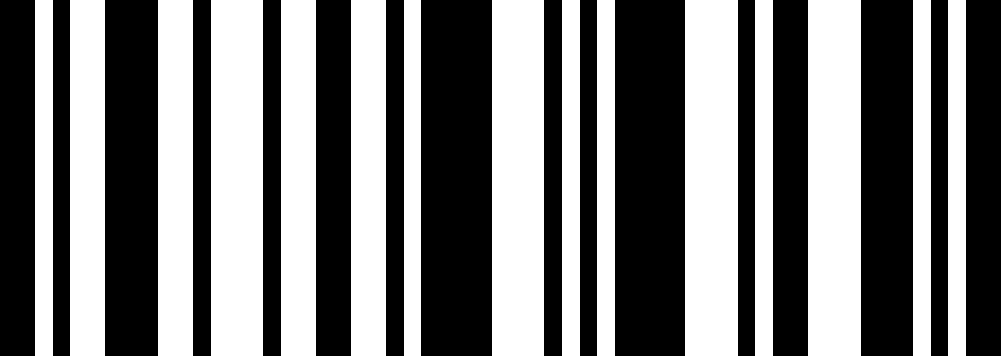

0593

0594

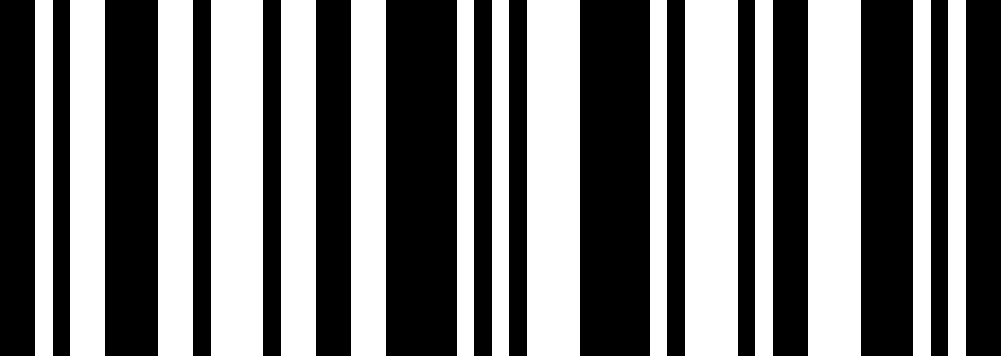

A standard 1D barcode with vertical black bars of varying widths on a white background.

0595

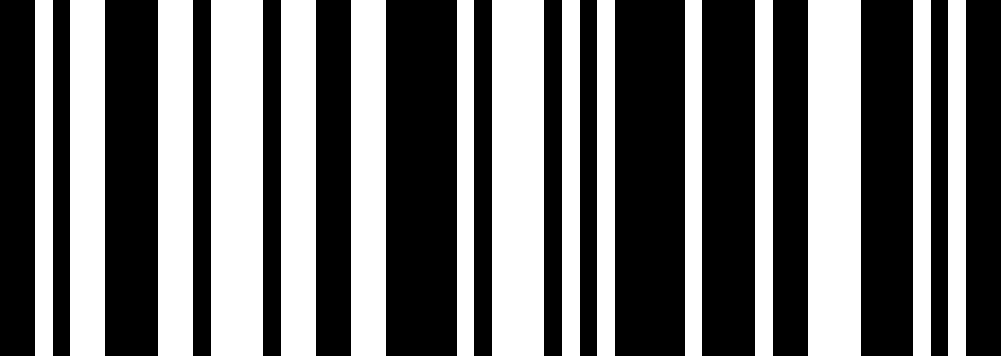

A standard 1D barcode with vertical black bars of varying widths on a white background.

0596

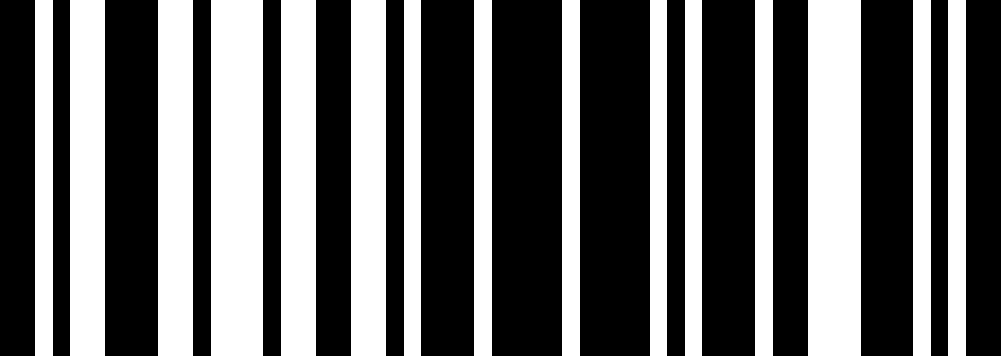

A standard 1D barcode with vertical black bars of varying widths on a white background.

0597

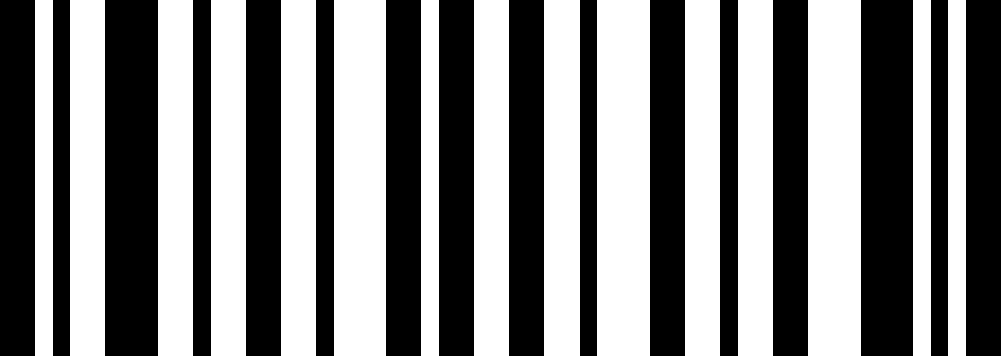

A standard 1D barcode with vertical black bars of varying widths on a white background.

0598

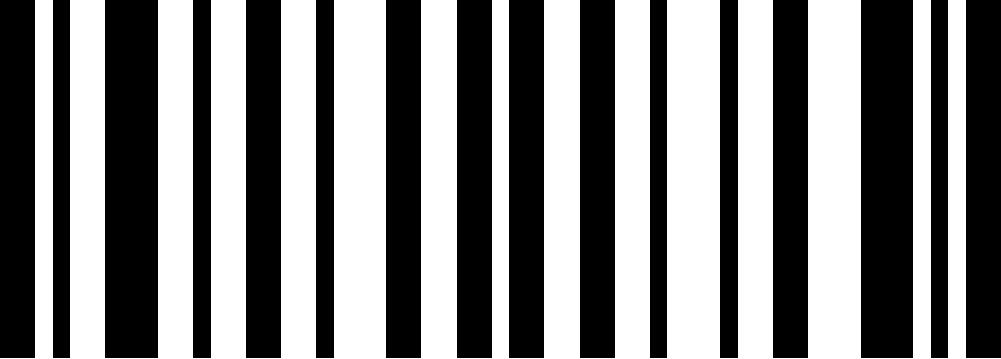

0599

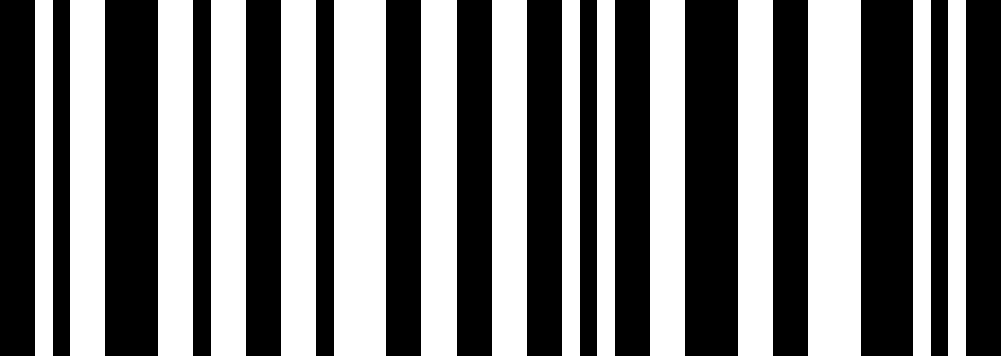

0600

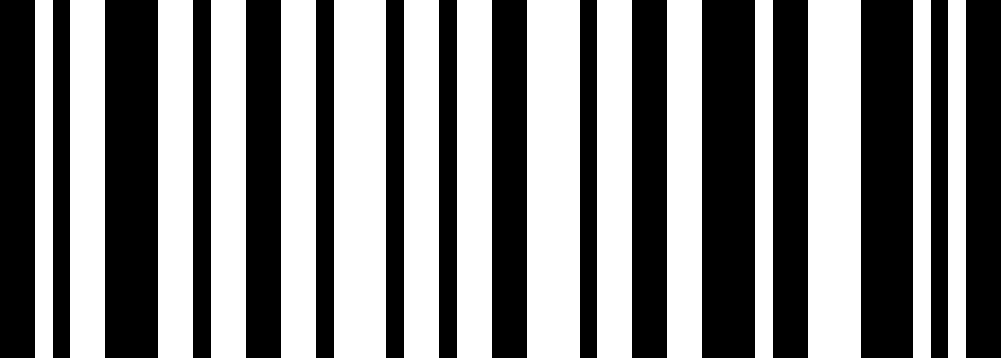

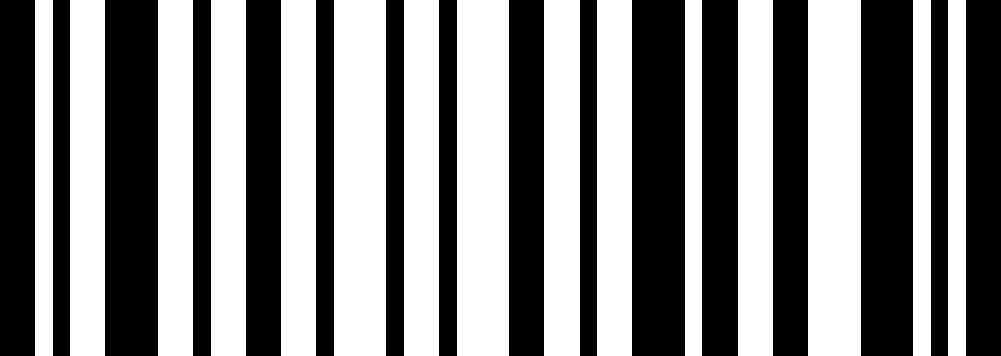

0601

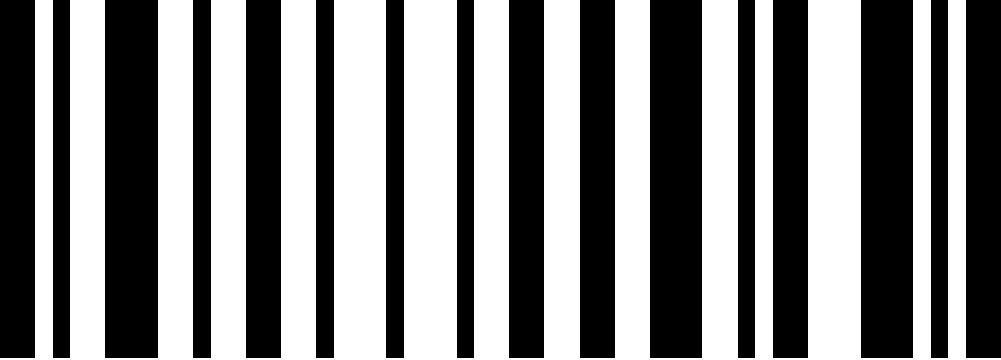

0602

A standard 1D barcode with vertical black bars of varying widths on a white background.

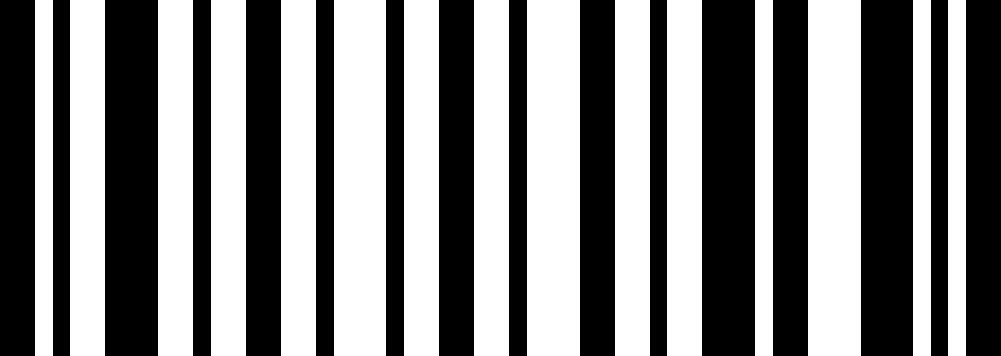

0603

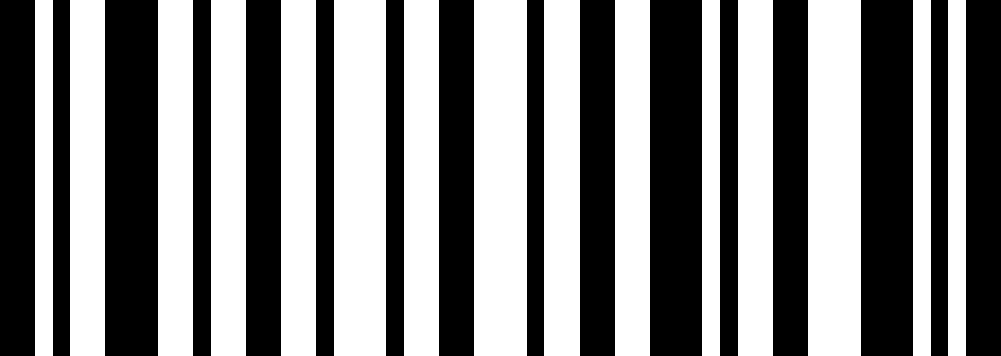

0604

A standard 1D barcode consisting of vertical black bars of varying widths on a white background.

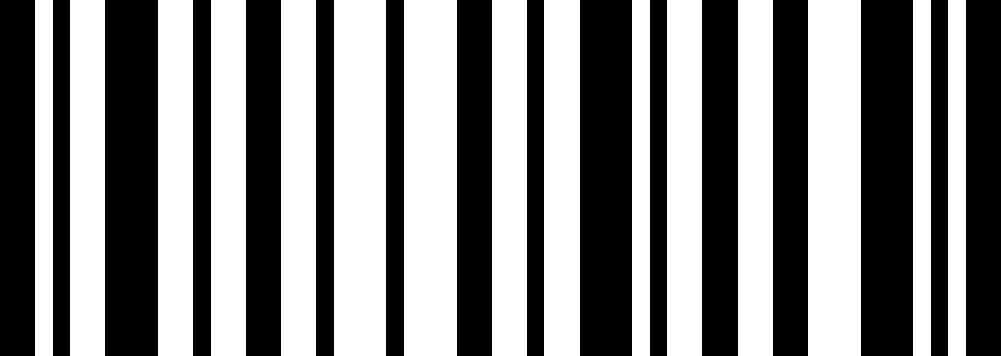

0605

0606

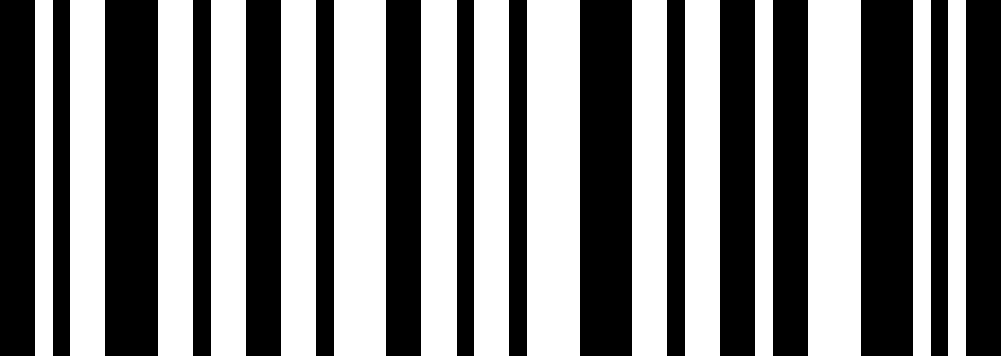

0607

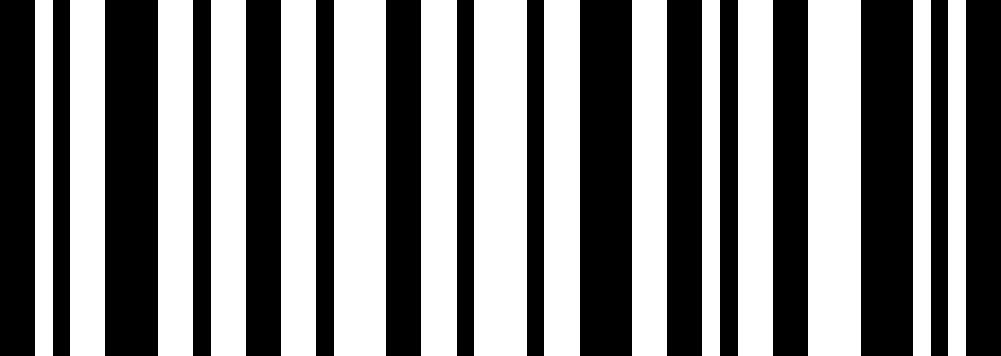

0608

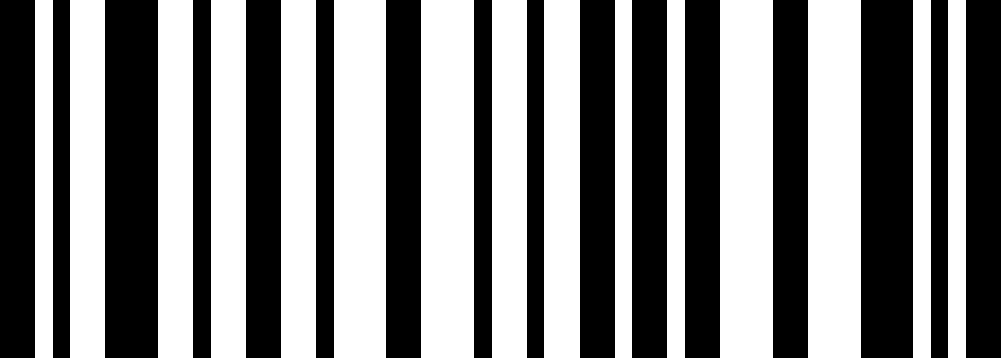

0609

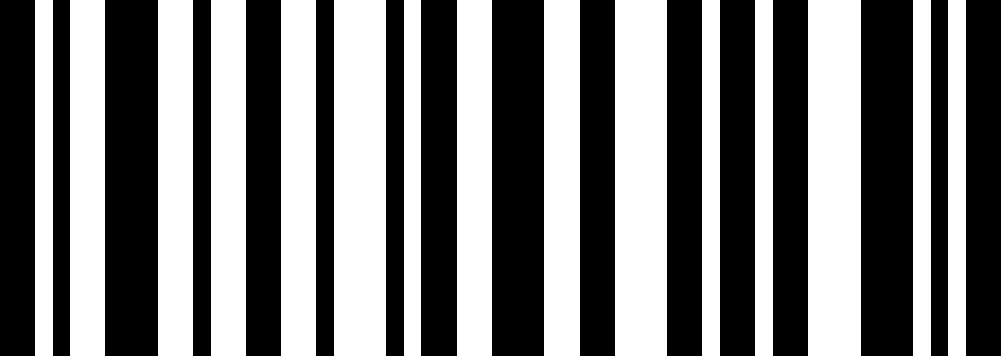

A standard 1D barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image.

0610

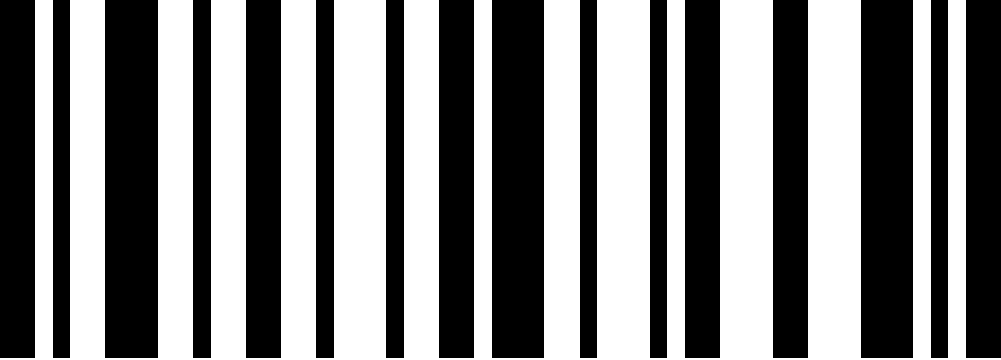

A standard 1D barcode with vertical black bars of varying widths on a white background.

0611

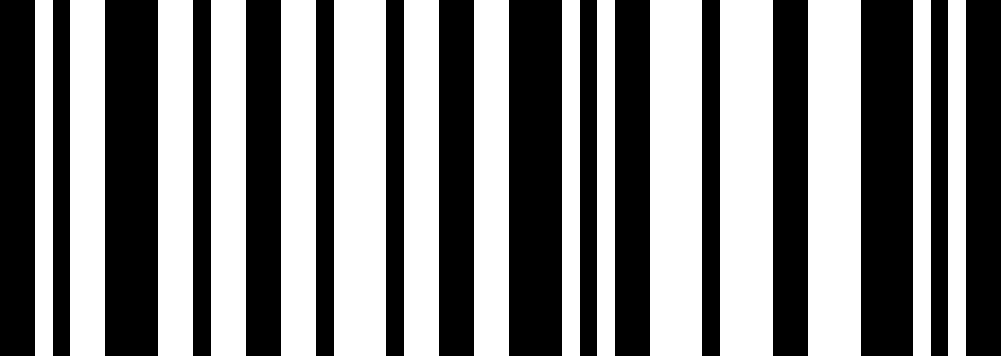

A standard 1D barcode consisting of vertical black bars of varying widths on a white background.

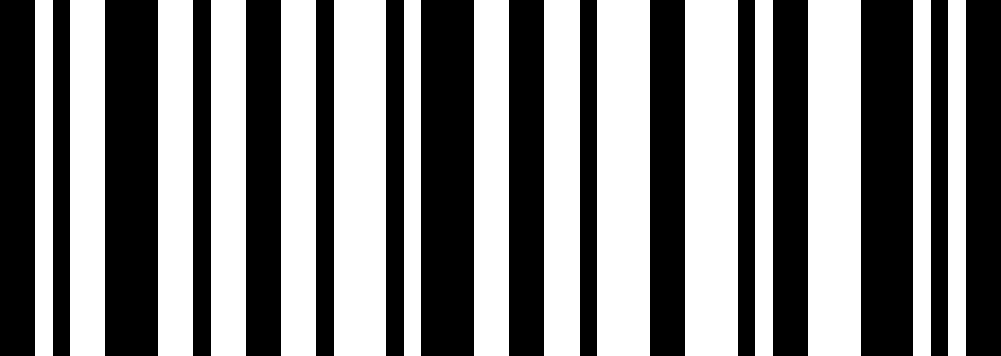

0612

A standard 1D barcode with vertical black bars of varying widths on a white background.

0613

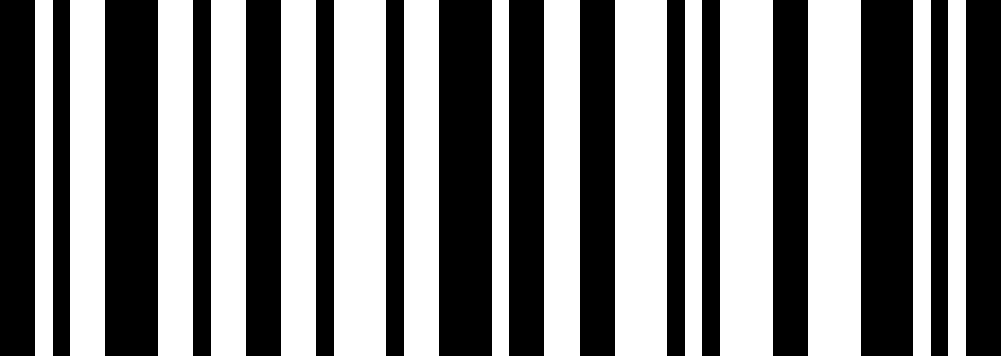

0614

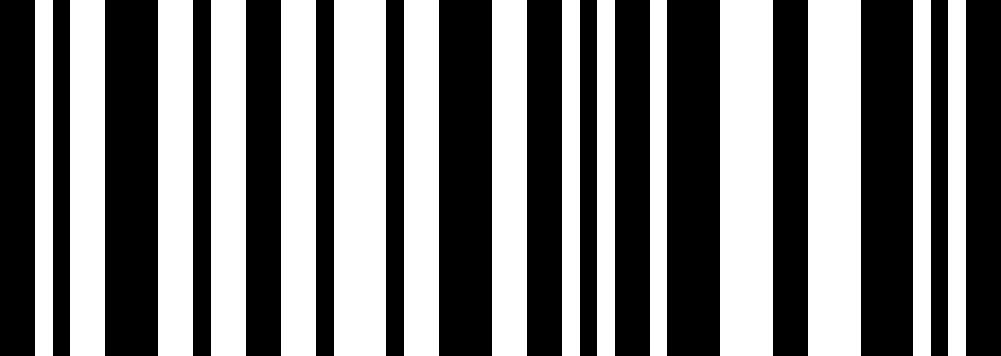

A standard 1D barcode with vertical black bars of varying widths on a white background.

0615

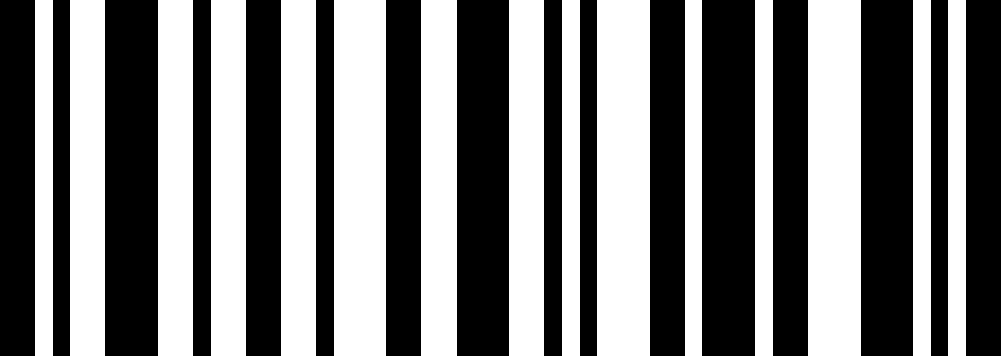

0616

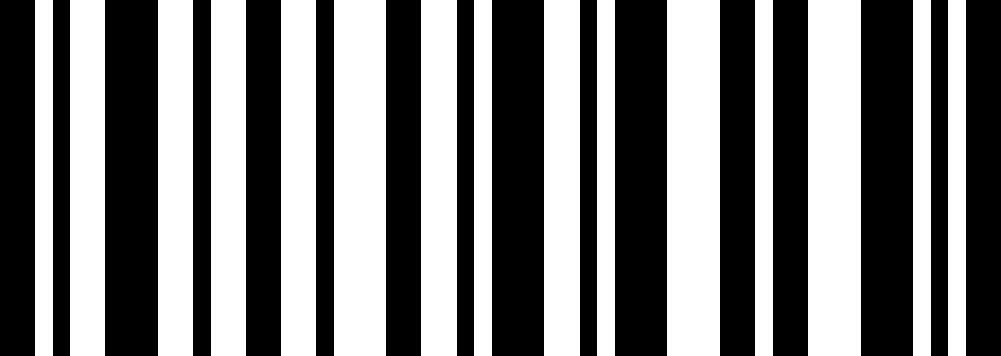

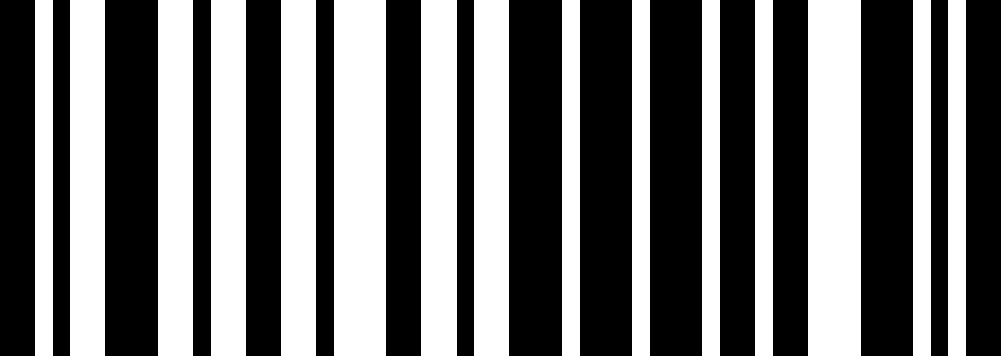

0617

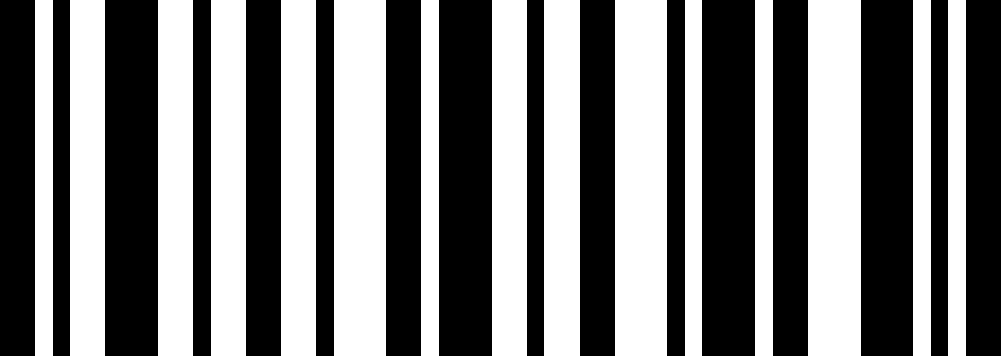

0618

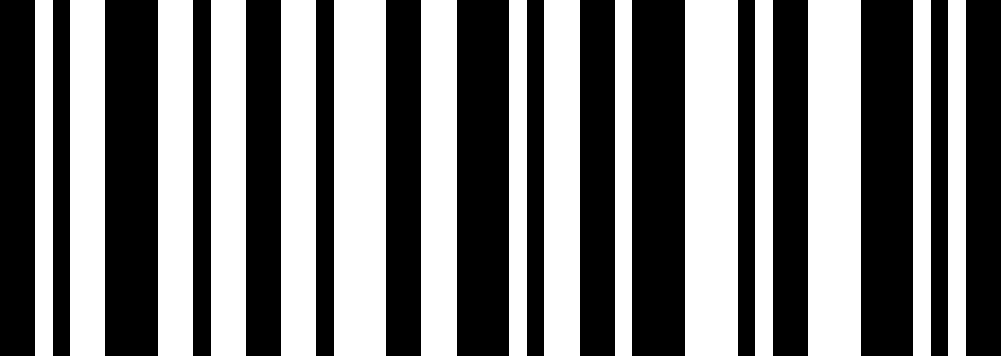

0619

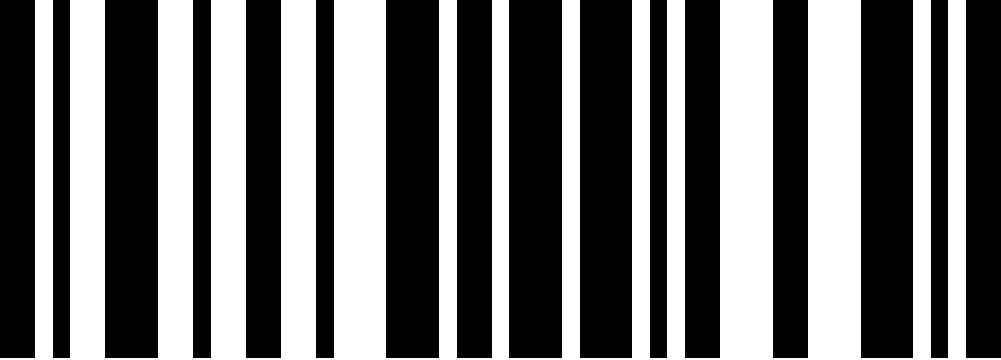

0620

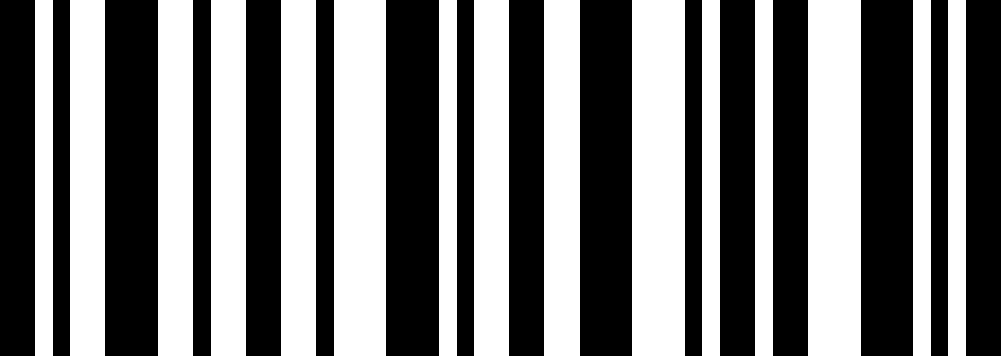

0621

0622

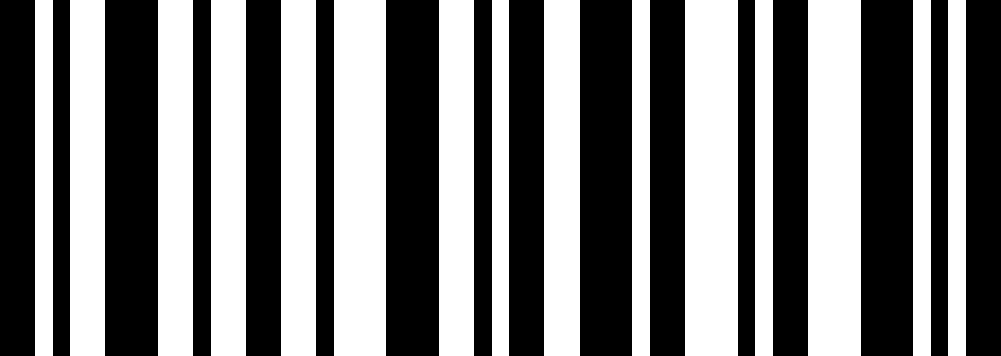

A standard 1D barcode with vertical black bars of varying widths on a white background.

0623

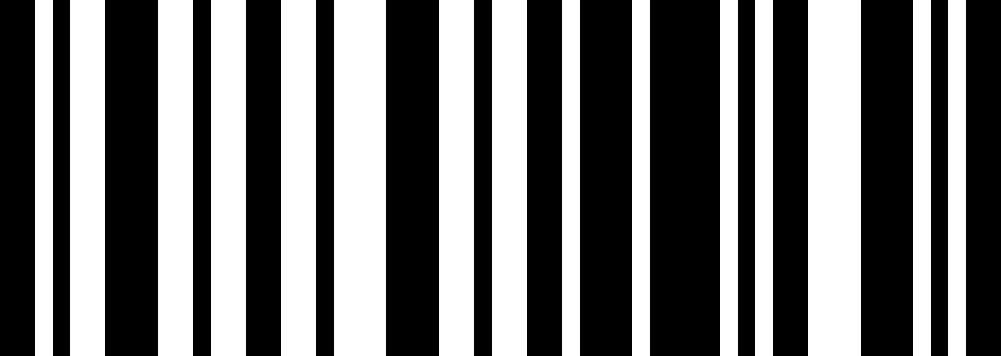

0624

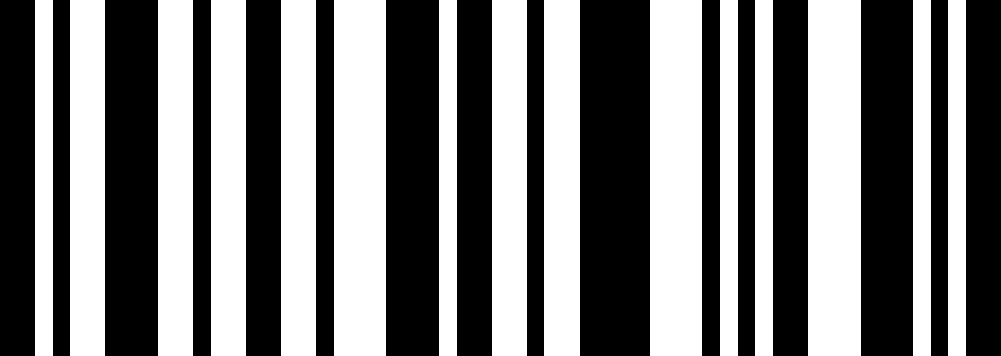

A standard 1D barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

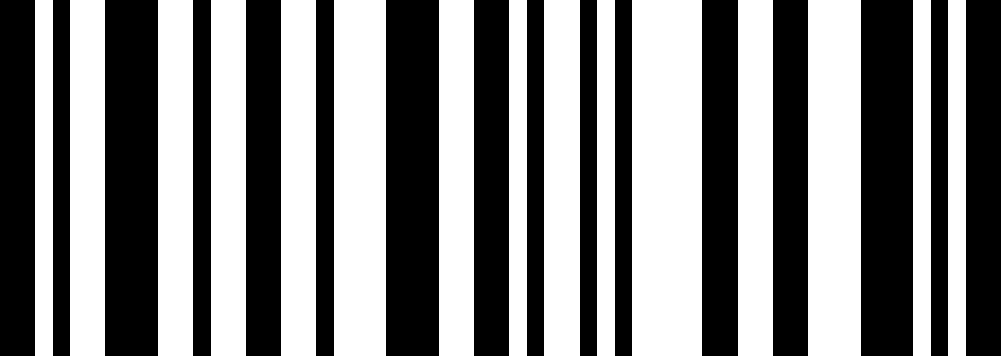

0625

0626

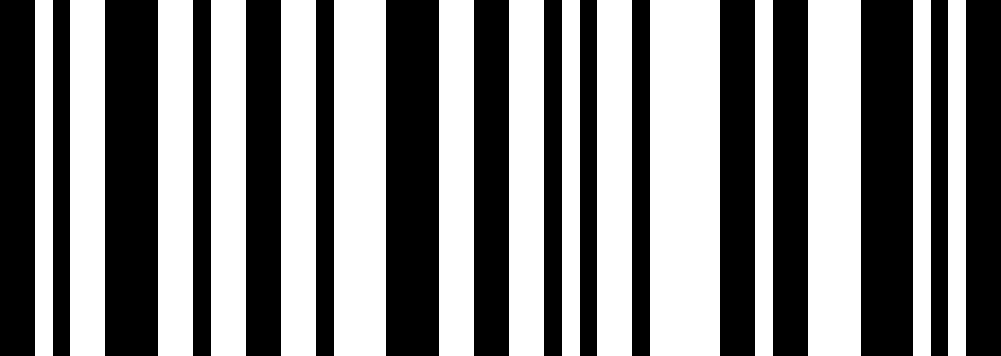

0627

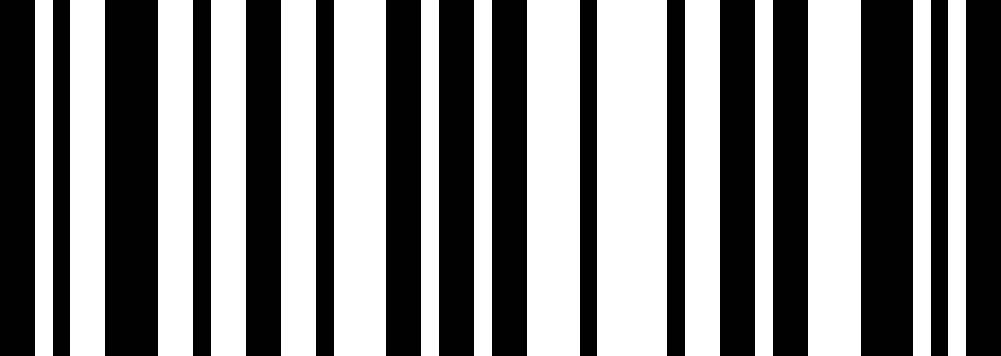

A standard 1D barcode with vertical black bars of varying widths on a white background.

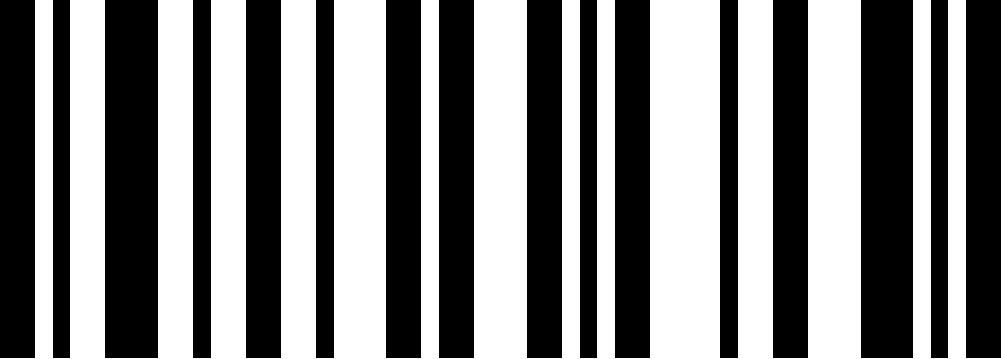

0628

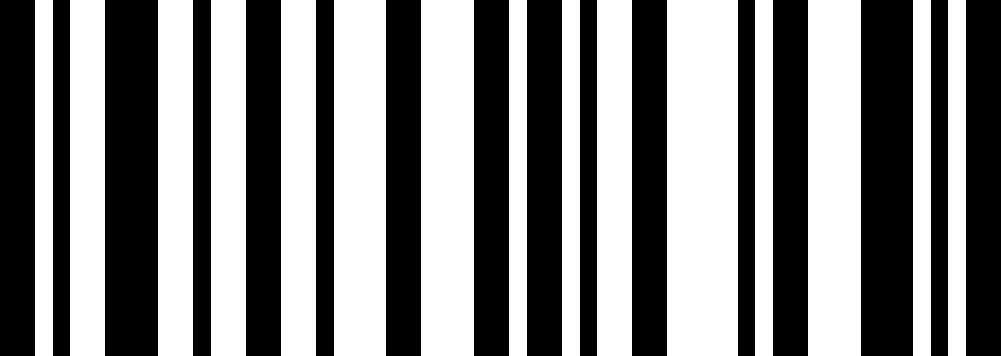

0629

0630

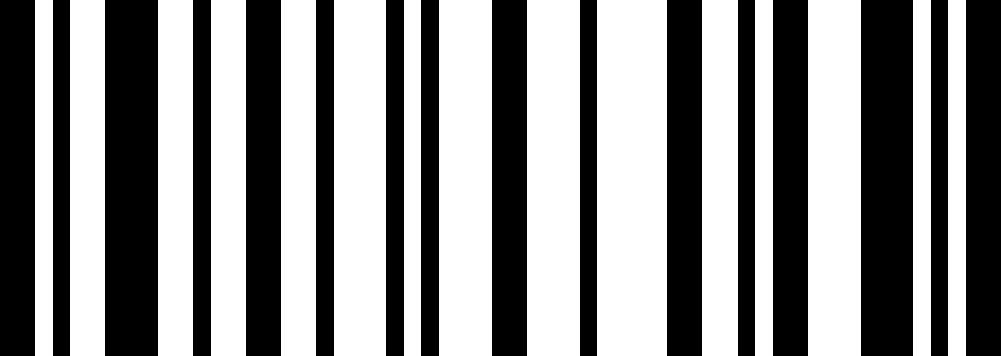

0631

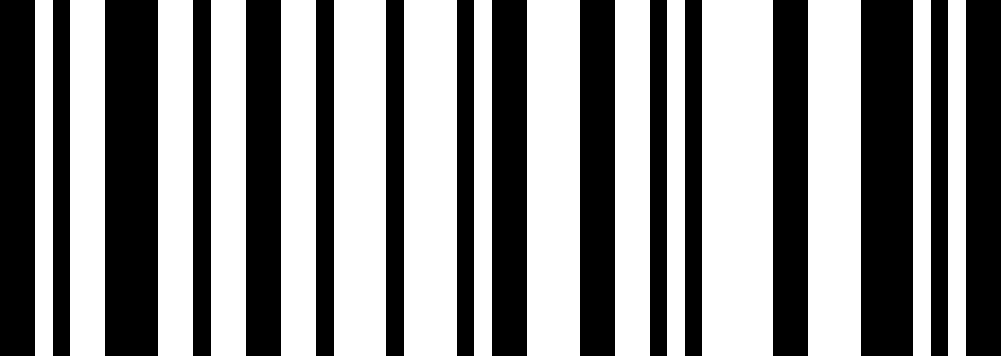

A standard 1D barcode with vertical black bars of varying widths on a white background.

0632

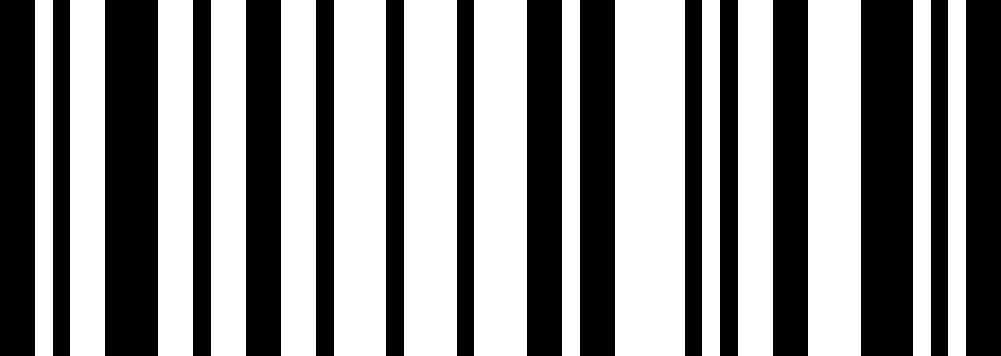

0633

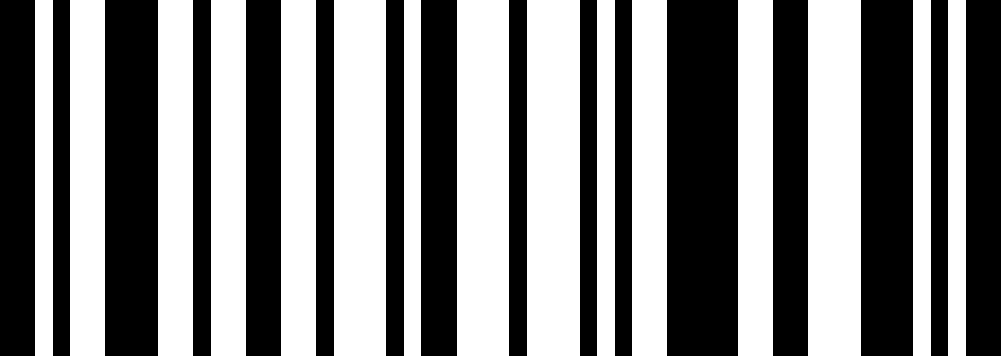

A standard 1D barcode with vertical black bars of varying widths on a white background.

0634

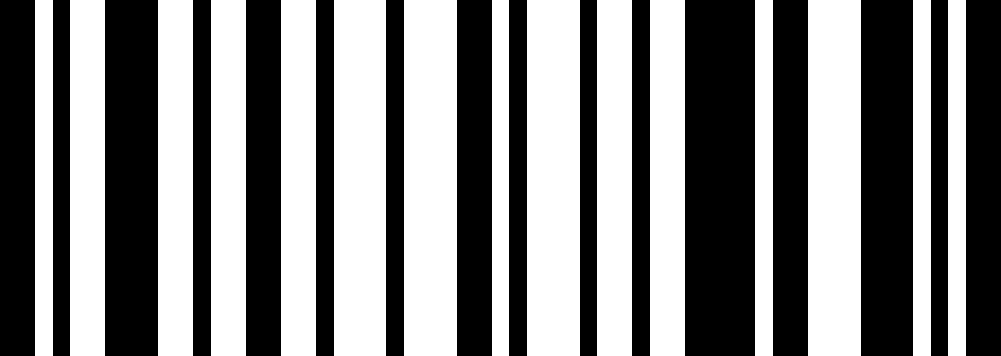

A standard 1D barcode with vertical black bars of varying widths on a white background.

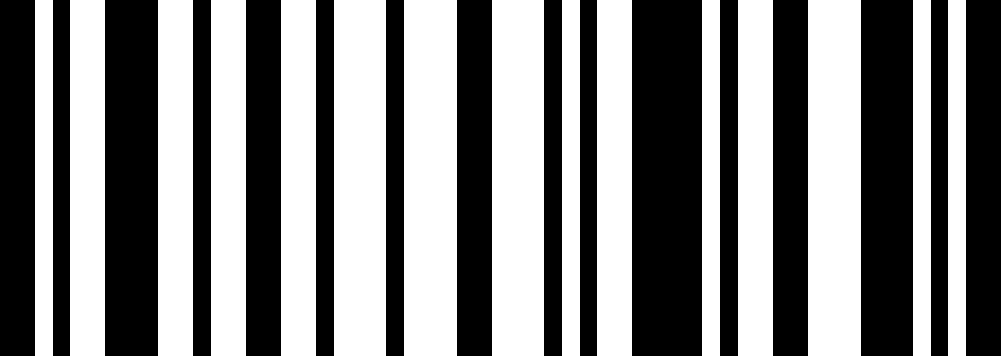

0635

0636

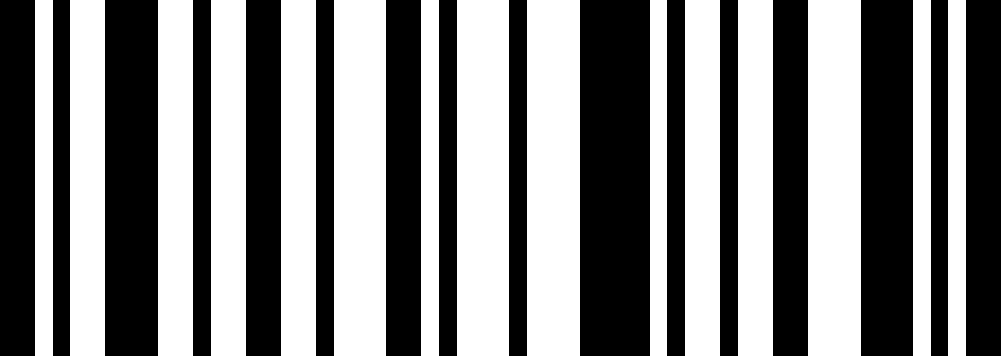

0637

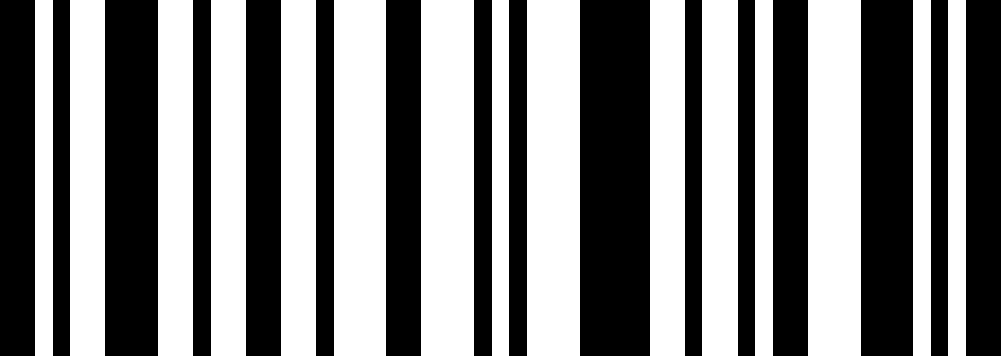

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0638

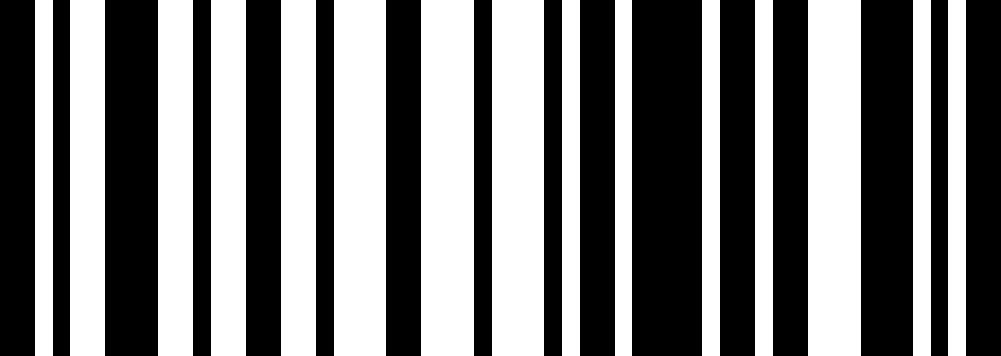

0639

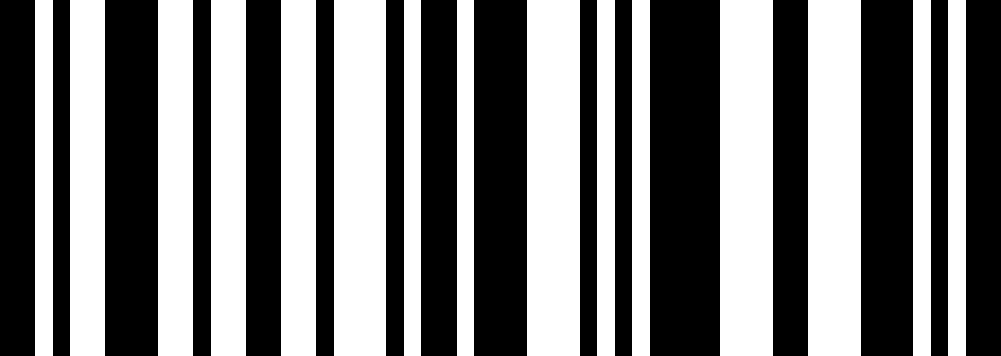

A standard 1D barcode with vertical black bars of varying widths on a white background.

0640

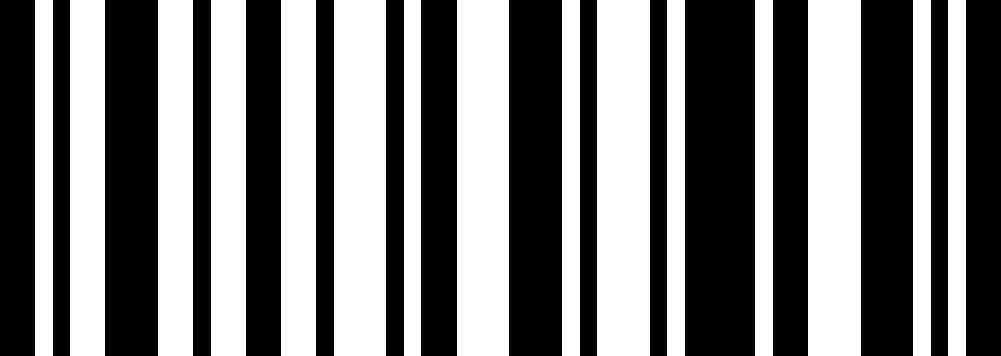

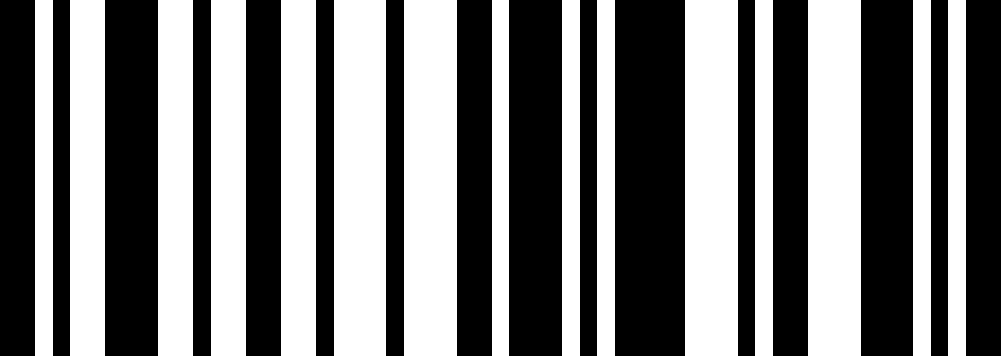

0641

A standard 1D barcode with vertical black bars of varying widths on a white background.

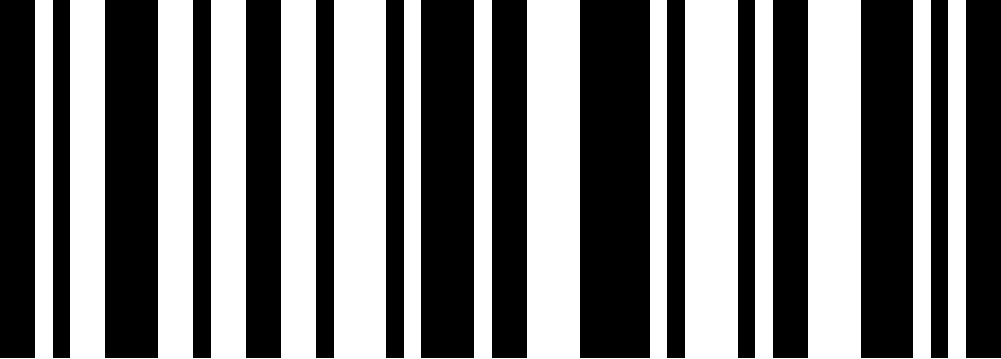

0642

A standard 1D barcode with vertical black bars of varying widths on a white background.

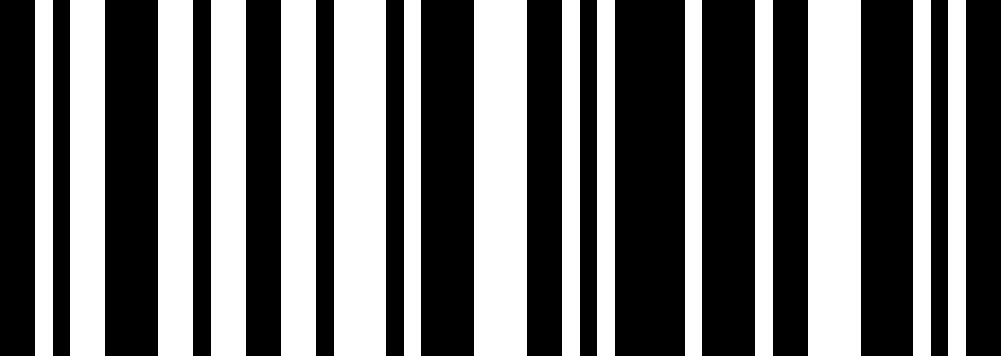

0643

A standard 1D barcode with vertical black bars of varying widths on a white background.

0644

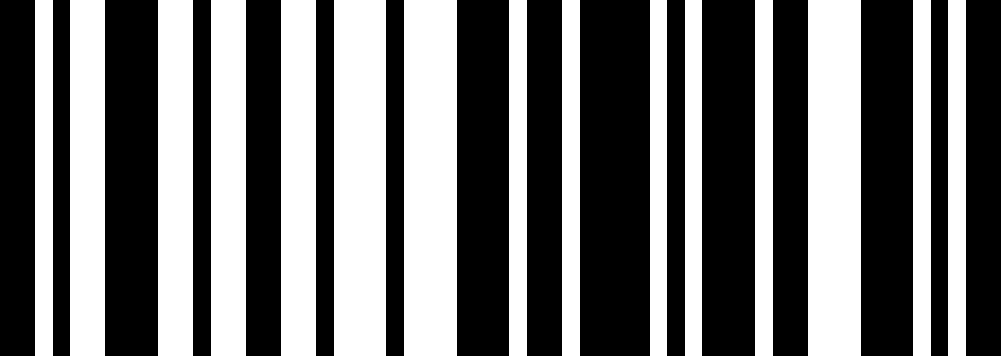

A standard 1D barcode with vertical black bars of varying widths on a white background.

0645

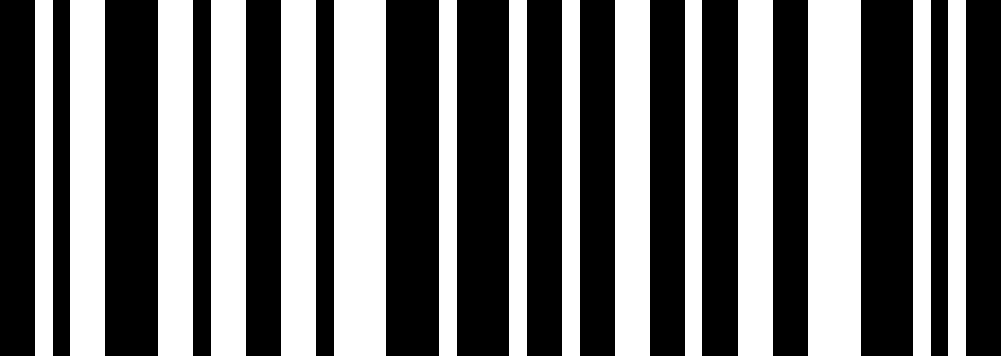

A standard 1D barcode with vertical black bars of varying widths on a white background.

0646

A standard 1D barcode with vertical black bars of varying widths on a white background.

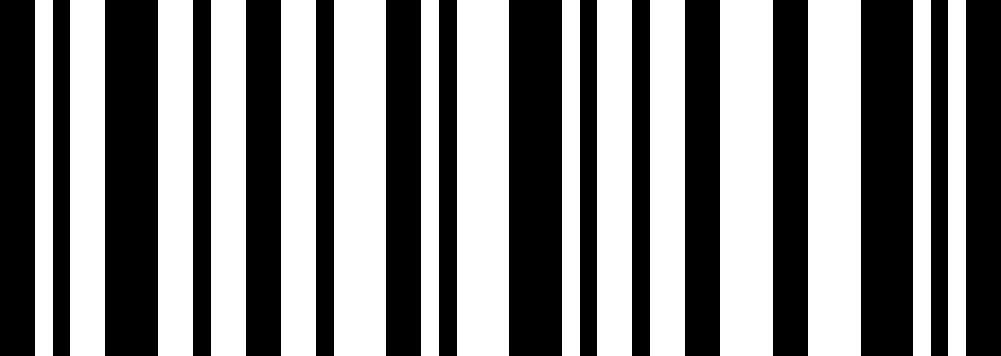

0647

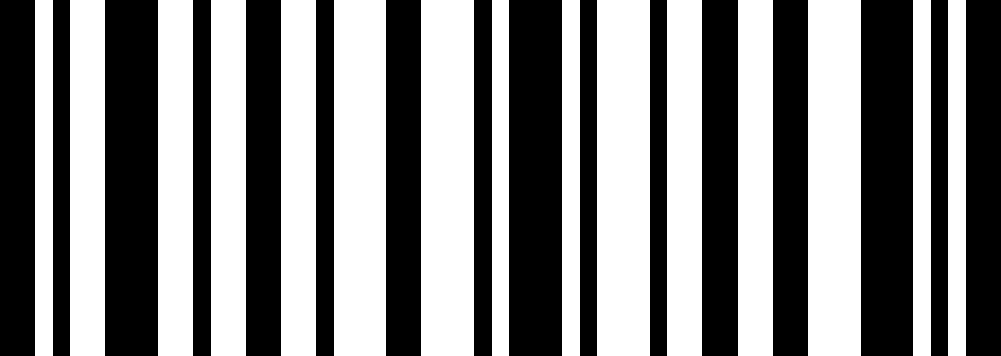

A standard 1D barcode with vertical black bars of varying widths on a white background.

0648

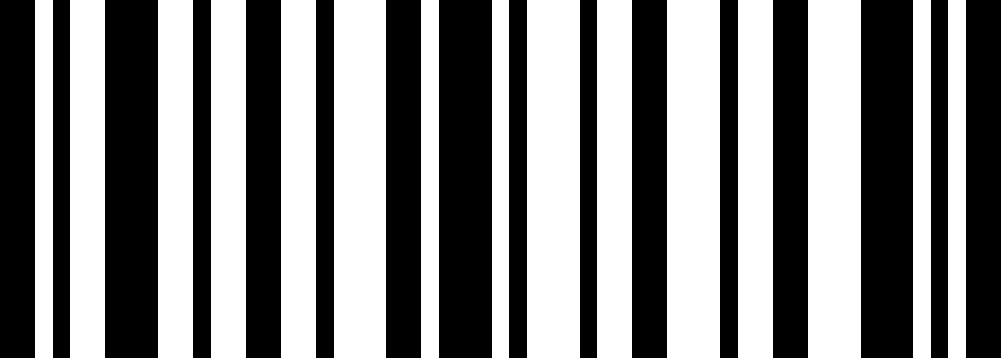

0649

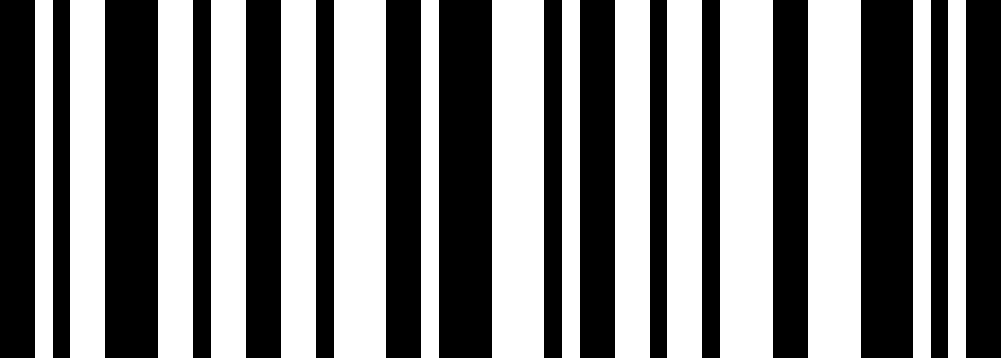

A standard 1D barcode with vertical black bars of varying widths on a white background.

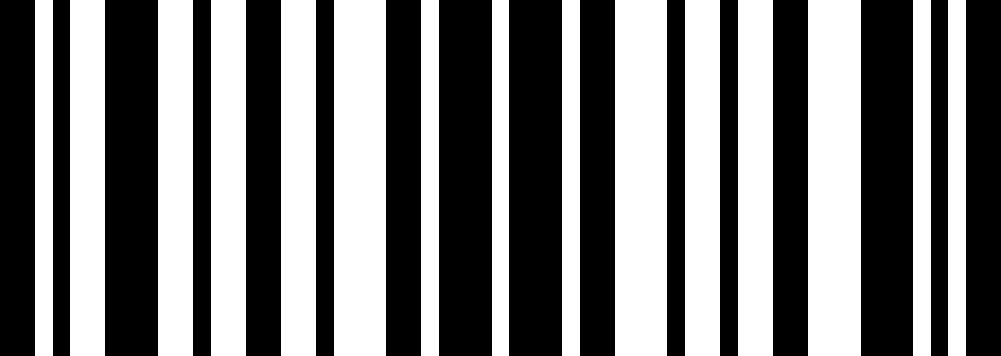

0650

A standard 1D barcode with vertical black bars of varying widths on a white background.

0651

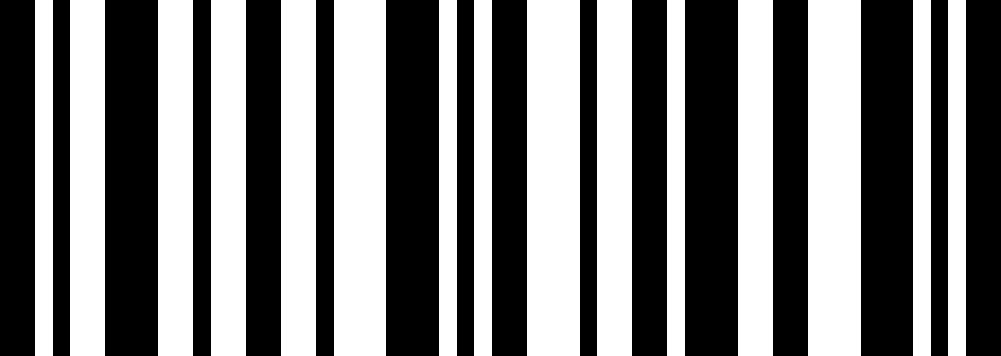

A standard 1D barcode with vertical black bars of varying widths on a white background.

0652

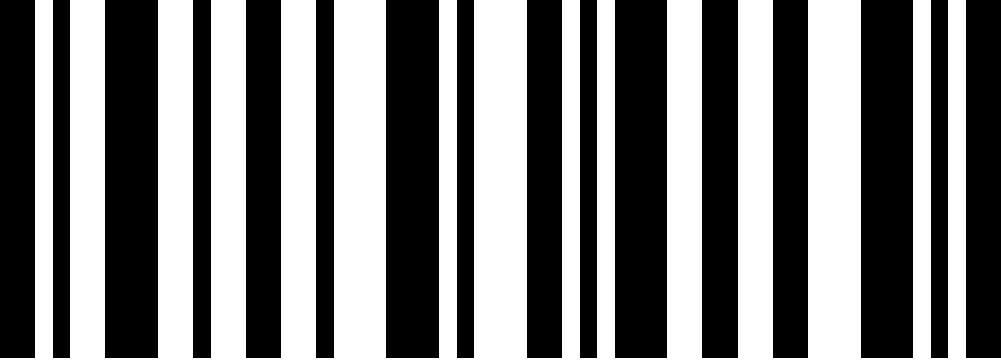

A standard 1D barcode consisting of vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image.

0653

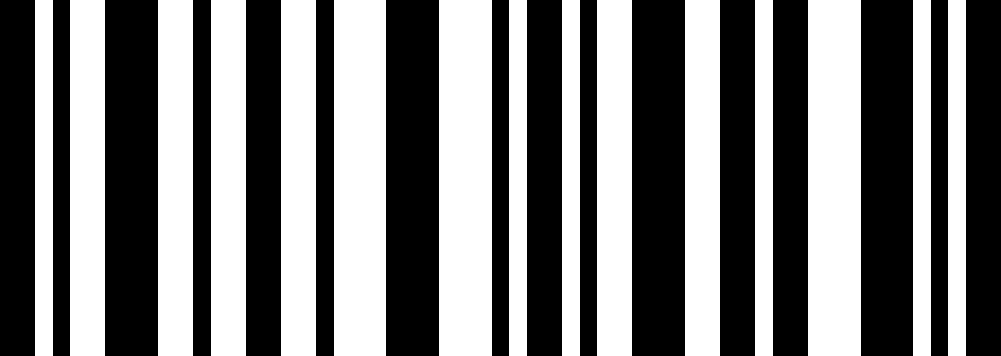

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the number 0654.

0654

A standard 1D barcode with vertical black bars of varying widths on a white background.

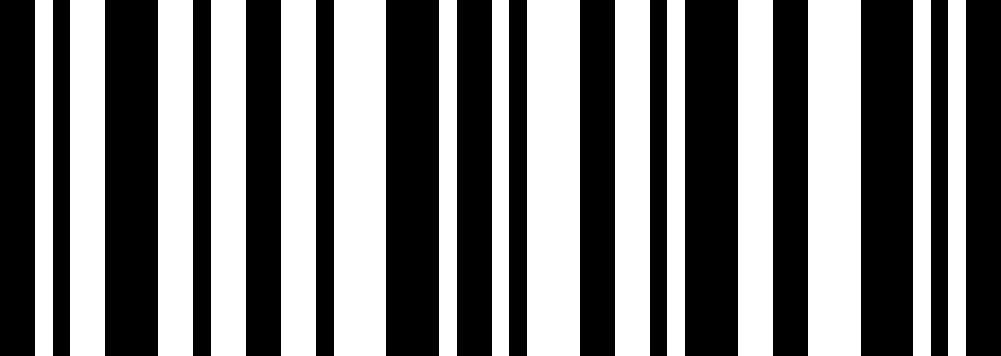

0655

A standard 1D barcode with vertical black bars of varying widths on a white background.

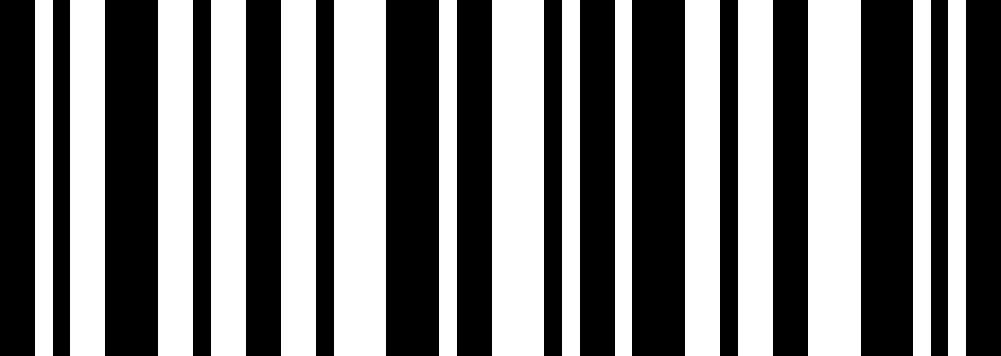

0656

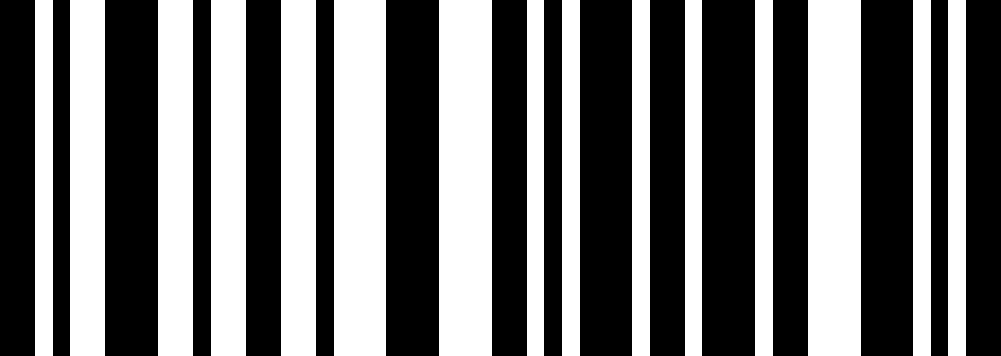

A standard 1D barcode with vertical black bars of varying widths on a white background.

0657

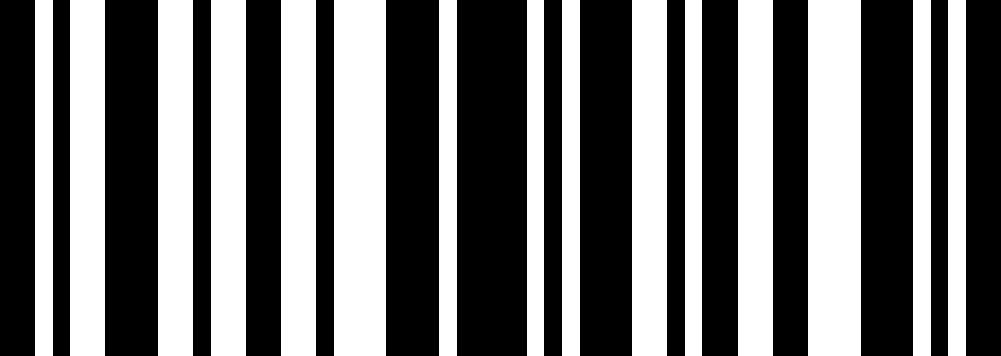

A standard 1D barcode with vertical black bars of varying widths on a white background.

0658

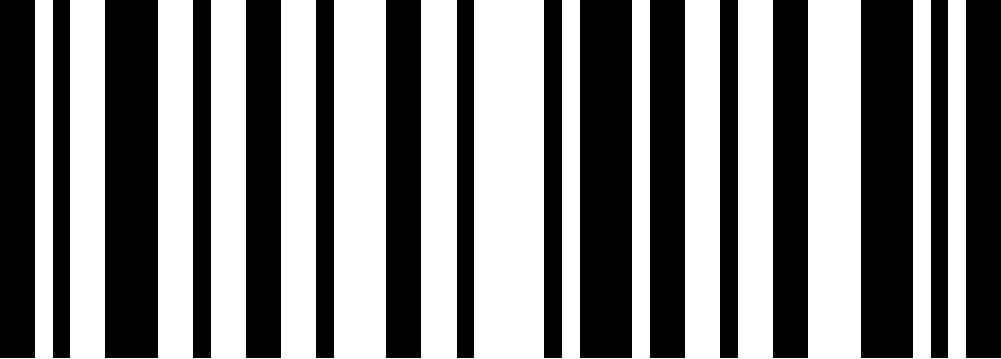

A standard 1D barcode consisting of vertical black bars of varying widths on a white background.

0659

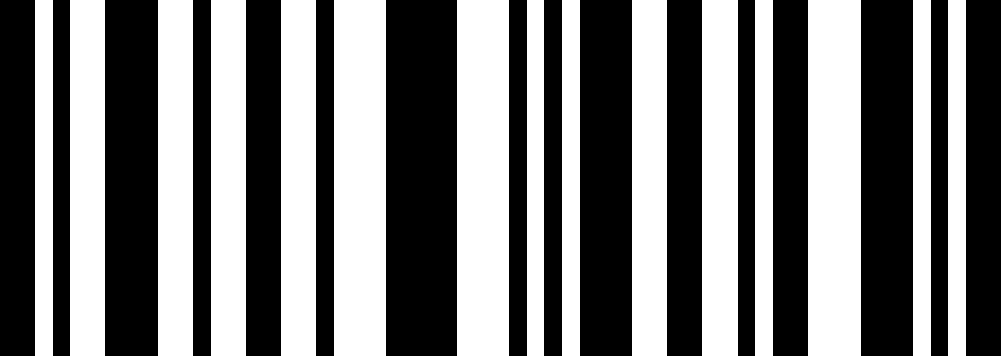

A standard 1D barcode with vertical black bars of varying widths on a white background.

0660

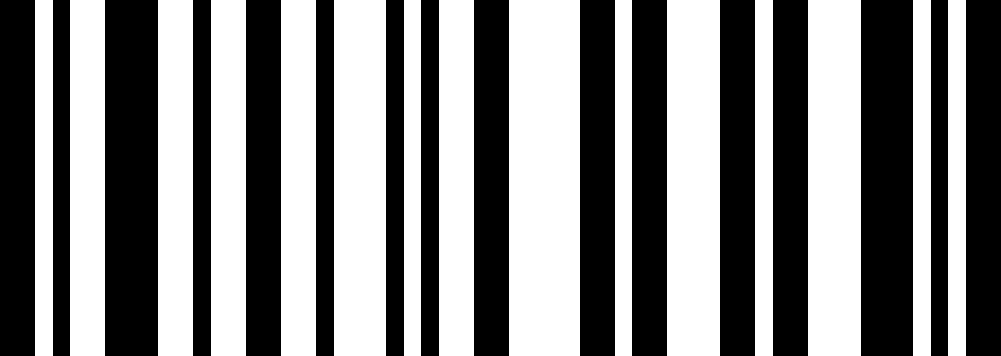

0661

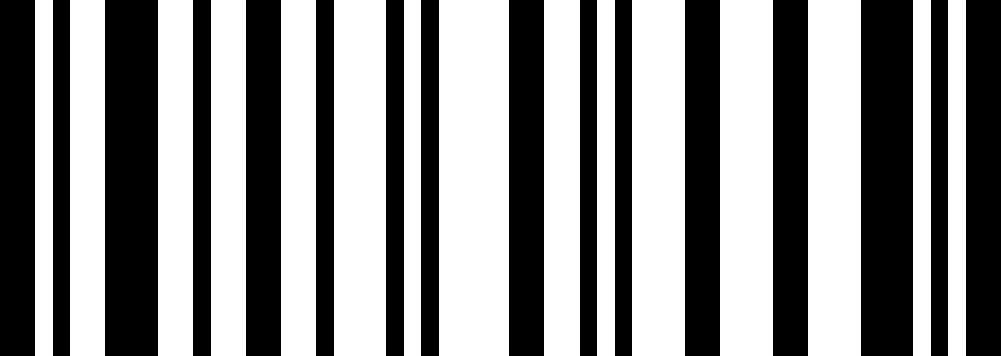

A standard 1D barcode with vertical black bars of varying widths on a white background.

0662

A standard 1D barcode with vertical black bars of varying widths on a white background.

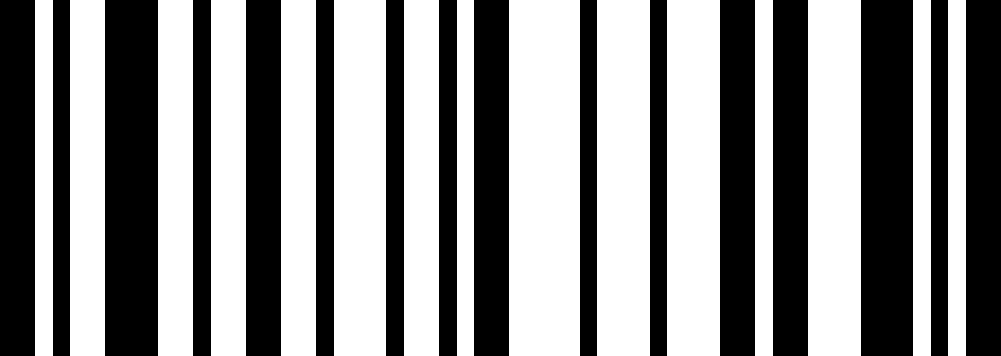

0663

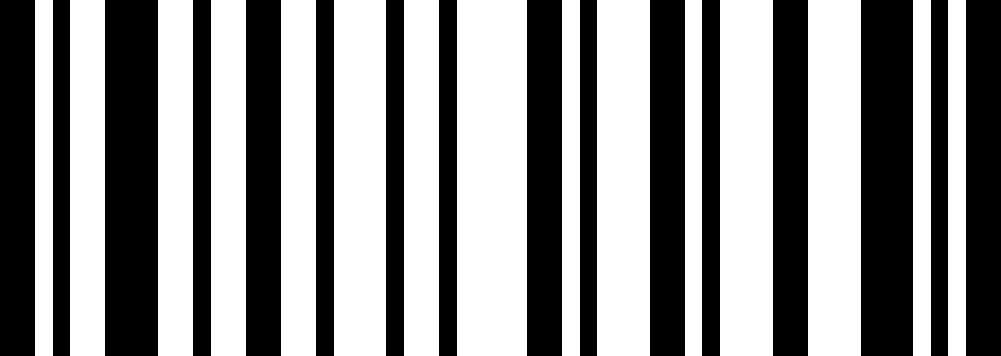

A standard 1D barcode with vertical black bars of varying widths on a white background.

0664

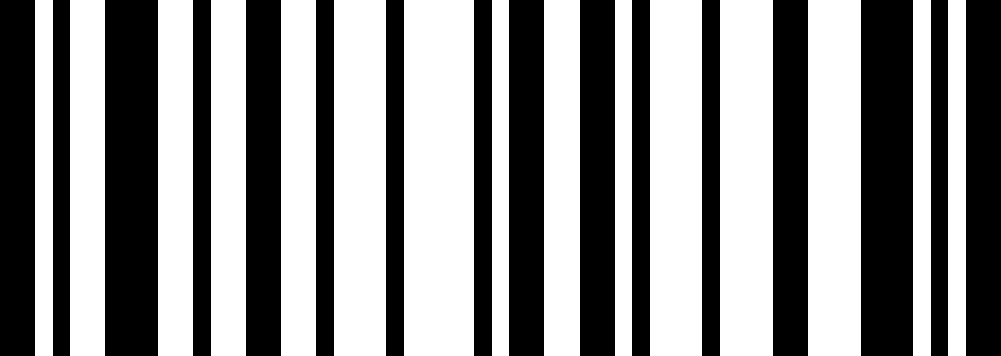

A standard 1D barcode with vertical black bars of varying widths on a white background.

0665

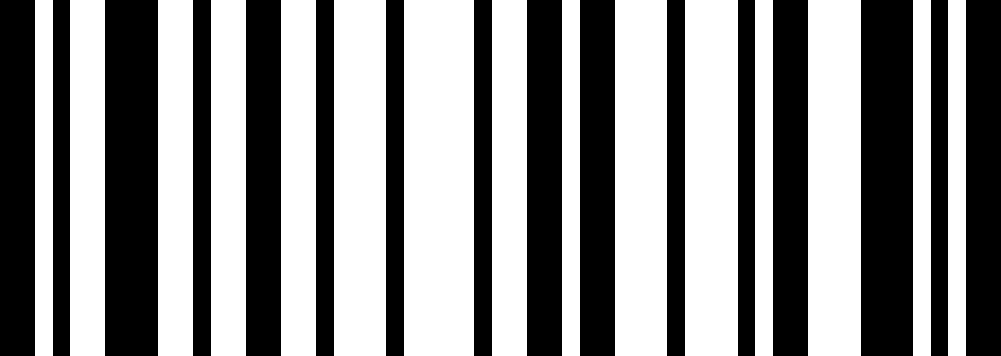

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the text '0666'.

0666

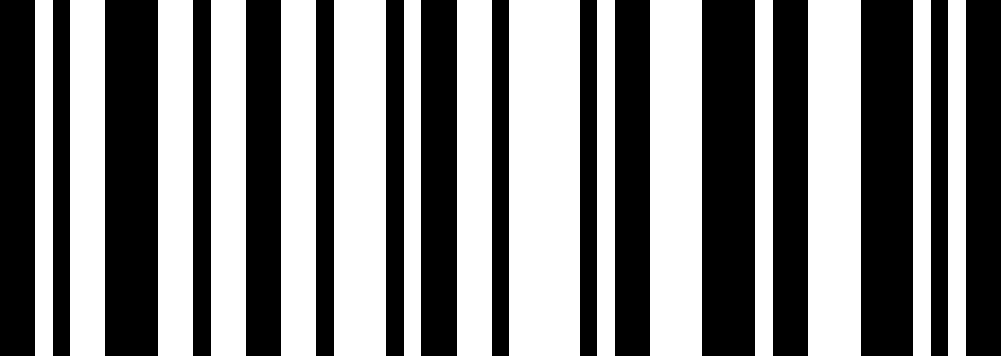

0667

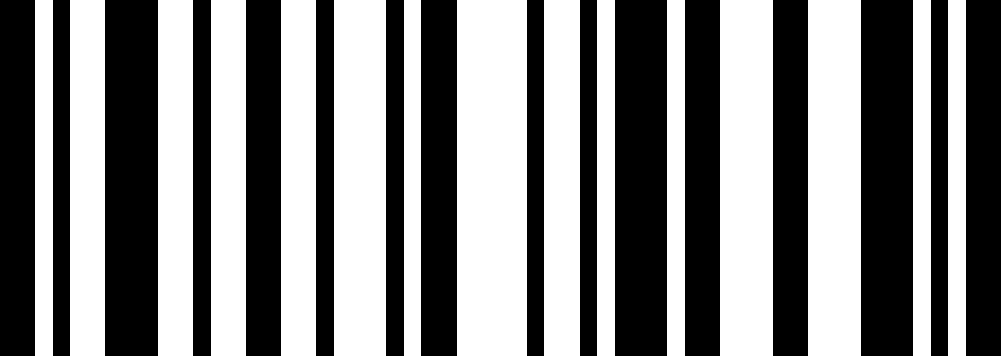

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0668

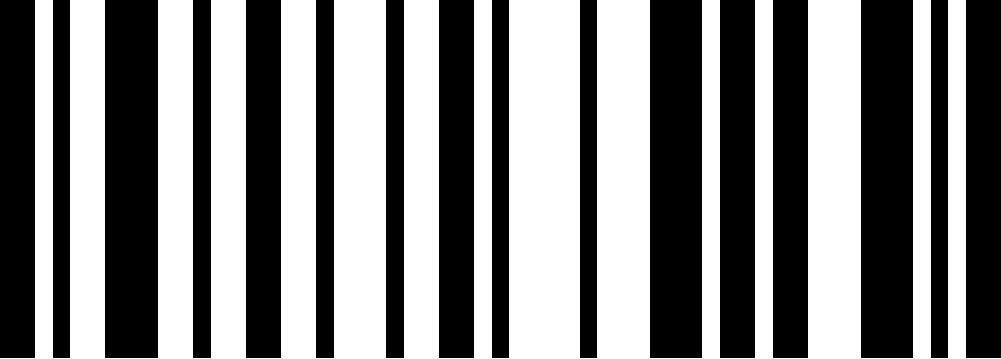

0669

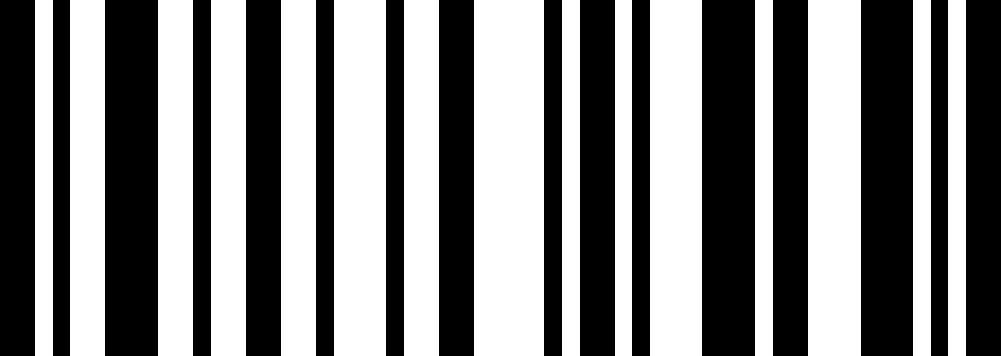

A standard 1D barcode with vertical black bars of varying widths on a white background.

0670

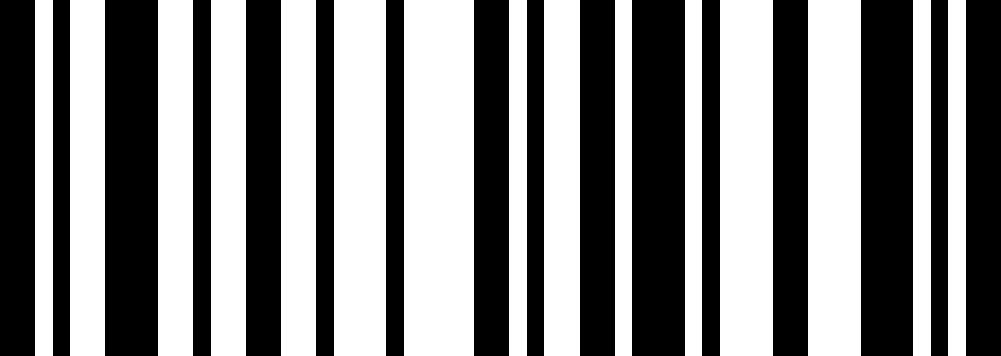

0671

A standard 1D barcode with vertical black bars of varying widths on a white background.

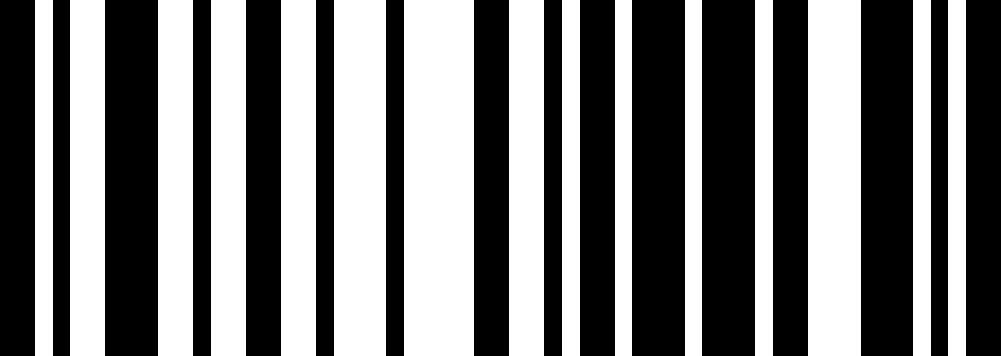

0672

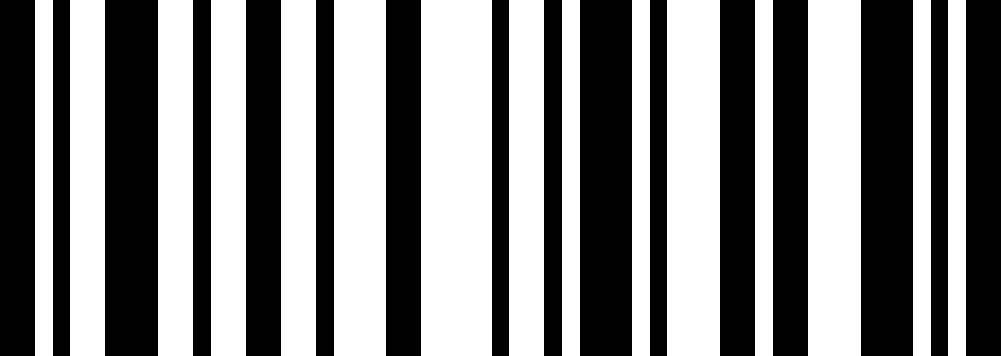

A barcode consisting of vertical black bars of varying widths on a white background.

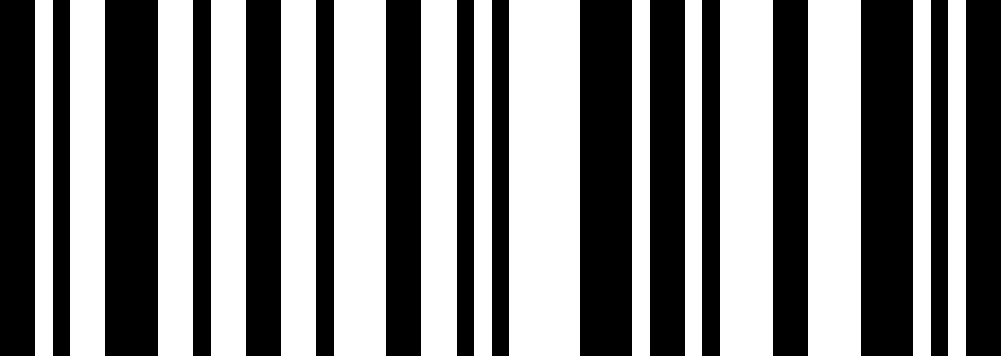

0673

A standard 1D barcode with vertical black bars of varying widths on a white background.

0674

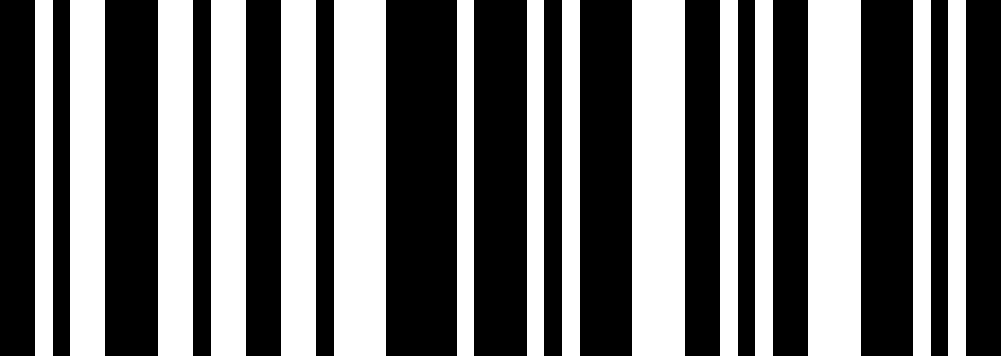

A standard 1D barcode with vertical black bars of varying widths on a white background.

0675

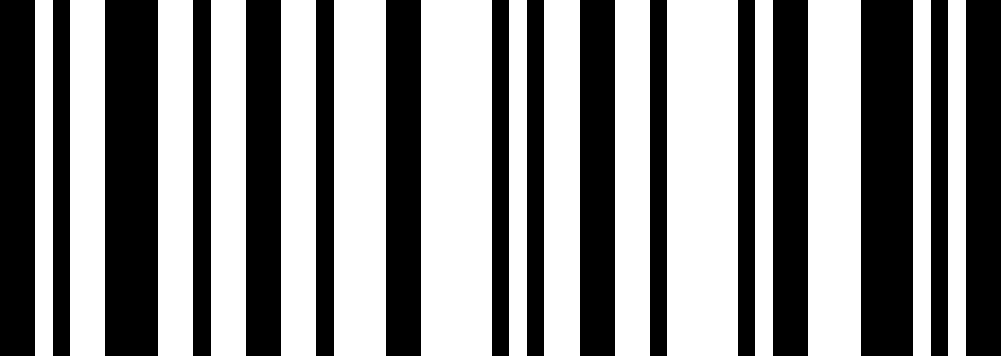

A standard 1D barcode with vertical black bars of varying widths on a white background.

0676

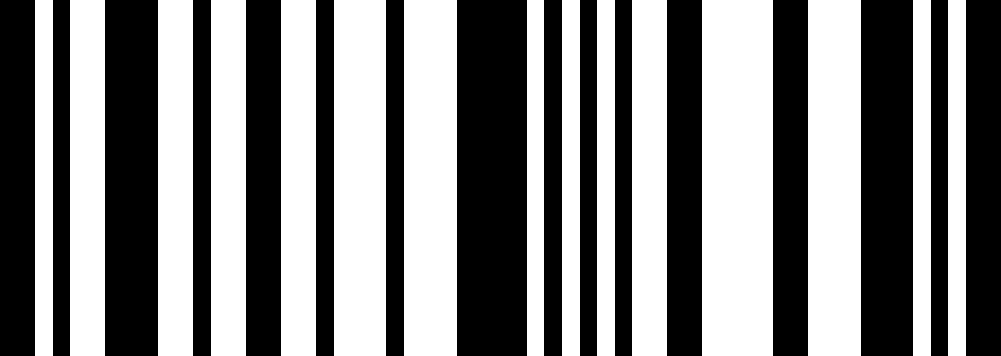

0677

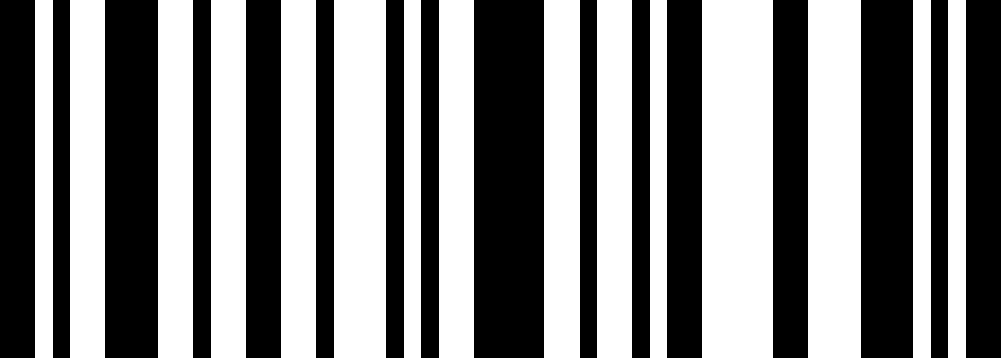

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image.

0678

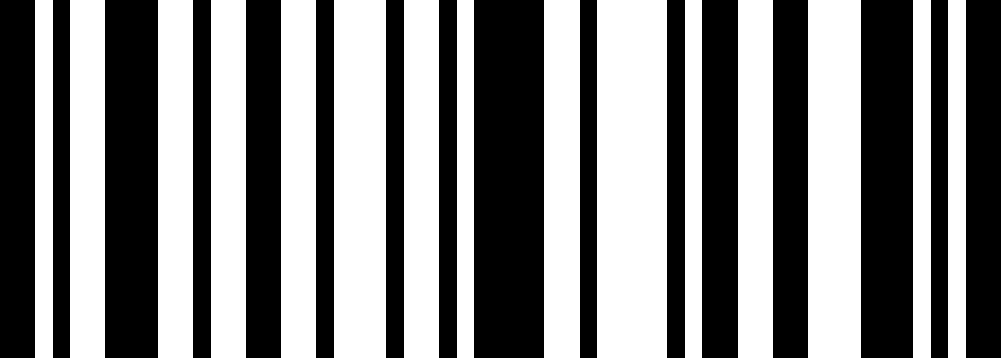

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the numbers 0, 6, 7, and 9.

0679

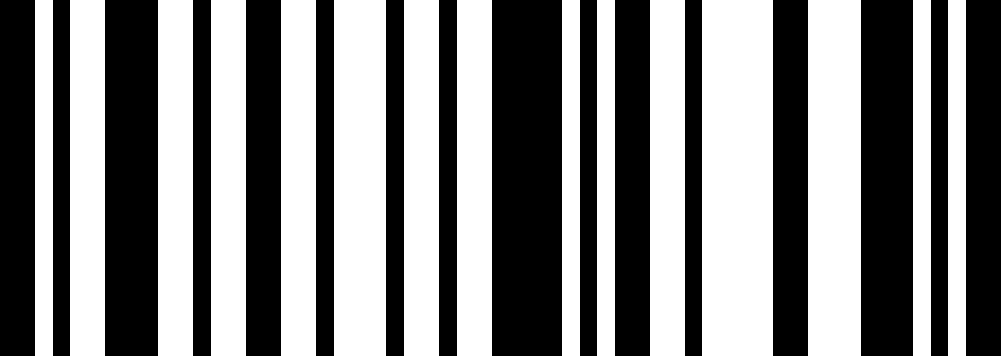

A standard 1D barcode with vertical black bars of varying widths on a white background.

0680

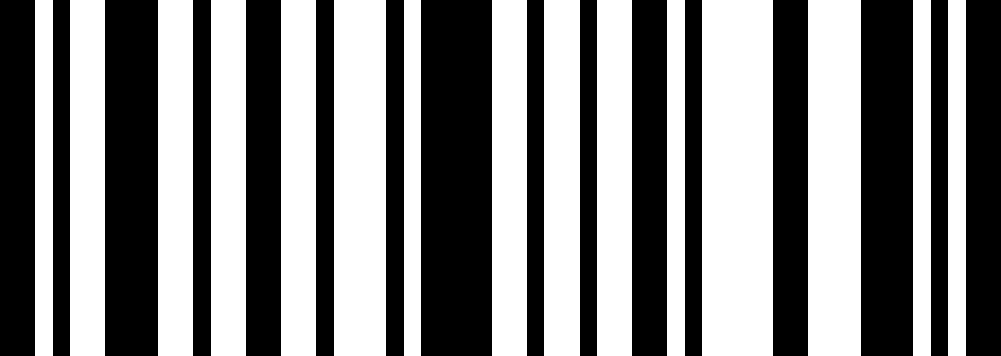

0681

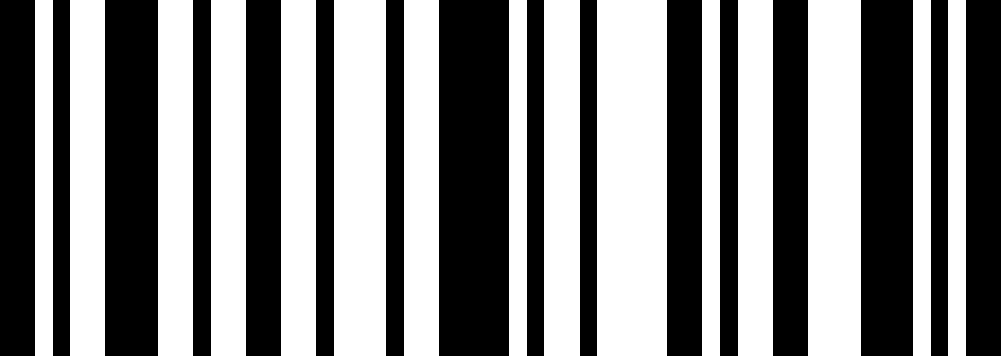

A standard 1D barcode with vertical black bars of varying widths on a white background.

0682

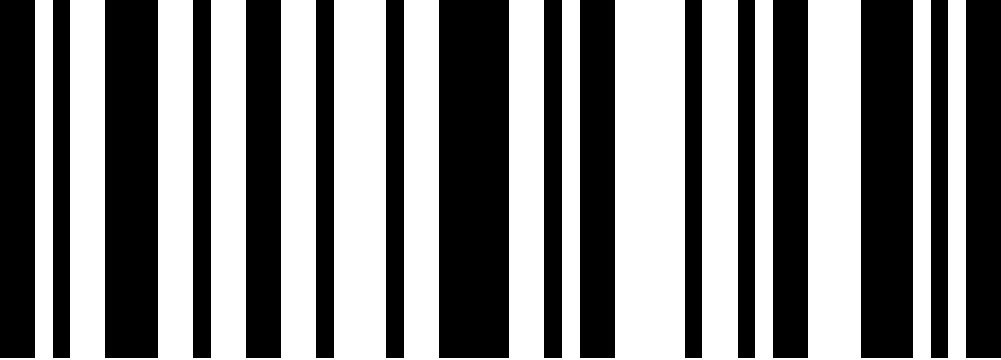

A standard 1D barcode with vertical black bars of varying widths on a white background.

0683

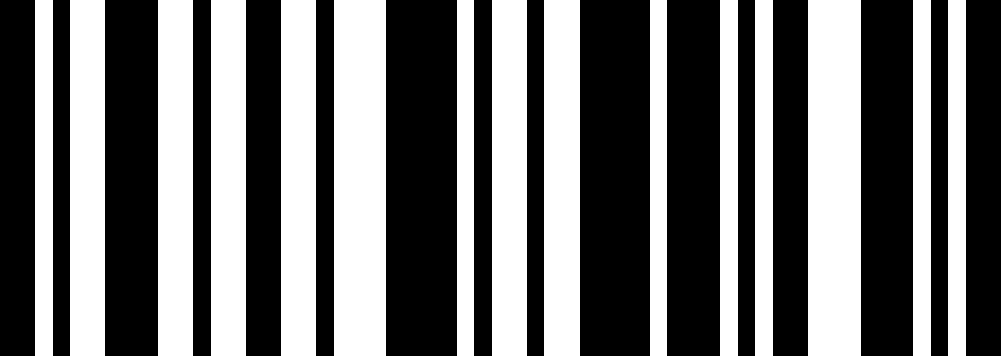

A barcode consisting of vertical black bars of varying widths on a white background.

0684

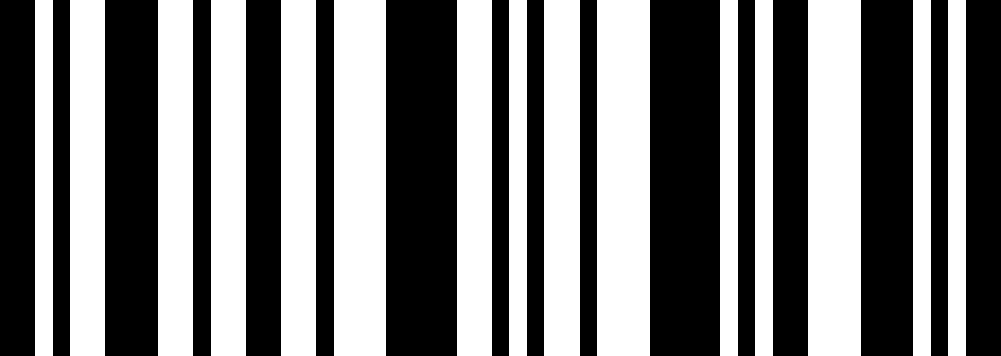

A standard 1D barcode with vertical black bars of varying widths on a white background.

0685

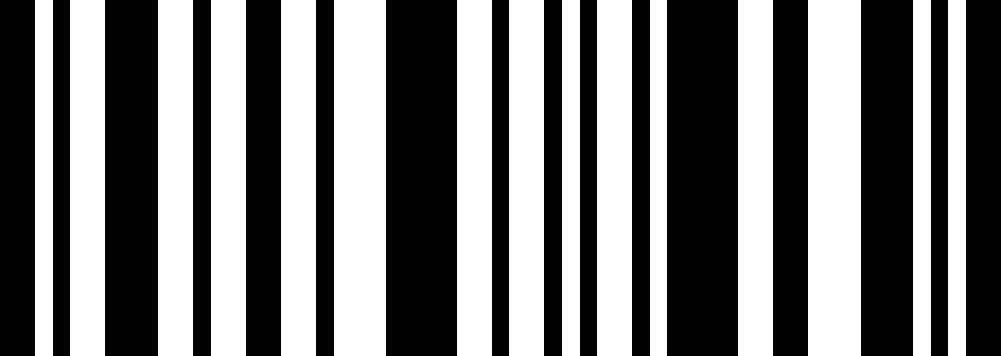

A standard 1D barcode with vertical black bars of varying widths on a white background.

0686

A barcode consisting of vertical black bars of varying widths on a white background.

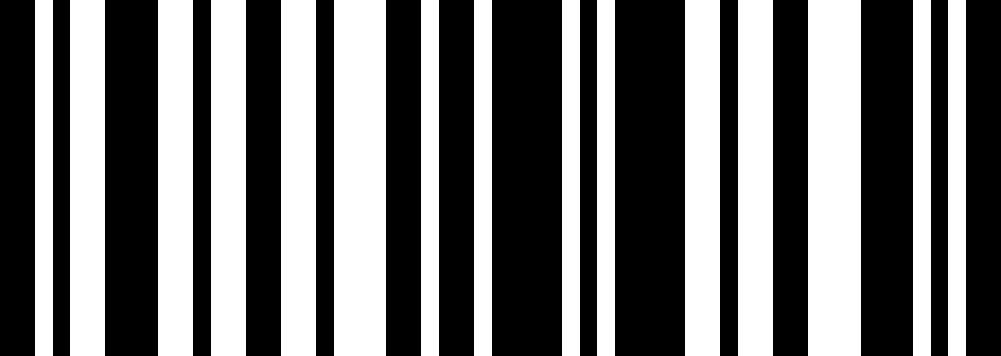

0687

A standard 1D barcode with vertical black bars of varying widths on a white background.

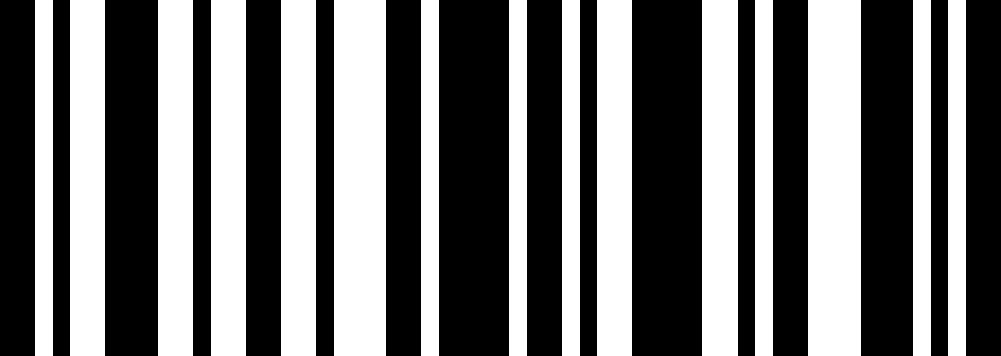

0688

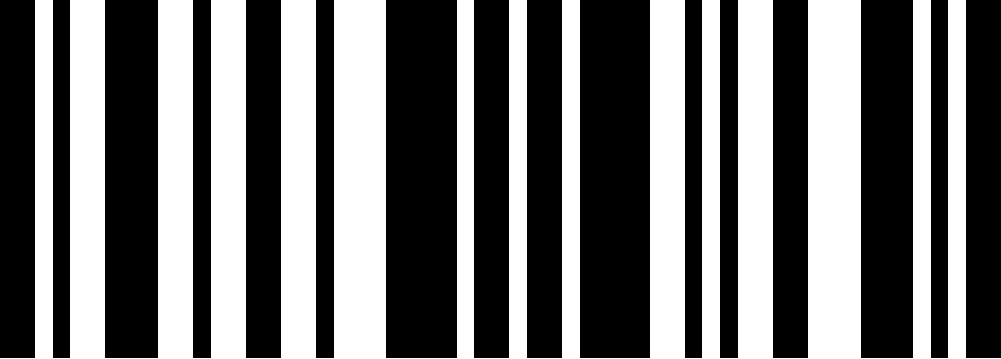

A standard 1D barcode with vertical black bars of varying widths on a white background.

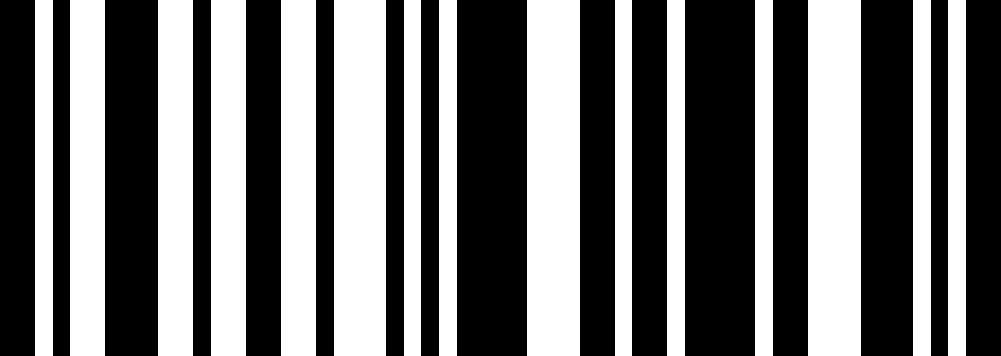

0689

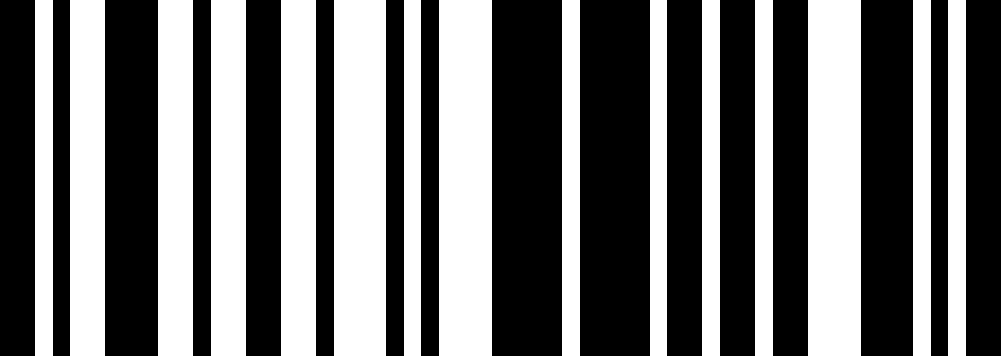

0690

A standard 1D barcode with vertical black bars of varying widths on a white background.

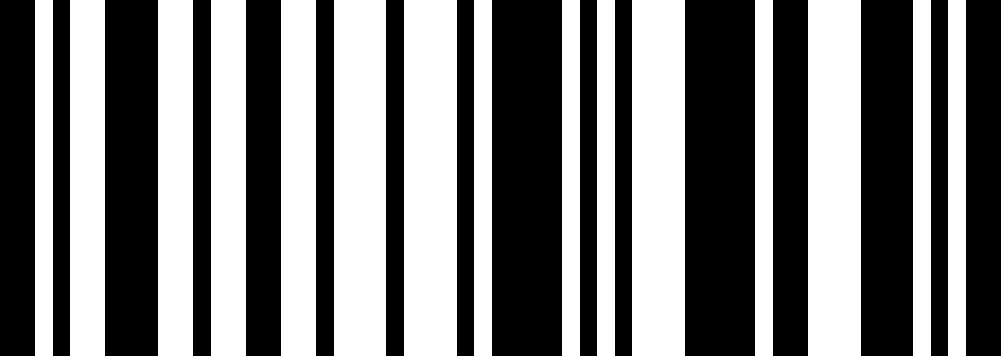

0691

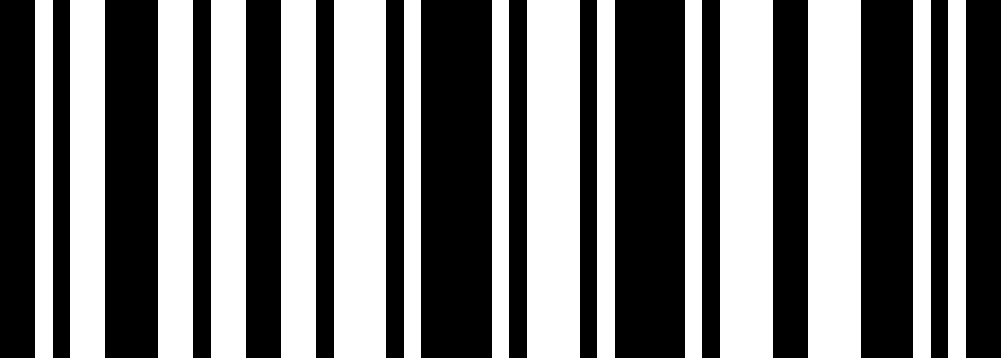

0692

A standard 1D barcode with vertical black bars of varying widths on a white background.

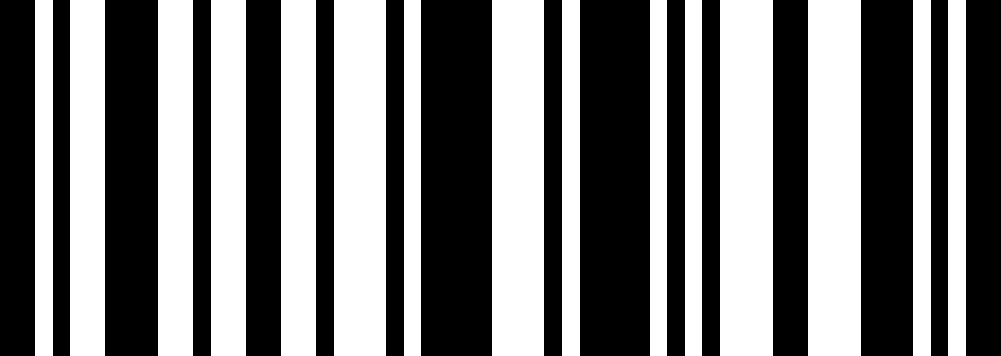

0693

0694

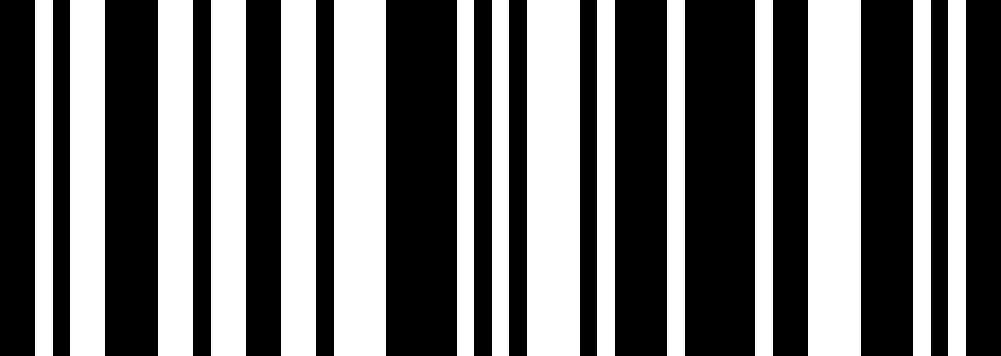

A standard 1D barcode with vertical black bars of varying widths on a white background.

0695

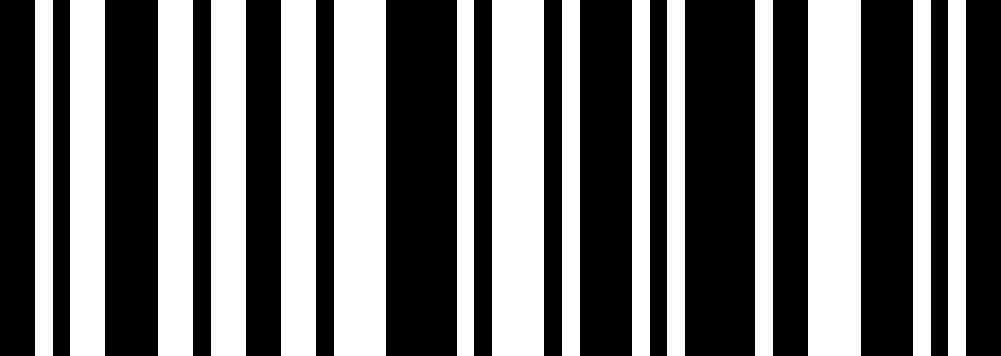

0696

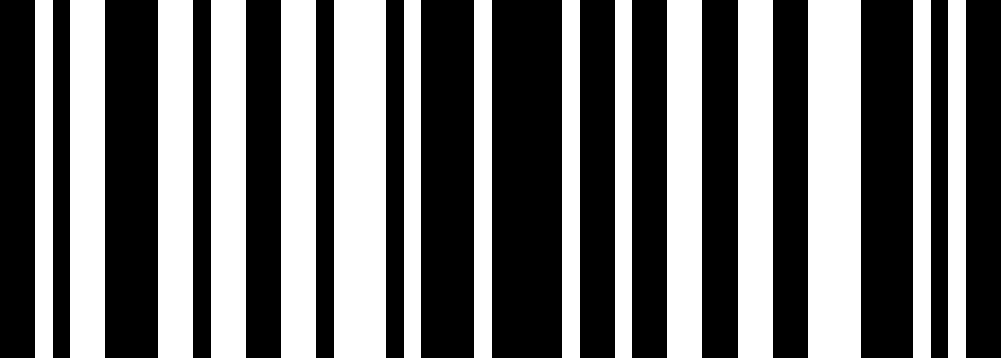

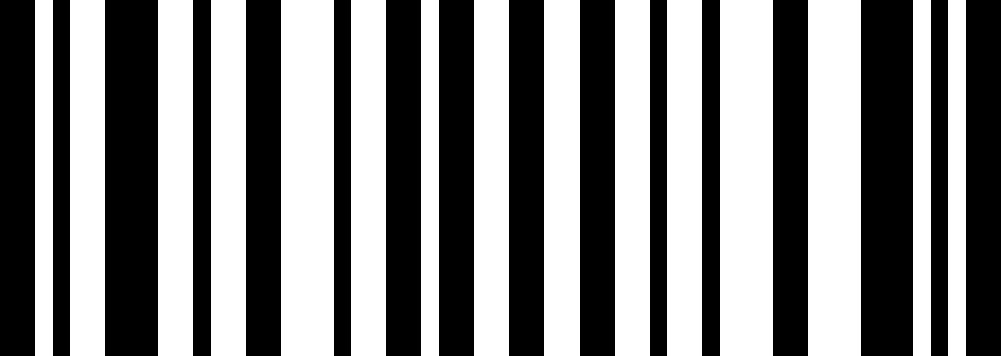

0697

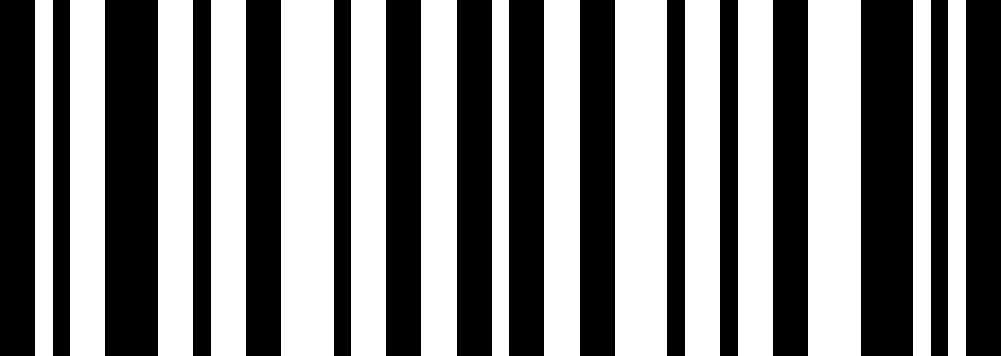

0698

A standard 1D barcode with vertical black bars of varying widths on a white background.

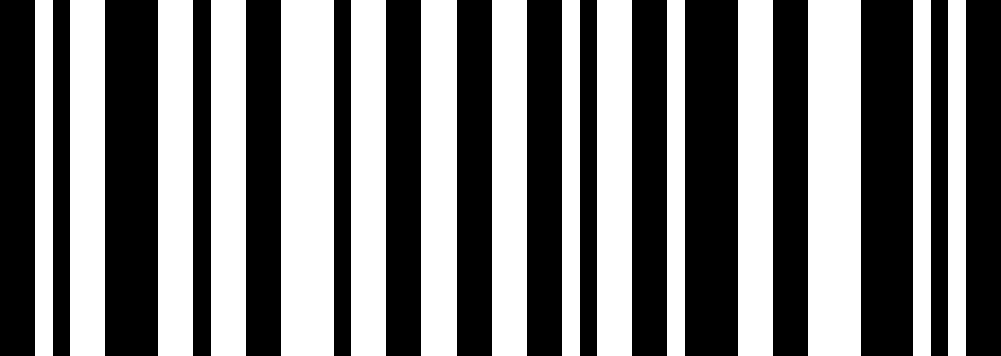

0699

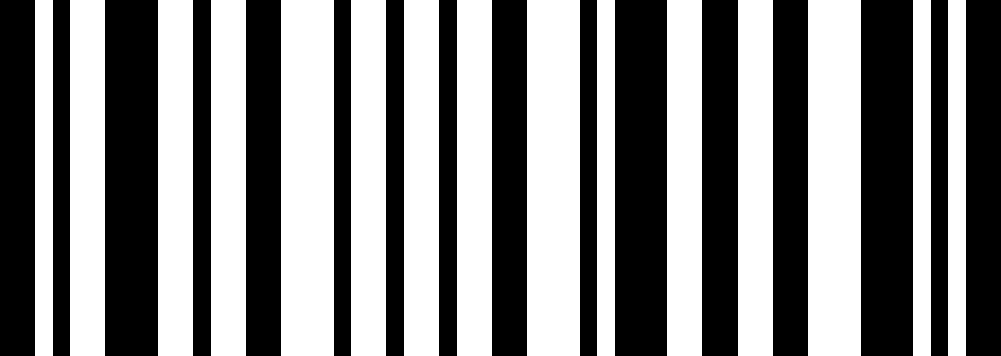

0700

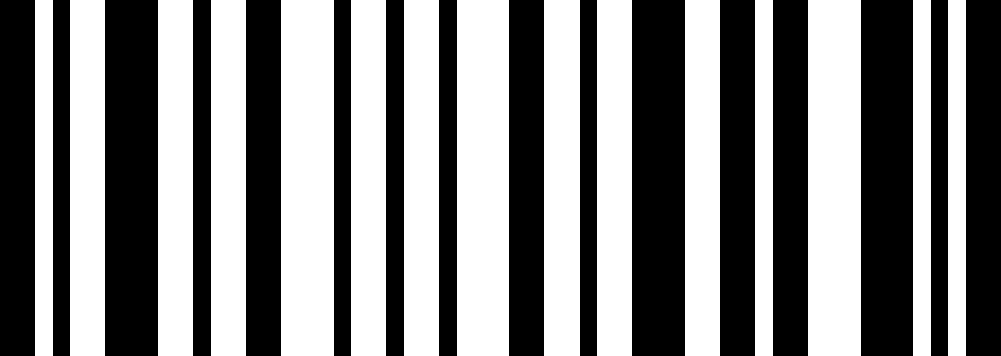

0701

0702

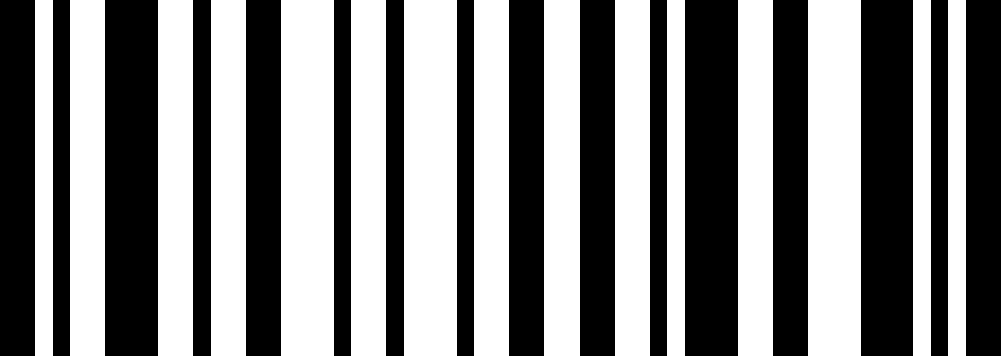

0703

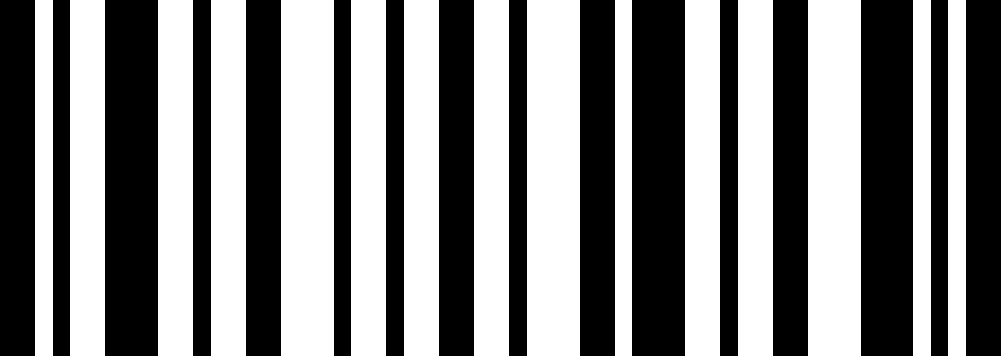

A standard 1D barcode with vertical black bars of varying widths on a white background.

0704

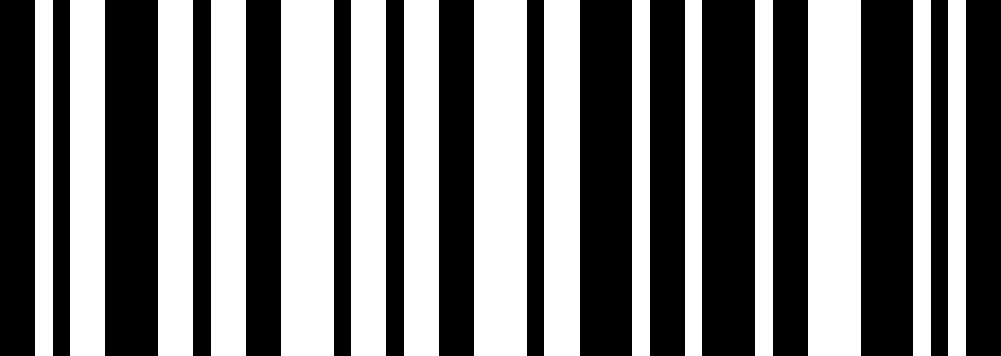

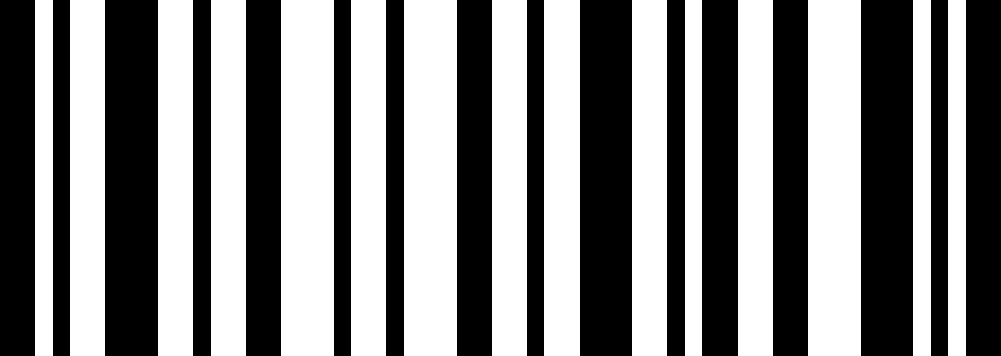

0705

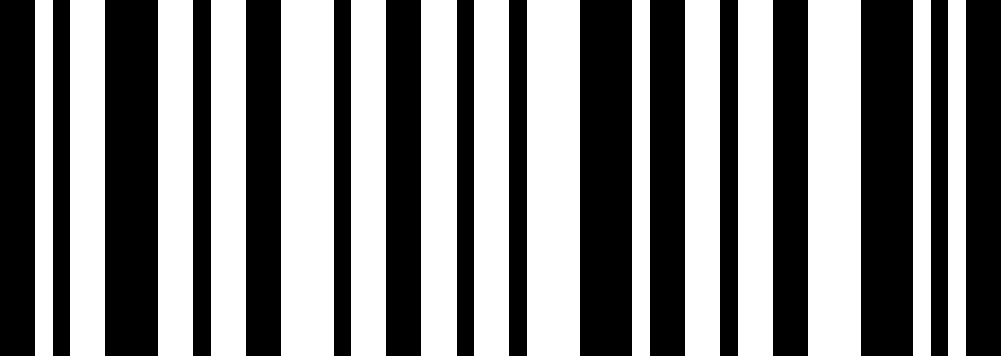

0706

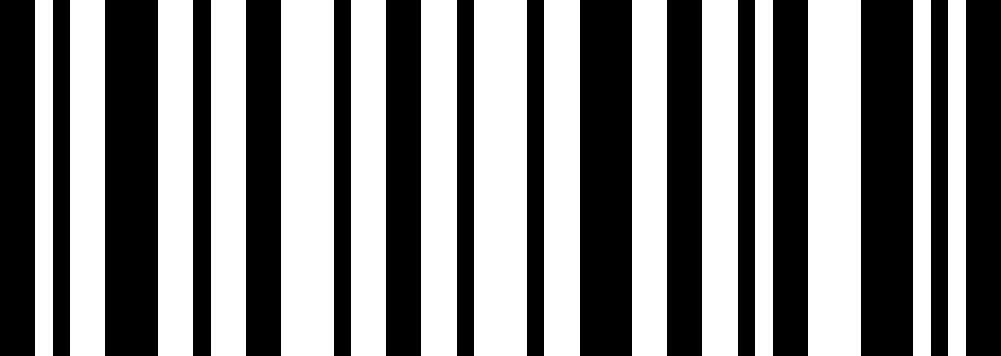

0707

A standard 1D barcode with vertical black bars of varying widths on a white background.

0708

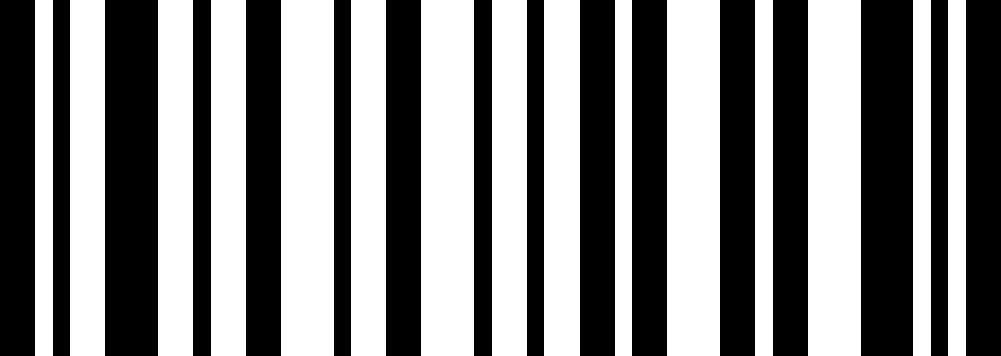

0709

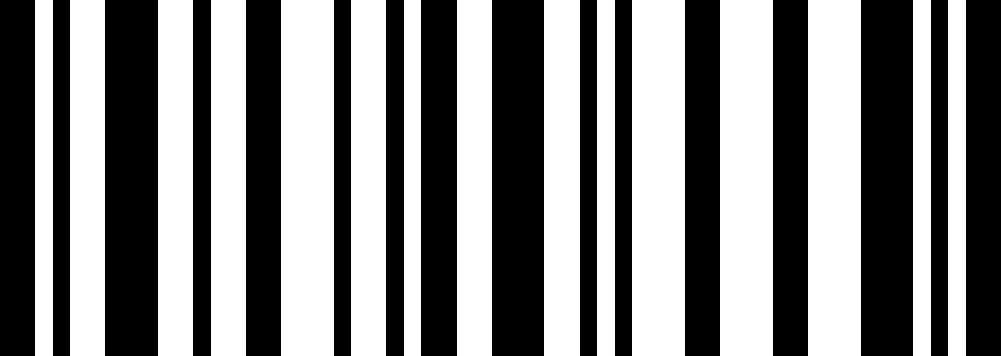

A standard 1D barcode with vertical black bars of varying widths on a white background.

0710

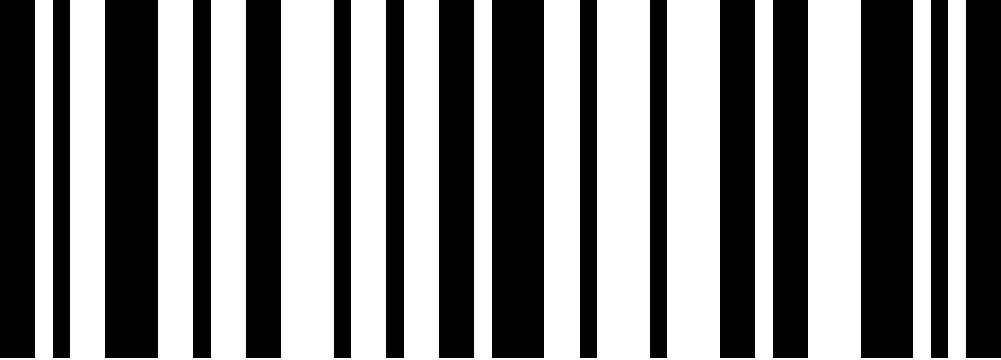

0711

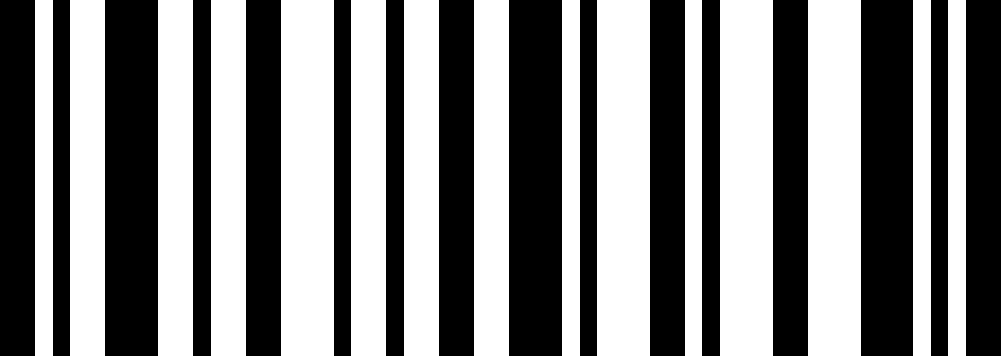

A standard 1D barcode with vertical black bars of varying widths on a white background.

0712

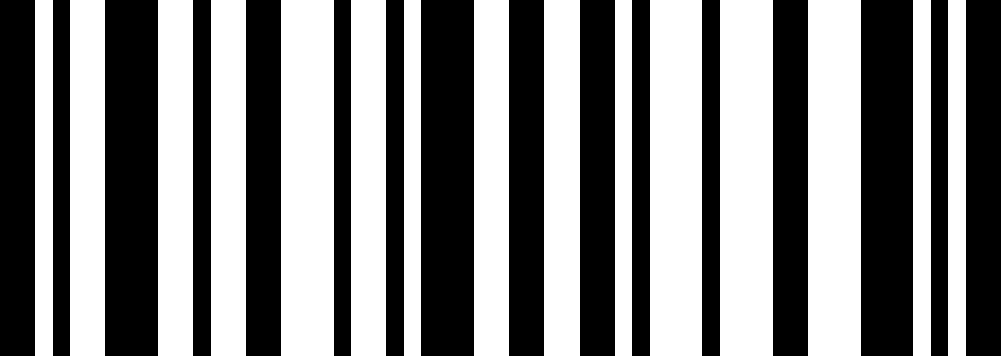

A standard 1D barcode with vertical black bars of varying widths on a white background.

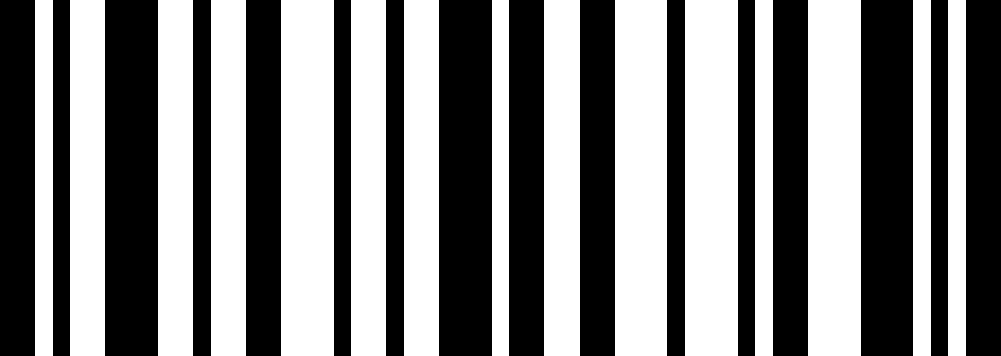

0713

0714

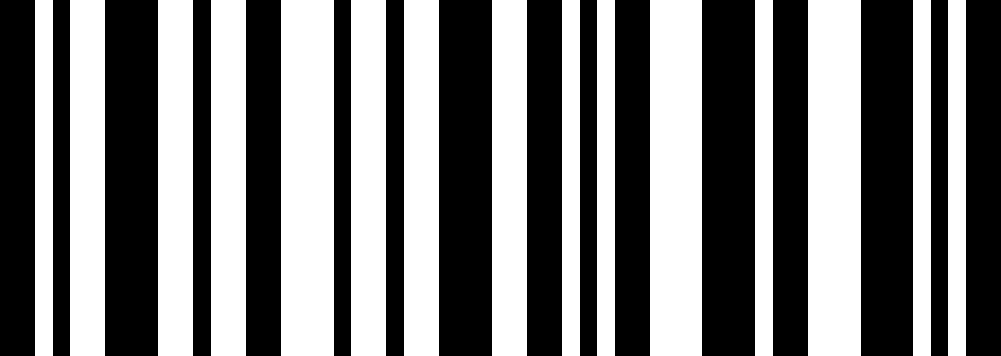

0715

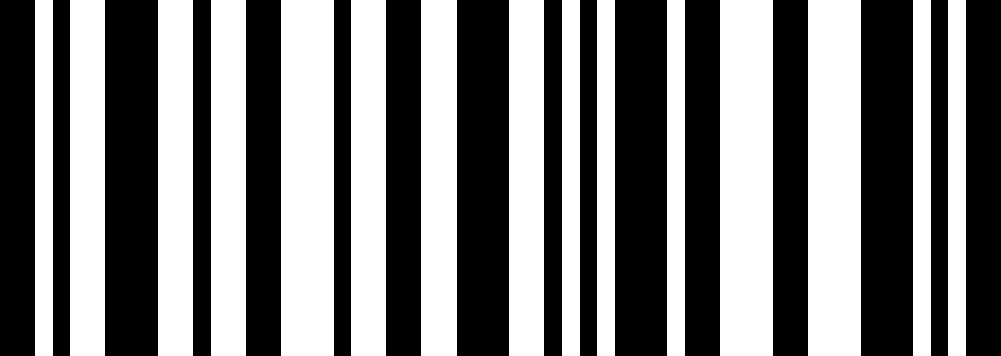

A standard 1D barcode consisting of vertical black bars of varying widths on a white background.

0828

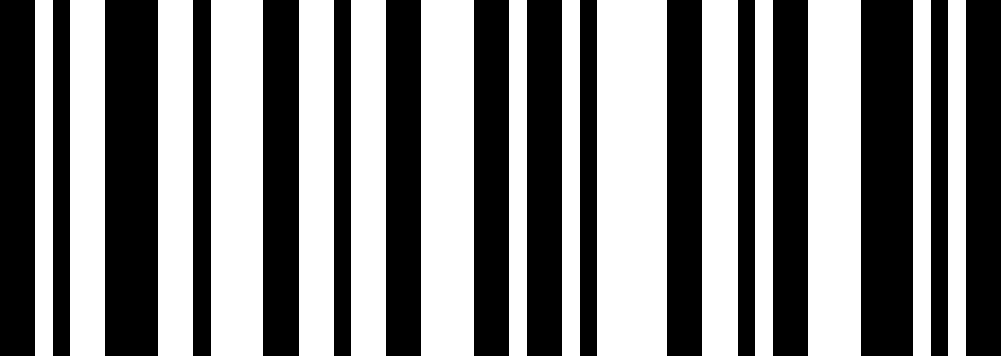

0829

0830

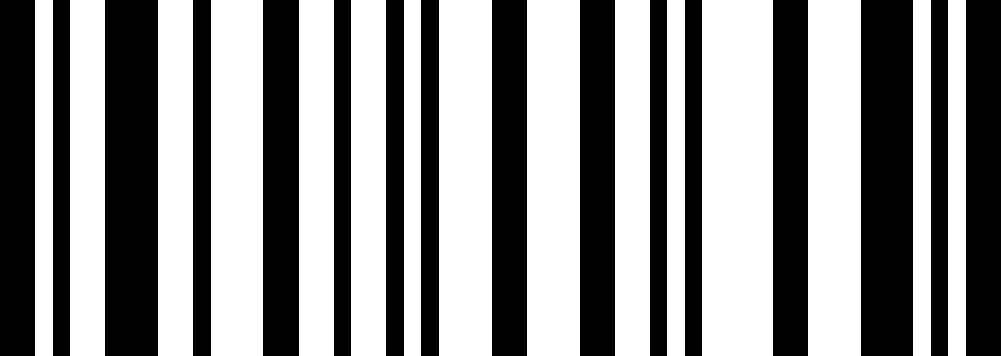

A standard 1D barcode with vertical black bars of varying widths on a white background.

0831

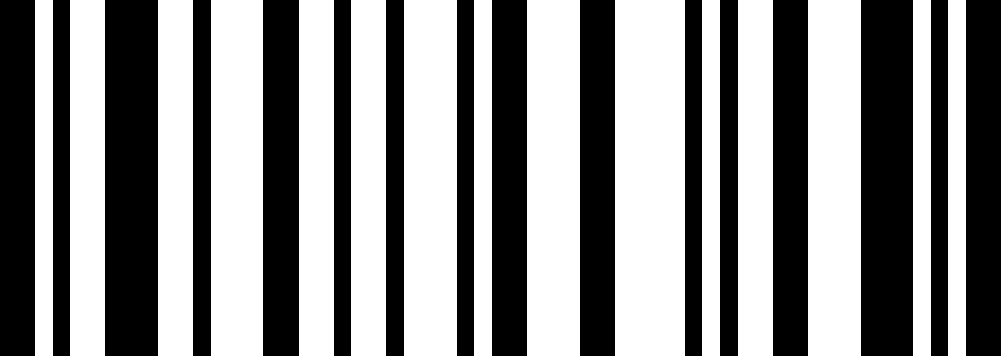

0832

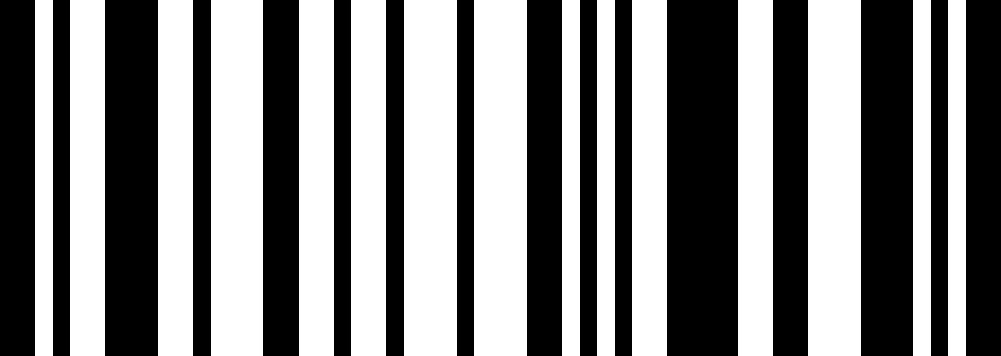

A standard 1D barcode with vertical black bars of varying widths on a white background.

0833

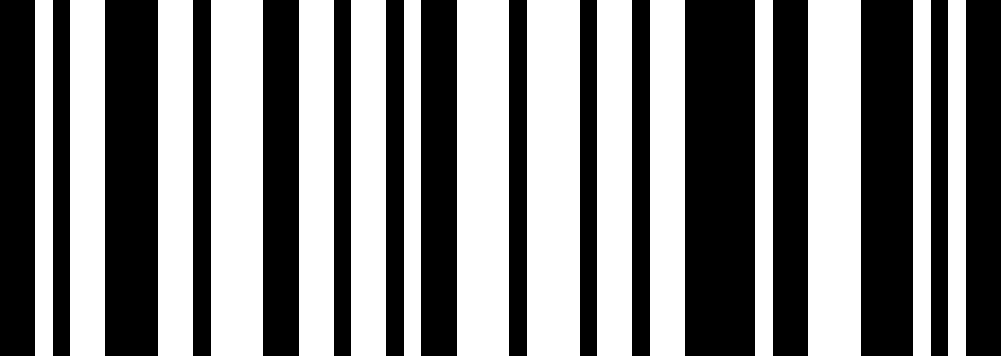

A standard 1D barcode with vertical black bars of varying widths on a white background.

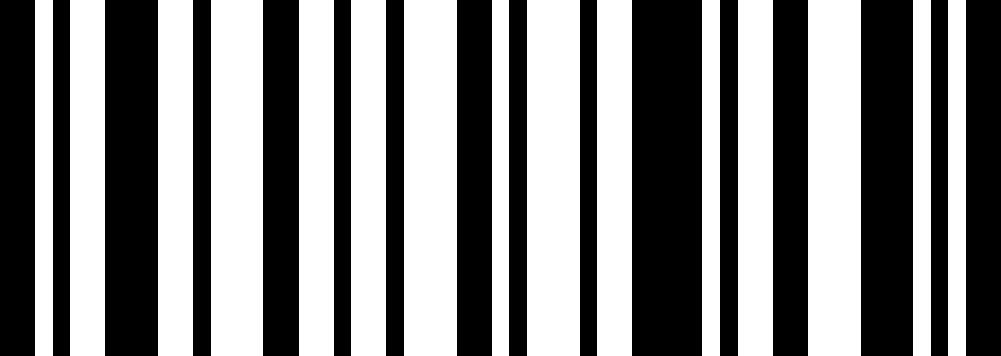

0834

A standard 1D barcode with vertical black bars of varying widths on a white background.

0835

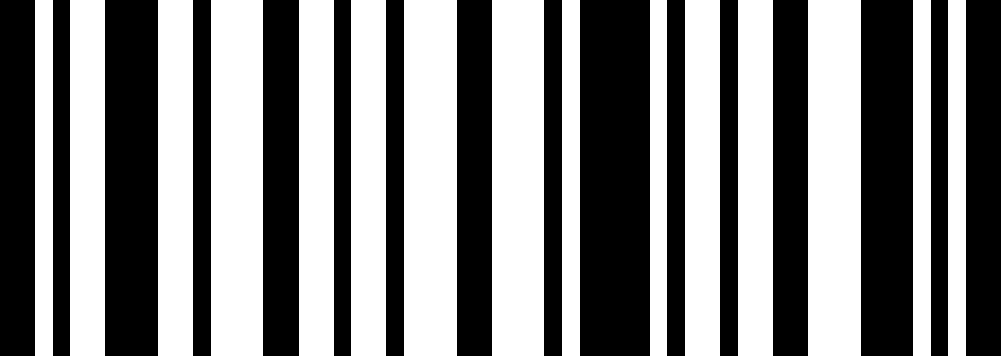

0836

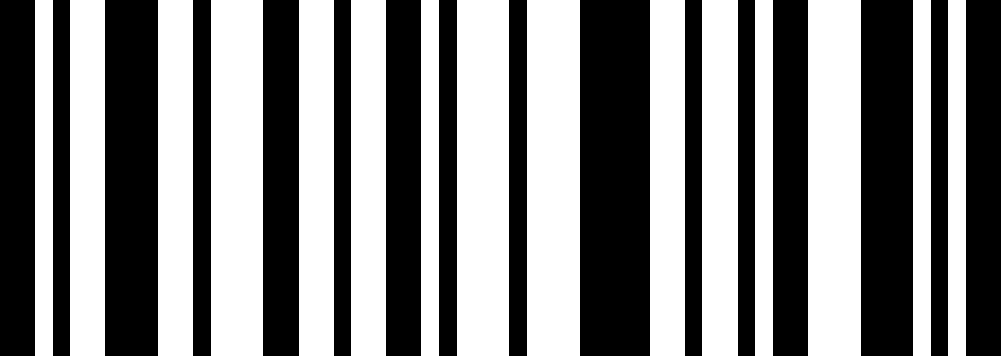

A standard 1D barcode with vertical black bars of varying widths on a white background.

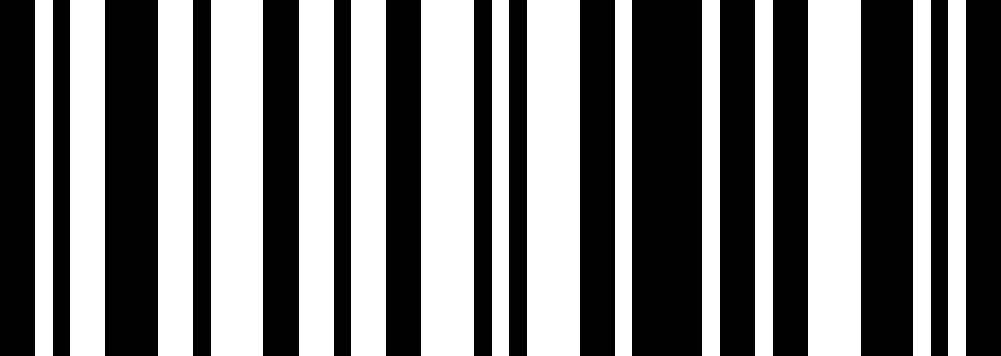

0837

0838

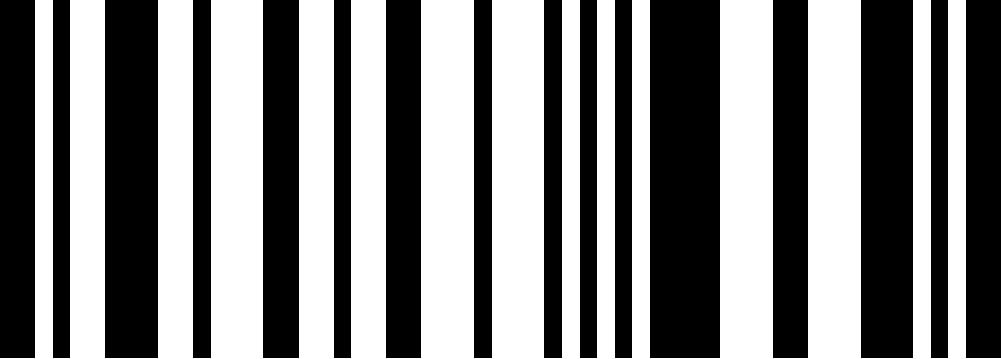

0839

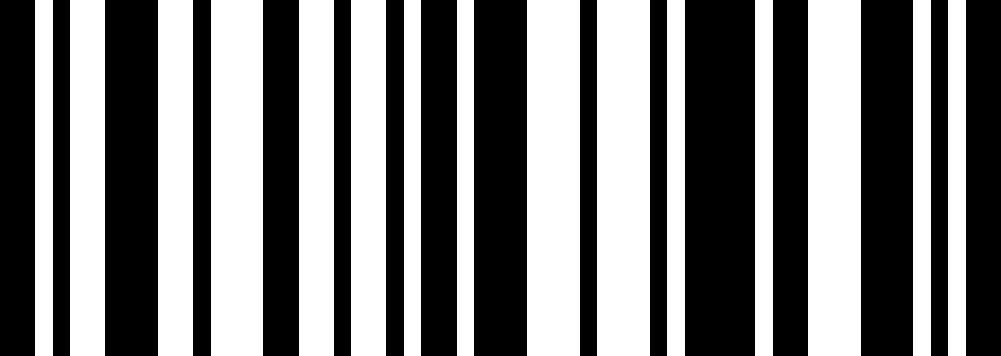

0840

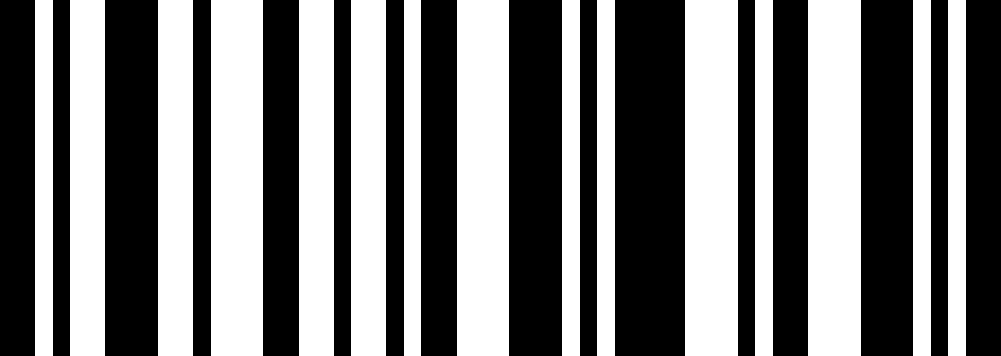

0841

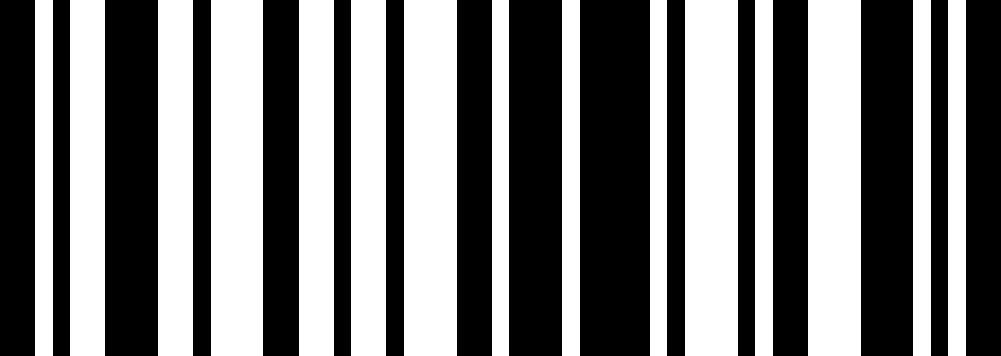

A standard 1D barcode with vertical black bars of varying widths on a white background.

0842

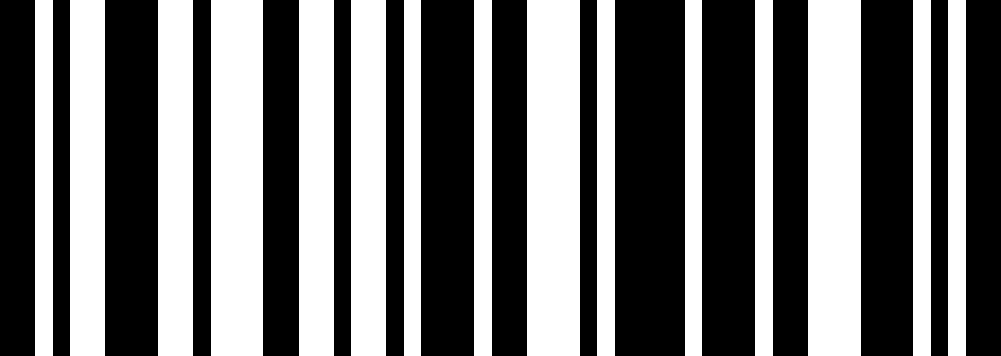

A standard 1D barcode with vertical black bars of varying widths on a white background.

0843

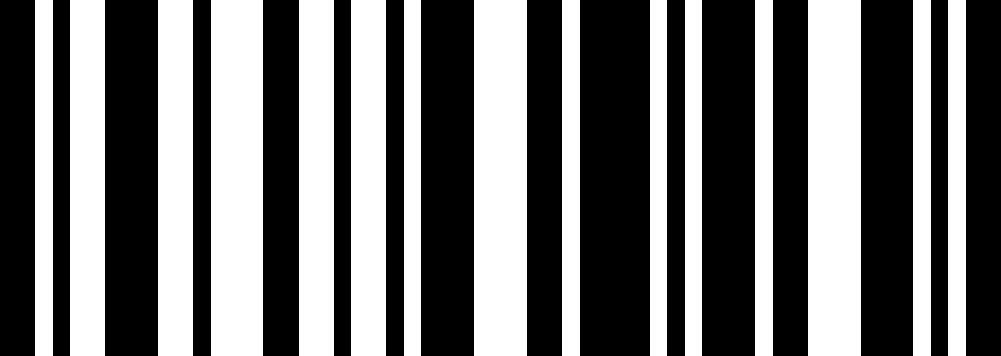

A standard 1D barcode with vertical black bars of varying widths on a white background.

0844

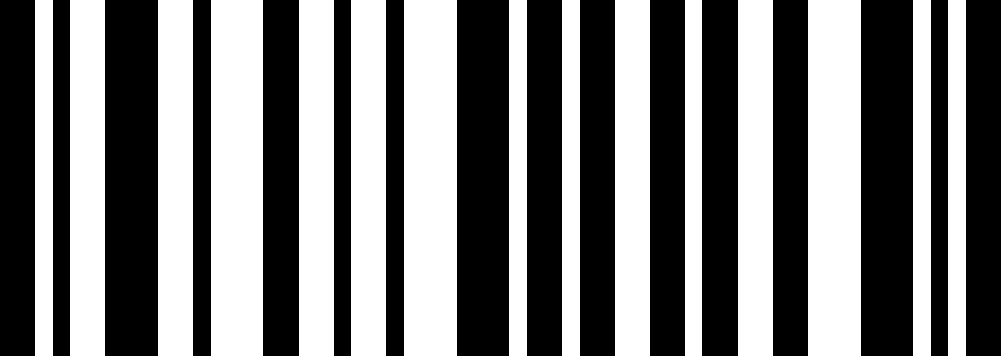

A standard 1D barcode with vertical black bars of varying widths on a white background.

0845

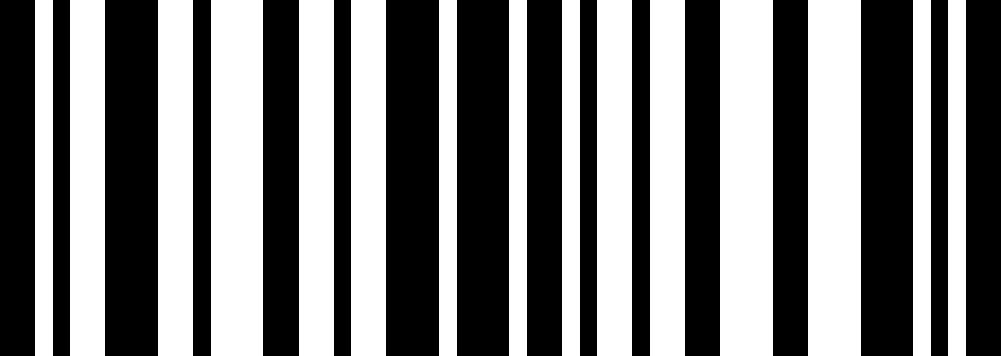

A standard 1D barcode with vertical black bars of varying widths on a white background.

0846

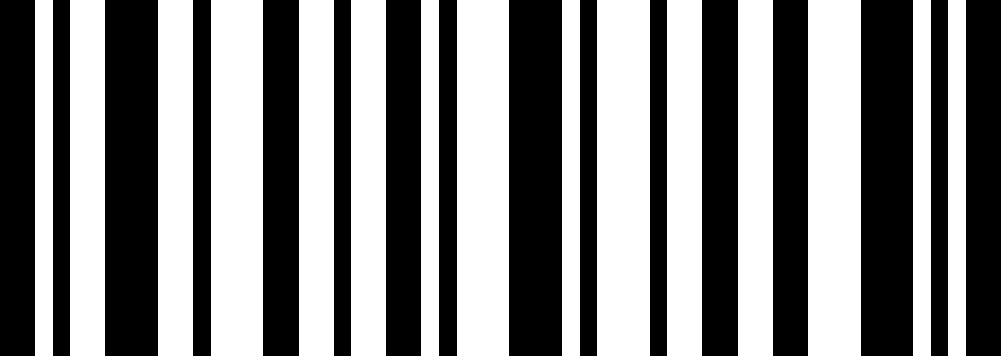

0847

A standard 1D barcode with vertical black bars of varying widths on a white background.

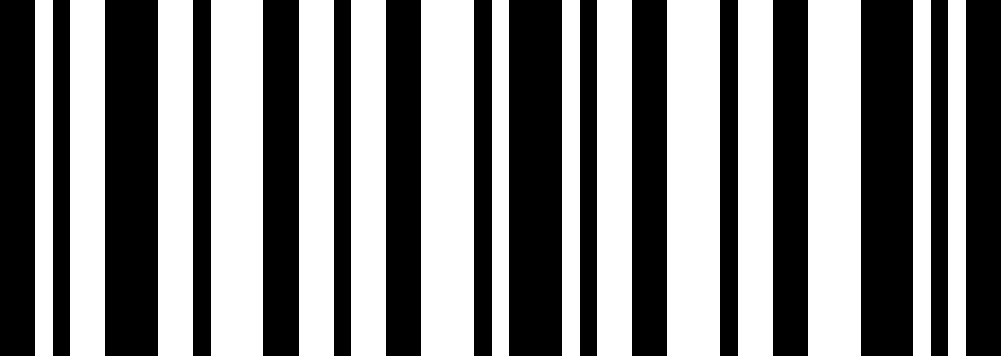

0848

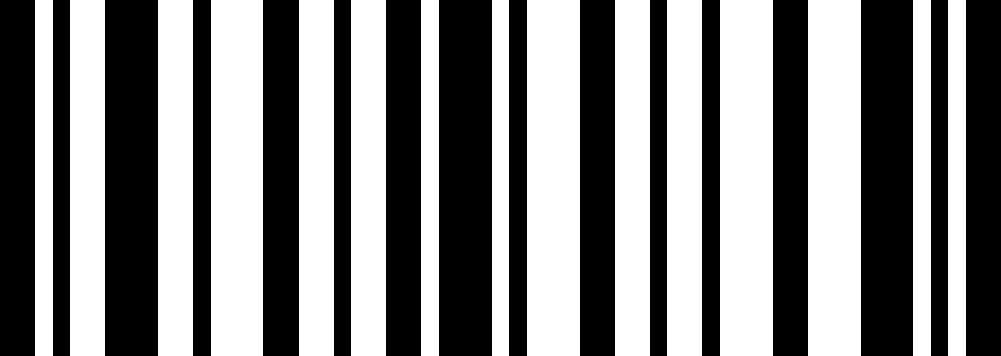

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the number 0849.

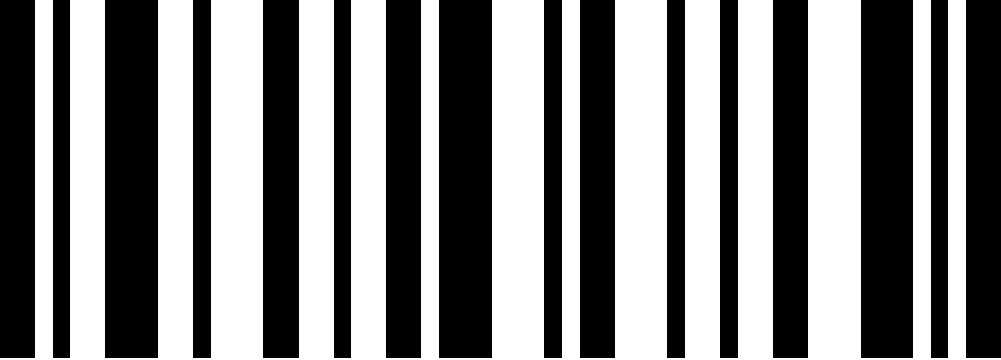

0849

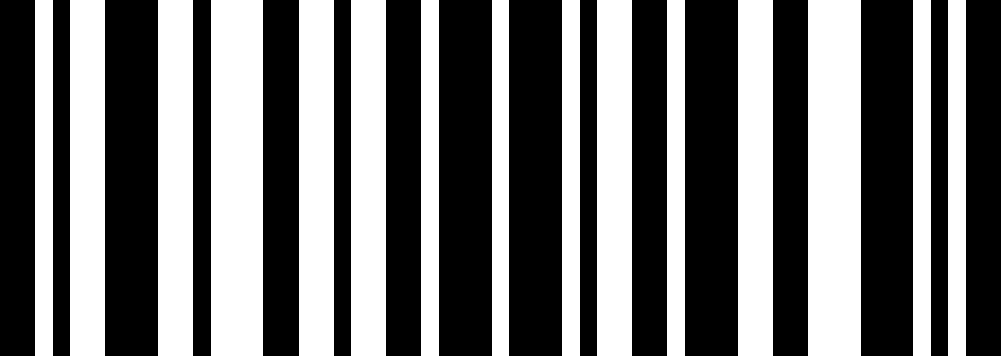

0850

0851

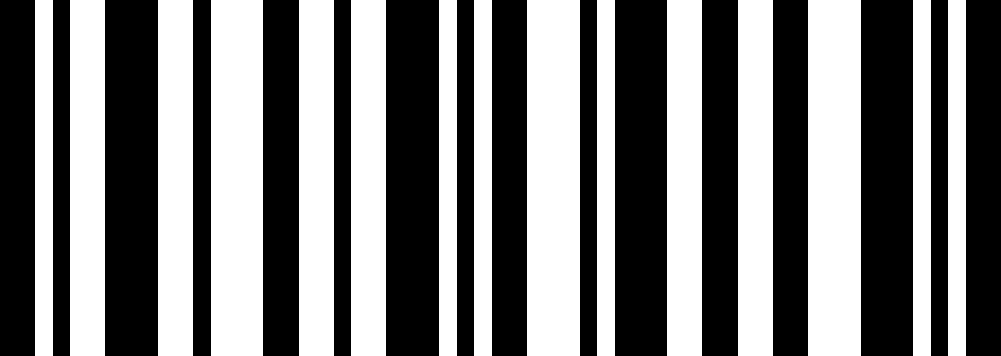

0852

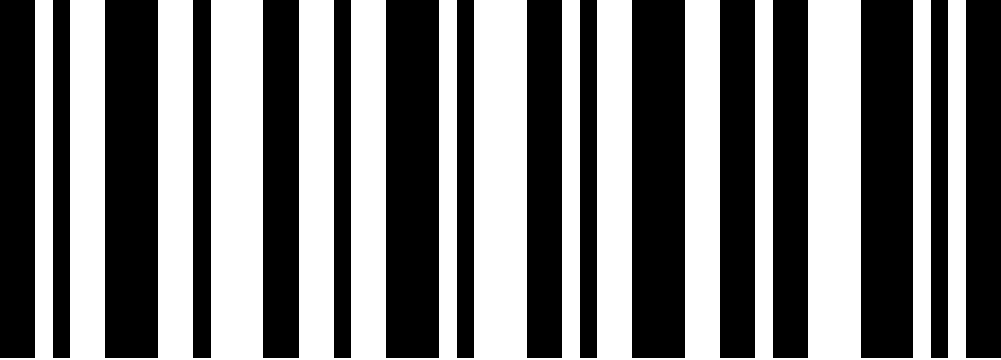

A standard 1D barcode with vertical black bars of varying widths on a white background.

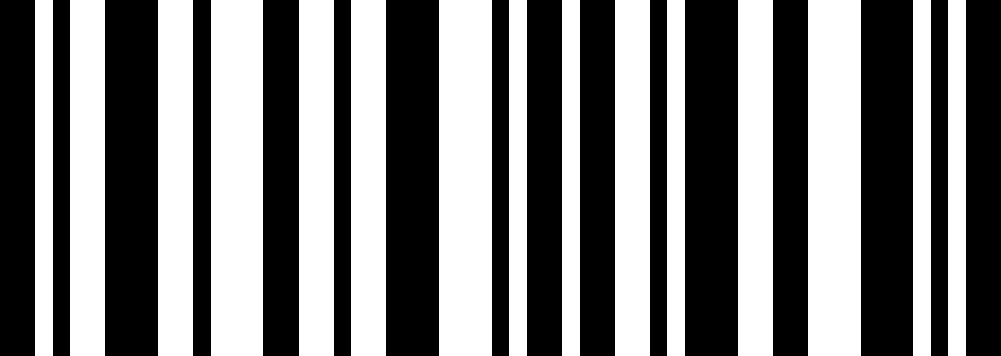

0853

0854

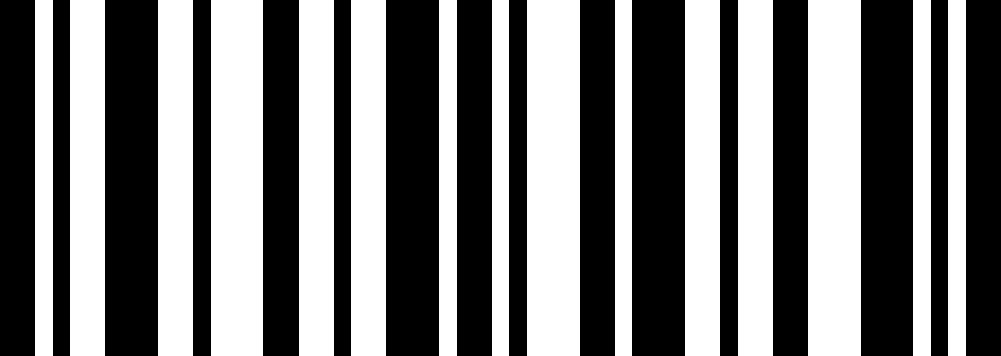

0855

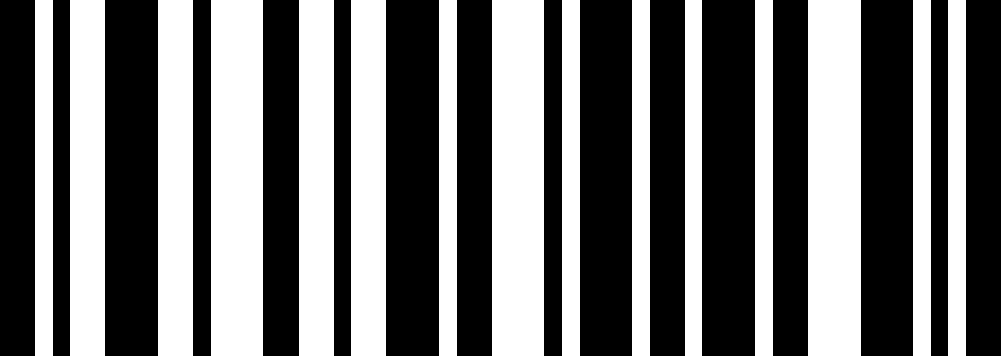

A standard 1D barcode with vertical black bars of varying widths on a white background.

0856

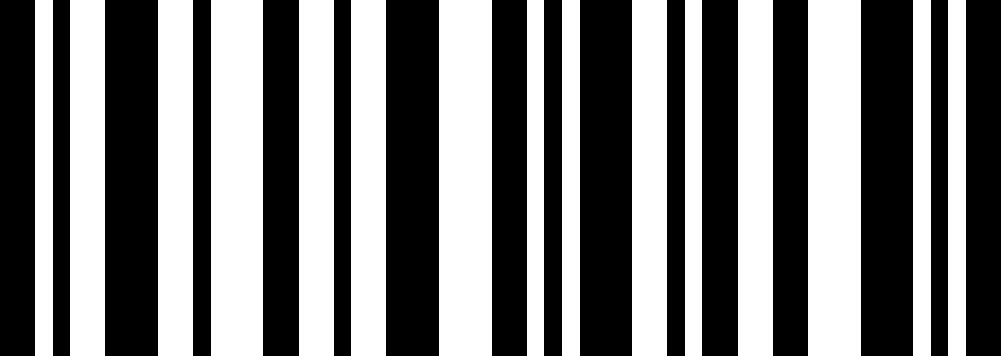

0857

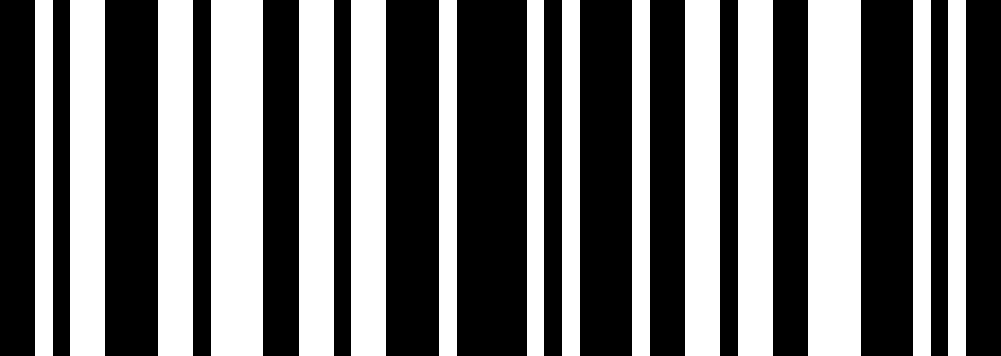

A standard 1D barcode with vertical black bars of varying widths on a white background.

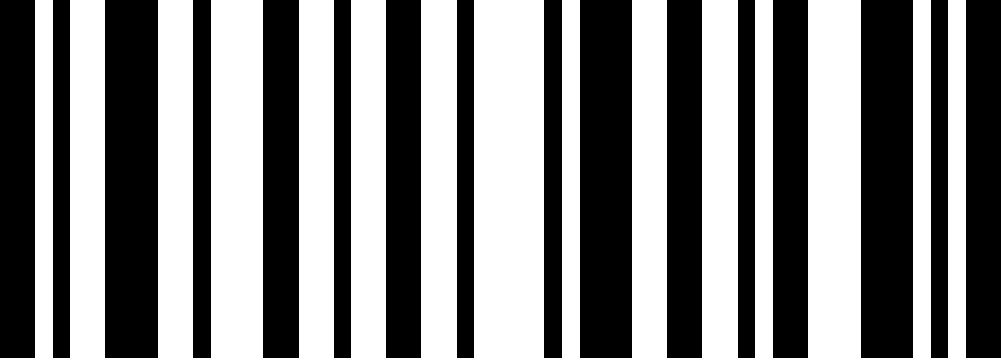

0858

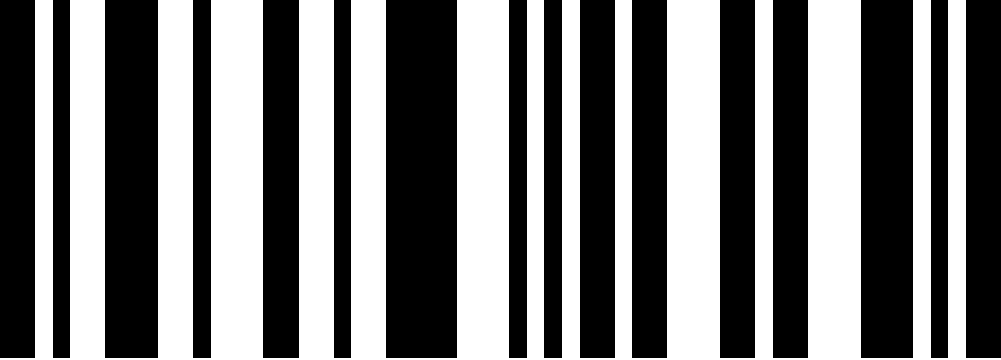

0859

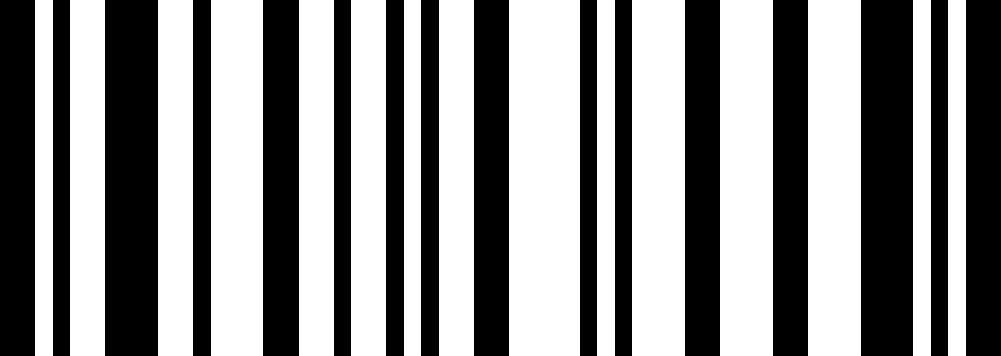

0860

A standard 1D barcode with vertical black bars of varying widths on a white background.

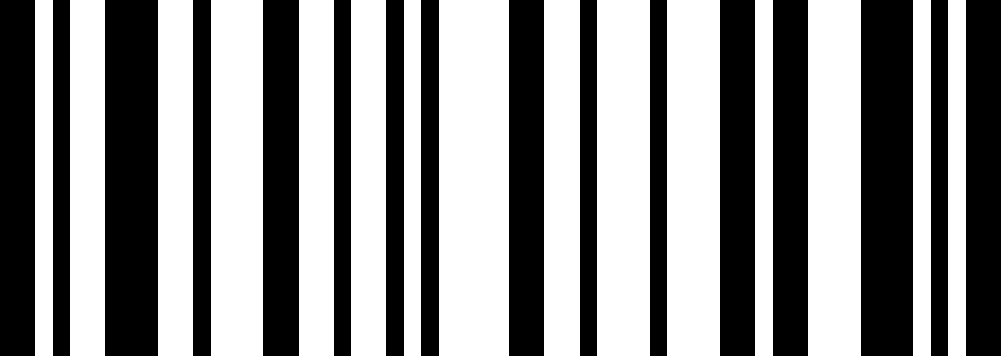

0861

A standard 1D barcode with vertical black bars of varying widths on a white background.

0862

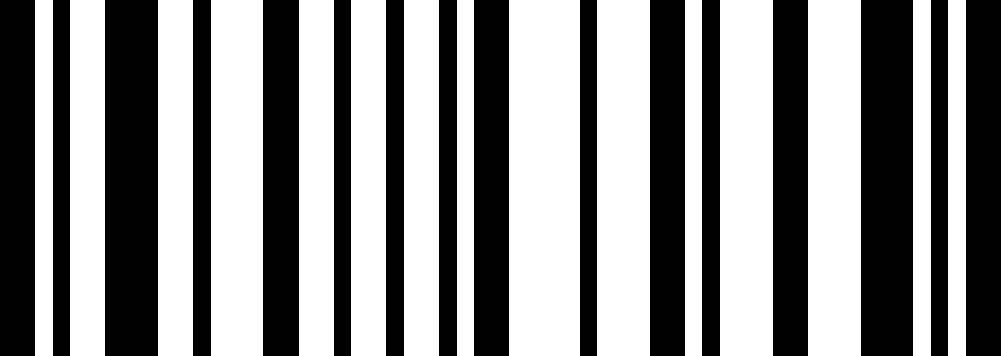

A standard 1D barcode with vertical black bars of varying widths on a white background.

0863

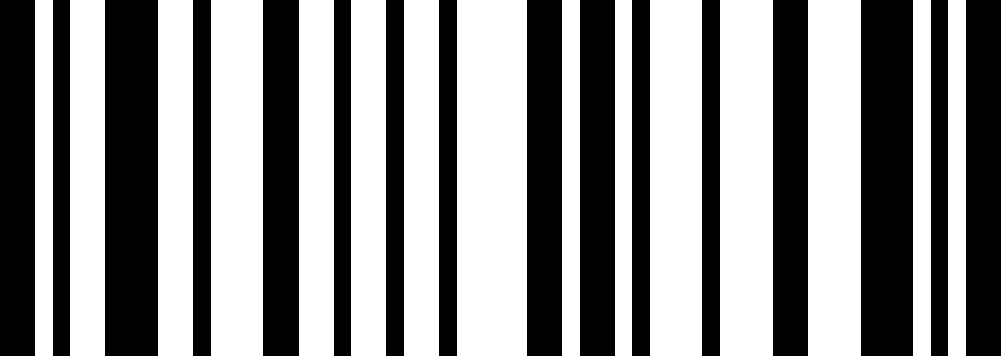

0864

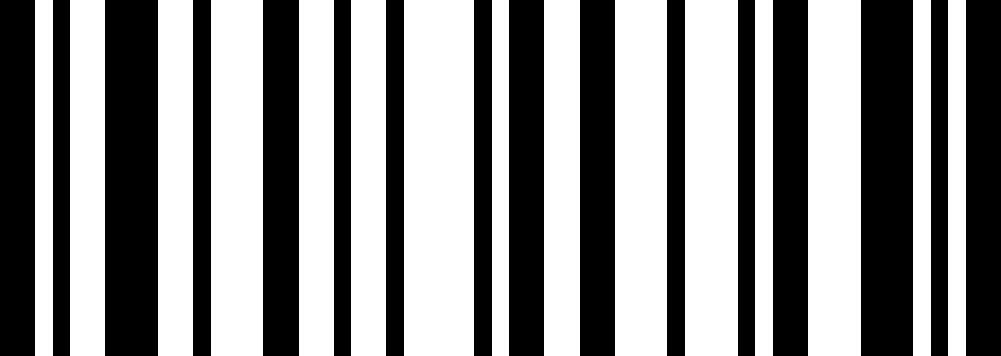

A barcode consisting of vertical black bars of varying widths on a white background. The bars are arranged in a sequence that corresponds to the number 0865.

0865

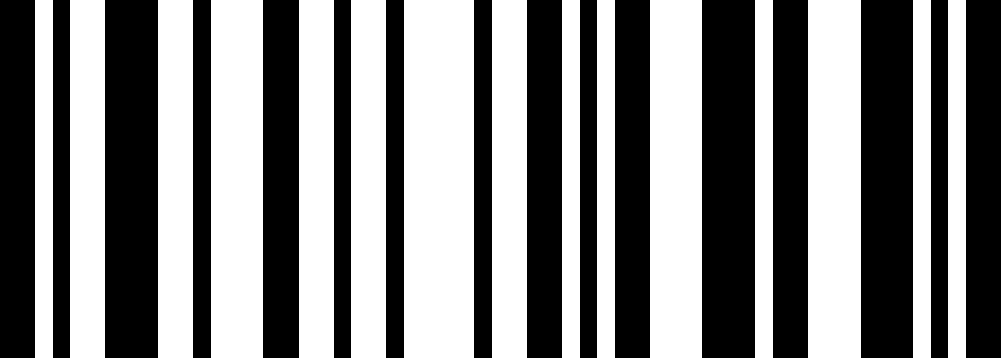

0866

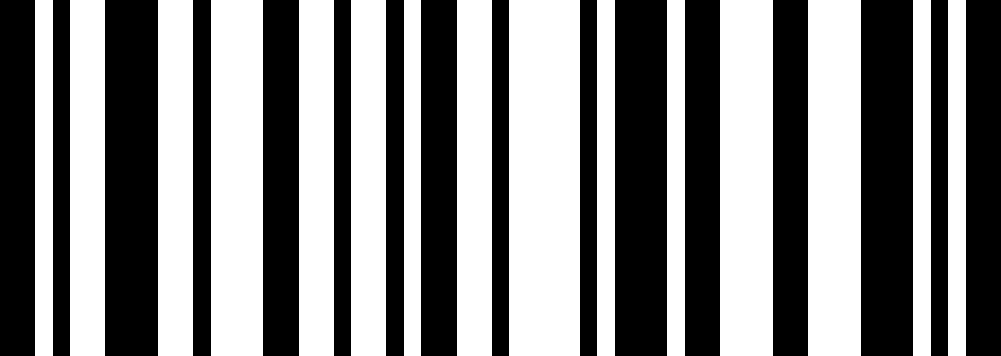

A standard 1D barcode with vertical black bars of varying widths on a white background.

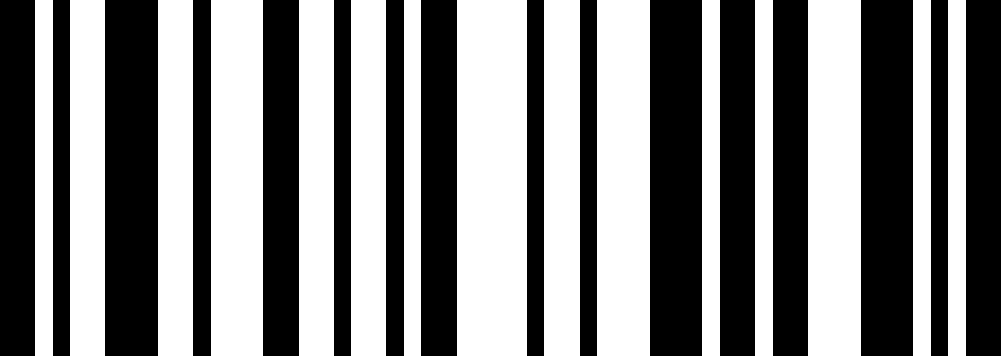

0867

0868

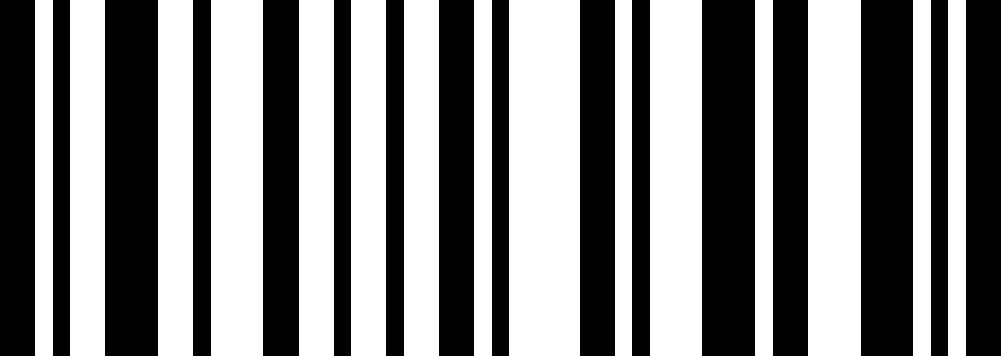

0869

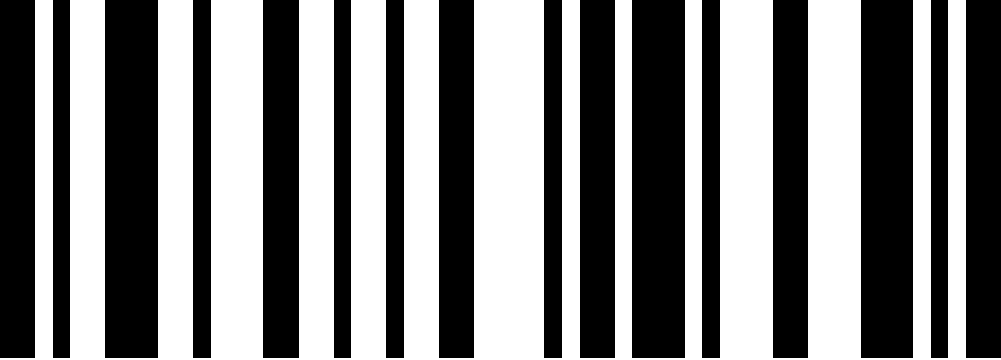

A standard 1D barcode with vertical black bars of varying widths on a white background. The barcode is positioned at the top of the image, spanning the entire width.

0870

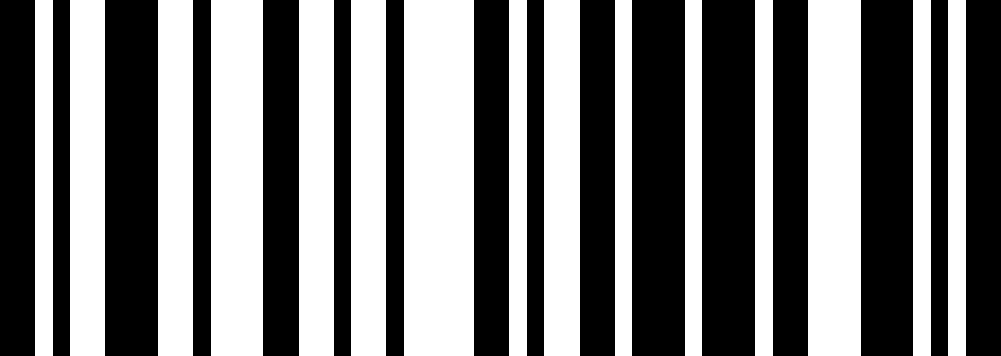

A standard 1D barcode with vertical black bars of varying widths on a white background.

0871

A standard 1D barcode with vertical black bars of varying widths on a white background.

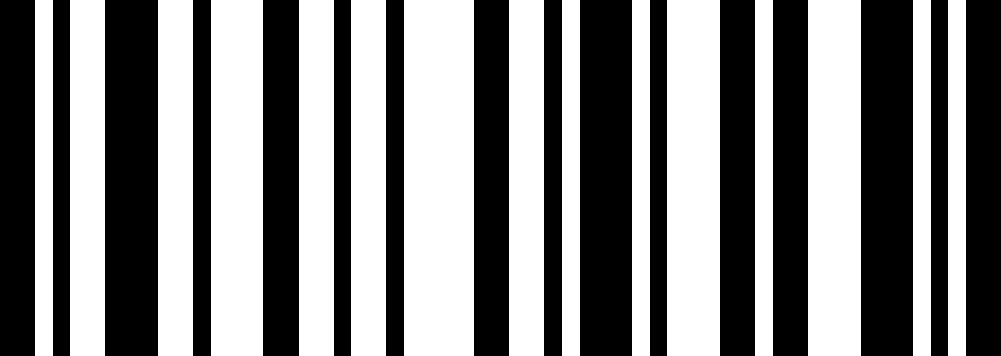

0872

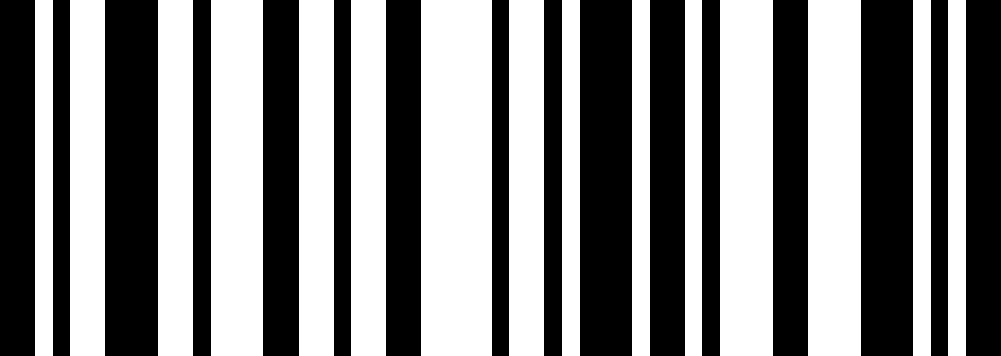

A standard 1D barcode with vertical black bars of varying widths on a white background.

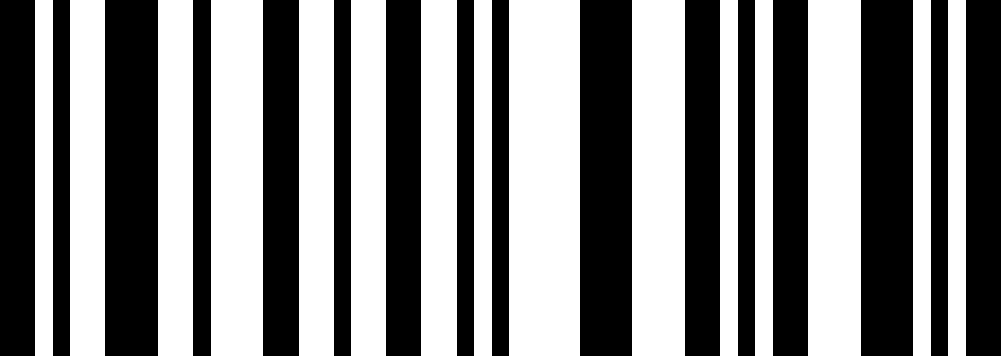

0873

A standard 1D barcode with vertical black bars of varying widths on a white background.

0874

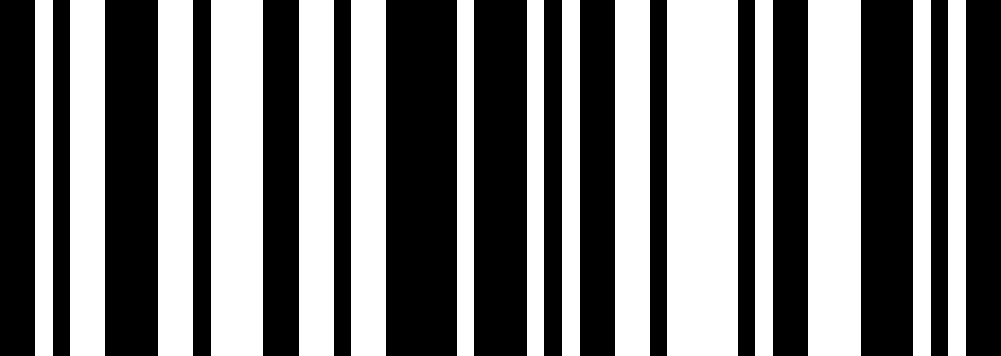

A standard 1D barcode with vertical black bars of varying widths on a white background.

0875

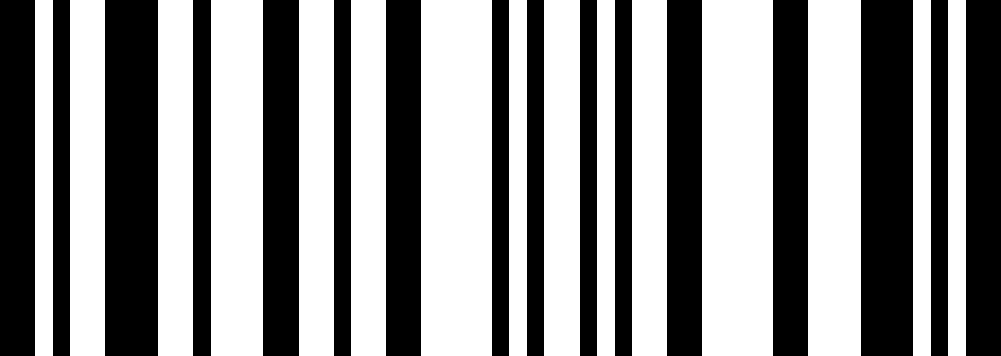

A standard 1D barcode with vertical black bars of varying widths on a white background.

0876

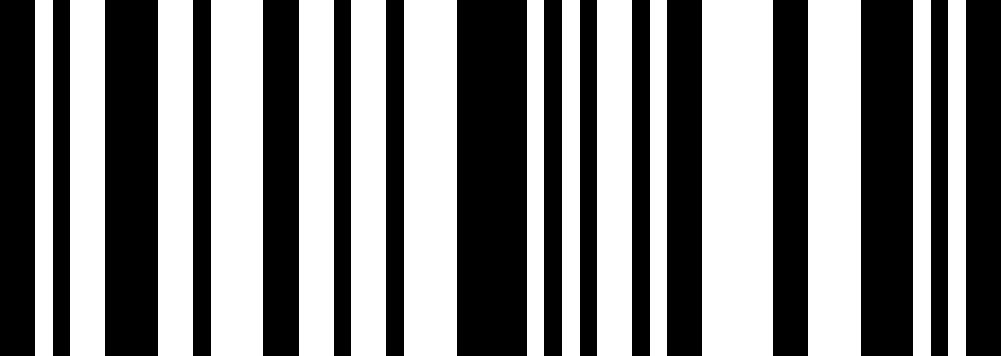

A standard 1D barcode with vertical black bars of varying widths on a white background.

0877

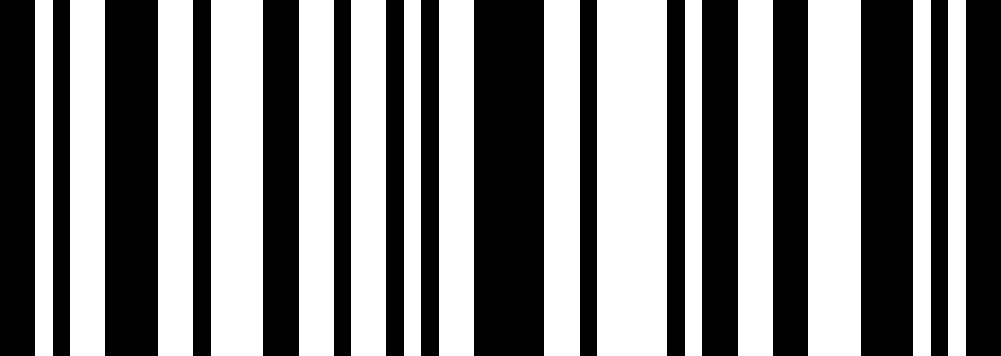

A standard 1D barcode with vertical black bars of varying widths on a white background.

0878

A standard 1D barcode with vertical black bars of varying widths on a white background.

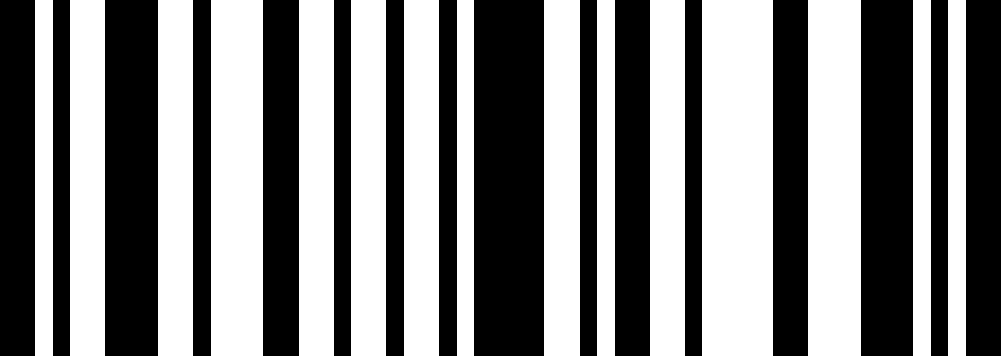

0879

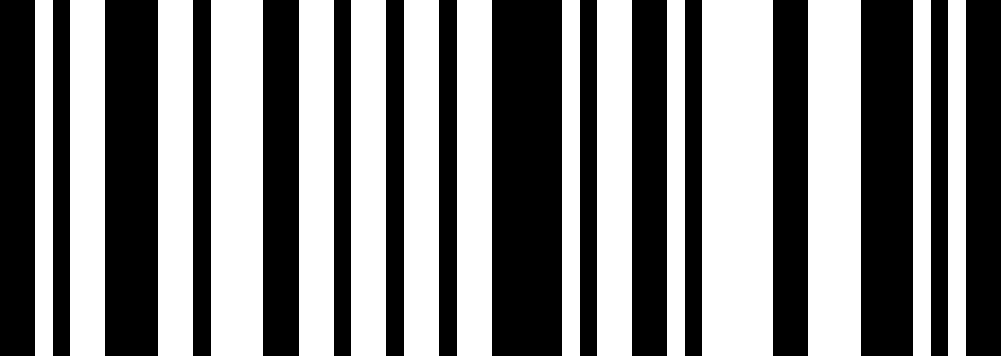

0880

A barcode consisting of vertical black bars of varying widths on a white background. Below the barcode, the numbers 0880 are printed in a large, bold, black, sans-serif font.
